

The Big Book Of Drawing

This is the book that can teach anyone to draw (yes, even you!) If you're not getting the kind of true-to-life results you want in your drawings (or if you can't even draw a straight line), Carrie and Rick Parks can help. As award-winning teachers helping artists of all levels overcome common problems and see immediate improvement in their work. As professional composite artists, they know the tricks and tools for achieving incredibly lifelike results. In this friendly, foolproof guide, master techniques for achieving a convincing sense of depth • How to draw challenging textures like metal and fur • Putting personality into your portraits • 40+ step-by-step demonstrations featuring a variety of people, animals and nature right in, and comprehensive enough to help more accomplished artists refine their skills. This book covers all the essentials, teaching you the secrets of realistic drawing one step at a time, building the skills you need to tackle any subject you thought were beyond your reach. Before you know it, you'll be turning out picturesque landscapes, stellar portraits--any subject that inspires you to put pencil to paper! Having trouble drawing a nose that looks like a nose? In this step-by-step guide, Lee Hammond will teach you how to draw realistic-looking portraits of your favorite people—more easily than you ever thought possible. Really! The secret is shown to you how to create gradual, smooth shadings of light and dark to replicate the subtle contours of skin...and how to use these simple shading techniques to make any shape look three-dimensional. After you've got the basics down, you made easy by looking at each feature as simple, interlocking shapes, then adding the right highlights and shadows. In no time, you'll be drawing realistic noses, mouths, eyes, ears...even facial expressions. Then you'll see how to put all those techniques to work on a portrait that actually looks like your subject! Step-by-step demonstrations guide you all the way. Drawing animals is easy! Cute and cuddly, fuzzy and finned--animals come in all shapes and sizes, and this big book will teach you how to draw everything from dogs and cats to horses, lions and hammerhead sharks. No experience necessary! Step demonstrations break down how to draw your favorite pets, wildlife and poses from start to finish. All you need is a pencil and paper to transform simple shapes and basic lines into realistic renditions of oodles of animals, with bonus tips beyond the book. Great for beginners or anyone who likes to draw for fun!

This coloring book will teach your child about diversity, along with lessons on colors, shapes, and patterns too. The Kids Coloring Books Age 4-8. The Big Book of Faces. Recognizing Diversity with One Cool Face at a Time. Colors, Shapes and Patterns for Kids is an ideal introduction to social sciences. It has 200 pages of: Coloring - Coloring is the primary task that your child will be asked to do when working on this coloring book. There are 8.5 x 8.5-inch pages entirely dedicated to it. Your child will be asked to color shapes and faces, too. Colors - The more coloring pages your child does, the stronger his/her knowledge of the color wheel becomes! Give him/her more color options, and he/she will be naming them in no time. Shapes - As your child works through the pages of this coloring book, he/she will realize that there is an abundance of shapes in every image. This realization will open the doors for drawing exercises, and overall "no word" communication excellence, later on. Patterns - Another cool mental challenger included in this activity book has something to do with patterns. Your child will have to look carefully and decide which part of the pattern is inconsistent with the rest. Other times, he/she might even have to draw the image that comes next in the pattern.

Diversity - Again, the primary purpose of this book is for kids to realize that diversity exists. There many races around the world and each has its unique features. Some may have dark-colored skin, while others are fair. Some may have red hair, while others are black. The use of this engaging coloring book is recommended for kids age 4-8. But older or younger children are also encouraged to give it a try.

The Amazing Adventures of Kavalier & Clay is a triumph of originality, imagination, and storytelling, an exuberant, irresistible novel that begins in New York City in 1941, with an escape artist and budding magician named Joe Kavalier arrives on the doorstep of his cousin, Sammy Clay. While the long shadow of Hitler falls across Europe, America is happily in thrall to the Golden Age of comic books, and in a distant corner of Brooklyn, Sammy is looking for the craze. He finds the ideal partner in the aloof, artificially gifted Joe, and together they embark on an adventure that takes them deep into the heart of Manhattan, and the heart of old-fashioned American ambition. From the shared fears, dreams, and desires of two teenage boys to book tales of the heroic, fascist-fighting Escapist and the beautiful, mysterious Luna Moth, otherworldly mistress of the night. Climbing from the streets of Brooklyn to the top of the Empire State Building, Joe and Sammy carve out lives, and careers, as vivid as cyan and magenta continents and eras, this superb book by one of America's finest writers remains one of the defining novels of our modern American age. Winner of the Bay Area Book Reviewers Award and the New York Society Library Book Award
