Requiem. A dream. A prayer. A kingdom for those cursed, those exiled, those whom men call "weredragons." A homeland for those who can grow wings, breathe fire, and rise as dragons. Dawn of Dragons, an epic fantasy trilogy, tells the story of Requiem's birth, wars, and hope. This bundle includes all three novels in the trilogy. BOOK 1: REQUIEM'S SONG: Weredragons, men call them. Monsters. Cursed ones. People who can turn into dragons. Can these lost souls bind together and forge a kingdom of their own? BOOK 2: REQUIEM'S HOPE: Requiem is birthed in blood and fire, but enemies rise to destroy it. Raem, King of the Abyss, leads a host of demons to crush Requiem. Can this fledgling kingdom of dragons survive? BOOK 3: REQUIEM'S PRAYER: Requiem burns. Raem, the Demon King, sends forth monstrous sphinxes to slay every last dragon. To survive, Requiem's dragons must fly to their darkest battlefield-the unholy Abyss itself. In 2011, the Song of Dragons trilogy introduced readers to mythical Requiem, a kingdom whose people can become dragons. The Requiem novels have gone on to sell hundreds of thousands of copies, captivating readers around the world. Dawn of Dragons goes back in time to Requiem's earliest days, telling an epic story—for both new readers and old fans—of loss, hope, and dragonfire. Dawn of Dragons -- an epic fantasy trilogy. In The Book of Dragons of Edith Nesbit invites us to experience the world of dragons. One of the most beautiful young fiction books written in English language. Edith Nesbit (married name Edith Bland; 15 August 1858 - 4 May 1924) was an English author and poet; she published her books for children under the name of E. Nesbit. She wrote or collaborated on over 60 books of fiction for children. She was also a political activist and co-founded the Fabian Society, a socialist organisation later affiliated to the Labour Party.

Long ago, the world was full of dragons. But what happened to them? Where are they now? These pages are taken from the notebooks of Viking Hero Hiccup Horrendous Haddock the Third when he was just a boy. A keen dragonwatcher, Hiccup paints a picture of the brilliance and fire and spirit of that lost dragon world. Featuring dragon profiles, dragon anatomy, dragon riding tips and lots more must know info e.g. how to spot the difference between an arsenic adderwing and a glow worm (you don't want to mix those two up) and what to do when confronted with a Hellsteether. This is a must for all keen dragonwatchers out there...

#1 NEW YORK TIMES BESTSELLER • The history of the Targaryens comes to life in this masterly work, the inspiration for HBO’s upcoming Game of Thrones prequel series House of the Dragon “The thrill of Fire & Blood is the thrill of all Martin’s fantasy work: familiar myths debunked, the whole trope table flipped.”–Entertainment Weekly Centuries before the events of A Game of Thrones, House Targaryen—the only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone. Fire & Blood begins their tale with the legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their dynasty apart. What really happened during the Dance of the Dragons? Why was it so deadly to visit Valyria after the Doom? What were Maegor the Cruel’s worst crimes? What was it like in Westeros when dragons ruled the skies? These are but a few of the questions answered in this essential chronicle, as related by a learned maester of the Citadel and featuring more than eighty black-and-white illustrations by artist Doug Wheatley. Readers have glimpsed small parts of this narrative in such volumes as The World of Ice & Fire, but now, for the first time, the full tapestry of Targaryen history is revealed. With all the scope and grandeur of Gibbon’s The History of the Decline and Fall of the Roman Empire, Fire & Blood is the first volume of the definitive two-part history of the Targaryens, giving readers a whole new appreciation for the dynamic, often bloody, and always fascinating history of Westeros. Praise for Fire & Blood “A masterpiece of popular historical fiction.” –The Sunday Times “The saga is a rich and dark one, full of both the title’s promised elements. . . . It’s hard not to thrill to the descriptions of dragons engaging in airborne combat, or the dilemma of whether defeated rulers should ‘bend the knee,’ ‘take the black’ and join the Night’s Watch, or simply meet an inventive and horrible end.”–The Guardian

This beautifully illustrated series will have you captivated. Stunning illustrations, intriguing facts, and a large format make an engaging reference to revisit time and again. This magical menagerie will lead you on a thrilling journey through the fantastical realm of dragons. Meet fire-breathing monsters, ferocious serpents, wise and gentle giants, and multi-headed beasts. From the hundred-headed Typhon of Ancient Greek mythology to the dazzling Atzec dragon Quetzalcoatl, all sorts of magnificent beasts are brought to life from across the globe and many different cultures. Fascinating facts accompany each illustration so you can find out which dragon darted from tree to tree, how Shenlong was master of the rain and wind, and which creature could hypnotize people with its blazing eyes.

The perfect introduction to the legendary world of dragons, The Dragon Machine uses a clever mix of text and illustrations to describe how George, a young, overlooked boy, becomes aware of dragons hiding all around him. But when it becomes apparent that they don't belong in George's ordinary world, he endeavours to do the best for his new friends and find them the home they deserve. A heart-warming and magical tale from award-winning illustrator, Helen Ward.

Guide to the Dragons Volume 1

Follows the tale of a bookish young woman whose passion for learning leads to revolutionary new understandings about dragons and defies the stifling conventions of her world.

For true believers only, a lavishly illustrated reproduction of a legendary volume by the world's most distinguished dragonologist. Don't let it fall into the wrong hands! Do you believe in dragons? Now, for the first time, the long-lost research of renowned nineteenth century dragonologist Dr. Ernest Drake is presented in all its eccentric glory, happily bridging the gap between dragon legend and fact. The meticulous Dr. Drake assigns Latin names to various dragon species, ruminates on why dragons are able to speak, speculates on how they could fly, and explains the true purpose of their notorious hoarding habits. Here are just a few of DRAGONOLOGY'S fascinating features: novelty item on every spread, including tactile samples of dragon wings, dragon scales, and dragon skin; booklet of dragon riddles (indispensable to the burgeoning dragonologist); sealed envelope containing a powerful dragon-calling spell; embossed faux leather cover with silver foil, encrusted with three dragon gems In his afterword, Dr. Drake reveals that one of the crucial goals of dragonologists is to preserve the magnificent creatures of their study wherever possible – a goal this tongue-in-cheek volume most affectionately achieves. An incomparable gift for secret dragonologists everywhere!
