"I was afraid of the dark until I became it." As the daughter of a magical family, power bled through my veins. The desire to control. Manipulate. It lived in my blood, handed down from generations of witches. They expected me to be the same. Subtly rule over humans, bending their will to ours. But I wanted to be free of my family's dark world. Their crimes and murders. I wanted to be more. Be different. Boaz, a powerful vampire, saved me from my parent's suffocating grip. He promised me the world. Seductive. Bewitching. I craved him. His power. His strength. But the devil's in the details. And even he was once an angel. Denying the Devil

The Devil Went to Law School

Reality and fantasy collide with shocking results in this riveting account of the notorious case of Mark Twitchell - and the police investigation into one of the most bizarre murders in recent memory. In October 2008, Johnny Altinger, a 38-year-old Edmonton man, was on his way to a tryst with a woman he had met on an online dating website when he emailed the directions to their rendezvous to a concerned friend. He was never seen again. Two weeks before Altinger's disappearance, independent filmmaker Mark Twitchell began shooting a low-budget horror film about a serial killer who impersonates a woman on an online dating website to lure his victims to their gruesome deaths. But these are just the starting points of the stranger-than-fiction case of Mark Twitchell, a man with a startling plan to turn his life-long love of fantasy and desire for fame into reality: - Did Twitchell, in a horrific example of life imitating art, act out the grisly premise of his own script? - Obsessed with Dexter, the popular TV show and book series about a fictional vigilante serial killer, Twitchell assumed Dexter Morgan's profile on Facebook. But how far did he intend to take his fascination with Dexter? - Is the shocking document "S.K. Confessions" a graphic work of fiction that, as Twitchell claims, he wrote to promote his film? Or is it a diary he kept of his transformation into a killer, and proof that the police stopped a prolific serial killer at the very beginning? Veteran journalist Steve Lillebuen provides a gripping investigative account of the nesting doll intricacies of the case, plunging us into the world of pop culture fanaticism and into the mind of a self-professed psychopath. Drawing on extensive interviews, Lillebuen illuminates what can happen when some of our culture's darkest obsessions are pushed to extremes.

Kent Anderson's stunning debut novel is a modern classic, a harrowing, authentic picture of one American soldier's experience of the Vietnam War--"unlike anything else in war literature" (Los Angeles Review of Books). Hanson joins the Green Berets fresh out of college. Carrying a volume of Yeats's poems in his uniform pocket, he has no idea of what he's about to face in Vietnam--from the enemy, from his fellow soldiers, or within himself. In vivid, nightmarish, and finely etched prose, Kent Anderson takes us through Hanson's two tours of duty and a bitter, ill-fated return to civilian life in-between, capturing the day-to-day process of war like no writer before or since.
