

The Bill Martin Jr Big Book Of Poetry

Zoo animals from polar bear to walrus make their distinctive sounds for each other, while children imitate the sounds for the zookeeper.

On a dark and stormy night one object after another joins in making eerie noises in the old house.

Children see a variety of animals, each one a different color, and a teacher looking at them.

Under the leadership of Dr. Martin Luther King, children and teenagers march against segregation in Birmingham, Alabama, in 1963.

Exuberantly coloured artwork and favourite animals make this rhythmic story the perfect introduction to looking and learning about colours. Each spread leads seamlessly into the next and young children will delight in Eric's colourful collage animals and simple repetitive language.

A Beasty Story

Sleepy little monkey won't get out of bed. Mama called the Doctor and the Doctor said: "Apple Juice, Orange Juice, Gooseberry Pies -- Monkey needs some exercise!" Sleepy little monkeys everywhere will clap, stomp, shake, and cheer -- while chanting this rhythmic, energetic dance song based on a popular playground game. And as they move their heads, hands, hips, and feet -- everyone will be bursting with clapping energy -- and ready to start a new day! With humor, high energy, and Bill Martin Jr.'s trademark rhythm and rhyme, young readers will learn to name parts of the body. And the book makes a perfect exercise warm-up to start off a busy day of school!

Experience Holi with every color of the rainbow! This Hindu celebration known as the festival of colors and the festival of love signifies the end of winter, the arrival of spring and the victory of good over evil. A time to laugh, play, visit friends and get messy! Little ones will love exploring the colors of Holi through the vibrant photographs and Singhi's playful rhymes in this brilliant concept book. By the author of Diwali (Orca Origins), which has been called "an exceptionally valuable resource" by Kirkus Reviews and "a standout volume" by School Library Journal.

Kitty Cat is distracted by many things as she gets ready for school in the morning.

Divides the Pledge of Allegiance into words and phrases in order to define its meaning.

Ryan and Ben were intrigued when Mr. Kramer, their middle school science teacher, told them that time travel was possible. That evening they stood in front of a 150 year-old mirror, and their lives were forever changed. Can two boys from the 21st century survive in the turbulent years just before the civil war? Can the mirror that took them back in time return them to the present? And after meeting the freckle faced, red-headed and fun Laura, will Ryan want to come home again?

Listen to Our World

I Love Our Earth

A bilingual English and Spanish board book edition of Bill Martin and Eric Carle's classic picture book Baby Bear, Baby Bear, What Do You See? / Oso bebé, oso bebé, ¿qué ves ahí? Baby Bear, Baby Bear, What Do You See? is the final collaboration from this bestselling author-illustrator team. Young readers will enjoy Baby Bear's quest to find Mama, and they'll revel in identifying each of the native North American animals that appear along the way. The central focus on the special bond between Mama and baby makes a fitting finale to a beloved series. Oso bebé, oso bebé, ¿qué ves ahí? es la última colaboración del equipo autor-ilustrado más vendido. Los lectores jóvenes disfrutarán la aventura de Oso Bebé en búsqueda de Mamá, y se divertirán identificando cada uno de los animales nativos a Norte América que aparecen en el camino. El enfoque en la conexión especial entre Mamá y bebé hacen de este libro un final perfecto para una serie tan adorada.

Unable to sleep on the night of a full moon, a young boy follows the sound of music across the fields and finds an unusual barn dance in progress.

Eric Carle's familiar illustrations of brown bear, red bird, yellow duck and the other endearing animals from his classic creation parade across the pages of this great interactive board book. As each page is turned, a new animal and its colour are introduced, accompanied by Bill Martin's singsong, rhyming questionand- response text to read aloud or listen to. There are sliding doors throughout the book, which children will just love to open, so they can discover what the next animal in this engaging story will be.

Taylor G. Petrey's trenchant history takes a landmark step forward in documenting and theorizing about Latter-day Saints (LDS) teachings on gender, sexual difference, and marriage. Drawing on deep archival research, Petrey situates LDS doctrines in gender theory and American religious history since World War II. His challenging conclusion is that Mormonism is conflicted between ontologies of gender essentialism and gender fluidity, illustrating a broader tension in the history of sexuality in modernity itself. As Petrey details, LDS leaders have embraced the idea of fixed identities representing a natural and divine order, but their teachings also acknowledge that sexual difference is persistently contingent and unstable.

While queer theorists have built an ethics and politics based on celebrating such sexual fluidity, LDS leaders view it as a source of anxiety and a tool for the shaping of a heterosexual social order. Through public preaching and teaching, the deployment of psychological approaches to "cure" homosexuality, and political activism against equal rights for women and same-sex marriage, Mormon leaders hoped to manage sexuality and faith for those who have strayed from heteronormativity.

A group of mice venture into a dark, dark woods where they find a dark brown house with a dark red stair leading past other dark colors to a spooky surprise. Reprint. 25,000 first printing.
