"As enjoyable as a day at the beach." That's how USA TODAY summed up this hilarious and big-hearted romp in the Florida sunshine. When Murray Zelman, a.k.a. The Bra King, pops another Prozac and heads to the Keys, he has nothing much in mind beyond a quixotic hope of winning back his first wife, Franny, whom he dumped years before. But when he forms an unlikely friendship with Tommy Tarpon, the last remaining member of an obscure Indian tribe, another plan also starts shaping up in his fevered brain. Why not open up Key West's first casino? Why not? Well, how about because the Mafia, in league with some of the nastiest politicians you will ever meet, is determined to kill anyone who tries? Somehow, Murray, Tommy, and Franny didn't think of that until they were in way too deep.

Laugh along as they improvise a manic and ever more desperate campaign to keep their casino dreams--and themselves--alive.

Waltzing Australia was born out of a dream-and a journey. After walking away from her corporate career, Cynthia Clampitt headed to Australia, to start over, to write, and to test the limits of what she could do. Waltzing Australia recounts that joyous adventure. It is a story about change and about making dreams come true. But more than that, it is about Australia: the history, legends and art, both European and Aboriginal; the beauty, the challenge, the people, the land. From Sydney to Perth, Tasmania to Darwin, tropics to desert, city to wilderness, Clampitt carries the reader along on an exhilarating grand tour of a fascinating country. With a writing style reminiscent of Annie Dillard, she captures the essence of the land Down Under and invites others to fall in love with Australia. This eclectic collection offers foolproof methods for making over 400 kitchen-tested recipes. And in addition to learning how to make great food, home cooks get a glimpse into the origins and inspiration behind many of the dishes. A comprehensive shopping guide lists not just the ingredient and equipment winners featured on the TV show but also the dozens of other products given the coveted America's Test Kitchen seal of approval.

Our lives are spent watching the clock. We go to sleep by it. Wake up to it. Rely on it. Race it.It's easy to forget that we're only given so much.We ignore it because we're convinced we'll always have more.I am proof that we aren't promised anything.The clock owes us nothing.I know this because not only was Time my name, I wasn't given enough of it.Sure I had challenges but I vowed to make the most of it, of my young life.My limitations wouldn't hold me back.Time was on my side.Then I was told otherwise.Now the clock was working against me.I would face this disease alone.Then he walked in and changed everything.He gave me a reason to fight.He helped me prepare.Like others before me, when time slowed I wasn't ready.I

begged for more. But the clock, it stopped for no one. On the day my world went black, I refused to take him with me. Only he didn't listen. I was a doctor. A bringer of bad news. I read the chart. She was fucked. My hands, they were tied. I was a doctor who could not heal what was beyond that door. I had no hope to offer her. But I wanted this over with. The sooner the better. I walked in, looked up and saw color. Not one. All of them. They surrounded her. She was a patient. You did not cross that line. I would not cross that line. I should have kept my eyes closed. Life was easier when you didn't see. But they were open now. They saw her. They saw everything. Suddenly invisible lines ceased to matter. For me, Time mattered. How far would you go to make sure the one you loved had enough of it? Would you challenge the clock? Help them prepare? Could you watch them suffer? Could you accept a life without them in it? Or, would you follow them into the darkness? I did. This is our story.

Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

Just for a moment imagine yourself the spouse or even the parent of someone in prison. What images come to your mind? In her story, the author challenges us to think outside of our own mindsets. Through the writer's eyes you will see glimpses of what it is really like from the outside looking in. It is her hope that as you read you will not only recognize things that have "imprisoned" you but that you will be set free from those things. Isaiah 61:1 The Spirit of the Lord is upon me because the Lord hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound... -----
