Excerpt from *The Church Hymn Book: Comprising a Choice Collection of Hymns, Original and Selected, for the Use of Public Worship, and Various Other Occasions* A book of Psalms, Hymns and Spiritual Songs, for the service of the Church, is second only to the Bible, in point of importance and spiritual interests. The want of such a book, adapted in all respects, to the use of private, social and public worship, has long been felt and desired by the church or god.
