'A wonderfully useful book, told with wit and wisdom' - Adam Kay, best-selling author of THIS IS GOING TO HURT "Get up or you'll miss the best part of the day!" "You treat this place like a hotel." "Can you just put that phone down for one minute?!" After years of reliable performance, has something recently gone wrong with your parents? Do you find yourself stressed out, arguing about the most ridiculous things? Is it like you're processing the same world with entirely different brains? Do you and your parents want to fix things? There are hundreds of books for them about how to deal with you. Now, for the first time, doctor of brains and international bestselling author, Dean Burnett has written a book for YOU to understand just what on earth is going on. Like, just WHY are your parents: - Obsessed with tidiness - Not letting you get enough sleep - Just generally not getting anything that's important to you! But don't worry. These are very normal parent malfunctions, and by understanding the science behind where they're coming from, you'll know exactly how to troubleshoot conflict when it occurs (and even fix it before it does). You'll never be able to remove arguments completely. But imagine what you'd be capable of if you weren't wasting all that time and energy arguing about tidying your room.

Imagine: You arrive to college on the first day, ready to meet your roommate in the girl's dorm. A huge mistake puts you into the male dorm. Your roommate? He's DJ Dalton, football star and campus celebrity extraordinaire. You can look, but you can't touch. Because the prettiest packages come with the biggest consequences...Is he panty-meltingly handsome with an attitude to match? Sure. Do I accidentally fantasize about him one (okay, maybe two) times? Fine, I'm honest enough to admit it. None of that matters, because we're opposites in all the ways that are important for getting along as college roommates: He comes from a perfect life and old money. I come from a broken home and bowls of ramen. He's at Greene State to party. I'm here to study. He's a popular jock. I wouldn't be caught dead playing sports. To say we get off to a rocky start would be an understatement. Ironically, that's what causes our sizzling attraction to boil over one night. But even that comes at a price. Because our story has a twist neither of us could see coming. One that changes both of our lives, 'till death do us part.

Filled with moments of deep emotion and unexpected humor, this understated and wise novel explores the complexities of living with OCD and offers the prospect of hope, happiness and healing. Perfect for readers who love Eleanor & Park and All the Bright Places. ADAM'S GOALS: Grow immediately. Find courage. Keep courage. Get normal. Marry Robyn Plummer. The instant Adam Spencer Ross meets Robyn Plummer in his Young Adult OCD Support Group, he is hopelessly, desperately drawn to her. Robyn has an hypnotic voice, blue eyes the shade of an angry sky, and ravishing beauty that makes Adam's insides ache. She's also just been released from a residential psychiatric program—the kind for the worst, most difficult-to-cure cases; the kind that Adam and his fellow support group members will do anything to avoid joining. Adam immediately knows that he has to save Robyn, must save Robyn, or die trying. But is it really Robyn who needs rescuing? And is it possible to have a normal relationship when your life is anything but? Select praise for The Unlikely Hero of Room 13B: “. . . achingly authentic. Like Augustus Waters before him, Adam Spencer Ross will renew your faith in real-life superheroes and shatter your heart in equal measures.” –Kirkus Reviews, Starred “This book made me laugh, cry, think, and kept me coming back for more.” –The Guardian “Adam is a protagonist that readers will root for.” –VOYA “Honest, fresh, and funny . . . Toten employs information about OCD like grace notes in this deft and compelling narrative.” –Booklist “Adam is a fresh and complex character, and far more than the sum of his symptoms.” –Publishers Weekly

But then suspicion sets in. The new girl seems very close to Billie's best friend Layla. And doesn't she know a little too much about the latest big school heist - the theft of Mrs Robinson's purse...?

Cole Kingston might be good looking, great with a football and practically the king of Lincoln High, but he's also cocky, arrogant, a serial flirt and Madi's sworn enemy. Will she be able to resist him though when the competition heats up and he turns his charms on her?

Previously published as Ali & the Too Hot, Up-to-No Good, Very Beastly Boy I had a plan to survive my senior year. Too bad Jackson High's star quarterback BLEW. IT. UP. Last year, I was the most hated girl at my old school. This year, my plan is to lay low, keep to myself and graduate. My plan's working. Until the day I run into Dax DeLeon. It's impossible to stay invisible when the most popular guy at school claims I'm his girlfriend. Did I mention his ex--the head cheerleader and the most popular girl in school--wants him back? Boom. Now I've got a fake boyfriend. And a target on my back. Again. But what's scaring me the most... If this thing with Dax is fake--why does being with him feel so real? The Nerd & the Quarterback is a sweet YA romantic comedy about a nerdy bowler, a hot quarterback, a possible case of mistaken identity, a bunny-napping, ransom notes, a failed ransom drop, thievery, and mean girls being mean. But mostly about a boy and a girl learning to trust. *Warning: this book has a romance so sweet you'll get an urge to call your dentist.* Grab your copy today!
