Tobin hands me a letter. The words that shred me are: I am no longer in love with you. The world stops. Ten years ago, we stood before an altar and looked into each other's eyes. There was so much we didn't see... *Undoing I Do* is a poignant novel about the convergence of love and divorce. Claire McCloud, musician, artist, actress and eccentric free spirit, suddenly finds herself a single mom in the new traditional American family--the divorced couple with two children. Wild, hilarious, and unconventional, Claire never thought she would meet anyone who could domesticate her. She never imagined a man who could be her partner forever. But then came *He Who Wears Scarves in Summer*: a handsome German artist named Tobin Kleinherz. It's the 1980s, and he claims Claire's heart and soul at a hip gallery opening. After a whirlwind courtship, Tobin proposes and Claire amazes herself by accepting. Years later, after a beautiful wedding, two adorable children and countless adventures, Claire and Tobin come face to face with their marital demons. Claire moves from morning sickness to mourning sickness as she realizes her dashing Tobin is leaving, and she must face her future alone. After her marriage unravels, Claire revisits the crucial moments when love and dreams began to shatter and spiral out of control. With refreshing humor and the hard-won wisdom of a survivor, Claire grapples with lawyers, an empty bank account and myriad jobs to make ends meet. Almost miraculously, she pulls a new life from the wreckage and starts again on the road to happiness. Through a unique structure of interlocking vignettes, *Undoing I Do* examines the demise of love, uncovering its early symptoms, mysterious connections and powerful conclusions. This beautiful novel is much more than the anatomy of a divorce. #winning is a twenty-years-in-the-making autobiography that encompasses the life of a young woman who has sacrificed everything she has to please others. Being a giver is a wonderful quality but not when it results in being abused, stolen from, losing your family, having to claim bankruptcy, and almost losing your life. You will be able to go back in time to 1999 when this young author was twelve years old and read many of the journal entries that have taken her through the ups and downs of life. This book opens up the questions of "Why do we do what we do?" "Are we who we are because of how we were born or because of the decisions we have made?" "How can we learn to love and forgive those who have hurt us so badly?" and "How can we give to others without being taken advantage of?" If you have experienced failures, abuse, financial disasters, ugly divorces, drug and alcohol abuse, rape, isolation, and much more, than this book may offer you some comfort, understanding, and hope that any bad situation can be turned around and used for good. By the grace of God, we can all survive what this world may throw our way, and this book will prove to you that you are not alone.

***The Rat Bastard Protective Association was an inflammatory, close-knit community of artists who lived and worked in a building they dubbed Painterland in the Fillmore neighborhood of midcentury San Francisco. The artists who counted themselves among the Rat Bastards—which included Joan Brown, Bruce Conner, Jay DeFeo, Wally Hedrick, Michael McClure, and Manuel Neri—exhibited a unique fusion of radicalism, provocation, and community. Geographically isolated from a viable art market and refusing to conform to institutional expectations, they animated broader social and artistic discussions through their work and became a transformative part of American culture over time. Anastasia Aukeman presents new and little-known archival material in this authorized account of these artists and their circle, a colorful cultural milieu that intersected with the broader Beat scene.***

***In 1963 a woman by the name of "Evgenia Smetisko," an immigrant who purportedly entered the United States from Roumania according to her 1928 naturalization papers, published "Anastasia: The Autobiography of HIH The Grand Duchess Anastasia Nicholaevna of Russia." When asked if she were indeed the youngest daughter of Tsar Nicholas II and Empress Alexandra, she denied it and failed a lie detector test. Upon acknowledging the fact, she passed. Although her immigration and naturalization papers state that "Evgenia" was born on January 25, 1899, her grave cross in the cemetery of Holy Trinity Russian Orthodox Monastery in Jordanville, New York lists the birthdate as June 18, 1901. On that date Grand Duchess Anastasia was born in St. Petersburg, Russia. Both Anastasia and "Evgenia" were artistically inclined. Paintings and embroidery from "Evgenia's" collection, which were NOT deemed suitable for inclusion in the monastery's Russian history museum and now reside in a private collection, are offered here for the enjoyment of the reader.
