

The Beast Invisible Fiends Book 5

Afraid of a cute little dolly, are you? Well, you should be...

"Sophie is an amateur naturalist with a rare genetic gift: the ability to see a marvelous kingdom of invisible, sentient creatures that share a vital, symbiotic relationship with humankind. To record her observations, Sophie creates a personal bestiary and, as she relates the strange abilities of these endangered beings, her tales become extraordinary meditations on love, sex, evolution, extinction, truth, and self-knowledge"--

Lambda Literary Award 2014 Finalist in LGBT Nonfiction Foreword Reviews' INDIEFAB Book of the Year Award 2014 Finalist in Family & Relationships Independent Publisher Book Awards 2015 (IPPY) Silver Medal in Sexuality/Relationships Next Generation Indie Book Awards 2015 Winner in LGBT -- What if you weren't sexually attracted to anyone? A growing number of people are identifying as asexual. They aren't sexually attracted to anyone, and they consider it a sexual orientation—like gay, straight, or bisexual. Asexuality is the invisible orientation. Most people believe that "everyone" wants sex, that "everyone" understands what it means to be attracted to other people, and that

“everyone” wants to date and mate. But that’s where asexual people are left out—they don’t find other people sexually attractive, and if and when they say so, they are very rarely treated as though that’s okay. When an asexual person comes out, alarming reactions regularly follow; loved ones fear that an asexual person is sick, or psychologically warped, or suffering from abuse. Critics confront asexual people with accusations of following a fad, hiding homosexuality, or making excuses for romantic failures. And all of this contributes to a discouraging master narrative: there is no such thing as “asexual.” Being an asexual person is a lie or an illness, and it needs to be fixed. In *The Invisible Orientation*, Julie Sondra Decker outlines what asexuality is, counters misconceptions, provides resources, and puts asexual people’s experiences in context as they move through a very sexualized world. It includes information for asexual people to help understand their orientation and what it means for their relationships, as well as tips and facts for those who want to understand their asexual friends and loved ones.

Destiny Allen, a Web designer for software giant Scenaria Security Systems, finds herself involved in a deadly puzzle that blurs the boundaries between the virtual and the real. At

stake: the infrastructure of modern America. Her resources: Dina Gustafson, a college friend, and Karl Lustig, an Israeli technology journalist with friends in dark places. The challenge: sort the good guys from the bad before the lights go out. A fast-paced technology thriller, Web Games is about real risks and virtual worlds, about Internet threats as close as tomorrow's nightly news, and about the ever-escalating warfare between black-hat hackers and modern society.

This book shows how to use agreement to transform the biggest areas of marital conflict into closeness, cooperation, and mutually desirable outcomes. Licensed psychologist, marriage, and relationship coach Jack Ito PhD illustrates with clear, easy to follow examples, how to communicate about the biggest problems that couples face. These are the same techniques his coaching clients use to stop divorces, end affairs, deal with addicted spouses, solve problems, end blaming, improve dating, handle money issues, parent cooperatively, get out of debt, and more. This book is unique in

offering communication training to couples when one spouse (or significant other) is not ready or willing to work on the relationship.

Structophis is a heartwarming YA adventure from the author of *The Book of Deacon*, *Bypass Gemini*, and *Free-Wrench*. It is based upon a concept and artwork by ProjectENDO. In a small town in Colorado, Markus Spiros was just getting his life on track. By day he worked as a veterinary tech, by night he took classes. His steady little routine was rolling along nicely when his impulsive Uncle Dimitrios threw a wrench in the works. Thanks to an unannounced trip, Markus had to swing by his uncle's bistro to tend to the 'special oven.' When he arrived, he discovered it wasn't the oven that was special, it was the rare and exotic egg that had been incubating inside it. And now it had hatched. Suddenly, Markus found his life had become a good deal more complicated. The creature was a Structophis Gastrignae—a strange creature that was equal parts dragon and oven—and she'd become quite a big girl. Large as a refrigerator and curious as a toddler, the creature he'd dubbed Blodgette would have been a handful in any situation. Markus had bigger problems than figuring out how

to take care of her, though. Owning such a rare and special beast was illegal, so should the cops learn of it, Markus would be destined for jail. Worse, there were certain unscrupulous people who would do anything to acquire Blodgette. Now, with the help of his old classmate Gale, Markus must scramble to stay two steps ahead of the authorities and a corrupt CEO, all while being the best 'mommy' he can be to his brand-new pizza dragon.

Chase tries to protect his younger brother Corey, escape from his drug-dealing older brother Cyrus, and put his murderous alter ego behind him when he falls for Bliss, but Cyrus's schemes to keep him on the payroll threaten to destroy his sanity.

Job You Want!**

Bella is a lucky girl - she has a good job, an unbreakable circle of friends, and a fiance better than her wildest dreams. So, why does she want to ruin the best thing that ever happened to her by letting someone from her past meddle in her life? Mike is consumed with the need to marry Bella and make her his as soon as possible. There is nothing he wouldn't do for the woman he loves, but letting her go is the one thing he'd rather avoid. Their love was fast, and their relationship was built over the miles. But does that mean that their future wasn't meant to be? When lies surface, and trust is shaken, will they choose each other? Or will someone else capture their happily ever after?

After Kyle's ordeal at school, his mother packs him off to the safety of the countryside, where there will be no temptation to use his powers, and he can

forget the bad things - like the fact that his dad is a monster determined to destroy the world. But here's the thing about the countryside: it's full of nature, and nature sometimes has claws. Followed by a spindly figure in the woods and attacked by crows, Kyle is about to discover that NOWHERE is safe from the invisible fiends...

A Spectacular Enhancement to the Skill System Mythic Skills introduces a system of skill exploits that take the basic tasks your skills allow you to perform and dials them up to amazing levels. In addition, every skill in the Pathfinder Roleplaying Game Core Rulebook also gets brand-new skill exploits, as well as greater exploits that only the most skilled masters would even attempt. This book contains rules for using these enhanced skills with mythic characters but also provides an alternative system for use in non-mythic Pathfinder campaigns! This system allows your characters to focus on their skills as a key part of their character construction and to invest more of their character's abilities in their character

itself, rather than the character's gear or magical tools. You can use these rules generally with mythic characters, allowing them to attempt all manner of skill-based exploits, or you can limit the ability to pull off these amazing skill stunts to those mythic characters that have really invested in making their skills a key part of their character's identity. The mythic rules offer an opportunity to magnify what makes a character special, and the skills they choose to hone as part of their background narrative and throughout the course of the campaign should be just as important in defining them as their marvelous magic and fabulous feats. With Mythic Skills in your hands, your skills will be just as spectacular!"

Jake is a mountain man in 1838 Colorado who finds he is dying from Cancer. He isn't given much time to live, and doc says it is going to be painful. He sends him off with some medicine to help cope with the pain. Instead of going home to die, Jake decides to set out on a last adventure to find the perfect secluded valley for his final resting place. His best friend, Joe Barnes, won't let him go alone, and he brings along a deaf mute girl named Beth. Along the way they save some children from hostile Indians, guide a wagon train to safety, spend time with old friends, and settle an old score with a past friend. Hopelessly in a funk with no apparent way out, mortgage industry veteran, Mark Stiles, grasped desperately to the only thing that could help:

CHANGE. For the past few years, Mark has been stuck in a life of mediocrity - unfulfilled and simply getting by..... Slowly, but surely, both his personal and professional lives have derailed and are on a one-way track to disaster. Now, after a chance encounter with an old friend and colleague in the business, Mark is presented with a challenging opportunity that can radically change his life. A change that could not only allow him to achieve his dreams and provide an abundant life for his family, but a change that could inject long-forgotten purpose, meaning and fulfillment back into his career and very soul. Whether you're a mortgage veteran or a newbie to the residential mortgage scene, this book is possibly the answer to your problems! It not only provides solutions to the issues you've faced with loan files, but it outlines a proven, strategic framework for re-structuring your life to reach all the goals you've set for yourself and achieve unlimited success. The only question is: are you prepared to hit the Reset button and change?

Book Three in the Touched Series

Companies all over the world could greatly benefit from moving part of even all their staff to work from home as virtual employees. Using the techniques and strategies inside The Invisible Organization, all that is possible quickly and efficiently. If you are the CEO of a company that could benefit by generating more profits, shedding overhead and thrilling staff, this book is a must read. Penned by former CEO of Tony Robbins and Chet Holmes Business Breakthroughs, International, Russo successfully scaled the company with nearly 100% growth per year, and about 300 remote staff, owning no infrastructure. Russo helps clients create the leadership management strategy as outlined in his book and advises CEOs on moving "virtual" with confidence. Why is this book different than other books on working virtually? Because it comes from the CEOs perspective as an operating executive; dealing with the strategy of creating momentum around changing the company, slowly at first and then accelerating as results prove viable. The book is more of a blueprint designed to accomplish this singular act of internal revolution.

Savage man, loner, warrior... I am dangerous at my core. I have lived amidst the untamed wild of the rainforest, in a society that reveres me and where every woman falls before me in subjugation. Now I've been discovered. Forced to return to a world that I have forgotten about and to a culture that is only vaguely familiar to my senses. Dr. Moira Reed is an anthropologist who has been hired to help me transition back into modern society. It's her job to smooth away my rough edges... to teach me how to navigate properly through this new life of mine. She wants to tame me. She'll never win. I am wild, free and raw, and the only thing I want from the beautiful Moira Reed is her submission. She wants it, I am certain. I will give it to her soon. Yes, very soon, I will become the teacher and she will become my student. And when I am finished showing her body pleasure like no other, she'll know what it feels like to be claimed by an uncivilized man.

THE GREAT ZANDINI: A man hypnotized in a nightclub act becomes involved in a murder plot.

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally

touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Joseph Miller and Mike Samson are closing in on one of the Fallen on the busy streets of New York City, with the help of a young woman who just happens

to grow fur and fangs. Little do they know someone from Miller's past is hunting them to settle a grudge over a thousand years old. Meanwhile, Lizzie Namgung is desperately searching for her missing friend Ann. Much to her surprise, so is the FBI. As a new evil spreads across the city of Newark, Lizzie finds herself caught in a web of murder, mayhem, and monsters. *Ancient Awakening* is a Horror/Action novel with just the right touch of comedy. *Ancient Enemies* is the second book in the series that follows the adventures of eccentric demon hunter Joseph Miller. His job is to defend the human race against seven mythical demons and their offspring. Unfortunately for us, he has been dead for the last hundred years. The series begins with *Ancient Awakening*, continues here with *Ancient Enemies*, and is followed by *Ancient Revelations*. The all-new second edition of *Ancient Enemies* is professionally edited and 55,700 words.

"Boomstick. Samurai bat. Motorcycle leather. And the will to live amongst the unliving. Augustus Berry lives a day-to-day existence comprised of

waking up, getting drunk, and preparing for the inevitable day when "they" will come up the side of his mountain and penetrate his fortress. Living on the outskirts of a city and scavenging for whatever supplies remain since the demise of civilization, Gus knows that his next visit to undead suburbia could be his last. Not only does he face a corpse-infested urban hell, human scavengers, and unending loneliness, but now a new mystery has risen... The undead are disappearing from the streets. A force is gathering, beyond the mountain man's wildest nightmares, even more relentless and terrifying than the roaming tides of dead flesh. And it's preparing to hunt." -- Back cover.

Jenny was left by her parents at a stranger's door. She goes from home to home hoping to find the home that will keep her and love her . But every home gets ripped from her fingers . The only stable thing in her unstable life is the social worker at the State Child Protection Office, Mary . Maybe with Mary, Jenny will find her way through the maze of life.

"Appalachian Daughter grabbed me Friday afternoon, and except for the time for sleeping and necessary duties, did not turn me loose until I finished it Saturday afternoon." Early Reader This coming-of-age novel depicts the trials, triumphs, and tragedies that befall Maggie Martin, the eldest of eight children whose family struggles to make ends meet on a hilly farm in Campbell Hollow, a narrow mountain valley in East Tennessee. On the last day of eighth grade, Maggie begins to dream of finding a way to escape the drudgery and confinement of life in the hollow and establish her independence. Her plan begins to fall in place when she enters high school and discovers she has a natural talent for excelling in shorthand, typing and other business classes. Meanwhile she spares no effort in helping her family continue to survive despite their poverty, a less than fertile few acres, and a family history of instability. She strives to fit in at high school in spite of the harsh limits placed on her by her hot-tempered, authoritarian mother, Corie Mae. She often turns for support to her

easy-going father Ray, who sometimes intervenes to overrule Corie Mae's restrictions. As she goes about her life, doing her school work and helping out at home, she interacts with interesting, unforgettable, and sometimes dangerous characters, including a mentally challenged neighbor, an escaped convict, and a lecherous employer. She is forced to make decisions and take actions that would be difficult for a much older adult. Maggie meets each challenge with determination, imagination, and courage whether it's cutting a pitchfork from a mare's tail or helping to deliver her baby sister. The typical spoken language, folkways, and traditional beliefs and religious practices are skillfully woven into this portrait of Appalachian family life. The author's sympathetic insights into mountain culture combined with memorably etched characters and events create a realistic reflection of Tennessee mountain life during the decade following WWII. Maggie's life takes an unexpected turn when her cousin JD reveals a dark secret that could

shatter the family. Maggie struggles to maintain her dreams of a better life amidst the many trials that will test the grit of this Appalachian Daughter.

"I absolutely loved the story! I really think that the thoughtful approach to the main character's life situations will be meaningful to girls and boys who read the book." Early Reader

Broken Wings: from Hurt to Hope

Chasing Bliss

"As enjoyable as a day at the beach." That's how USA TODAY summed up this hilarious and big-hearted romp in the Florida sunshine. When Murray Zelman, a.k.a. The Bra King, pops another Prozac and heads to the Keys, he has nothing much in mind beyond a quixotic hope of winning back his first wife, Franny, whom he dumped years before. But when he forms an unlikely friendship with Tommy Tarpon, the last remaining member of an obscure Indian tribe, another plan also starts shaping up in his fevered brain. Why not open up Key West's first casino? Why not? Well, how about because the Mafia, in league with some of the nastiest politicians you will ever meet, is determined to kill anyone who tries? Somehow, Murray, Tommy, and Franny didn't think of that until they were in way too deep. Laugh along as they improvise a manic and ever more desperate campaign to keep their casino dreams--and themselves--alive.

Sixteen year old Regan Stone has her life all mapped out. Every choice, from her dual credit classes to the out-of-state university she's selected is deliberate. She even has a no-romance stipulation to avoid dangerous distractions. What Regan didn't anticipate was the sudden change in her best friend, Lane, leaving only glimpses of the boy she grew up with. The bombshell Lane drops on her weeks before he leaves for college compels Reagan to come to terms with her own feelings. This summer may change everything.

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.
