Foreword
The story continues in part two of Maggie's Bed and Breakfast. Maggie finds a book in a box of her mother's belongings that were left for her and her sisters. It turns out to be her mother's diary full of her own memories that reveal family hidden secrets and lies. Maggie keeps the book to herself as much as possible, wanting to read it first but finds it hard not to disclose some of her findings. She discovers some things that are so unbelievable that she has to wonder if they are real or just some of her mom's crazy scattered memories. Maggie continues to wonder just what her future holds and learns that she does not need to be related to be sisters. She is strong in believing that she will be able to overcome this memocoma condition that has become part of her life and prays that her sisters will not inherit it at all. Love plays a great factor in the girls getting through some tough times, with the help of the men and friends in their lives. Maggie finds out that sometimes things are not always what they appear to be. There are weddings and funerals entwined with more family drama or what I like to call "Life." cover design by selfpubbookcovers.com/Daniela

Black Queen

How to Start and Run Your Own Bed & Breakfast Inn

The following three tales are adapted from stories told by the peasants in Eastern Europe and Central Asia. They are drawn from some books I found in shops when I visited the former U.S.S.R. in 1988 as part of a citizen diplomacy group. I was intrigued by these folktales, since my paternal grandmother lived for some time in Odessa in the Ukraine. Also, I found these stories share a common theme --the poor peasant is able to succeed despite obstacles against an unfair ruler. He does so by being wise and generous, and having a strong desire to help and protect his family. Generally, the rich merchant or powerful ruler is foiled by his own greed and stupidity. The following stories come from the Ukraine, Latvia, and Turkmen. These are three of my favorite stories.

A Poo Poo Kind of Morning I tried not to look down the mouth of hell staring back at me from inside the glaringly pristine outer ceramic shell of the white throne, my throat catching, stomach doing half flips and a rather impressive rollover routine that would have gotten at least a 9.5 even from the Russian judges. Instead, I forced myself to smile and swallow and remind myself the elbow length yellow rubber gloves grasping the handle of the standard issue plunger were all that stood between me and Pooageddon. Suck it up, Fee. Big girl panties and adulating and all that. "At what point," I waved the dripping plunger, vinging as droplets of yuck flew, "did I think owning a bed and breakfast was going to be glamorous and romantic?"
