

The Complete Sweep Series 1 15 Cate Tiernan

From award-winning author Louise Greig and acclaimed illustrator Júlia Sarda comes an uplifting story about how to confront big emotions. Ed’s bad mood begins as something really small, hardly a thing at all. But before long it grows, gathers pace, and spreads through the whole town. Can Ed sweep his troubles away?
DESCRIPTION – CLEAN SWEEP The book contains almost all formats of cricket matches i.e. Test Matches, ODI and T20I played during the period from 2015 to 2017 in which India Team under the able captaincy of Virat Kohli made almost “ Clean Sweeps” defeating New Zealand in Test Matches, England in T20I, Australia in 2nd Test, Clean Sweep defeating Sri Lanka in 5 ODIs – 5–0, all 3 Test Matches, defeating Australia Series Win in 5 ODIs, Series Win in 3 T20I matches 4–1, in 3 T20I Series Win by India defeating new Zealand, again Clean Sweep by India defeating Sri Lanka in 3 Test Matches being the 1st one with a very large margin of 304 runs. Again, India made Series Win 4–1 in 5 ODIs defeating Australia in 4 matches out of 5. India defeated New Zealand – Series Win by 2 T20I matches out of 3. The most amazing win that India made against Sri Lanka is Clean Sweep in all 3 T20I matches with a huge margin of runs. It was the first time that India Team played so brilliantly from all angles and could establish so wonderful records in the history of cricket. Some of the batsmen and bowlers came to limelight so efficiently they played all the way in almost all the formats of the matches. Virat Kohli as an individual as well as captain proved his consistency and left no stone unturned in taking the India Team to the height of success, no exaggeration to say he is really “Virat” – incomparable one from all angles of play. He set up innumerable records in the history of cricket that the people will remember him for the years to come. Apart from all these matches 3 matches of IPL – IPL 6, 8 and 10 also have been depicted in this book in which Mumbai Indian under the able captaincy of Rohit Sharma won the matches and topped the list of winners till now – recording hat trick win in IPL – 10 – 2017. Moreover, the a few lines about one of the great personalities of cricket play has been added in appreciation of David warner – the captain with a defence, Eliminator the great and hero & champion of IPL – 2016. Also done justice with Divilliers who played very brilliantly all along the IPL – 2016 matches, his stylish ways coupled with vigor and vitality has also been described in sheer sincerity. This book is meant for those who love and respect cricket play and its amazing, exciting and inspiring matches played all over the globe with team spirit in right cause. Jai Hind! Jai Bharat! Author -----

When Morgan begins to have visions, light fires with her mind, and work miracles, her boyfriend and fellow coven member Cal insists she is a blood witch, but she is doubtful until her parents tell her a secret from her past.

Wicca has changed my life – I’ve lost my best friend and made some new friends. I’ve discovered my true heritage. I’ve found love – and betrayal. But I have so much more to learn and I know Wicca can be used for good or for evil. The hard part is knowing which is which. Morgan knows now she is a blood witch. But she doesn’t know who or what to trust – except her magic.

Model Rules of Professional Conduct

American Military History Volume 1

Hunter, Morgan, and Alisa. Together the three worked to defeat the most unspeakable evil known to witches. Now the danger they face is just as deadly. But to vanquish their new foe, they must first defeat the weaknesses within themselves.

Morgan and her best friend, Bree, are introduced to wicca when a gorgeous senior named Cal invites them to join his new coven. Morgan falls for Cal immediately? and discovers that she has strong, inexplicable powers.

A brand-new novel by one of today’s most powerful storytellers, Sweep is a heart-rending adventure about the everlasting gifts of friendship and hope. For nearly a century, Victorian London relied on “climbing boys”--orphans owned by chimney sweeps--to clean flues and protect homes from fire. The work was hard, thankless and brutally dangerous. Eleven-year-old Nan Sparrow is quite possibly the best climber who ever lived--and a girl. With her wits and will, she’s managed to beat the deadly odds time and time again. But when Nan gets stuck in a deadly chimney fire, she fears her time has come. Instead, she wakes to find herself in an abandoned attic. And she is not alone. Huddled in the corner is a mysterious creature--a golem--made from ash and coal. This is the creature that saved her from the fire. Sweep is the story of a girl and her monster. Together, these two outcasts carve out a life together--saving one another in the process.

In Blood Witch, Morgan continues to unravel her past and the story of her birth-mother as her relationship with Cal develops. But she can't seem to settle with him and the mysterious Hunter begins to feature more heavily into her life.

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results. No matter your goals, Atomic Habits offers a proven framework for improving—every day. James Clear, one of the world’s leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you’re having trouble changing your habits, the problem isn’t you. The problem is your system. Bad habits repeat themselves again and again not because you don’t want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you’ll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course;...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits—whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The 1927 New York Yankees are often considered one of the best Yankee teams of all time—perhaps one of the best major league teams ever. Yet often overlooked is the Yankee team that followed. The 1928 Yankees started the season on track to meet and even surpass the records and accomplishments of the season before. Many players from the 1927 “Murderers Row” were still there, including Bob Meusel, Earle Combs, Mark Kowig, Tony Lazzari, Lou Gehrig, and Babe Ruth. The 1928 New York Yankees: The Return of Murderers Row tells the story of this underrated squad that endured a roller-coaster season of ups and downs to ultimately win the World Series. The baseball world, frustrated by the Yankees’ dominance the previous year, rejoined when the team stumbled badly during the 1928 preseason. Their elation turned to gloom when the Yankees charged out of the gates to start the regular season on top of the standings. In spite of holding a commanding fourteen game edge over the second place Philadelphia Athletics midway through the season, the Yankees saw their lead disappear with just three weeks remaining. Manager Miller Huggins pulled together his patchwork pitching staff and banged-up regulars and reserves to mount a nail-biting fight to the finish. Highlighted by numerous images of the key players for the Yankees, this detailed and thoroughly researched book provides an intimate look into a season to remember. The 1928 New York Yankees includes a discussion of the best teams in baseball leading up to the 1928 season, along with historical background on the country’s condition in the 1920s. From the Yankees’ preseason trip to Florida through their dominance, collapse, and subsequent rise, this book will entertain and educate all fans and historians of the national pastime.

The chronicle of the deadly Wuolane conspiracy—as told by one of Morgan’s own ancestors—has fallen into Hunter’s and Morgan’s hands. Hunter and Morgan explore the world of these powerful witches, to find a way to vanquish them at last.

Beware, villains! Cat Ninja may appear to be nothing more than a silly internet meme. But he is evil’s greatest enemy, and the silent master of Kat Fu and carpet scratching! From Epic! Originals, Cat Ninja is a hilarious graphic novel series about a lovable cat with a heroic alter-ego. Raised from a kitten by a kindly old ninja master, Claude now spends his days as the pampered house cat of an eleven-year-old boy. But when trouble arises, Claude dons his mask and springs into action as Cat Ninja—Metro City’s secret protector! In Book 1 of the series, follow our feline hero’s early exploits as he tries to keep his secret identity under wraps while thwarting the evil plans of slimy thugs, rampaging robots, and a certain rodent nemesis who lives under the same roof!

Subterranean Press is pleased to present, from NYT #1 bestselling author Ilona Andrews, an omnibus of the first three novels in the Innkeeper series. Our edition will be huge (over 760 pages), with an original full-color wraparound dust jacket, as well as full-color and black-and-white interior illustrations by Doris Mantar. The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule’s purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Dina Demille isn’t your typical Bed and Breakfast owner. Her inn defies laws of physics, her dog is secretly a monster, and the only permanent guest of the inn is a former Galactic tyrant with a price on her head. The inn needs guests to thrive and guests have been scarce, so when an Arbitrator shows up at Dina’s door and asks her to host a peace summit between three warring species, she jumps on the chance. Unfortunately, for Dina, bridging the gap between space vampires, the Hope-Crushing Horde, and the merchants of Baħa-char is much easier said than done. To make the summit a success, she must find a chef, remodel the inn, keep her guests from murdering each other, and risk everything, even her life, to save the man she might fall in love with. But then it’s all in the day’s work for an Innkeeper...

Twenty years ago, Morgan Rowlands was the most powerful young bloodwitch to come around in generations - making magical discoveries, facing and conquering unimaginable evil, and surviving a devastating betrayal. Her daughter, fifteen-year-old Moira, knows there’s more to her mother’s past than she’s been told. And the secrets that lie in Morgan’s heart could destroy Moira’s entire world. When Moira learns two painful truths about her family, she begins to put the puzzle together - and realizes that someone close to her is in grave danger.

Morgan knows that a wave of destruction is on its way and everyone she loves is in danger, so she, Hunter, and Alisa join together to battle the dark powers in a fight that will test their abilities to the limit.

From the New York Times #1 bestselling author, Ilona Andrews, comes a new tale from the Innkeeper Chronicles! Ilona Andrews’s books are guaranteed good reads.—Patricia Briggs, #1 New York Times bestselling author of Fire Touched Dina Demille may run the nicest Bed and Breakfast in Red Deer, Texas, but she caters to a very particular kind of guest... the kind that no one on Earth is supposed to know about. Guests like a former intergalactic tyrant with an impressive bounty on her head, the Lord Marshal of a powerful vampire clan, and a displaced-and-superhot werewolf; so don’t stand too close, or you may be collateral damage. But what passes for Dina’s normal life is about to be thrown into chaos. First, she must rescue her long-distant older sister, Maud, who’s been exiled with her family to a planet that functions as the most lawless penal colony since Botany Bay. Then she agrees to help a guest whose last chance at saving his civilization could bring death and disaster to all Dina holds dear. Now Gertrude Hunt is under siege by a clan of assassins. To keep her guests safe and to find her missing parents, Dina will risk everything, even if she has to pay the ultimate price. Though Sean may have something to say about that!

From the author of the Agatha Raisin television series...DEATH OF A CHIMNEY SWEEP: A Hamish Macbeth MysteryIn the south of Scotland, residents get their chimneys vacuum-cleaned. But in the isolated villages in the very north of Scotland, the villagers rely on the services of the itinerant sweep, Pete Ray, and his old-fashioned brushes. Pete is always able to find work in the Scottish highlands, until one day when Police Constable Hamish Macbeth notices blood dripping onto the floor of a villager’s fireplace, and a dead body stuffed inside the chimney. The entire town of Lochduh is certain Pete is the culprit, but Hamish doesn’t believe that the affable chimney sweep is capable of committing murder. Then Pete’s body is found on the Scottish moors, and the mystery deepens. Once again, it’s up to Hamish to discover who’s responsible for the dirty deed—and this time, the murderer may be closer than he realizes.

Maud Demille is a daughter of Innkeepers—a special group who provide “lodging” to other-planetary visitors—so she knows that a simple life isn’t in the cards. But even Maud could never have anticipated what Fate would throw at her. Once a wife to a powerful vampire knight, Maud and her young daughter, Helen, were exiled with him for his treachery to the desolate, savage planet of Karhari. Karhari killed her husband, and Maud—completely abandoned by his family—has spent over a year avenging his debts. Rescued by her sister Dina, she’s sworn off all things vampire. Except... In helping Dina save the world, she met Arland, the Marshal of House Krahr, one of the most powerful vampire houses. One thing led to another and he asked for her hand in marriage. She declined. Arland is not used to hearing the word “no,” and try as she might, Maud can’t just walk away from Arland. It doesn’t help that being human is a lot harder for Maud than being a vampire. To sort it all out, she accepts his invitation to visit his home planet. House Krahr is extremely influential and Maud knows that a woman—a human, with a very questionable past—who’s turned down a proposal from its most beloved son won’t get a warm reception. Maybe she’s not sure about marrying Arland, but House Krahr isn’t going to decide for her. Maud Demille has never run from a fight, and House Krahr will soon discover that there’s a lot more to Maud than they’re expecting.

American Military History provides the United States Army-in particular, its young officers, NCOs, and cadets—with a comprehensive but brief account of its past. The Center of Military History first published this work in 1956 as a textbook for senior ROTC courses. Since then it has gone through a number of updates and revisions, but the primary intent has remained the same. Support for military history education has always been a principal mission of the Center, and this new edition of an invaluable history furthers that purpose. The history of an active organization tends to expand rapidly as the organization grows larger and more complex. The period since the Vietnam War, at which point the most recent edition ended, has been a significant one for the Army, a busy period of expanding roles and missions and of fundamental organizational changes. In particular, the explosion of missions and deployments since 11 September 2001 has necessitated the creation of additional, open-ended chapters in the story of the U.S. Army in action. This first volume covers the Army’s history from its birth in 1775 to the eve of World War I. By 1917, the United States was already a world power. The Army had sent large expeditionary forces beyond the American hemisphere, and at the beginning of the new century Secretary of War Ellihu Root had proposed changes and reforms that within a generation would shape the Army of the future. But world war-global war-was still to come. The second volume of this new edition will take up that story and extend it into the twenty-first century and the early years of the war on terrorism and includes an analysis of the wars in Afghanistan and Iraq up to January 2009.

Colorful, shaggy, and unkempt, misfits and outlaws, the 1993 Phillies played hard and partied hard. Led by Darren Daulton, John Kruk, Lenny Dykstra, and Mitch Williams, it was a team the fans loved and continue to love today. Focusing on six key members of the team, Macho Row follows the remarkable season with an up-close look at the players’ lives, the team’s triumphs and failures, and what made this group so unique and so successful. With a throwback mentality, the team adhered to baseball’s Code. Designed to preserve the moral fabric of the game, the Code’s unwritten rules formed the bedrock of this dihard team whose players paid homage and respect to the game at all times. Trusting one another and avoiding any notions of superstardom, they consistently rubbed the opposition the wrong way and didn’t care. William C. Kashatus pulls back the covers on this old-school band of brothers, depicting the highs and lows and their brash style while also digging into the suspected steroid use of players on the team. Macho Row is a story of winning and losing, success and failure, and the emotional highs and lows that accompany them.

Morgan desperately searches for strength as her parents get angry with her for neglecting her schoolwork to pursue her magical studies, and as her coven-mates are persecuted for their beliefs.

Hailed by The New York Times as “a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time,” this brief, individualism novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word “I” is a capital offense. The hero, a rebel who discovers that man’s greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, The Fountainhead and Atlas Shrugged. Publisher’s Weekly acclaimed it as “a diamond in the rough, often dwarfed by the superstar company it keeps with the author’s more popular work, but every bit as gripping, daring, and powerful.” Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

Book One

Macho Row

Death of a Chimney Sweep

One Fell Sweep

When Morgan receives a shocking revelation about her family, she ’s thrown into a moral tailspin, believing that her essential nature is evil. Is her dark heritage too powerful to overcome?

Beautiful, fortune-telling Solitaire is the prisoner (and tool) of Mr Big—master of fear, artist in crime and Voodoo Baron of Death. James Bond has no time for superstition—he knows that this criminal heavy hitter is also a top SMERSH operative and a real threat. More than that, after tracking him through the jazz joints of Harlem, to the everglades and on to the Caribbean, 007 has realized that Big is one of the most dangerous men that he has ever faced.
