Johnny hunts for a bearskin for his barn door, but returns with a live bear cub instead.

"The Bible is packed full of amazing accounts of adventure, excitement, and redemption. A beautiful garden, a great flood, dusty travels through a dry desert, a land flowing with milk and honey, good and bad kings, and a holy baby who came to be the Redeemer. In this fast-paced book, you'll journey from Genesis to Revelation, seeing the many ways God has shown us His love and redemption throughout history!--Cover back.

Featuring chapters that are short enough to be read in one sitting, this illustrated Bible story book imaginatively retells the biblical narrative in one continuous story, helping kids connect the dots from Genesis to Revelation.

A PUBLISHERS WEEKLY BESTSELLER Motherhood is hard. In a world of five-step lists and silver-bullet solutions to become perfect parents, mothers are burdened with mixed messages about who they are and what choices they should make. If you feel pulled between high-fives and hard words, with culture's solutions only raising more questions, you're not alone. But there is hope. You might think that Scripture doesn't have much to say about the food you make for breakfast, how you view your postpartum body, or what school choice you make for your children, but a deeper look reveals that the Bible provides the framework for finding answers to your specific questions about modern motherhood. Emily Jensen and Laura Wifler help you understand and apply the gospel to common issues moms face so you can connect your Sunday morning faith to the Monday morning tantrum. Discover how closely the gospel connects with today's motherhood. Join Emily and Laura as they walk through the redemptive story and reveal how the gospel applies to your everyday life, bringing hope, freedom, and joy in every area of motherhood.

It's an adventure story about a young Hero who comes from a far country to win back his lost treasure. It's a love story about a brave Prince who leaves his palace, his throne—everything—to rescue the one he loves. The best thing about this Story is—it's true! And at the center of the Story, there is a baby. The Child upon whom everything would depend. All the stars, mountains, oceans, and galaxies were nothing compared to how much God loved his children. He would move heaven and earth to be near them. Always. Whatever happened, whatever it cost him, he would always love them. And so it was that the wonderful love story began. The Story of God's Love for You: Is for teenagers and adults who want to read and learn about the story of God's love for them Includes 44 short chapters that lead you through the beautiful story of the Bible—Genesis to Revelation Masterfully shows how all the individual Bible stories fit together into one cohesive narrative that points to Jesus Makes the big picture of Scripture clear to new believers, and helps seasoned believers fall in love with the Bible all over again Features text from bestselling author Sally

Lloyd-Jones that brings the truths of the Bible into a new light for today's world The beauty and peace that only God's love can provide pulses through every page. Just as The Jesus Storybook Bible is an essential book for the library of every child, The Story of God's Love for You is an essential book for the library of every adolescent and adult.

Luca loves big things like big trucks and big buildings but when he sets out to bring home the biggest of all Christmas trees he instead finds a much smaller tree, perfect just as it is.

Israel's story is the church's story. In this integrative introduction to the New Testament, G. K. Beale and Benjamin L. Gladd explore each New Testament book in light of the broad history of redemption, emphasizing the biblical-theological themes of each New Testament book. Their distinctive approach encourages readers to read the New Testament in light of the Old, not as a new story but as a story retold.

This is a delightful little gift book for people of all ages. Through text and charming illustrations the meaning of life is explained and your place in it. The story explains God, the big bang, miracles and much much more. This book is an idea gift for anyone close or dear to you. Will be treasured by anyone who knows how to read.

Winner of the 2022 Eisner Award for Best Comics-Related Book The first-ever full reckoning with Marvel Comics' interconnected, half-million-page story, a revelatory guide to the "epic of epics"—and to the past sixty years of American culture—from a beloved authority on the subject who read all 27,000+ Marvel superhero comics and lived to tell the tale “Brilliant, eccentric, moving and wholly wonderful. . . . Wolk proves to be the perfect guide for this type of adventure: nimble, learned, funny and sincere. . . . All of the Marvels is magnificently marvelous. Wolk's work will invite many more alliterative superlatives. It deserves them all.”
—Junot Díaz, New York Times Book Review The superhero comic books that Marvel Comics has published since 1961 are, as Douglas Wolk notes, the longest continuous, self-contained work of fiction ever created: over half a million pages to date, and still growing. The Marvel story is a gigantic mountain smack in the middle of contemporary culture. Thousands of writers and artists have contributed to it. Everyone recognizes its protagonists: Spider-Man, the Avengers, the X-Men. Eighteen of the hundred highest-grossing movies of all time are based on parts of it. Yet not even the people telling the story have read the whole thing—nobody's supposed to. So, of

Where To Download The Biggest Story

course, that's what Wolk did: he read all 27,000+ comics that make up the Marvel Universe thus far, from Alpha Flight to Omega the Unknown. And then he made sense of it—seeing into the ever-expanding story, in its parts and as a whole, and seeing through it, as a prism through which to view the landscape of American culture. In Wolk's hands, the mammoth Marvel narrative becomes a fun-house-mirror history of the past sixty years, from the atomic night terrors of the Cold War to the technocracy and political division of the present day—a boisterous, tragicomic, magnificently filigreed epic about power and ethics, set in a world transformed by wonders. As a work of cultural exegesis, this is sneakily significant, even a landmark; it's also ludicrously fun. Wolk sees fascinating patterns—the rise and fall of particular cultural aspirations, and of the storytelling modes that conveyed them. He observes the Marvel story's progressive visions and its painful stereotypes, its patches of woeful hackwork and stretches of luminous creativity, and the way it all feeds into a potent cosmology that echoes our deepest hopes and fears. This is a huge treat for Marvel fans, but it's also a revelation for readers who don't know Doctor Strange from Doctor Doom. Here, truly, are all of the marvels.

The Ology by best-selling children's author Marty Machowski is a stunningly illustrated beginner's theology book to help kids of all ages understand who God is and how we, as his children, relate to him. Arranged within a traditional systematic theological framework, each truth in The Ology is also connected to the larger redemptive story of Scripture. This storybook of systematic theology takes abstract concepts in the Bible and makes them easier to understand with the use of creative examples, illustrations, and analogies. The Ology is a starting point to learning theology and aims to create a hunger and desire in children to learn more as they grow older. Designed for six-year-olds through preteens, this flexible resource includes built-in adaptations so the entire families can enjoy it together. The story begins in the cellar of the old stone cathedral, where Carla and Timothy uncover a life-changing treasure: a carefully wrapped, ancient book known as The Ology. Young readers will discover a tale of adventure, mystery, and wonder, which will lead them to the truth about God, themselves, and the world around them. As a father to six children, Machowski knows how to intentionally create a vivid resource, full of analogies and word pictures to help kids grasp difficult theological concepts. Read The Ology to preschoolers; read it with grade-school kids, and let older kids discover the "hidden" truths by reading the corresponding Scripture passages for each section. However you read it, The Ology will give your children a gift that will last a lifetime—a solid foundation

Where To Download The Biggest Story

of transformative biblical truth that will point them to the God who loves them and gave himself for them. There is also a companion album to The Ology by Sovereign Grace Music that celebrates these wonderful theological truths through worship music that the whole family can enjoy. Designed for kids ages 2-7, this children's Bible presents the remarkable true story of God's love for the world from both the Old and New Testaments with simple words and striking illustrations.

"Based on the ESV Bible, this unique, illustrated Bible storybook uses 156 stories to present God's plan of salvation in Christ from its opening narrative in Genesis to its finale in Revelation."--Provided by publisher.

The Library of Babel

This handbook assists Sunday school teachers and parents to teach Bible stories in such a way that the authoritative teaching of Scripture shines forth. Each of the 175 lessons includes story focus and application, historical background, interpretational issues, and more.

A dazzling new history of the irrepressible demographic changes and mass migrations that have made and unmade nations, continents, and empires The rise and fall of the British Empire; the emergence of America as a superpower; the ebb and flow of global challenges from Nazi Germany, Imperial Japan, and Soviet Russia. These are the headlines of history, but they cannot be properly grasped without understanding the role that population has played. The Human Tide shows how periods of rapid population transition--a phenomenon that first emerged in the British Isles but gradually spread across the globe--shaped the course of world history. Demography--the study of population--is the key to unlocking an understanding of the world we live in and how we got here. Demographic changes explain why the Arab Spring came and went, how China rose so meteorically, and why Britain voted for Brexit and America for Donald Trump. Sweeping from Europe to the Americas, China, East Asia, the Middle East, and North Africa, The Human Tide is a panoramic view of the sheer power of numbers.

The Bible Is a BIG book that tells the BIGGEST story. The Bible is a big book about a great God. From beginning to end, each page tells about the God who created the world, acted in history, and continues to act in the present. In The Biggest Story Bible Storybook, pastor Kevin DeYoung retells this grand story for children ages 6-12 through 104 short readings. Beginning in Genesis and ending with Revelation, DeYoung's engaging retellings of various Scripture passages explain how each one fits into the storyline of the Bible. Each reading is coupled with beautiful illustrations by award-winning artist Don Clark, offering kids a visual entry point into each story. Perfect for bedtime stories or to read together as a family, both children and parents alike will experience the captivating story of the Bible in an easy-to-understand, compelling way.

ONE OF NPR'S BEST BOOKS OF 2019 A "warm and funny and honest...genuinely unputdownable" (Curtis Sittenfeld) memoir chronicling what it's like to live in today's world as a fat man, from acclaimed journalist Tommy Tomlinson, who, as he neared the age of fifty, weighed 460 pounds and decided he had to change his life. When he was almost fifty years old, Tommy Tomlinson weighed an astonishing—and dangerous—460 pounds, at risk for heart disease, diabetes, and stroke, unable to climb a flight of stairs without having to catch his breath, or travel on an airplane without buying two seats. Raised in a family that loved food, he had been aware of the problem for years, seeing doctors and trying diets from the time he was a preteen. But nothing worked, and every time he tried to make a change, it didn't go the way he planned—in fact, he wasn't sure that he really wanted to change. In *The Elephant in the Room*, Tomlinson chronicles his lifelong battle with weight in a voice that combines the urgency of Roxane Gay's *Hunger* with the intimacy of Rick Bragg's *All Over but the Shoutin'*. He also hits the road to meet other members of the plus-sized tribe in an attempt to understand how, as a nation, we got to this point. From buying a Fitbit and setting exercise goals to contemplating the Heart Attack Grill in Las Vegas, America's "capital of food porn," and modifying his own diet, Tomlinson brings us along on a candid and sometimes brutal look at the everyday experience of being constantly aware of your size. Over the course of the book, he confronts these issues head-on and chronicles the practical steps he has to take to lose weight by the end. "What could have been a wallow in memoir self-pity is raised to art by Tomlinson's wit and prose" (Rolling Stone). Affecting and searingly honest, *The Elephant in the Room* is an "inspirational" (The New York Times) memoir that will resonate with anyone who has grappled with addiction, shame, or self-consciousness. "Add this to your reading list ASAP" (Charlotte Magazine).

The Gospel Story Bible

How Three Ordinary Guys Disrupted an Industry, Made Billions . . . and Created Plenty of Controversy

The Biggest Story ABC

A Biblical-Theological Introduction to the New Testament

A Christmas Story

Deacons

*From the creators of **The Inventions of God (and Eva)** comes a delightfully illustrated picture book that tells the story of would-be author and artist Kiki—and the God who created her to be a lot like Him. Little Kiki is an aspiring author and illustrator who weaves daring tales about swashbuckling otters, all-knowing sea cucumbers, and nail-biting rescues from the clutches of gerblins (part gerbil, part goblin). But where do her imagination, creativity, and ideas come from? Meet God, the author of all stories. He writes adventurous tales such as **Esther Saves Her Family and Friends**, **Jesus and the Tomb that Couldn't Hold Him**, and **the Story of Kiki**. Kiki loves to write but sometimes she forgets to include important pieces (like the time she forgot to give the ship's cook a kitchen). God also loves to write, and He knows exactly what every story needs. They are both writing their biggest story of all, and the endings are bound to be incredible. Children and parents alike will delight in the playful illustrations, imaginative side stories, and the gentle reminder that the image of God is alive in each of us. Offers a collection of Bible stories from the Old and New Testaments, discussing some of the lessons that can be learned from each one. "A badass debut by any measure—nimble, knowing, and electrifying." —Colson Whitehead, Pulitzer Prize-winning author of **The Nickel Boys** and **Harlem Shuffle** "...'**My Monticello**' is, quite simply, an extraordinary debut from a gifted writer with an unflinching view of history and what may come of it." — **The Washington Post** Winner of the Weatherford Award in Fiction A winner of 2022 Lillian Smith Book Awards A young woman descended from Thomas Jefferson and Sally Hemings driven from her neighborhood by a white militia. A university professor studying racism by conducting a secret social experiment on his own son. A single mother desperate to buy her first home even as the world hurtles toward catastrophe. Each fighting to survive in America. Tough-minded, vulnerable, and brave, Jocelyn Nicole Johnson's precisely imagined debut explores burdened inheritances and extraordinary pursuits of belonging. Set in the near future, the eponymous novella, "**My Monticello**," tells of a diverse group of Charlottesville neighbors fleeing violent white supremacists. Led by Da'Naisha, a young Black descendant of Thomas Jefferson and Sally Hemings, they seek refuge in Jefferson's historic plantation home in a desperate attempt to outlive the long-foretold racial and environmental unravelling within the nation. In "**Control Negro**," hailed by Roxane Gay as "one hell of a story," a university professor devotes himself to the study of racism and the development of ACMs (average American Caucasian males) by clinically observing his own son from birth in order to "painstakingly mark the route of this Black child too, one whom I could prove was so strikingly decent and true that America could not find fault in him unless we as a nation had projected it there." Johnson's characters all seek out home as a place and an internal state, whether in the form of a Nigerian widower who immigrates to a meager existence in the city of Alexandria, finding himself adrift; a young mixed-race woman who adopts a new tongue and name to escape the landscapes of rural Virginia and her family; or a single mother who seeks salvation through "**Buying a House Ahead of the Apocalypse**." United by these characters' relentless struggles against reality and fate, **My Monticello** is a formidable book that bears witness to this country's legacies and announces the arrival of a wildly original new voice in American fiction.*

'Human beans is not really believing in giants, is they? Human beans is not thinking we exist.' On a dark, silvery moonlit night, Sophie is snatched from her bed by a giant. Luckily it is the Big Friendly Giant, the BFG, who only eats snozzcumpers and glugs frobscottle. But there are other giants in Giant Country. Fifty foot brutes who gallop far and wide every night to find human beans to eat. Can Sophie and

her friend the BFG stop them?

God's Big Story: The BIGGEST Story Ever. God Wants to Fix The Broken World and Be Our Friend.

Egermeier's Bible Story Book

The Ology

The Biggest Story How the Snake Crusher Brings Us Back to the Garden Crossway Books

So often children know stories from the Bible but don't understand the story of the Bible as a whole, the metanarrative. This book seeks to tell the big story of the Bible in an accessible and engaging way. For very young children the pictures have been designed to tell the story without words, older children can have it read to them or, from about the age of 6 or 7 should be able to read it for themselves. Why is it important that children understand the big story of the Bible anyway? Often as children grow up, particularly if they are part of a church and/or have Christian parents, they will hear how much God loves them, that Jesus loves them; and that God loves the world. It's a great message and one I firmly believe in; but it creates a 'love bubble' which can easily burst when children start to become more aware of and engage with the world around them. A child who has grown up in this 'love bubble' might get to aged 6 or 7 and find that a pet dies, they begin to engage with news media for the first time and are surrounded by sadness; or perhaps a family member dies. Where is the God who loves them now? How could a God who loves them and is their friend let this happen? The love bubble bursts, and the risk is that children turn their back on God because they can't align what they have been taught with the world around them that they are beginning to understand. I believe children need to grow up knowing that God loves them and wants to be their friend, but also that the world is broken and not how God wants it to be. Children need to be given a lens to help them make sense of what they see and understand from the world around them. Teaching children about brokenness at the same time as love avoids the love bubble and the consequences of it bursting. God's Big Story also includes the idea of choices, the choices we make every day but also that being God's friend is a choice. Wrong choices caused the world to break but the essence of God giving choice is love. A God who wants to be our friend allows us to choose how to respond because He loves people. Children are invited to engage with the story, to make choices, on every page. At the

Where To Download The Biggest Story

end of the book children are invited to choose how they want to respond to what they have heard. *God's Big Story* aims to tell the big story of the Bible so that children have a frame of reference to fit individual Bible stories into. It also makes the foundations of the Christian faith accessible to children and lays foundations for the future.

OVER 300,000 COPIES SOLD! Why won't God reveal his special will for my life already? Because he doesn't intend to... So says Kevin DeYoung in this punchy book about making decisions the godly way. Many of us are listening for the still small voice to tell us what's next instead of listening to the clear voice in Scripture telling us what's now. God does have a will for your life, but it is the same as everyone else's: Seek first the kingdom of God. And quit floundering. With pastoral wisdom and tasteful wit, DeYoung debunks unbiblical ways of understanding God's will and constructs a simple but biblical alternative: live like Christ. He exposes the frustrations of our waiting games and unfolds the freedom of finding God's will in Scripture and then simply doing it. This book is a call to put down our Magic 8-Balls and pick up God's Word. It's a call to get wisdom, follow Christ, be holy, and live freely. To just do something.

The Bible is full of exciting stories that fill children with awe and wonder. In *The Biggest Story*, best-selling author Kevin DeYoung shows kids how all those classic stories connect to Scripture's overarching message about God's glorious plan to redeem his rebellious people. Featuring beautiful illustrations adapted from the book, *The Biggest Story: The Animated Short Film* will captivate children as they are led on an exciting journey through the Bible in 26 minutes, connecting the dots from the garden of Eden to Christ's death on the cross to the new heaven and new earth. Narrated by the author, this imaginative retelling of the Bible's core message--how the Snake Crusher brings us back to the garden--will teach children that God's promises are even bigger and better than we think. Includes a free digital copy Includes a free 2-sided poster Illustrations by award-winning artist Don Clark Features original music by composer John Poon
