**Democratic National Convention instantly catapulted him into the national spotlight and led to his election four years later as America's first African-American president. In this penetrating biography, David J. Garrow delivers an epic work about the life of Barack Obama, creating a rich tapestry of a life little understood, until now. Rising Star: The Making of Barack Obama captivately describes Barack Obama's**

tumultuous upbringing as a young black man attending an almost-all-white, elite private school in Honolulu while being raised almost exclusively by his white grandparents. After recounting Obama's college years in California and New York, Garrow charts Obama's time as a Chicago community organizer, working in some of the city's roughest neighborhoods; his years at the top of his Harvard Law School

**class; and his return to Chicago, where Obama honed his skills as a hard-knuckled politician, first in the state legislature and then as a candidate for the United States Senate. Detailing a scintillating, behind-the-scenes account of Obama's 2004 speech, a moment that labeled him the Democratic Party's "rising star," Garrow also chronicles Obama's four years in the Senate, weighing his stands on various issues**

against positions he had taken years earlier, and recounts his thrilling run for the White House in 2008. In *Rising Star*, David J. Garrow has created a vivid portrait that reveals not only the people and forces that shaped the future president but also the ways in which he used those influences to serve his larger aspirations. This is a gripping read about a young man born into uncommon family circumstances, whose

faith in his own talents came face-to-face with fantastic ambitions and a desire to do good in the world. Most important, *Rising Star* is an extraordinary work of biography—tremendous in its research and storytelling, and brilliant in its analysis of the all-too-human struggles of one of the most fascinating politicians of our time. This portrait of social change in the North China plain depicts how the world of the Chinese

peasant evolved during an era of war and how it in turn shaped the revolutionary process. The book is based on evidence gathered from archives and interviews with villagers and rural officials.

How serious are the threats to our environment? Here is one measure of the problem: if we continue to do exactly what we are doing, with no growth in the human population or the world economy, the world in the latter part

of this century will be unfit to live in. Of course human activities are not holding at current levels—they are accelerating, dramatically—and so, too, is the pace of climate disruption, biotic impoverishment, and toxification. In this book Gus Speth, author of *Red Sky at Morning* and a widely respected environmentalist, begins with the observation that the environmental community has grown in

strength and sophistication, but the environment has continued to decline, to the point that we are now at the edge of catastrophe. Speth contends that this situation is a severe indictment of the economic and political system we call modern capitalism. Our vital task is now to change the operating instructions for today's destructive world economy before it is too late. The book is about

how to do that.

When his wife's cousins seek refuge as illegal immigrants in New York, Eddie Carbone agrees to shelter them. Trouble begins when her niece is attracted to his glamorous younger brother, Rodolpho. 13 parts: 10 male, 3 female plus extras

Paris, 1937. Andras Lévi, a Hungarian-Jewish architecture student, arrives from Budapest with a scholarship, a single suitcase, and a mysterious letter he

promised to deliver. But when he falls into a complicated relationship with the letter's recipient, he becomes privy to a secret that will alter the course of his—and his family's—history. From the small Hungarian town of Konyár to the grand opera houses of Budapest and Paris, from the despair of Carpathian winter to an unimaginable life in labor camps, *The Invisible Bridge* tells the story of a family

Our understanding of  
vertebrate origins and the  
backbone of human history  
evolves with each new fossil  
find and DNA map. Many  
species have now had their  
genomes sequenced, and**

**molecular techniques allow genetic inspection of even non-model organisms. But as longtime Nature editor Henry Gee argues in *Across the Bridge*, despite these giant strides and our deepening understanding of how vertebrates fit into the tree of life, the morphological chasm between vertebrates and invertebrates remains vast and enigmatic. As Gee shows, even as scientific advances have falsified a variety of theories linking these groups, the extant relatives of vertebrates are too few for effective genetic analysis.**

**Moreover, the more we learn about the species that do remain—from sea-squirts to starfish—the clearer it becomes that they are too far evolved along their own courses to be of much use in reconstructing what the latest invertebrate ancestors of vertebrates looked like. Fossils present yet further problems of interpretation. Tracing both the fast-changing science that has helped illuminate the intricacies of vertebrate evolution as well as the limits of that science, *Across the Bridge* helps us to see how far the field has come in crossing**

**the invertebrate-to-vertebrate divide—and how far we still have to go.**

**"A man lies in a coma after a near-fatal accident. His body broken, his memory vanished, he finds himself in the surreal world of the bridge, a world free of the usual constraints of time and space"--Page 4 of cover.**

How three key figures in  
Moscow, Beijing, and Tehran  
built ruthless irregular  
warfare campaigns that are  
eroding American power. In  
Three Dangerous Men, defense  
expert Seth Jones argues

# Download File PDF The Bridge Life And Rise Of Barack Obama David Remnick

that the US is woefully unprepared for the future of global competition. While America has focused on building fighter jets, missiles, and conventional warfighting capabilities, its three principal rivals—Russia, Iran, and China—have increasingly adopted irregular warfare: cyber attacks, the use of proxy forces, propaganda, espionage, and disinformation to undermine American power. Jones profiles three pioneers of irregular warfare in Moscow, Beijing, and Tehran who adapted American techniques and made huge gains without waging traditional warfare:

# Download File PDF The Bridge Life And Rise Of Barack Obama David Remnick

Russian Chief of Staff Valery Gerasimov; the deceased Iranian Major General Qassem Soleimani; and vice chairman of China's Central Military Commission Zhang Youxia. Each has spent his career studying American power and devised techniques to avoid a conventional or nuclear war with the US. Gerasimov helped oversee a resurgence of Russian irregular warfare, which included attempts to undermine the 2016 and 2020 US presidential elections and the SolarWinds cyber attack. Soleimani was so effective in expanding Iranian power in the Middle East that Washington

# Download File PDF The Bridge Life And Rise Of Barack Obama David Remnick

targeted him for assassination. Zhang Youxia presents the most alarming challenge because China has more power and potential at its disposal. Drawing on interviews with dozens of US military, diplomatic, and intelligence officials, as well as hundreds of documents translated from Russian, Farsi, and Mandarin, Jones shows how America's rivals have bloodied its reputation and seized territory worldwide. Instead of standing up to autocratic regimes, Jones demonstrates that the United States has largely abandoned the kind of information, special operations,

Download File PDF The Bridge  
Life And Rise Of Barack Obama  
David Remnick

intelligence, and economic and diplomatic action that helped win the Cold War. In a powerful conclusion, Jones details the key steps the United States must take to alter how it thinks about—and engages in—competition before it is too late.

"A swift, harrowing classic perfect for these unnerving times." —Jenny Offill, author of *Dept. of Speculation* One moonlit night, fourteen-year-old Reena Virk went to join friends at a party and never returned home. In this "tour de force of crime reportage" (*Kirkus Reviews*), acclaimed author Rebecca Godfrey takes

# Download File PDF The Bridge Life And Rise Of Barack Obama David Remnick

us into the hidden world of the seven teenage girls—and boy—accused of a savage murder. As she follows the investigation and trials, Godfrey reveals the startling truth about the unlikely killers. Laced with lyricism and insight, *Under the Bridge* is an unforgettable look at a haunting modern tragedy. The untold story of how one sensational trial propelled a self-taught lawyer and a future president into the national spotlight. In May of 1856, the steamboat *Effie Afton* barreled into a pillar of the Rock Island Bridge, unalterably changing the course of American

# Download File PDF The Bridge Life And Rise Of Barack Obama David Remnick

transportation history.

Within a year, long-simmering tensions between powerful steamboat interests and burgeoning railroads exploded, and the nation's attention, absorbed by the Dred Scott case, was riveted by a new civil trial.

Dramatically reenacting the Effie Afton case—from its unlikely inception, complete with a young Abraham Lincoln's soaring oratory, to the controversial finale—this "masterful" (Christian Science Monitor) account gives us the previously untold story of how one sensational trial propelled a self-taught lawyer and a future

# Download File PDF The Bridge Life And Rise Of Barack Obama David Remnick

president into the national spotlight.

The best-selling author of Nixonland presents a portrait of the United States during the turbulent political and economic upheavals of the 1970s, covering events ranging from the Arab oil embargo and the era of Patty Hearst to the collapse of the South Vietnamese government and the rise of Ronald Reagan. His life and career were the embodiment of the American dream. Born in Poland, John Shalikashvili (1936--2011) descended from aristocratic European families that served with distinction in both battle and government

# Download File PDF The Bridge Life And Rise Of Barack Obama David Remnick

for centuries. After barely surviving the Warsaw Uprising, he and his family fled to Germany during World War II to escape advancing Soviet troops and emigrated to the United States in 1952. Shalikashvili was drafted into the army as a private in 1958 and rose steadily through the ranks, serving in every level of unit command from platoon to division. In 1993 Shalikashvili was tapped by President Bill Clinton to replace General Colin Powell as chairman of the Joint Chiefs of Staff, becoming the first immigrant, first draftee, and first Officer Candidate School graduate to

Download File PDF The Bridge  
Life And Rise Of Barack Obama  
David Remnick

hold the position. This first-ever biography of Shalikashvili's riches-to-rags-and-back-to-riches story reveals how his distinctive background helped him become one of the United States's greatest military leaders. He exhibited a unique and unconventional leadership style -- employing expertise, humility, straightforwardness, and empathy -- that he adroitly used to resolve or prevent destructive conflict. His distinctive leadership style greatly benefited the United States, Europe, and beyond: as when he led the rescue of 500,000 Kurdish refugees in

# Download File PDF The Bridge Life And Rise Of Barack Obama David Remnick

the first Gulf War's aftermath; when he represented Joint Chiefs chairman Colin Powell in helping secure loose nukes in the former Soviet republics; as he joined forces with fellow immigrant Madeleine Albright on the Partnership for Peace initiative and NATO enlargement program in the 1990s; and in retirement, when he helped end the military's "Don't Ask, Don't Tell" policy, thereby finally allowing gay servicemembers to serve openly without fear of dishonorable discharge. Saraswati's Way

**Classic Books Library presents this brand new edition of the short story, "An Occurrence at Owl Creek Bridge" (1890) by Ambrose Bierce. In this text Bierce creatively uses both structure and content to explore the concept of time, from present to past, and reflecting its transitional and illusive qualities. The story is one of Bierce's most popular and acclaimed works, alongside "The Devil's Dictionary" (1911). Bierce (1842-c. 1914) was an American writer, journalist and Civil War veteran associated with the realism literary movement. His writing is noted for its cynical,**

Having been abandoned as a newborn and found and raised by Pastor Ezekiel Freeman in the small California town of Haven, Abra Matthews feels like she doesn't belong and at the age of seventeen runs off to Hollywood, becoming starlet Lena Scott.

The rise of Barack Obama is one of the great stories of this century: a defining moment in American history, and one with truly global resonance. Until now, no journalist or historian has written a book that fully investigates the circumstances and experiences of Obama's life or explores the ambition and conviction behind his journey to election. The Bridge - from a writer whose

# Download File PDF The Bridge Life And Rise Of Barack Obama David Remnick

gift for illuminating the historical significance of unfolding events is unsurpassed - offers a portrait, at once masterly and fresh, nuanced and unexpected, of the man who was determined to become the first African-American president. Through extensive on-the-record interviews with friends and teachers, mentors and disparagers, family members and Obama himself, David Remnick allow us to see an early life coloured by absence and uncertainty: one that asked demanding questions of a rootless and literate man in search of himself, sending him firstly towards social work and then into law. Deftly setting Obama's burgeoning political career against the volatile scene in Chicago, Remnick shows us how it was that city's complex racial legacy that shaped the young politician and made his first forays into politics a source of controversy and bare-knuckle tactics: his

# Download File PDF The Bridge Life And Rise Of Barack Obama David Remnick

clashes with older black politicians in the Illinois State Senate, his disastrous decision to challenge the former Black Panther Bobby Rush for Congress in 2000, the sex scandals that would decimate his more experienced opponents in the 2004 Senate race, and the story - from both sides - of his confrontation with his former pastor, Jeremiah Wright. In exploring the way in which Barack Obama imagined and fashioned an identity for himself against the backdrop of race in America, Remnick illuminates an American life without precedent, and reminds us that, electrifying though Obama's victory may have been, there was nothing fated about it.

Interrogating both the personal and political elements of the story - and, most crucially, the points at which they intersect - he gives shape to a decisive period of American history, and in turn, to the way it crucially influenced, animated and motivated a gifted

# Download File PDF The Bridge Life And Rise Of Barack Obama David Remnick and complex man.

Waarom gebeur wonderwerke en tweede kans altyd gedurende Kerstyd? Die Brug, 'n splinternuwe roman deur die New York Times topverkoperskrywer Karen Kingsbury, vertel die hartroerende verhaal van twee paartjies wat liefde en betekenis in 'n boekwinkel gevind het en wat geraak is deur die soort wonderwerk wat slegs tydens Kerstyd plaasvind - die wonderwerk van 'n tweede kans. Kelly Allen woon in Portland, maar het haar hart verloor in Franklin waar sy vyf jaar gelede die man agtergelaat het wat sy nog nooit kon vergeet nie. N á 'n aantal jare weg, woon Kade Henderson nou weer in Franklin. Hier he.

Now in paperback, with a new introduction by Congressman John Lewis, ACROSS THAT BRIDGE is the winner of the NAACP Image Award for Outstanding Literary Work/Biography. In turbulent times Americans look to the Civil Rights

# Download File PDF The Bridge Life And Rise Of Barack Obama David Remnick

Movement as the apotheosis of political expression. As we confront questions of social inequality there's no better time to revisit the lessons of the '60s and no better leader to learn from than Congressman John Lewis. In *Across That Bridge*, Congressman Lewis draws from his experience as a leader of the Civil Rights Movement to offer timeless guidance to anyone seeking to live virtuously and transform the world. His wisdom, poignant recollections, and powerful ideas will inspire a new generation to usher in a freer, more peaceful society. The Civil Rights Movement gave rise to the protest culture we know today, and the experiences of leaders like Congressman Lewis have never been more relevant. Now featuring an updated introduction from the author addressing the current administration, *Across that Bridge* offers a strong and moral voice to guide our nation through an era of great uncertainty. "The

# Download File PDF The Bridge Life And Rise Of Barack Obama David Remnick

most important lesson I have learned in the fifty years I have spent working toward the building of a better world is that the true work of social transformation starts within. It begins inside your own heart and mind, because the battleground of human transformation is really, more than any other thing, the struggle within the human consciousness to believe and accept what is true. Thus to truly revolutionize our society, we must first revolutionize ourselves. We must be the change we seek if we are to effectively demand transformation from others." ---John Lewis in *Across That Bridge*

National Bestseller In this nuanced and complex portrait of Barack Obama, Pulitzer Prize-winner David Remnick offers a thorough, intricate, and riveting account of the unique experiences that shaped our nation's first African American president. Through extensive on-the-record interviews with friends and teachers, mentors and

# Download File PDF The Bridge Life And Rise Of Barack Obama David Remnick

disparagers, family members and Obama himself, Remnick explores the elite institutions that first exposed Obama to social tensions, and the intellectual currents that contributed to his identity. Using America ' s racial history as a backdrop for Obama ' s own story, Remnick further reveals how an initially rootless and confused young man built on the experiences of an earlier generation of black leaders to become one of the central figures of our time. Masterfully written and eminently readable, The Bridge is destined to be a lasting and illuminating work for years to come, by a writer with an unparalleled gift for revealing the historical significance of our present moment.

*competitive capitalist world. The question of how to deal with the difficult real-life consequences faced by the losers, however, has largely been ignored. Populist politicians have tried repeatedly to address the issue by creating walls--of both the physical and economic kinds--to insulate communities and keep competition at bay. While recognizing the broad emotional appeal of walls, economist Glenn Hubbard argues that because they delay needed adaptations to the ever-changing world, walls are essentially backward-looking and ultimately destined to fail. Taking Adam Smith's logic to Youngstown, Ohio, as a case study in economic disruption, Hubbard promotes the benefits of an open economy and creating bridges to support people in turbulent times so that they remain*

particularly within the church, seems deafening. But change begins with an honest conversation among a group of Christians willing to give a voice to unspoken hurts, hidden fears, and mounting tensions. These ongoing dialogues have formed the foundation of a global movement called Be the Bridge—a nonprofit organization whose goal is to equip the church to have a distinctive and transformative response to racism and racial

division. In this perspective-shifting book, founder Latasha Morrison shows how you can participate in this incredible work and replicate it in your own community. With conviction and grace, she examines the historical complexities of racism. She expertly applies biblical principles, such as lamentation, confession, and forgiveness, to lay the framework for restoration. Along with prayers, discussion

time. But what results is far from straightforward in this absorbing, honest lifesaver from acclaimed author Bill Konigsberg. Aaron and Tillie don't know each other, but they are both feeling suicidal, and arrive at the George Washington Bridge at the same time, intending to jump. Aaron is a gay misfit struggling with depression and loneliness. Tillie isn't sure what her problem is -- only that she will

Chennai, India, so when runaway sisters Viji and Rukku arrive, their prospects look grim. Very quickly, eleven-year-old Viji discovers how vulnerable they are in this uncaring, dangerous world. Fortunately, the girls find shelter--and friendship--on an abandoned bridge that's also the hideout of Muthi and Arul, two homeless boys, and the four of them soon form a family of sorts. And while making their living scavenging the city's trash heaps is the pits, the kids find plenty to take pride in, too. After all, they are now the bosses of themselves and no longer dependent on untrustworthy

adults. But when illness strikes, Viji must decide whether to risk seeking help from strangers or to keep holding on to their fragile, hard-fought freedom.

The City is divided. The bridges gated. In Southside, the hostiles live in squalor and desperation, waiting for a chance to overrun the residents of Cityside. Nik is still in high school but is destined for a great career with the Internal Security and Intelligence Services, the brains behind the war. But when ISIS comes recruiting, everyone is shocked when he isn't chosen. There must be an explanation, but no one will talk about it. Then the

school is bombed and the hostiles take the bridges. Buildings are burning, kids are dead, and the hostiles have kidnapped Sol. Now ISIS is hunting for Nik. But Nik is on the run, with Sol's sister Fyffe and ISIS hot on their trail. They cross the bridge in search of Sol, and Nik finds answers to questions he had never dared to ask. The Bridge is a gritty adventure set in a future world where fear of outsiders pervades everything. A heart-stopping novel about friendship, identity, and courage from an exciting new voice in young-adult fiction.

family, philosophy, and survival, set between the two great wars that cleaved Europe in two. In the wake of the First World War, life for the Duchesnes goes on almost as it always has. Situated near a vegetable garden, an orchard, and rolling green pastures, their Belgian estate is one of the few that escaped dereliction in the difficult preceding years. The garden is Mélanie Duchesne's lifeblood—a boost to her seemingly unending well of vitality. The introspective Paul finds his refuge in writing, his most deeply held ambition. But as the years pass, Paul's books find little audience, and

husband and wife focus instead on their furniture business and their growing family. The Bridge of Years follows the Duchesnes in the years leading up to World War II—their daily exploits and travails, the small moments and mundane beauties that fill their lives. When their German friend Schmidt arrives for a visit, he brings news of an impending nightmare in the East that is threatening to overturn life as they know it. With the specter of fascism looming, the rising tensions bring out the best in Paul, whose writing enjoys renewed vigor and intensity, as well as in M é lanie, whose

kingdom to its knees. A princess trained from childhood to be a lethal spy, Lara knows that the Bridge Kingdom represents both legendary evil - and legendary promise. The only route through a storm-ravaged world, the Bridge Kingdom controls all trade and travel between lands, allowing its ruler to enrich himself and deprive his enemies, including Lara's homeland. So when she is sent as a bride under the guise of fulfilling a treaty of peace, Lara is prepared to do whatever it takes to fracture the defenses of the impenetrable Bridge Kingdom. But as she infiltrates her new

*A fifty-year-old Bridge game provides an unexpected way to cross the generational divide between a daughter and her mother. Betsy Lerner takes us on a powerfully personal literary journey, where we learn a little about Bridge and a lot about life. After a lifetime defining herself in contrast to her mother's "don't ask, don't tell" generation, Lerner finds herself*

*back in her childhood home, not five miles from the mother she spent decades avoiding. When Roz needs help after surgery, it falls to Betsy to take care of her. She expected a week of tense civility; what she got instead were the Bridge Ladies. Impressed by their loyalty, she saw something her generation lacked. Facebook was great, but it wouldn't deliver a pot roast. Tentatively at first, Betsy becomes a regular at her mother's Monday Bridge club. Through her friendships with the ladies, she is finally able to face years of misunderstandings and family tragedy, the Bridge table becoming the common ground she and Roz*
