

## The Bfg A Set Of Plays

***Create wonderful dialogue to give your characters a voice! Write conversations and reported speech with Matilda. These fun activities and writing tasks help to develop language and vocabulary skills, giving you the tools you need to write your own story. Learn how to write authentic dialogue, experiment with silence and reveal what a character is thinking. Roald Dahl's Creative Writing sparks creativity, builds confidence and inspires young writers through the wonderful worlds of these best-loved stories. Filled with top tips and ideas boxes, each book introduces techniques and methods to help you plan and write a phizz-whizzing story of your own!***

***From the World's No. 1 Storyteller, James and the Giant Peach is a children's classic that has captured young reader's imaginations for generations. One of TIME MAGAZINE's 100 Best Fantasy Books of All Time After James Henry Trotter's parents are tragically eaten by a rhinoceros, he goes to live with his two horrible aunts, Spiker and Sponge. Life there is no fun, until James accidentally drops some magic crystals by the old peach tree and strange things start to happen. The peach at the top of the tree begins to grow, and before long it's as big as a house. Inside, James meets a bunch of oversized friends—Grasshopper, Centipede, Ladybug, and more. With a snip of the stem, the peach starts rolling away, and the great adventure begins! Roald Dahl is the author of numerous classic children's stories including Charlie and the Chocolate Factory, Matilda, The BFG, and many more! "James and the Giant Peach remains a favorite among kids and parents alike nearly 60 years after it was first published, thanks to its vivid imagery, vibrant characters and forthright exploration of mature themes like death and hope." —TIME Magazine***
***Eleven-year-old Isabel is a “plain old” girl living in Provincetown, Massachusetts, who believes that she is destined to accomplish something special. When her fifth-grade class goes on a whale-watch field trip, something amazing happens: Dozens of different species of whales surround the boat, bumping the deck and sending Isabel flying into the ocean. Isabel is shocked to hear the whales speaking to her—she is a mermaid, they tell her, a “Chosen One” who has the ability to turn from a human into a whale and back again. She is destined to live among the whales long enough to learn their ways, and teach them about the human world. Living among her pod is fun, at first, but Isabel has an important mission. She will change the whales’ future forever, and learn a lot about herself in the process.***

***A Piece of Cake is a short, gripping story of life in wartime from Roald Dahl, the master of the shocking tale. In A Piece of Cake, Roald Dahl, one of the world's favourite authors, tells the horrific story of a pilot whose plane crashes in the desert. A Piece of Cake is taken from the short story collection Over to You, which includes nine other dramatic and terrifying tales of life as a wartime fighter pilot, and is drawn from Dahl's own experiences during the Second World War. This story is also available as a Penguin digital audio download read by Julian Rhind-Tutt. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.***

**Roald Dahl Collection**

**How Joe Biden Barely Won the Presidency**

**Diary of a Fly**

Learn your colours with Roald Dahl's Colours, from the world's NUMBER ONE storyteller (and with some help from your favourite Dahl friends). Quentin Blake's iconic illustrations and a GIANT lift-the-flap will help you discover all the colours of the rainbow. T is the perfect introduction for titchy toddlers to the world of Roald Dahl - and is just right for little hands. Also look out for: Roald Dahl's Opposites Roald Dahl's ABC Roald Dahl's 123

From the World's No. 1 Storyteller, The Witches is a children's classic that has captured young reader's imaginations for generations. This is not a fairy tale. This is about real witches. Grandmamma loves to tell about witches. Real witches are the most dangerous creatures on earth. There's nothing they hate so much as children, and they work all kinds of terrifying spells to get rid of them. Her grandson listens closely to Grandmamma's stories—but nothing can prepare him for the day he comes face-to-face with The Grand High Witch in a motion picture!

Willy Wonka's famous chocolate factory is opening at last! But only five lucky children will be allowed inside. And the winners are: Augustus Gloop, an enormously fat boy whose hobby is eating; Veruca Salt, a spoiled-rotten brat whose parents are wrapped around her little finger; Violet Beauregarde, a dim-witted gum-chewer with the fastest jaws around; Mike Teavee, a toy pistol-toting gangster-in-training who is obsessed with television; and Charlie Bucket, Our Hero, a boy who is honest and kind, brave and true, and good and ready for life!

The inside story of the historic 2020 presidential election and Joe Biden's harrowing ride to victory, from the #1 New York Times bestselling authors of Shattered, the definitive account of Hillary Clinton's 2016 campaign. Almost no one thought Joe Biden could win the White House—not Donald Trump, not the two dozen Democratic rivals who sought to take down a weak front-runner, not the mega-donors and key endorsers who feared he could not beat Bernie Sanders, not even Barack Obama. The story of Biden's cathartic rise is the story of a Democratic Party at odds with itself, torn between the single-minded goal of removing Donald Trump and the push for a bold progressive agenda that threatened to alienate as many voters as it drew. In Lucky, #1 New York Times bestselling author Amie Parnes use their unparalleled access to key players inside the Democratic and Republican campaigns to unfold how Biden's nail-biting run for the presidency vexed his own party as much as it did Trump. Having premised his path on unlocking the Black vote, Biden nearly imploded before he got there after a relentless string of misfires left him freefalling in polls and nearly broke. Allen and Parnes brilliantly detail the remarkable string of chance events that saved him, from the botched Iowa caucus tally that cost him the pandemic lockdown that kept him off the stump, where he was often at his worst. More powerfully, Lucky unfolds the pitched struggle within Biden's general election campaign to downplay the very issues that many Democrats believed would drive voters away. In wake of Trump's response to nationwide protests following the murder of George Floyd. Even Biden's victory did not salve his party's wounds; instead, it revealed a surprising, complicated portrait of American voters and crushed Democrats' belief in the inevitable. This thrilling masterpiece of political reporting, Lucky is essential reading for understanding the most important election in American history and the future that will come of it.

"A must read for parents, educators, and people with dyslexia." -Gordon F. Sherman, Ph.D., Past-President International Dyslexia Association Did you know that many successful architects, lawyers, engineers—even bestselling novelists—had difficulties learning to read and write as children? In this groundbreaking book, Brock and Fernette Eide explain how 20% of people—individuals with dyslexia—share a unique learning style that can create advantages in a classroom, at a job, or at home. Using their combined expertise in neurology and education, the authors show how these individuals not only perceive the written word differently but may also excel at spatial reasoning, see insightful connections that others simply miss, understand the world in stories, and display amazing creativity. Blending personal stories with hard science, The Dyslexic Advantage provides invaluable advice on how parents, educators, and individuals with dyslexia can recognize and use the strengths of the dyslexic learning style in: material reasoning (used by architects and engineers); interconnected reasoning (scientists and designers), narrative reasoning (novelists and lawyers); and dynamic reasoning (economists and entrepreneurs.) With prescriptive advice and inspiring testimonials, this paradigm-shifting book proves that dyslexia doesn't have to be a detriment, but can often become an asset for success.

Find out where the bestselling author of Charlie and the Chocolate Factory and The BFG got all his wonderful story ideas in this autobiographical account of his childhood! From his own life, of course! As full of excitement and the unexpected as his world-famous, best-selling books, Roald Dahl's tales of his own childhood are completely fascinating and fiendishly funny. Did you know that Roald Dahl nearly lost his nose in a car accident? Or that he was once a chocolate candy tester for Cadbury's? Have you heard about his involvement in the Great Mouse Plot of 1924? If not, you don't yet know all there is to know about Roald Dahl. Sure to captivate and delight you, the boyhood antics of this master storyteller are not to be missed!

THE WITCHES by Roald Dahl adapted for school plays. Dare you take on the role of the Grand High Witch? Children will have a splendiferous time - and their friends won't believe their goggles! Roald Dahl, the best-loved of children's writers, was born in Wales of Norwegian parents. His books continue to be bestsellers, despite his death in 1990, and worldwide booksales are over 100 million!

This exciting pioneering story, based on actual events, introduces readers to a fascinating chapter in American history, when FDR set up a New Deal colony in Alaska to give loans and land to families struggling during the Great Depression. Terpsichore can't wait to follow in Laura Ingalls Wilder's footsteps . . . now she just has to convince her mom. It's 1934, and times are tough for their family. To make a fresh start, Terpsichore's father signs up for President Roosevelt's Palmer Colony project, uprooting them from Wisconsin to become pioneers in Alaska. Their new home is a bit of a shock—it's a town still under construction in the middle of the wilderness, where the residents live in tents and share a community outhouse. But Terpsichore's not about to let first impressions get in the way of this grand adventure. Tackling its many unique challenges with her can-do attitude, she starts making things happen to make Alaska seem more like home. Soon, she and her family are able to start settling in and enjoying their new surroundings—everyone except her mother, that is. So, in order to stay, Terpsichore hatches a plan to convince her that it's a wonderful—and civilized—place to live . . . a plan that's going to take all the love, energy, and Farmer Boy expertise Terpsichore can muster.

The Witches

The Words in My Hands

Collects five of the author's children's books, including "Charlie and the Chocolate Factory," "Fantastic Mr. Fox," and "James and the Giant Peach."

Based on the beloved Roald Dahl children's book! From the Blood Bottler to nice little chiddlers, our BFG Mad Libs (or Big Friendly Giant, for those who don't know!) has 21 stories inspired by this beloved classic.

A box set of all 21 of the My Weird School titles.

Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “normal,” to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a com-munity, and believing in something better. Published to rave reviews as Future Girl in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, The Words in My Hands is very much a novel for our turbulent times.

Roald Dahl's Creative Writing with Matilda: How to Write Spellbinding Speech

An official portrait of the intensely private, beloved author of such classics as "Charlie and the Chocolate Factory" draws on personal correspondence, journals, and interviews with family and friends to cover such topics as Dahl's struggles with chronicpain and his career complexities.

A true genius . . . Roald Dahl is my hero David Walliams Matilda's parents have called her some terrible things, but the truth is she's a genius and they're the stupid ones. Underestimating Matilda proves to be a big mistake as they, along with her spiteful headmistress, Miss Trunchbull, soon find out when Matilda discovers she has a very special power.

Roald Dahl's beloved novel hits the big screen in July 2016 in a major motion picture adaptation directed by Steven Spielberg from Amblin Entertainment and Walt Disney Pictures. When Sophie is snatched from her orphanage bed by the BFG (Big Friendly Giant), she fears she will be eaten. But instead the two join forces to vanquish the nine other far less gentle giants who threaten to consume earth's children. This beautiful hardcover gift edition of Dahl's classic features the original illustrations by Quentin Blake, as well as a silk ribbon marker, acid-free paper, gilt stamping on a full-cloth cover, decorative endpapers, and a sewn binding.

The Roald Dahl Treasury is a delightful collection by and about the World's Number One Storyteller. Four exciting sections - ANIMALS; MAGIC; FAMILY, FRIENDS AND HEROES; and MATTERS OF IMPORTANCE - introduce some of Roald Dahl's most popular characters, from the Enormous Crocodile to the Twits, from the Witches to the BFG, from James to Matilda. Throughout this book, you can delve into stories, poems, memoirs and letters galore all wonderfully illustrated by Quentin Blake as well as other well-known artists, including Raymond Briggs, Babette Cole, Posy Simmonds and Ralph Steadman. This book is the perfect gift for Roald Dahl fans and for all those yet to discover his magic.

Charlie and the Chocolate Factory

The Authorized Biography of Roald Dahl

'Human beans is not really believing in giants, is they? Human beans is not thinking we exist.' On a dark, silvery moonlit night, Sophie is snatched from her bed by a giant. Luckily it is the Big Friendly Giant, the BFG, who only eats snozzcumpers and glugs frob

are other giants in Giant Country. Fifty foot brutes who gallop far and wide every night to find human beans to eat. Can Sophie and her friend the BFG stop them?

Based on Roald Dahl's The BFG, this journal is the perfect place for imaginative children to record all their dreams and ideas. The pages of this journal feature Quentin Blake's art from the original story, and are full of fun writing and drawing prompts to help children use their imaginations. Whether they're inventing new recipes for snozzcumbers, or describing the contents of the BFG's bottled dreams, children will have hours of enjoyment with Sophie and the BFG.

The BfgA Set of Plays

"This is the fascinating insight into the artistic development of one of the world's most distinguished illustrators, from the start of his career until 2000. The words describe his approach to the challenges and opportunities of illustration; the pictures, chosen for this publication, show the progress from his first experience of Punch magazine to the publishing of his own-authored picture books such as Fantastic Daisy Artichoke. Some are familiar, such as those of Roald Dahl's Matilda, or The BFG, while others are from elsewhere. Some - roughs, layouts and personal drawings - will be completely new to most readers."--Back cover.
