Dreams come true in this hilarious, feel-good fairy tale about life, love, and dating literature's most eligible bachelor! After a string of disastrous dates, Emily Albright decides she's had it with modern-day love and would much rather curl up with Pride and Prejudice and spend her time with Mr. Darcy, the dashing, honorable, and passionate hero of Jane Austen's classic. So when her best friend suggests a wild week of margaritas and men in Mexico with the girls, Emily abruptly flees to England on a guided tour of Jane Austen country instead. Far from inspiring romance, the company aboard the bus consists of a gaggle of little old ladies and one single man, Spike Hargreaves, a foul-tempered journalist writing an article on why the fictional Mr. Darcy has earned the title of Man Most Women Would Love to Date. The last thing Emily expects to find on her excursion is a broodingly handsome man striding across a field, his damp shirt clinging to his chest. But that's exactly what happens when she comes face-to-face with none other than Mr. Darcy himself. Suddenly, every woman's fantasy becomes one woman's reality. . . . Praise for Me and Mr. Darcy: "...Unexpectedly charming. . . Me and Mr. Darcy offers a Pride and Prejudice - appropriate surprise. . . it turns out to be one of the wittier of this summer's offerings, not to mention sharp and sad in its observations about what spinsterhood, identity and aging look like for women in 2007." - Salon "[Me and Mr. Darcy] takes the reader on an extended daydream with an appropriately pleasant ending. " - The Indianapolis Star "Alexandra Potter's clever comedy, an affectionate celebration of books and readers - and bookstores - might lead you to start browsing those travel websites yourself." - The Times-Picayune "Pure candy for the imagination. . . Ms. Potter has worked literary magic with the creation of Me and Mr. Darcy." - CoffeeTimeRomance.com "...Refreshing..." - Publishers Weekly

"CINDERELLA MEETS TWILIGHT" - BOOK REVIEW

After her mother's death, Taylor Hale goes to live with her father on the remote island of Dawnhaven. She's dreading it, but she has a plan: she'll keep her head down, survive senior year, and ignore that her wicked stepmother treats her like trash. Then she meets wealthy summer resident James Champlain, and everything changes. James is tall and strapping, with a square jaw. In addition to his looks, he's charming, funny, and kind. Taylor is increasingly drawn to him, but they're from two different worlds. She was on food stamps, he lives off a trust fund. Then there are the rumors: the locals say he's running some sort of cult at his estate. Taylor doesn't believe it, but James is definitely mysterious--as is Dawnhaven itself. There's something dark in the island woods, something dangerous. When Taylor encounters it, she learns that not only is James not what he appears...nothing is.

This is the first book of a new series, perfect for fans of TWILIGHT and THE VAMPIRE DIARIES. Best for older teens: contains adult language and themes, and there are some scary parts.

Bubbles Yablonsky is in trouble. Her expose of corruption in Lehigh's social heights has infuriated the local paper's editor, so she's still a full-time hairdresser and only an occasional reporter. Her freeloading ex is back on her sofa after his socialite wife threw him out, her daughter's in love, and her mother thinks she's Jackie O. Plus Bubbles's chastity vow is not yet broken, which means sexy photographer Steve Stiletto's heart has remained just out of reach. Then her pool-table-top rendition of Free Bird at a drunken hen party gives the bride-to-be second thoughts. Bubbles is blamed when Janice never arrives in church, and goes to investigate. She finds Janice's home empty - apart from the murdered body of her uncle Elwood. Bubbles suspects this could make a great story, and she wants her friend back. But tracking Janice down won't be easy. Following her to Whoopee, Pennsylvania, Bubbles must go undercover as an Amish woman, with no hairdryer, no make-up and no lycra - her idea of hell. But if the murderer finds out who Bubbles really is, being caught au naturel will be the least of her worries...

Winner of the 2021 Duke University Juan Mendez Award Named one of The Progressive's "Favorite Books of 2021" and one of the "Best of Books 2021" by Foreign Affairs The David and Goliath story of ordinary people in El Salvador who rallied together with international allies to prevent a global mining corporation from poisoning the country's main water source At a time when countless communities are resisting powerful corporations—from Flint, Michigan, to the Standing Rock Reservation, to Didipio in the Philippines, to the Gualcarque River in Honduras—The Water Defenders tells the inspirational story of a community that took on an international mining corporation at seemingly insurmountable odds and won not one but two historic victories. In the early 2000s, many people in El Salvador were at first excited by the prospect of jobs, progress, and prosperity that the Pacific Rim

mining company promised. However, farmer Vidalina Morales, brothers Marcelo and Miguel Rivera, and others soon discovered that the river system supplying water to the majority of Salvadorans was in danger of catastrophic contamination. With a group of unlikely allies, local and global, they committed to stop the corporation and the destruction of their home. Based on over a decade of research and their own role as international allies of the community groups in El Salvador, Robin Broad and John Cavanagh unspool this untold story—a tale replete with corporate greed, a transnational lawsuit at a secretive World Bank tribunal in Washington, violent threats, murders, and—surprisingly—victory. The husband-and-wife duo immerses the reader in the lives of the Salvadoran villagers, the journeys of the local activists who sought the truth about the effects of gold mining on the environment, and the behind-the-scenes maneuverings of the corporate mining executives and their lawyers. The Water Defenders demands that we examine our assumptions about progress and prosperity, while providing valuable lessons for those fighting against destructive corporations in the United States and across the world.

Tricky Twenty-Two

Britain began the twenty-first century convinced of its creativity. Throughout the New Labour era, the visual and performing arts, museums and galleries, were ceaselessly promoted as a stimulus to national economic revival, a post-industrial revolution where spending on culture would solve everything, from national decline to crime. Tony Blair heralded it a “golden age.” Yet despite huge investment, the audience for the arts remained a privileged minority. So what went wrong? In Cultural Capital, leading historian Robert Hewison gives an in-depth account of how creative Britain lost its way. From Cool Britannia and the Millennium Dome to the Olympics and beyond, he shows how culture became a commodity, and how target-obsessed managerialism stifled creativity. In response to the failures of New Labour and the austerity measures of the Coalition government, Hewison argues for a new relationship between politics and the arts.

She can't forget him-He can't remember her
Together, they must discover the healing power of unforgettable love
The day Lieutenant Matthew Foster departed for his so-called 'tour' in Vietnam, he never expected a sudden change in his itinerary would include an extended stay in the horrific Hanoi Hilton. Six years later, he's finally released with the other POWs during Operation Homecoming. Unfortunately, his memories before his capture were erased by the complimentary torture provided by the hotel's concierge. Due to prior facial injuries and the beard concealing his gauntness, he looks nothing like the boyish photo in his military file. When the Army informs Matt he has a wife and he was mistakenly declared dead, he's sure Abby must have made a new life for herself. He doubts the bitter man he's become can salvage the boy she once cared for, so to be fair to her, he decides to simply write a note to wish her well and leave. But before he does, he can't resist going to Redemption, PA, to catch a glimpse of the woman he'd loved enough to marry. The irony of the small town's name is totally eclipsed by Matt's dread that he'll discover he's lost something truly worth remembering. That fear becomes reality when he learns Abby is engaged, and he's a daddy! Luckily, his wife doesn't recognize him, so Matt could still walk away from the beautiful stranger who's been starring in his X-rated dreams. However, he could never, ever abandon his sons. The clock is ticking. Any day, the military will inform Abby he's alive, and her wedding is in only six weeks. It doesn't give Matt much time to discover if he can reclaim the love the war stole from him. "A heart-warming tale of love and second chances. I thoroughly enjoyed this book!" Against all odds, Bubbles Yablonsky has returned to school, but while on her way to journalism school, she happens upon a crime scene and finds herself drawn into a murder investigation. Reprint.

What Bubbles is all too aware of, however, is that so far this week she's been arrested, shared a cell with a crazed murder suspect who promptly dropped dead and nearly lost her precious daughter in a highly suspicious explosion. She's been kidnapped by mobsters, received a couple of death threats and survived the latest visit from her mother - all without breaking a nail. Now the 21st-century's sexiest crime-fighter must investigate the gruesome murder of Liberty High School's longest-serving Principal while trying to find a missing foot doctor, avoid the Polish Mafioso and fend off the jealous hoards of Mrs Stiletto wannabes...

Jane Austen's Emma meets The Rosie Project in this quirky, irresistible, romantic comedy from Sarah Strohmeier, the author of Smart Girls Get What They Want. Addie Emerson doesn't believe in love. Not for herself anyway. With one year left of high school, she's more interested in snagging a full scholarship to Harvard than a full-time boyfriend. That doesn't mean she's oblivious to the ways of the heart. Or, rather, the head. Because after months of research, Addie has discovered how to make anyone fall in love. All you need is the secret formula. But will her discovery be enough to win the coveted Athenian Award and all its perks? (See above, full scholarship to Harvard.) Or will she be undone by Dexter, her backstabbing lab partner, who is determined to deep-six her experiments at their exclusive private school? Those are the least of her problems now that she's survived a death-defying flight with a mysterious, dark-haired boy, who has delicious chocolate-brown eyes and a few secrets of his own. With an experiment to mastermind, an infatuated exchange student on her hands, and at least one great white shark (more on that later), can Addie's prefrontal cortex outwit her heart? Or will she have to give in to her amygdala and find out, once and for all, if this thing called love is more than just her brain on drugs? A tale of love and betrayal among the gated-in communities of American suburbia finds Ohio socialite Marti Denton realizing her passionate love for John Harding in the wake of his impulsive marriage to a socially awkward newspaper reporter. From the New York Times–bestselling author of A Dark-Adapted Eye: A unique psychological thriller about a gentle young man tempted to kill for love. Philip Wardman is disgusted by murder. He cannot tolerate violent films or the local news, and when his friends discuss such things he often leaves the room. At his sister's wedding, Philip becomes infatuated with a strange, silver-haired woman named Senta Pelham. They sleep together after the reception, and Philip finds himself falling headfirst into obsessive, all-consuming love. He wants to marry Senta and live an ordinary life—but before they can, she has a murderous idea. To prove the unconventionality of their love, Senta proposes that each of them commit a murder. Shocked by the idea, but unable to resist his beloved, Philip is drawn into a maze of violence and deceit—and is horrified to find that he feels quite at home. “Subdued tones, stultifying atmosphere, and omniscient narration mark this telling depiction of mutual psychological obsession,” writes Library Journal. "A juicy tale of bad behavior.... A story about love and friendship and Marxism Many years ago Gerard Hernshaw and his friends "commissioned" one of their number to write a political book. Time passes and opinions change. "Why should we go on supporting a book which we detest?" Rose Curtland asks. "The brotherhood of Western intellectuals versus the book of history," Jenkin Riderhood suggests. The theft of a wife further embroils the situation. Moral indignation must be separated from political disagreement. Tamar Hernshaw has a different trouble and a terrible secret. "What would the world look like if girls grew up reading fairytales made from the magic they carry inside themselves? Breathtakingly beautiful, is what." —Lidia Yuknavich, national bestselling author In her debut children's book, Rebecca Solnit reimagines a classic fairytale with a fresh, feminist Cinderella and new plot twists that will inspire young readers to change the world, featuring gorgeous silhouettes from Arthur Rackham on each page. In this modern twist on the classic story, Cinderella, who would rather just be Ella, meets her fairy godmother, goes to a ball, and makes friends with a prince. But that is where the familiar story ends. Instead of waiting to be rescued, Cinderella learns that she can save herself and those around her by being true to herself and standing up for what she believes. "Being a princess is absolutely fine if that's what you choose. It's having those choices taken away from you that make for big problems. Cinderella in Solnit's book is given that choice. She's allowed to say what her dreams are, and then she goes out and attains them. And they're not huge ridiculous dreams but small, happy, manageable ones. Ultimately, that's the gift Ms. Solnit is giving kids with this book." —*School Library Journal* "This is a reminder of hope and possibility, of kindness and compassion, and—perhaps most salient—imagination and liberty. Through the imaginations of our childhoods, can we find our true selves liberated in adulthood?" —Chelsea Handler "This is, hands down, a wonderful book—one that even the jaded reader will clasp upon completion with a contented sigh." —*The New York Times*

Prepare to be gripped from the first to the last page!” –Liane Moriarty For readers of Lisa Jewell, Liv Constantine, and Megan Miranda, a lightning-paced psychological thriller that the New York Times Book Review says "kept me reading, near breathless, until all assumptions were gloriously upended" about two women, a tragedy that connects them as teenagers, and the terrible reckoning that will decide their fates a decade later Jane Ellison is a “super recognizer” able to identify strangers by the slightest facial details—the curve of a head, the arch of an eyebrow. But her attempt to detain the suspect ends with Jane herself fired and humiliated. As Bella prepares to marry Will Pease, scion of the uber-wealthy, influential, and ruthless Pease family, famous for their wholesome wellness and lifestyle brand, on their private Cape Cod island, she grows increasingly anxious that her dire secret will be revealed and used against her by—of all people—the man she loves. She has reason to fear: Jane is ready to risk everything for the chance to publicly expose Bella’s crimes at her upcoming celebrity wedding.
