Karen, Sally and Alex are three teenagers who take a camping trip at Yellowstone National Park during a wolf alert. Two of the park's wolves are missing and the three teens decide to look for them. Their trip becomes an exciting, yet dangerous adventure when they meet a hungry grizzly bear, an angry mountain lion and a herd of bison that destroy their tent. Will they ever solve the mystery of the missing wolves?

A Study in Scarlet, originally titled A Tangled Skein and published in 1887,

was the first story to ever feature Detective Sherlock Homes and his trusty sidekick Watson. Written by Sir Arthur Conan Doyle in less than three weeks when he was 27, it would eventually become one of the most famous Holmes stories written, and was one of only four full-length novels starring the detective. A Study in Scarlet was also the first novel to feature a magnifying glass as a detective's tool. Scottish surgeon and political activist SIR ARTHUR CONAN DOYLE (1859–1930) turned his passions into stories and novels, producing fiction and nonfiction works sometimes controversial (The Great Boer War, 1900), sometimes fanciful (The Coming of the Fairies, 1922), and sometimes legendary (The Adventures of Sherlock Holmes, 1892).

Perspectives teaches learners to think critically and to develop the language skills they need to find their own voice in English. The carefully guided language lessons, real-world stories and TED Talks motivate learners to think, creatively and communicate effectively.

With the ingenuity and delicacy of the little mermaid, this beautiful story transports us to unreal and fantastic scenes. It happened that a young fisherman caught a mermaid with his nets, which he allowed to return to the sea on the condition that, upon his call, he would sing a song so that the fish would go to their nets. She sang her songs every evening that talked about the colossal whales or the Argonauts or the octopuses that move their multiple black arms, and the fish flocked to the surface of the sea and filled the nets of the fisherman. But the mermaid's fascination was not only in the fish but also in the fisherman, who could not resist its charm.

Around the World in Eighty Days (French: Le tour du monde en quatre-vingts jours) is a classic adventure novel by the French writer Jules Verne, published in 1873. In the story, Phileas Fogg of London and his newly employed French valet Passepartout attempt to circumnavigate the world in 80 days on a £20,000 wager (roughly £1.6 million today) set by his friends at the Reform Club. It is one of Verne's most acclaimed works. The story starts in London on Tuesday, October 1, 1872. Fogg is a rich English gentleman living in solitude. Despite his wealth, Fogg lives a modest life with habits carried out with mathematical precision. Very little can be said about his social life other than that he is a member of the Reform Club. Having dismissed his former valet, James Foster, for bringing him shaving water at 84 °F (29 °C) instead of 86 °F (30 °C), Fogg hires a Frenchman by the name of

## Bookmark File PDF The Canterville Ghost Soluzioni

Jean Passepartout as a replacement. At the Reform Club, Fogg gets involved in an argument over an article in *The Daily Telegraph* stating that with the opening of a new railway section in India, it is now possible to travel around the world in 80 days. He accepts a wager for £20,000 (equal to about £1.6 million today) from his fellow club members, which he will receive if he makes it around the world in 80 days. Accompanied by Passepartout, he leaves London by train at 8:45 P.M. on Wednesday, October 2, 1872, and is due back at the Reform Club at the same time 80 days later, Saturday, December 21, 1872.

*The Phantom of the Opera* (1910) is a novel by French writer Gaston Leroux. Originally serialized in *Le Galois*, the novel was inspired by legends revolving around the Paris Opera from the early nineteenth century. Originally a journalist, Leroux turned to fiction after reading the works of Arthur Conan Doyle and Edgar Allan Poe. Despite its lack of success relative to Leroux's other novels, *The Phantom of the Opera* has become legendary through several adaptations for film, theater, and television, including Andrew Lloyd Webber's celebrated 1886 Broadway musical of the same name. In 1880s Paris, the legendary Palais Garnier Opera House is rumored to be haunted by a malignant entity. Known as the Phantom of the Opera, he has been linked to the hanging death of a stagehand in addition to several strange and mysterious occurrences. Just before a gal

performance, a young Swedish soprano named Christine is called on to replace the opera's lead, who is suffering from a last-minute illness. From the audience, the Vicomte Raoul de Chagny recognizes Christine, his childhood sweetheart, and goes backstage after the opera has ended to reintroduce himself. While waiting by her dressing room, he hears her talking to an unknown man, but upon entering finds himself alone with Christine. Pressing her for information, she reveals that she has been receiving lessons from a figure she calls the Angel of Music, prompting suspicion and terror in Raoul, who is familiar with the legend of the Phantom. As Raoul makes his feelings for Christine known, the Phantom professes his love for his protégé, and a battle for her affection ensues. Caught in this love triangle, threatened on all sides by jealousy and pursuit, Christine struggles to hold on as her star in the Paris Opera rises. With a beautifully designed cover and professionally typeset manuscript, this edition of Gaston Leroux's *The Phantom of the Opera* is a classic of French literature reimagined for modern readers.

A modern, action-packed detective story. Salahadin El Nur is an inspector in the Antiquities Department of the Egyptian police. The death of a visiting European archaeologist leads Salahadin to investigate the whereabouts of a priceless statuette. He is soon on the trail of a gang of international smugglers.

destroyed in a spiral of violence, creating civil panic and mass evacuations before a foul black smoke is released by the aggressive alien force. But the fightback must begin, and it comes from an unexpected quarter. H.G. Wells' classic tale of invasion has stirred our imagination for over a hundred years. Its intense mix of realism and fantasy continues to prick at anyone interested in a great adventure story by a master storyteller. This new edition includes the short story 'A Dream of Armageddon' and another tale of Wells' seminal early science fiction, The First Men in the Moon. Flame Tree Collector's Editions present the foundations of speculative fiction, authors without whom the imaginative literature of the twentieth century would not exist, bringing the best and most influential writers into a striking and collectable library. Each book features a new introduction, a short biography and a glossary of Literary, Gothic and Victorian terms.

Sir and Lady Chiltern are the picture of responsibility: he a member of the House of Commons, she a member of the Women ' s Liberal Association. When Mrs. Cheveley arrives in London, she brings with her a letter that threatens to ruin Sir Chiltern forever—his whole life threatens to come crumbling down. The following twenty-four hours are filled with theft, blackmail, farce, and biting social commentary. An Ideal Husband was first performed in 1893 at the Haymarket Theatre, and it was immediately successful. On April 6th, the same day it transferred to the Criterion Theatre, Oscar Wilde was arrested for gross indecency, and his name was removed from the play. Wilde revised the play for publication in 1899, taking steps to add written stage directions and character descriptions in order to make the work more accessible to the public. Today it ' s Wilde ' s second most popular play, after The Importance of Being Earnest. This book is part of the Standard Ebooks project,

This is Oscar Wilde's tale of the American family moved into a British mansion, Canterville Chase, much to the annoyance of its tired ghost. The family -- which refuses to believe in him -- is in Wilde's way a commentary on the British nobility of the day -- and on the Americans, too. The tale, like many of Wilde's, is rich with allusion, but ends as sentimental romance...

A level 2 Oxford Bookworms Library graded reader. Retold for Learners of English by John Escott. There has been a ghost in the house for three hundred years, and Lord Canterville's family have had enough of it. So Lord Canterville sells his grand old house to an American family. Mr Hiram B. Otis is happy to buy the house and the ghost - because of course Americans don't believe in ghosts. The Canterville ghost has great plans to frighten the life out of the Otis family. But Americans don't frighten easily - especially not two noisy little boys - and the poor ghost has a few surprises waiting for him. The British Isles

## Soluzioni

"The Canterville Ghost" is a humorous short story by Oscar Wilde. It was the first of Wilde's stories to be published, appearing in two parts in *The Court and Society Review*, 23 February and 2 March 1887. The story is about an American family who move to a castle haunted by the ghost of a dead English nobleman, who killed his wife and was then walled in and starved to death by his wife's brothers. It has been adapted for the stage and screen several times.
