

The Blue Mermaid And The Little Dolphin Book 3 The Adventure Of Mermaid And Her Dolphin

Pearl's fear of sharks is not unfounded—but can she find a way to feel safe in this Mermaid Tales adventure? Late-breaking news from the Trident City Tide: There have been shark sightings in Trident City! No swimming alone! Pearl's father even hires a Shark Guard to escort her to school. Pearl starts stirring up lots of trouble with anything that has to do with sharks, even denouncing the skeleton Kiki has in her room. And then, to make matters worse, Pearl accuses Kiki of stealing her precious pearl necklace! And though the undersea waters are indeed filled with danger, Pearl just might discover that true friends can provide a sense of safety!

The Blue Mermaid and the Little Dolphin Book 1

A summer romp full of mystery, new friends, and maybe a mermaid! Eleven-year-old Anthoni Gillis is not the kind of kid who believes in fairies, unicorns, or even the word "maybe." She's more of a comic-books girl. So when her mom brings her to Thunder Lake for a summer at the Showboat Resort, she doesn't believe the local rumors about the Boulay Mermaid. Anthoni has bigger fish to fry. She's always wanted a True Blue Friend. But it's been hard to find one, since for the past five years she's been bouncing from town to town, helping her mother sell Beauty & the Bee cosmetic products to keep them both

afloat. This summer will be different, though. Anthoni has a plan—a foolproof checklist for making lifelong friends! There won't be any maybes this time. But as she grows entangled in local gossip, and her mother stretches the truth, Anthoni must decide if she'll "stick to the plan," like always, or dive into a summer full of extraordinary possibilities. Josephine Cameron's energetic and heartfelt debut raises timeless questions about truth, lies, and the hope that grows between them.

An award-winning author tells of a mermaid who leaves the sea in search of her landish mother in a captivating tale spun with beautiful prose, lush descriptions, empathy, and keen wit. Blood calls to blood; charm calls to charm. It is the way of the world. Come close and tell us your dreams. Sanna is a mermaid -- but she is only half seavish. The night of her birth, a sea-witch cast a spell that made Sanna's people, including her landish mother, forget how and where she was born. Now Sanna is sixteen and an outsider in the seavish matriarchy, and she is determined to find her mother and learn who she is. She apprentices herself to the witch to learn the magic of making and unmaking, and with a new pair of legs and a quest to complete for her teacher, she follows a clue that leads her ashore on the Thirty-Seven Dark Islands. There, as her fellow mermaids wait in the sea, Sanna stumbles into a wall of white roses thirsty for blood, a hardscrabble people hungry for miracles, and a baroness who will do anything to live forever. From the author of the Michael L. Printz Honor Book *The Kingdom of Little Wounds* comes a gorgeously told tale of belonging, sacrifice, fear, hope, and mortality.

An enchanting mermaid tale from the New York Times and USA Today bestselling *How to Catch* series, the perfect back to school gift for kids! Many claim to have caught a mermaid, but can YOU? Perfect for mermaid lovers, summer reading, and gifts for kids ages 4-10, this funny mermaid picture book offers an irresistible under-the-sea adventure that parents, educators, and children will love! The Mermaid in the Bathtub is a charming, gorgeously retro retelling of Hans Christian Andersen's classic story "The Little Mermaid," by beloved Israeli author and illustrator duo Nurit Zarchi and Rutu Modan. One day, a resolutely ordinary young man named Mr. Whatwilltheysay returns home to find Grain-of-Sand, a mermaid, waiting for him in his favorite armchair. Despite his objections, the two embark on a series of very watery adventures as he tries to get rid of her. But ultimately the thought of being seen with half a fish is simply too much for Mr.

Whatwilltheysay to bear what would people say? So broken-hearted Grain-of-Sand returns to the sea in his bathtub, leaving Mr.

What will they say to resume his pedestrian existence. Mr. What will they say soon finds that his beloved landlubber life, however, lacks the splash and shimmer (and bathtub) of his good times with Grain-of-Sand and acting against all his instincts, he sets off to sea to find her.

Squidy Squid has captured the Blue Mermaid, and it's up to Nickelodeon's Team Umizoomi to rescue her. Boys and girls will thrill to the underwater adventure in this exciting, full-color storybook.

Do we really know what secrets lay hidden underneath the vast ocean waters of this world? I think not! Stormy, the blue mermaid may have accidentally discovered some of those secrets. Mass chaos broke loose one day, when Stormy, a young, half-grown mermaid found a beautiful bottle floating at sea. Upon opening it; terror was unleashed, the likes of which has never been known in the sea or on the land. As daring as her mother, Breeze, the Mermaid and as assertive as her grand-father Neptune, King of the sea; Stormy dove head first into one witty attempt after another trying to correct the horrors that were created by opening that bottle. If you like fiction, fantasy and non-stop adventure, you will enjoy the heart-pounding, unusual encounters of Stormy; Number III in the Breeze the Mermaid series. Of course, there is a surprise ending.

From the author of the Waterstones Children's Prize shortlisted Once Upon a Unicorn Horn comes a beautiful story of friendship and protecting the oceans.

While riding the subway home from the pool with his abuela one day, Julián notices three women spectacularly dressed up. Their hair billows in brilliant hues, their dresses end in fishtails, and their joy fills the train car. When Julián gets home, daydreaming of the magic he's seen, all he can think about is dressing up just like the ladies in his own fabulous mermaid costume: a butter-yellow curtain for his tail, the fronds of a potted fern for his headdress. But what will Abuela think about the mess he makes — and even more importantly, what will she think about how Julián sees himself? Mesmerizing and full of heart, Jessica Love's author-illustrator debut is a jubilant picture of self-love and a radiant celebration of individuality.

Kiki Coral can see the future—can she save a friend from his dangerous fate? Kiki Coral has an amazing gift: she can see the future. She doesn't have visions very often, but they are always surprising! When Kiki sees a vision of her classmate Rocky Ridge coming face-to-frightening-face with a gigantic leatherback turtle, she is frightened to the tip of her shiny purple tail. Can Kiki save Rocky from his dangerous fate? What if no one in Trident Academy believes her scary prediction? From its first publication as a fairy tale told by Hans Christian Andersen, *The Little Mermaid* has been enthralling children and adults alike with its story of the transforming power of love. In 1989, Disney put little Ariel on film, gave her flaming red hair and an Oscar-winning musical score, and, in the process, reinvented the animated feature as a viable art form. Now the creative powers at Disney have reimagined the mermaid and her friends again, bringing one of Disney's most beloved princesses to the stage. *The Little Mermaid: The Story of a Tale* is a look at the process of morphing a 19th-century story and a 20th-century film into a stage event for the 21st century. This oversized, profusely illustrated book traces the evolution of *The Little Mermaid* from its inception in Denmark, through its triumphant animation, to the hit Broadway stage version now playing in New York. In addition to photographs of the show and its rehearsals, the book will explore the creative process with extensive looks behind the scenes. Writer Michael Lassell interviews Francesca Zambello and choreographer Steven Mear, writer Doug Wright and composer Alan Menken, designers George Tsypin and Tanya Noginova as well as all the stars in the show's extraordinarily talented cast. This is a grown-up book for children of all ages.
