

The Devils Double Original Book

An explosive, headline-making portrait of Allen Dulles, the man who transformed the CIA into the most powerful—and secretive—colossus in Washington, from the founder of Salon.com and author of the New York Times bestseller *Brothers*. America's greatest untold story: the United States' rise to world dominance under the guile of Allen Welsh Dulles, the longest-serving director of the CIA. Drawing on revelatory new materials—including newly discovered U.S. government documents, U.S. and European intelligence sources, the personal correspondence and journals of Allen Dulles' s wife and mistress, and exclusive interviews with the children of prominent CIA officials—Talbot reveals the underside of one of America's most powerful and influential figures. Dulles' s decade as the director of the CIA—which he used to further his public and private agendas—were dark times in American politics. Calling himself “ the secretary of state of unfriendly countries, ” Dulles saw himself as above the elected law, manipulating and subverting American presidents in the pursuit of his personal interests and those of the wealthy elite he counted as his friends and clients—colluding with Nazi-controlled cartels, German war criminals, and Mafiosi in the process. Targeting foreign leaders for assassination and overthrowing nationalist governments not in line with his political aims, Dulles employed those same tactics to further his goals at home, Talbot charges, offering shocking new evidence in the assassination of President John F. Kennedy. An exposé of American power that is as disturbing as it is timely, *The Devil's Chessboard* is a provocative and gripping story of the rise of the national security state—and the battle for America's soul.

THE DEVIL'S DOUBLE Arcanum Media Group

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • Publishers Weekly
New Hyde Hospital's psychiatric ward has a new resident. It also has a very, very old one. Pepper is a rambunctious big man, minor-league troublemaker, working-class hero (in his own mind), and, suddenly, the surprised inmate of a budget-strapped mental institution in Queens, New York. He's not mentally ill, but that doesn't seem to matter. He is accused of a crime he can't quite square with his memory. In the darkness of his room on his first night, he's visited by a terrifying creature with the body of an old man and the head of a bison who nearly kills him before being hustled away by the hospital staff. It's no delusion: The other patients confirm that a hungry devil roams the hallways when the sun goes down. Pepper rallies three other inmates in a plot to fight back: Dorry, an octogenarian schizophrenic who's been on the ward for decades and knows all its secrets; Coffee, an African immigrant with severe OCD, who tries desperately to send alarms to the outside world; and Loochie, a bipolar teenage girl who acts as the group's enforcer. Battling the pill-pushing staff, one another, and their own minds, they try to kill the monster that's stalking them. But can the Devil die? *The Devil in Silver* brilliantly brings together the compelling themes that spark all of Victor LaValle's radiant fiction: faith, race, class, madness, and our relationship with the unseen and the uncanny. More than that, it's a thrillingly suspenseful work of literary horror about friendship, love, and the courage to slay our own demons. Praise for *The Devil in Silver* “ A fearless exploration of America's heart of darkness . . . a dizzying high-wire act. ” —The Washington Post “ LaValle never writes the same book and his recent is a stunner. . . . Fantastical, hellish and

hilarious. ” —Los Angeles Times “ It ’ s simply too bighearted, too gentle, too kind, too culturally observant and too idiosyncratic to squash into the small cupboard of any one genre, or even two. ” —The New York Times Book Review “ Embeds a sophisticated critique of contemporary America ’ s inhumane treatment of madness in a fast-paced story that is by turns horrifying, suspenseful, and comic. ” —The Boston Globe “ LaValle uses the thrills of horror to draw attention to timely matters. And he does so without sucking the joy out of the genre. . . . A striking and original American novelist. ” —The New Republic

When the Devil needs a rogue demon killed, who does he call? The Player: Necromance-for-hire Dante Valentine is choosy about her jobs. Hot tempered and with nerves of steel, she can raise the dead like nobody's business. But one rainy Monday morning, everything goes straight to hell. The Score: The Devil hires Dante to eliminate a rogue demon: Vardimal Santino. In return, he will let her live. It's an offer she can't refuse. The Catch: How do you kill something that can't die? The Devil's Double

Shake Hands With the Devil

The Old Devils

Hunt for the Devil's Dragon

The Devil's Hand

Beat the Devils

To apprehend a demonic murderer, Delaney Murphy must abandon her self-imposed isolation, accept help from new companions, and embrace the magical abilities that make her the Devil's daughter.

The scene on May 10, 1973, seemed like something out of a Hollywood blockbuster. In the town of Kenora, on the north shore of the Lake of the Woods near the Ontario-Manitoba border, a man was robbing a bank in the most bombastic way. Paul Higgins walked into the bank armed with a home-made bomb and Dead Man's Switch in his mouth to detonate it. If anyone were to shoot him and if he let go of the switch, he would blow himself up and take as many people with him as possible. The police were in a standoff. Was it worth the risk to shoot? Acclaimed journalist Joe Ralko has spent his entire life mulling over this case. It wasn't his career that put him on the trail of Paul Higgins-Joe was there! He was a curious high school student who watched the drama unfold from the street. He had a clear line of sight down the sidewalk as Higgins emerged from the bank fifty feet away. What happened next would go down in Canadian history. Ralko would become fascinated with every aspect of the case. It was only years later, after he had established himself as a writer and while recovering from his first battle with cancer, that he

decided to finally tell the story.

*From bestselling author and international sensation Paulo Coelho, a novel set in a small village about a young, poor barmaid whose wager with the devil leads to a spiritual transformation. A stranger arrives at the remote village of Viscos, carrying with him a backpack containing a notebook and eleven gold bars. He comes searching for the answer to a question that torments him: Are human beings, in essence, good or evil? In welcoming the mysterious foreigner, the whole village becomes an accomplice to his sophisticated plot, which will forever mark their lives. A novel of temptation, *The Devil and Miss Prym* is a thought-provoking parable of a community devoured by greed, cowardice, and fear—as it struggles with the choice between good and evil. Emigrating to America, Protestant Irishman Frankie McGuire plots a top secret arms deal that could blow England off the map, and it is up to veteran New York cop Tom O'Meara to prevent the mass murder conspiracy from succeeding*

*The Black Hole, This book is a sequel to *The Devil's Double*, which was made into a feature film of the same name*

The Devil's Revolver

The Devils Angel

The True Story of a Hypnotist Who Treated the Psychotic Son of Saddam Hussein

Conversation with the Devil A Book for T

The Secret to Freedom and Success

In 1987, Latif Yahia was taken to Saddam's headquarters to meet Uday, Saddam's eldest son, and told that a great honour has been bestowed upon him: that because of the great likeness between them, he had been chosen to be Uday's double. For many Iraqis, it would have been the highlight of their lives, but for Latif, a peace-loving man who did not agree with Saddam's brutal regime, it was not. He refused. Following a week of torture and realising he would be killed if he continued to refuse, Latif was forced to accept the role. After a gruesome training programme during which he was made to watch over thirty films of torture, hours of tapes of Uday, and undertake a final remodelling of his appearance, Latif was deemed ready. But it was only after the final test, a meeting with Saddam himself, that Latif made his first public appearance. And so began his life as Uday's double – a life on the perimeter of the inner circle of Saddam's eldest son, a witness to the horror of his insane life of debauchery, excess and brutality, and an experience for which he almost paid with his life on more than one occasion. *THE DEVIL'S DOUBLE*: is the first of 3 autobiographical books chronicling Latif Yahia's incredible life story. It vividly describes how Latif was forced to become Uday Hussein's 'fidai' (body double) and gives a unique insight into the extreme extravagance and cruelty of the Saddam regime. Latif survived assassination attempts and witnessed Uday's psychotic temper, rapes, orgy parties, torture atrocities, and sadistic murders. The book has

recently been made into a highly acclaimed movie. **THE BLACK HOLE:** gives a fascinating account of what happened to Latif in Europe after he escaped from Iraq. How he was treated by western governments and the CIA. How Uday sought revenge on Latif and vice-versa. How he was offered a British passport by Saudis to murder a dissident and how they beheaded Latif's Saudi princess lover. How Latif made and lost a fortune. How he strived in vain for a peaceful life and survived 4 more assassination attempts. **Forty Shades of Conspiracy:** brings Latif's story right up to date by detailing his time in Ireland. His run-ins with drug-dealers, Corrupt Irish Garda officers and Irish politicians who continually denied him Irish citizenship. His despair as a beggar on the streets and the happiness he found after he met the love of his life. His reaction to Uday and Saddam's deaths and his opinion on the current political situation in Iraq all makes fascinating reading. **Book Description:** In 1987, Latif Yahia was taken to Saddam's headquarters to meet Uday, Saddam's eldest son, and told that a great honour had been bestowed upon him: that because of the great likeness between them, he had been chosen to be Uday's double. For many Iraqis it would have been the highlight of their lives, but for Latif, a peace-loving man who did not agree with Saddam's brutal regime, it was not. He refused. Following a week of torture, and realising he would be killed if he continued to refuse, Latif was forced to accept the role. After a gruesome training programme during which he was made to watch over thirty films of torture, hours of tapes of Uday, and undertake a final remodelling of his appearance, Latif was deemed ready. But it was only after the final test, a meeting with Saddam himself, that Latif made his first public appearance. And so began his life as Uday's double - a life on the perimeter of the inner circle of Saddam's eldest son, a witness to the horror of his insane life of debauchery, excess and brutality, and an experience for which he almost paid with his life on more than one occasion. **A note from the Author :** This book was written in 1992, originally it was 1,000 pages long with even more facts and details than contained in the pages herein, because of it's size the original publisher trimmed it down to the 300 or so pages that it is today. After the fall of Saddam Hussein and his regime in 2003 the facts in this book were confirmed. Many of Uday Hussein's employees found new masters over the years since my flight from Iraq, some work for the US intelligence services, some for the UK, but no matter how they may try to discredit me and my story the facts remain and as you now know I had already put them on paper in 1992, eleven years before the regime fell. I did not have a crystal ball to know all these things, I knew them because I was there, that was my life. Uday's employees have admitted in the Western media to being Pimps for him, they also admit to working as spies against him for the US and the UK intelligence services in return for citizenship of the respective country, what I ask is this, If a man is willing to sell women to a man that he knows to be a sadist, if he is willing to sell his country and himself, is it not then conceivable that he will sell his soul and say anything for money? I have paid a high price for my refusal to co-operate with

the intelligence services, the CIA in particular, after twenty years in the West I am still stateless, I cannot return to Iraq because the new Government consider me a colaborator of the Hussein regime, although while they were in opposition to Saddam they found my book to be a useful tool against him and his regime. Saddam while in power considered me a traitor. I do not regret my decision to leave Iraq or write my story, but I have not found the Western governments to be as open and democratic as they were portrayed to us in the Middle-East. In my search for a new counry to call home, I have found that those whose story is a fabrication are given the protection of the state as they are no threat, money is their only goal in life so they will not rock the boat', while I, who have an opinion and voice it openly (that is probably my biggest problem) am ignored, refused and while not told to leave am not made especially welcome either, I am tolerated. I do not nor did I ever seek fame, I have not made money from my story and if I do it will go to charity. It amuses me how the tables turn, when Saddam was in power my book was held up in the US Congress and given as a reason for Saddam's removal, now that Saddam is gone those that once used my story for their benefit have tried to denounce me, I have been interviewed by the world's biggest and best names over 1,800 TV, Print and Radio, journalist's who do their research and know who to ask for opinion, the old guard who took pride in their work and valued their reputation. While there are still some true journalists out there many work to order if their editor wants a specific story they make it, true or not, there is no oversight. Although it was never my intention, this book has been used as propaganda for the War on Iraq, my intention when I wrote it was to open the eyes of the world to the horrors and atrocities committed by the regime and to spur the Iraqi people into action. It will always disturb me that the Iraqi people never had a chance to participate in The Arab Spring and depose Saddam and his regime themselves, It may be a very different place today if they had had the chance to do so. Best regards to all, Latif Yahia . Dante Valentine, Necromancer and bounty hunter, just wants to be left alone. But the Devil has other ideas. The Prince wants Dante. And he wants her now. And Dante and her lover, Japhrimel, have no choice but to answer the Prince's summons. And to fulfill a seemingly simple task: become the Devil's Right Hand, hunt down four demons that have escaped from Hell, and earn His gratitude. It's a shame that nothing is ever easy when it comes to the Devil. Because of course, he doesn't tell Dante the whole truth: there is a rebellion brewing in Hell. And there is a good chance that Lucifer is about to be pushed off the throne. But Dante is getting really tired of being pushed around. And this time, she might be angry enough to take on the Devil himself... Arquitaine Novels The Hedgewitch Queen The Bandit King Blood Call
(coming August 2015)

It tells the inside story of all the torture and executions that took place in Abu Ghraib under both the Saddam and American regimes as seen through the eyes of one man - the man who personally assassinated, tortured, hanged and shot more victims than any other man who has ever lived. It will surprise and shock readers and governments alike. Brace yourself - the giant of a man with his scarred face and the hangman's noose in his hands will soon be ready and waiting for you. Short Description of The Hangman of Abu Ghraib Abed Ali was born a poor peasant boy who worked on a farm in Iraq. He grew up to become the most deadly assassin and prolific executioner the world has ever known. This book gives a psychological insight into the mind of a man ordered to kill or be killed himself. The ruthlessness of the Ba'ath Party regime under a dictator. The inhumanity of the American invaders under the promise of 'freedom and democracy'. It is the true story of one man's life. And the deaths of thousands of others. One man. Two regimes. The same order from both... KILL FOR US OR BE KILLED BY US.. Perfect for any reader who enjoys literary realism or speculative fiction, The Devil and the Dairy Princess reveals the episodic history of humanity's romance with narrative, from first love to break-up to hopeful reconciliation.

The Devil's Double Original Book

THE DEVIL'S DOUBLE

A Thriller

The Mastermind

I was Saddam's Son

The Devil and Miss Prym

It is difficult to explain this book, just as it was to explain, "A Conversation with Jesus---a book for the unbeliever." Suddenly it seemed a good idea to write a companion book to my recent book, "Conversation with Jesus" and I thought a book titled, "Conversation with the Devil" would make the set almost irresistible. After all, our Lord had a chance to get his message out through the unnamed Historian and it seemed fair to give Satan the chance to show himself too. The Devil was the one who said adamantly, "I would rather rule in hell than serve in heaven," and caused the cataclysmic battle with Michael the Archangel in which the Devil and his forces (one third of fallen angels from the whole of the heavenly phalanx) were defeated and taken to the edge of heaven and thrown over the edge. And here the Historian, now named Christian, was called by a voice on the wind (a voice he thinks is Jesus') to come to the most desolate place in the world, the fortress of Masada by the Dead Sea in the Judean Desert. This book is for the believer to show how wary they must be from the enticements

of Satan, a powerful entity who has tried to hide the reality of his presence in stealing men's souls down the ages. Well, here he is real and talking.

The Devil's Storybook is a 1974 New York Times Book Review Notable Children's Book of the Year and a 1975 National Book Award Finalist for Children's Books. An ALA Notable Book Chosen by School Library Journal as one of the Best of the Best Books

"This is an allegorical love story set in the mid-600s to the early 700s between a mighty king (Saddam) and a simple, yet beautiful commoner named Zabiba (the Iraqi people). Zabiba is married to a cruel and unloving husband (the United States) who forces himself upon her."--P. [4] of cover.

On the tenth anniversary of the date that UN peacekeepers landed in Rwanda, Random House Canada is proud to publish the unforgettable first-hand account of the genocide by the man who led the UN mission. Digging deep into shattering memories, General Dallaire has written a powerful story of betrayal, naïveté, racism and international politics. His message is simple and undeniable: "Never again." When Lt-Gen. Roméo Dallaire received the call to serve as force commander of the UN intervention in Rwanda in 1993, he thought he was heading off on a modest and straightforward peacekeeping mission. Thirteen months later he flew home from Africa, broken, disillusioned and suicidal, having witnessed the slaughter of 800,000 Rwandans in only a hundred days. In *Shake Hands with the Devil*, he takes the reader with him on a return voyage into the hell of Rwanda, vividly recreating the events the international community turned its back on. This book is an unsparing eyewitness account of the failure by humanity to stop the genocide, despite timely warnings. Woven through the story of this disastrous mission is Dallaire's own journey from confident Cold Warrior, to devastated UN commander, to retired general engaged in a painful struggle to find a measure of peace, reconciliation and hope. This book is General Dallaire's personal account of his conversion from a man certain of his worth and secure in his assumptions to a man conscious of his own weaknesses and failures and critical of the institutions he'd relied on. It might not sit easily with standard ideas of military leadership, but understanding what happened to General Dallaire and his mission to Rwanda

is crucial to understanding the moral minefields our peacekeepers are forced to negotiate when we ask them to step into the world's dirty wars. Excerpt from Shake Hands with the Devil My story is not a strictly military account nor a clinical, academic study of the breakdown of Rwanda. It is not a simplistic indictment of the many failures of the UN as a force for peace in the world. It is not a story of heroes and villains, although such a work could easily be written. This book is a cri de coeur for the slaughtered thousands, a tribute to the souls hacked apart by machetes because of their supposed difference from those who sought to hang on to power. . . . This book is the account of a few humans who were entrusted with the role of helping others taste the fruits of peace. Instead, we watched as the devil took control of paradise on earth and fed on the blood of the people we were supposed to protect.

Devil's Knot

The Devil's Own

The Black Hole This book is a sequel to *The Devil's Double*. **Patrick and Beth travel to northern Africa where Beth tries to prevent a girl her own age avoid becoming a sacrifice to a vicious dragon killing the local town's livestock and Patrick joins a Roman knight on a quest to kill the dragon. INSTANT NEW YORK TIMES BESTSELLER "It's never quite the book you think it is. It's better." –Dwight Garner, The New York Times From John Darnielle, the New York Times bestselling author and the singer-songwriter of the Mountain Goats, comes an epic, gripping novel about murder, truth, and the dangers of storytelling. Gage Chandler is descended from kings. That's what his mother always told him. Years later, he is a true crime writer, with one grisly success—and a movie adaptation—to his name, along with a series of subsequent less notable efforts. But now he is being offered the chance for the big break: to move into the house where a pair of briefly notorious murders occurred, apparently the work of disaffected teens during the Satanic Panic of the 1980s. Chandler finds himself in Milpitas, California, a small town whose name rings a bell—his closest childhood friend lived there, once upon a time. He begins his research with diligence and enthusiasm,**

but soon the story leads him into a puzzle he never expected—back into his own work and what it means, back to the very core of what he does and who he is. Devil House is John Darnielle's most ambitious work yet, a book that blurs the line between fact and fiction, that combines daring formal experimentation with a spellbinding tale of crime, writing, memory, and artistic obsession.

Morgan Kingsley, a kick-ass exorcist, can deal with Lugh, the supersexy demon living inside her, but does he have to moan softly during her intimate moments with her mortal lover? Understandably, Brian is reluctant to share the pleasures of Morgan's flesh with a gorgeous rogue from the Demon Realm. But personal matters will have to wait when the opportunistic owner of the Seven Deadlies demon club in Philadelphia enlists Morgan's help in heading off a crisis: It seems that demons have started showing up at the hot spot in alarming numbers and in the unwilling bodies of rough trade club-goers. Morgan is sure that Dougal, Lugh's sworn enemy, is behind this, but why? To find out, Morgan must summon every ounce of power at her command—or risk becoming just another casualty in an all-out demon war. Originally written in 1938 but never published due to its controversial nature, an insightful guide reveals the seven principles of good that will allow anyone to triumph over the obstacles that must be faced in reaching personal goals.

The Devil's Gap

A History of Playing Cards

All The Devils Are Here

The Devil Book

Everyone remembers where they were during the September 11 attacks in New York. Larry Garrett, a Chicago hypnotist, will never forget, since he was in Saddam Hussein's palace in Baghdad with Uday Hussein, Saddam's eldest son. After an assassination attempt on Uday's life, Larry Garrett was brought in to help with the recovery from the mental and physical pain. Larry writes about his account of dealing with the man often referred to as a psychopath, the CIA, a palace full of guards with machine guns, and visiting Babylon. The conversations about American culture and Uday Hussein's very surprising views, to getting the behind the

scenes account at the palace as a World War begins. Larry's account of being the only American allowed into Iraq and hypnotizing the son of the most feared family in the World, will keep you in suspense. Larry Garrett has been in practice since 1968, operating the largest hypnosis centre in Chicago. He has received nationwide recognition for his outstanding contributions in hypnosis, including the 1991 Metzinger Award (which has only been presented six times) for contributions to the field of hypnosis.

Age has done everything except mellow the characters in Kingsley Amis's *The Old Devils*, which turns its humane and ironic gaze on a group of Welsh married couples who have been spending their golden years—when “all of a sudden the evening starts starting after breakfast”—nattering, complaining, reminiscing, and, above all, drinking. This more or less orderly social world is thrown off-kilter, however, when two old friends unexpectedly return from England: Alun Weaver, now a celebrated man of Welsh letters, and his entrancing wife, Rhiannon. Long-dormant rivalries and romances are rudely awakened, as life at the Bible and Crown, the local pub, is changed irrevocably. Considered by Martin Amis to be Kingsley Amis's greatest achievement—a book that “stands comparison with any English novel of the [twentieth] century”—*The Old Devils* confronts the attrition of ageing with rare candor, sympathy, and moral intelligence.

She is Hettie Alabama – unlikely, scarred, single-minded, and blood bound to a revolver forged by a demon. The first book in an epic, magic-clad series featuring the Wild West reimagined as a crosscultural stereoscope of interdimensional magic and hardship, *The Devil's Revolver* opens with a shooting competition and takes off across the landscape after a brutal double murder and kidnapping – to which revenge is the only answer. Hettie Alabama, only seventeen years old, leads her crew of underdogs with her father's cursed revolver, magicked to take a year off her life each time she fires it. It's no way for a ranch girl to grow up, but grow up she does, her scars and determination to rescue her vulnerable younger sister deepening with every year of life she loses. A sweeping and high-stakes saga that gilds familiar Western adventure with powerful magic and panoramic fantasy, *The Devil's Revolver* is the last word and the blackest hat in the Weird West.

THE INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER "Take my word for it, James Reece is one rowdy motherf***er. Get ready!" –Chris Pratt, star of *The Terminal List*, coming to Amazon Prime "They're great, man. They lock you in. They're gripping." –Joe Rogan, on the *Terminal List* series The fourth thriller in the "so powerful, so pulse-pounding, so well-written" (Brad Thor, #1 New York Times bestselling author) *Terminal List* series follows former Navy SEAL James Reece as he is entrusted with a top-secret CIA mission of retribution twenty years in the making. It's been twenty years since 9/11, two decades since the United States was attacked on home soil and set out to make the guilty pay with their lives. In the shadows, the enemy has been patient—learning, and adapting. And the enemy is ready to strike again. A new president offers hope to a country weary of conflict. He's a young, popular, self-made visionary...but he's also a man with a secret. Halfway across the globe a regional superpower struggles with sanctions imposed by the United States and her European allies, a country whose ancient religion spawned a group of ruthless assassins. Faced with internal dissent and extrajudicial targeted killings by the United States and Israel, the Supreme Leader puts a plan in motion to defeat the most powerful nation on earth. Meanwhile, a young PhD student has gained access to a bioweapon thought to be confined to a classified military laboratory known only to a select number of officials. A second-generation agent, he has been assigned a mission that will bring his adopted homeland to its knees. With Jack Carr's signature "absolutely intense" (Chuck Norris) writing and "gripping authenticity" (The Real Book Spy), *The Devil's Hand* is a riveting and timely thriller that will leave you gasping for breath.

Hypnotizing the Devil

The Devil's Right Hand

The Hangman of Abu Ghraib

Working for the Devil

Outwitting the Devil

A Novel

Twenty years ago, in a series of mysterious, incandescent writings, David Seabrook told of the places he knew best: the declining resort towns of the Kent coast. The pieces were no advert for the local tourist board. Here, the ghosts of murderers and mad artists crawl the streets. Septuagenarian rent boys recall the good old days and Carry On stars go to seed. Clandestine fascist networks emerge. And all the time, there is Seabrook himself -

desperate perhaps, and in danger. Dark, strange and immediate, this is a classic work of sui generis British literature. There are devils here, and the reader will remember them. Based on a true story, this edition of Devil's Knot will tie-in to a major motion picture starring Academy Award winners Reese Witherspoon and Colin Firth. This riveting portrait of a small Arkansas town recounts the all-too-true story of a brutal triple murder and the eighteen-year imprisonment of three innocent teenagers. For weeks in 1993, after the grisly murders of three eight-year-old boys, police in West Memphis, Arkansas, seemed stumped. Then suddenly, detectives charged three teenagers - alleged members of a satanic cult - with the killings. Despite the witch-hunt atmosphere of the trials and a case that included stunning investigative blunders, the teenagers, who became known as the West Memphis Three, were convicted. Jurors sentenced Jason Baldwin and Jessie Misskelley to life in prison and Damien Echols, the accused ringleader, to death. The guilty verdicts were popular in their home state - even upheld on appeal - and all three remained in prison until their unprecedented release in August 2011. In Devil's Knot, award-winning investigative journalist Mara Leveritt presents the most comprehensive, insightful reporting ever done on this story - one of the greatest miscarriages of justice in American legal history. In-depth research, meticulous reconstruction of the investigation and close-up views of its key participants unravel the many tangled knots of this endlessly shocking case.

Welcome to the saints and sinners of The Devils Ruin MC..... Is this Devil deserving of an Angel? Tank I am the President of the Devils Ruin Motorcycle Club, Nevada. Following a week of torture, and realising he would be killed if he continued to refuse, Latif was forced to accept the role. After a gruesome training programme during which he was made to watch over thirty films of torture, hours of tapes of Uday, and undertake a final remodelling of his appearance, Latif was deemed ready. But it was only after the final test, a meeting with Saddam himself, that Latif made his first public appearance. And so began his life as Uday's double - a life on the perimeter of the inner circle of Saddam's eldest son, a witness to the horror of his insane life of debauchery, excess and brutality, and an experience for which he almost paid with his life on more than one occasion. THE DEVIL'S DOUBLE: is the first of 3 autobiographical books chronicling Latif Yahia's incredible life-story. It vividly describes how Latif was forced to become Uday Hussein's 'fidai' (body-double) and gives a unique insight into the extreme extravagance and cruelty of the Saddam regime. Latif survived assassination attempts and witnessed Uday's psychotic temper, rapes, orgy parties, torture atrocities, and sadistic murders. The book has recently been made into a highly-acclaimed movie. THE BLACK HOLE: gives a fascinating account of what happened to Latif in Europe after he escaped from Iraq. How he was treated by western governments and the CIA. How Uday sought revenge on Latif and vice-versa. How he was offered a British passport by Saudis to murder a dissident and how they beheaded Latif's Saudi princess lover. How Latif made and lost a fortune. How he strived in vain for a peaceful life and survived 4 more assassination attempts. Forty Shades of Conspiracy: brings Latif's story right up to date by detailing his time in Ireland. His run-ins with drug-dealers, Corrupt Irish Garda officers and Irish politicians who continually denied him Irish citizenship. His despair as a beggar on the streets and the happiness he found after he met the love of his life. His reaction to Uday and Saddam's deaths and his opinion on the current political situation in Iraq all makes fascinating reading. In 1987, Latif Yahia was taken to Saddam's headquarters to meet Uday, Saddam's eldest son, and told that a great honour had been bestowed upon him: that because of the great likeness between them, he had been chosen to be Uday's double. For many Iraqis it would have been the highlight of their lives, but for Latif, a peace-loving man who did not agree with Saddam's brutal regime, it was not. He refused. Following a week of torture, and realising he would be killed if he continued to refuse, Latif was forced to accept the role. After a gruesome training programme during which he was made to watch over thirty films of torture, hours of tapes of Uday, and undertake a final remodelling of his appearance, Latif was deemed ready. The Devil's Bed

The Devils Ruin MC Book 1

The Untold Story of Canada's First Suicide Bomber

The Devil's Picture-books

The Devil's Chessboard

The spinning and knitting the devil agrees to do for her win Duffy the Squire's name and a carefree life until it comes time for her to guess the devil's name.

In a bizarre tale of deception, a man who posed for years as Saddam Hussein's eldest son shares the grisly story of life in Iraq's inner sanctum, giving readers a glimpse into this closed society and its horrors.

The incredible true story of the decade-long quest to bring down Paul Le Roux--the creator of a frighteningly powerful Internet-enabled cartel who merged the ruthlessness of a drug lord with the technological savvy of a Silicon Valley entrepreneur "Evan Ratliff has pried open a hidden world of high-tech gangsters and drug kingpins and double-crossers and stone-cold hitmen."--David Grann, author of *Killers of the Flower Moon* It all started as an online prescription drug network, supplying hundreds of millions of dollars' worth of painkillers to American customers. It would not stop there. Before long, the business had turned into a sprawling multinational conglomerate engaged in almost every conceivable aspect of criminal mayhem. Yachts carrying \$100 million in cocaine. Safe houses in Hong Kong filled with gold bars. Shipments of methamphetamine from North Korea. Weapons deals with Iran. Mercenary armies in Somalia. Teams of hit men in the Philippines. Encryption programs so advanced that the government could not break

them. The man behind it all, pulling the strings from a laptop in Manila, was Paul Calder Le Roux--a reclusive programmer turned criminal genius who could only exist in the networked world of the twenty-first century, and the kind of self-made crime boss that American law enforcement had never imagined. For half a decade, DEA agents played a global game of cat-and-mouse with Le Roux as he left terror and chaos in his wake. Each time they came close, he would slip away. It would take relentless investigative work, and a shocking betrayal from within his organization, to catch him. And when he was finally caught, the story turned again, as Le Roux struck a deal to bring down his own organization and the people he had once employed. Award-winning investigative journalist Evan Ratliff spent four years piecing together this intricate puzzle, chasing Le Roux's empire and his shadowy henchmen around the world, conducting hundreds of interviews and uncovering thousands of documents. The result is a riveting, unprecedented account of a crime boss built by and for the digital age. Advance praise for *The Mastermind* "A true crime classic"--Publishers Weekly (starred review) "If truth is stranger than fiction, then *The Mastermind* is the truest book you'll read this year. The only thing predictable about it is how quickly you'll turn the pages."--Noah Hawley, author of *Before the Fall* and creator of the TV series *Fargo*

Having promised his soul to the Devil in exchange for good fortune, Jabez Stone asks the talented lawyer Daniel Webster to get him out of the bargain.

Zabiba and the King

Devil House

An inventive, page-turning crime thriller with "palpable emotional depth" (New York Times Book Review) in which the Red Scare never ended. USA, 1958. President Joseph McCarthy sits in the White House, elected on a wave of populist xenophobia and barely-concealed anti-Semitism. The country is in the firm grip of McCarthy's Hueys, a secret police force evolved from the House Un-American Activities Committee. Hollywood's sparkling vision of the American dream has been suppressed; its remaining talents forced to turn out endless anti-communist propaganda. LAPD detective Morris Baker—a Holocaust survivor who drowns his fractured memories of the unspeakable in schnapps and work—is called to the scene of a horrific double-homicide. The victims are John Huston, a once-promising but now forgotten film director, and an up-and-coming young journalist named Walter Cronkite. Clutched in the hand of one of the dead men is a cryptic note containing the phrase "beat the devils" followed by a single name: Baker. Did the two men die in an attack fueled by

better-dead-than-red sentiment, as the Hueys are quick to conclude, or were they murdered in a cover-up designed to protect—or even set in motion—a secret plot connected to Baker's past? In a country where terror grows stronger by the day, and paranoia rises unchecked, Baker is determined to find justice for two men who raised their voices in a time when free speech comes at the ultimate cost. In the course of his investigation, Baker stumbles into a conspiracy that reaches deep into the halls of power and uncovers a secret that could destroy the City of Angels—and the American ideal itself.

A woman's desire... With dreams of a great romantic love, Abigail Carrington sails to England to marry the man she has loved since childhood, Michael Ingram, Marquis of Darfield. She believes her betrothed is a generous and noble man who has been longing for her. But the handsome man waiting for her at the altar is a dark, brooding stranger who rushes her into marriage, then abandons her at his country estate. Only the passion of Michael's kiss gives her hope that theirs can be more than a marriage of convenience. A man's need... With scandal shadowing his past, Michael, the Devil of Darfield, had no need for a wife. Remembering only the little hellion who made life miserable for him aboard her father's ship, he resents the agreement he made to marry her so he could save his ancestral home. Though determined to ignore her, he cannot stop thinking about his lovely violet-eyed bride. Her beauty tempts him. Her charm bedevils him. He tries to drive her away until he almost loses her. Then he vows to regain her love—before it is too late....

THE DEVIL'S DOUBLE: is the first of 3 autobiographical books chronicling Latif Yahia's incredible life story. It vividly describes how Latif was forced to become Uday Hussein's 'fidai' (body double) and gives a unique insight into the extreme extravagance and cruelty of the Saddam regime. Latif survived assassination attempts and witnessed Uday's psychotic temper, rapes, orgy parties, torture atrocities, and sadistic murders. The book has recently been made into a highly acclaimed movie.

THE BLACK HOLE: gives a fascinating account of what happened to Latif in Europe after he escaped from Iraq. How he was treated by western governments and the CIA. How Uday sought revenge on Latif and vice-versa. How he was offered a British passport by Saudis to murder a dissident and how they beheaded Latif's Saudi princess lover. How Latif made and lost a fortune. How he strived in vain for a peaceful life and survived 4 more assassination attempts.

Forty Shades of Conspiracy: brings Latif's story right up to date by detailing his time in Ireland. His run-ins with drug-dealers, Corrupt Irish Garda officers and

Irish politicians who continually denied him Irish citizenship. His despair as a beggar on the streets and the happiness he found after he met the love of his life. His reaction to Uday and Saddam's deaths and his opinion on the current political situation in Iraq all makes fascinating reading. Book

Description: In 1987, Latif Yahia was taken to Saddam's headquarters to meet Uday, Saddam's eldest son, and told that a great honour had been bestowed upon him: that because of the great likeness between them, he had been chosen to be Uday's double. For many Iraqis it would have been the highlight of their lives, but for Latif, a peace-loving man who did not agree with Saddam's brutal regime, it was not. He refused. Following a week of torture, and realising he would be killed if he continued to refuse, Latif was forced to accept the role. After a gruesome training programme during which he was made to watch over thirty films of torture, hours of tapes of Uday, and undertake a final remodelling of his appearance, Latif was deemed ready. But it was only after the final test, a meeting with Saddam himself, that Latif made his first public appearance. And so began his life as Uday's double - a life on the perimeter of the inner circle of Saddam's eldest son, a witness to the horror of his insane life of debauchery, excess and brutality, and an experience for which he almost paid with his life on more than one occasion.

From the creator of the critically acclaimed, award-winning Cork O'Connor mystery series comes a haunting, atmospheric, conspiracy thriller. When President Clay Dixon's father-in-law—a former vice president—is injured in a farming accident, First Lady Kate Dixon returns to Minnesota to be at his side. Assigned to protect her, Secret Service agent Bo Thorsen soon falls under Kate's spell. He also suspects the accident is part of a trap set for Kate by David Moses, an escaped mental patient who once loved her. What Bo and Moses don't realize is that they're caught in a web of deadly intrigue spun by a seemingly insignificant bureaucratic department within the federal government. Racing to find answers before an assassin's bullet can kill Kate, Bo soon learns that when you lie down with the devil, there's hell to pay.

The Devil and Daniel Webster

- Story of Spofford, UIOWA, and Todd

Stories

The book is an autobiographical tale of being a victim of lies. The story details how it was tempted to handle the lies and why the book was finally written. The author wants to make the world a better place. (This is a Black-and-White print version)

Book Description: The Black Hole has been banned in Ireland and USA Book Shops..

is the next chapter in the extraordinary and chilling life story of author Latif Yahia. Having escaped the brutal Iraqi regime through Northern Iraq with the help of the CIA in 1992, Latif touched down in Austria. Having family in the pristine and picturesque city of Vienna, Latif is somewhat reassured that his life will be calmer now without Uday Saddam Hussein and his hedonistically violent lifestyle. Alongside Latif is Nusa, a hired girl, a plaything and ego boost for her Baghdadi clientele, although she has never been mentioned in Latif's past works the reasons for her concealment become apparent as the story unfolds. Unfortunately life was never to become the idyll that Latif desired, his knowledge or perceived knowledge of the inner Iraqi regime was to become his saviour and his tormentor. This, left him chained and unable to move forward, as much as he wished to forget, his handlers wanted to know more. Latif became almost a prized item in the world of International Intelligence with nearly all of the world's Intelligence agencies vying for his allegiance, his pleas for neutrality and normality unheard. Ultimately Latif was to pay the price for his uncooperative stance; ten and a half months were spent in a covert Austrian/CIA prison cell in solitary confinement, until by chance his freedom was assured by a visiting judge. One would think that after such events Latif's life may take a quieter turn, this was not to be the case, the game of cat and mouse that played out across the breadth of Europe was interspersed by the tragic death of Latif's beloved father, several assassination attempts and the murder of his first real love a Saudi Arabian Princess Latif Yahia's previous books have sold over one million copies worldwide in twenty languages.
