

## The Christmas Shop At Central Park

*Insiders' Guide to Austin is the essential source for in-depth travel and relocation information to Texas's state capital. Written by locals (and true insiders), Insiders' Guide to Austin offers a personal and practical perspective of Austin and its surrounding environs.*

"Consistently rated the best guides to the regions covered...Readable, tasteful, appealingly designed. Strong on dining, lodging, and history."—National Geographic Traveler Explorer's Guide North Carolina's Outer Banks & Crystal Coast covers the coast from Virginia to Hammocks Beach State Park. Includes Manteo, Kitty Hawk and Kill Devil Hills, Nags Head, Hatteras Island, Ocracoke, Beaufort, Morehead City, Atlantic Beach, Emerald Isle and Swansboro. Distinctive for their accuracy, simplicity, and conversational tone, the diverse travel guides in our Great Destinations series meet the conflicting demands of the modern traveler. They're packed full of up-to-date information to help plan the perfect getaway. And they're compact and light enough to come along for the ride. A tool you'll turn to before, during, and after your trip, these guides include these helpful features: chapters on lodging, dining, transportation, history, shopping, recreation and more; a section packed with practical information, such as lists of banks, hospitals, post offices, laundromats, numbers for police, fire, and rescue, and other relevant information; and maps of regions and locales.

*Boys' Life* is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

*A Christmas Carol*

It's beginning to look a lot like Christmas in this Sunshine Valley novella from USA Today bestselling author Melinda Curtis that will appeal to fans of RaeAnne Thayne and Sheila Roberts. Everyone in Sunshine Valley, Colorado, is in the Christmas spirit except for Everett Bollinger, the new town manager. With money tighter than ever, Everett has had to make some tough decisions about the local holiday celebration. And taking the blame has put him in a very un-festive mood. Rosalie Reyes has big plans to open her new pet shop during the Christmas parade. But matchmakers and a rambunctious Saint Bernard named Remy, Rosalie is about to unleash the town's holiday cheer and make it a paws-itively amazing Christmas for all. Including a certain town manager who's about to discover the reason for the season...is love 25,000 words

Let this guide show you why the Outer Banks is one of the most unique and interesting places in the U.S. To visit. The Outer Banks preserves history and traditions lost to more urban areas of the eastern U.S. Whether it's wild Banker ponies, historic Kitty Hawk, or hidden beaches that visitors would otherwise never find, author Renee Wright leads you to her Wright Choices."

Insiders' Guide to North Carolina's Outer Banks is the essential source for in-depth travel and relocation information. Written by a local (and true insider), it offers a personal and practical perspective of this beautiful coastal land and its surrounding environs. Published annually, this guide is fully revised and updated and features a new interior layout and a new cover treatment.

Congressional Record

The modern Christmas was made by the Victorians and rooted in their belief in commerce, family and religion. Their rituals and traditions persist to the present day but the festival has also been changed by growing affluence, shifting family structures, greater expectations of happiness and material comfort, technological developments and falling religious belief. Christmas became a battleground for arguments over consumerism, holiday entitlements, social obligations, communal behaviour and the influence of church, state and media. Even in private, it encouraged reflection on social change and the march of time. Amongst those unhappy at the state of the world or their own lives, Christmas could induce much cynicism and even loathing but for a quieter majority it was a happy time, a moment of a joy in a sometimes difficult world that made the festival more than just an integral feature of the calendar: Christmas was one of British culture's emotional high points. Moreover, it was also a testimony to the enduring importance of family, shared values and a common culture in the UK. Martin Johns shows how Christmas and its traditions have been lived, adapted and thought about in Britain since 1914. Christmas and the British is about the festival's social, cultural and economic functions, and its often forgotten status as both the most unusual and important day of the year

You can count on Rick Steves to tell you what you really need to know when traveling in the hill towns of central Italy. In this compact guide, Rick Steves covers the essentials of the hill towns, including San Gimignano, Volterra, Montepulciano, and Cortona. Explore the Galgano Monastery, Volterra's Etruscan Gate, Orvieto's Duomo, or relax while wine tasting in Montalcino. You'll get Rick's firsthand advice on the best sights, eating, sleeping, and nightlife, and the maps and self-guided tours will ensure you make the most of your experience. More than just reviews and directions, a Rick Steves Snapshot guide is a tour guide in your pocket. Rick Steves Snapshot guides consist of excerpted chapters from Rick Steves European country guidebooks. Snapshot guides are a great choice for travelers visiting a specific city or region, rather than multiple European destinations. These slim guides offer all of Rick's up-to-date advice on what sights are worth your time and money. They include good-value hotel and restaurant recommendations, with no introductory information (such as overall trip planning, when to go, and travel practicalities).

Need a day away to relax, refresh, renew? Just get in your car and go! This first edition of Day Trips from Charlotte is your guide to hundreds of exciting things to do, see, and discover in your own backyard. With full trip-planning information and tips on where to eat, shop, and stop along the way, you can make the most of your time off and rediscover the simple pleasures of a day trip. Explore places you never knew existed, many free of charge, and most within a two-hour drive of Charlotte. Do something thrilling: Explore fast cars and stock racing superstars in Concord, Kannapolis, and Mooresville, the cities of speed. Do something tasteful: Go wine tasting in the Yadkin Valley, home to many vineyards, fine restaurants, and stunning, rolling landscapes. Do something outdoors: Walk under Bridal Veil Falls as you follow the Waterfall Trail in Brevard for a cool, refreshing break from city life.

Miss Kane's Christmas

The Jewelers' Circular

This is Volume Two of Imaginal Reality, a work that has been described as “The finest book on contemporary existential magic I’ve ever read” (George Holochwest, Magus (1), Illuminates of Thanateros).Readers will dive deeper into the imagination of magic and learn to develop the fictional gaze necessary to claim authority and authorship of their lives. This second volume contains an extensive glossary of over 300 scholarly entries on esotericism, existentialism, psychology, and the magical revival.This volume moves more explicitly into the practice of magic - that is, the ongoing journey of claiming our lives more fully and deeply. This cultivation of intentionality and vision, though never a one-time decisive victory, can become a more habitual attitude. To gird these hard-fought realizations, this volume presents the other four voids - Nothingness, Meaninglessness, Freedom and Responsibility, and Change and Finitude - in detail.

The geography of American retail has changed dramatically since the first luxurious department stores sprang up in nineteenth-century cities. Introducing light, color, and music to dry-goods emporia, these “palaces of consumption” transformed mere trade into occasions for pleasure and spectacle. Through the early twentieth century, department stores remained centers of social activity in local communities. But after World War II, suburban growth and the ubiquity of automobiles shifted the seat of economic prosperity to malls and shopping centers. The subsequent rise of discount big-box stores and electronic shopping accelerated the pace at which local department stores were shuttered or absorbed by national chains. But as the outpouring of nostalgia for lost downtown stores and historic shopping districts would indicate, these vibrant social institutions were intimately connected to American political, cultural, and economic identities. The first national study of the department store industry, *From Main Street to Mall* traces the changing economic and political contexts that transformed the American shopping experience in the twentieth century. With careful attention to small-town stores as well as glamorous landmarks such as Marshall Field’s in Chicago and Wanamaker’s in Philadelphia, historian Vicki Howard offers a comprehensive account of the uneven trajectory that brought about the loss of locally identified department store firms and the rise of national chains like Macy’s and J. C. Penney. She draws on a wealth of primary source evidence to demonstrate how the decisions of consumers, government policy makers, and department store industry leaders culminated in today’s Wal-Mart world. Richly illustrated with archival photographs of the nation’s beloved downtown business centers, *From Main Street to Mall* shows that department stores were more than just places to shop.

Three-dimensional cutaway illustrations and floor plans of key landmarks complement these richly illustrated, fully updated travel handbooks that also include enhanced maps, street-by-street guides, background information on a host of popular sights and an expanded traveler’s survival guide providing tips on hotels, restaurants, local customs, transportation, medical services, museums, entertainment and more.

*Engaging version of the popular holiday tale invites colorists of all ages to bring to life the story of Ebenezer Scrooge, the grasping old miser whose life is forever changed by three ghostly visitors on Christmas Eve. Dickens' own specially abridged reading text accompanies 21 captivating, ready-to-color scenes.*

*An illustrated guide to Austin, Texas.*

*One kill, two people meant to be together, and a dozen complications equal a Christmas fiasco in the making. No matter how Santa Claus tries to crunch the numbers, he can't make them add up to equal a love match between museum curators Jack Lantz and Kirsten Nichols. The two lonely hearts are perfect for each other but they're also too caught up in a race to acquire an antique kill to notice their chemistry. Santa, however, is convinced that the two make an ideal couple. Perhaps adding a handful of North Pole elves and a pinch of holiday magic to the situation will help the course of true love run smooth? What ensues is a romantic romp that begins in Scotland and ends at the North Pole, and begs this question: Will Kirsten and Jack discover the kill's location? Or will they find true love along the way?*

The Christmas Kill

The Christmas Changeup

The mistletoe is out, and the gloves are off . . . 'Tis the worst season to be single, but Kara Hastings won't let a little Christmas funk spoil the festive season. Sure, running her own bakery is a little harder than she expected, but she can handle it. And she'll prove it to a certain infuriatingly handsome, bossy Big City guy. She may be sugar and spice, but she can kick his butt twice. Nate Griffin is in Briar Creek only for the holidays, and he refuses to fall for the whole "small town, candy cane-scented Christmas Wonderland" thing. He's more interested in the fresh-faced cookie chef who always knows exactly how to get under his skin. So when Nate challenges Kara in the town's big holiday contest, it's not just the competition that starts to heat up. If he's not careful, Kara won't just melt his icy resolve against a small-town Christmas . . . she'll melt his heart too.

18 days. That's all we had from that first night when we heard the prognosis of the surgeon: "It's cancer. All throughout her abdomen." After more tests, we were told "3 to 6 months, if we're lucky." But Judy Gossett was not "lucky" this time - and we had 18 days with her before she breathed her last on December 11, 2003. While the shock and heavy sorrow have faded somewhat in these past 10 years, there still remains a surreal nature to life because

Judy - she of the huge personality, the enormous heart, the generous spirit, the wonderful sister who was only one year my senior - is gone from this life forever. In addition to serving as a tribute to Judy, I pray this book will help people who deal with the grief of losing a beloved person - a sister, a brother, a father, a mother, a wife, a husband, a child, a friend - and understand that the Body of Jesus Christ is often "the fellowship of suffering" and is a safe place to find comfort and understanding - to find purpose and meaning.

DK Eyewitness Travel Guide to Munich & the Bavarian Alps will lead you straight to the best attractions this city and region has on offer. Packed with photographs and illustrations of Munich and Bavaria, the guide includes in-depth coverage of Munich's world famous Oktoberfest, Marienplatz and Residenz old towns, Bavaria's countless castles, lakes and national parks, and unearh the best of the region's stunning baroque architecture, museums, galleries and rich folklore heritage in between. You'll find 3D aerial views of Munich's most interesting districts, cutaways and floorplans of all the major sites, and detailed listings of the best hotels and restaurants in Munich and the Bavarian Alps for all budgets. The guide includes extensive practical information and insider tips from shopping and entertainment to choosing the best local cuisine. Whether you are enjoying a drink in one of Munich's finest beer gardens, finding a bargain in one of its many flea markets or exploring the Bavarian countryside, the DK Eyewitness Travel Guide to Munich & the Bavarian Alps is indispensable. Don't miss a thing on your holiday with the DK Eyewitness Travel Guide Munich & the Bavarian Alps.

Getaway Ideas for the Local Traveler

Striking out isn't an option... A stand-alone holiday heart-warmer that sizzles. Piper Mason remembers Grant Weston as the cute little boy with a crush she'd once babysat, back when she'd been thirteen and he'd been nine. Many years later, Piper is babysitting once again. This time it's her teenage niece while house-sitting for her brother. Except...no one told her to expect a house guest. A man too good looking to be real with a smile that blinds. A man who plays for a major league baseball team back in town for the holiday. A man who's returned to make good on his twenty-year old pledge to marry her! And he's not leaving until he's rounding home with the girl who got away.

With Christmas only three days away, Carol Claus agrees to her father's request that she leave the North Pole on a mission to help save Christmas. Joining single father Ben Hanson and his children for the holidays seems an easy enough task until Santa informs her that Ben is the man behind the disturbing new book 'Beyond Bah Humberg: Why Lying to Your Children about Santa Claus is a Bad Idea'. Posing as Miss Kane, the children's new nanny, Carol pulls out all the stops to show Ben how fun Christmas can be, all the while struggling to understand how one man could hate the holidays so much. How could she, Santa's only daughter, be so attracted to a man who refuses to believe her father exists?
