Rollicking Wild West Adventure and Romance from Bestselling Author Mary Connealy Dare Riker is a doctor who saves lives, but someone seems determined to end his. It may have something to do with the traitors he dealt with during the Civil War, or it might be related to the recent incident with Flint Greer and the ranch. Whoever the culprit is, he or she seems really fired up, and Dare can't let his guard down for a moment, which is a challenge, since right now he's trying to win the heart of the recently widowed Glynnia.

Glynna Greer came west as a mail-order bride and ended up in a bad situation. Now her husband, Flint, is dead, and she's determined to care for her son and daughter on her own. She wants to believe Dare Riker is as decent as he seems, but she's terrified to lock herself into another marriage. She plans to support her small family by opening a diner--never mind that cooking is not her greatest talent. The men in Broken Wheel, Texas, are so desperate for home cooking that they seem willing to overlook dried-out beef and blackened biscuits. Glynna can't help but notice that danger follows Dare wherever he goes. There's the avalanche. And then the fire. But things really get out of hand when someone plunges a knife from Glynna's diner into Dare's back. Are Flint's cronies still plotting revenge? Is Glynna's son engaged in a misguided

'An effective golf swing will produce a thousand correct positions - but a thousand correct positions won't produce an effective golf swing'. Using a thorough analysis of more than 200 research articles, author Chris Riddoch - a scratch golfer in his teens and one of the UK's leading sports scientists - explains why this statement is true. In The

Golf Swing, he describes why we must avoid the endless technical complexities of the 'swing theory quagmire'. He explains how dissecting the swing into countless angles and positions and trying to recombine them actually stifles our best learning weapon - our powerful, innate skill-learning mechanisms, which thrive on SIMPLICITY. The Golf Swing combines two sciences: golf swing mechanics and human skill learning. The result is an approach to swing development based on just four movement skills - KEY SKILLS - each of which can be learnt using the simplest of swing thoughts. In contrast

to other books - which merely describe the swing - The Golf Swing explains the best way to learn it. Grounded firmly in high-quality science, yet written in a non-scientific, entertaining style, The Golf Swing cuts through the buzzing bewilderment that surrounds the golf swing. All golfers - from beginners to tournament professionals - will benefit. 'For any other human skill, we know we can do it, but we don't know how we do it. In the golf swing, it's the opposite - we know everything about how to do it, but we can't DO it'. <http://www.TheGolfSwingZone.com>

*A six-foot-seven-inch Jewish hippie from Philadelphia starts a Western swing band in 1970, when country fans hate hippies and Western swing. It sounds like a joke but—more than forty years, twenty-five albums, and nine Grammy Awards later—Asleep at the Wheel is still drawing crowds around the world. The roster of musicians who've shared a stage with the Wheel is a who's who of American popular music—Van Morrison, Willie Nelson, Dolly Parton,*

*Emmylou Harris, George Strait, Vince Gill, Lyle Lovett, and so many more. And the bandleader who's brought them all together is the hippie that claimed Bob Wills's boots: Ray Benson. In this hugely entertaining memoir, Benson looks back over his life and wild ride with Asleep at the Wheel from the band's beginning in Paw Paw, West Virginia, through its many years as a Texas institution. He vividly recalls spending decades in a touring band,*
