

The Doctrine Of God John M Frame

The doctrine of God is the foundation of Christian theology and the prerequisite of all true faith. This translation provides, in the words of Hendriksen, 'a spiritual treat' for the serious reader.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Though in all things God's Word is the final authority, our Christian tradition, as inherited from centuries of careful reflection and endeavoring to be true to the teaching of Scripture, can greatly enlighten us. Nowhere is this blend of respectful listening to the wisdom of the past and faithfulness to the Bible more necessary than in our contemporary reformulations of the doctrine of God's person. Bruce Ware believes that while tradition's emphasis on God's metaphysical perfection and His supremacy over the world is correct, we must refine our understanding of the way in which He relates to us. While retaining the deepest concerns of the historic tradition, Ware offers a more rational view of God's dealings with His children—a view that is reflected in Scripture's own testimony of Him. Ware then applies this concept of real divine exaltation and real divine-human relationship to the areas of our prayer life, confidence in God and His guidance of us.

Speaking the Truth in Love: The Theology of John M. Frame is a Festschrift honoring Prof. Frame's career in seminary teaching - but this book does not merely collect essays on the subjects of Frame's interests, it analyses Frame's own work in the fields of theology, apologetics, ethics, worship, the church, and others. The authors include Wayne Grudem, Richard Pratt, Paul Helm, Vern Poythress, Bruce Waltke, William Davis, William Edgar, Peter Jones, Reggie Kidd, and others who are familiar with Frame's work. Many are Frame's former students and colleagues. This is the first large scale analysis of Frame's distinctive approach.

Introduction to Christian Doctrine

Desiring God

Biblical Doctrine

Internationally acclaimed scholars offer a progress report on current evangelical thinking about God's being and attributes in light of current controversies.

God has provided a way for all people, not just scholars, to know that the Bible is the Word of God.

John Piper has devoted his life to showing us that the glory of God is object of the soul's happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind's certainty. God's peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God.

When Holy Scripture is read aloud in the liturgy, the church confesses with joy and thanksgiving that it has heard the word of the Lord. What does it mean to make that confession? And why does it occasion praise? The doctrine of Scripture is a theological investigation into those and related questions, and this book is an exploration of that doctrine. It argues backward from the church's liturgical practice, presupposing the truth of the Christian confession: namely, that the canon does in fact mediate the living word of the risen Christ to and for his people. What must be true of the sacred texts of Old and New Testament alike for such confession, and the practices of worship in which they are embedded, to be warranted? By way of an answer, the book examines six aspects of the doctrine of Scripture: its source, nature, attributes, ends, interpretation, and authority. The result is a catholic and ecumenical presentation of the historic understanding of the Bible common to the people of God across the centuries, an understanding rooted in the church's sacred tradition, in service to the gospel, and redounding to the glory of the triune God.

Nothing is more important than what a person believes about Jesus Christ. To understand Christ correctly is to understand the very heart of God, Scripture, and the gospel. To get to the core of this belief, this latest volume in the Foundations of Evangelical Theology series lays out a systematic summary of Christology from philosophical, biblical, and historical perspectives—concluding that Jesus Christ is God the Son incarnate, both fully divine and fully human. Readers will learn to better know, love, trust, and obey Christ—unashamed to proclaim him as the only Lord and Savior. Part of the Foundations of Evangelical Theology series.

How the Christian Scriptures Reveal Their Complete Truthfulness

The ESV Study Bible was created to help people understand the Bible in a deeper way. Combining the best and most recent evangelical Christian scholarship with the highly regarded ESV text, it is the most comprehensive study Bible ever published. The ESV Study Bible features more than 2,750 pages of extensive, accessible Bible

resources, including completely new notes, full-color maps, illustrations, charts, timelines, and articles created by an outstanding team of 93 evangelical Christian scholars and teachers. In addition to the 757,000 words of the ESV Bible itself, the notes and resources of the ESV Study Bible comprise an additional 1.1 million words of insightful explanation and teaching-equivalent to a 20-volume Bible resource library all contained in one volume. (Please note this edition does not come with free access to the Online ESV Study Bible resources.)

1. Belief in God- I believe in God the Father Almighty; Arguments for the Existence of God; Revelation and Inspiration: Maker of Heaven and Earth 2. The Jesus of History- Historical Religion; Jesus Christ, His Only Son, Our Lord: the Incarnation; Conceived by the Holy Ghost, Born of the Virgin Mary 3. The Word of the Cross- The Suffering Christ; the Mystery of Evil; Suffered under Pontius Pilate; Theologies of the Atonement; Dead and Buried, He Descended into Hell 4. The Power and the Wisdom- He Rose Again; the Doctrine of the Resurrection; the Resurrection as Fact and as Symbol; the Evidence for the Resurrection; He Ascended into Heaven 5. The Spirit of the Lord- The Holy Ghost; the Holy Spirit in the Old Testament: the Pentecost Experience; Aspects of the Doctrine of the Holy Spirit: the Work of the Holy Spirit: Summary: the Christian Doctrine of God, the Holy Trinity 6. The People of God- The Church: a Divine Plan: the Church of the Old Covenant; the Church of the New Israel; the Doctrine of the Ministry 7. The Means of Grace- Grace and the Means of Grace; Worship; the Sacramental Principle; Holy Baptism; the Holy Communion, or Eucharist 8. The Written Word- The Witness to the Christ-Centered Faith; the Inspiration of the Bible; the Canon of Scripture; the Old Testament Scripture; the New Testament Scripture 9. The Double Cure- Personal Religion; the Doctrine of Grace; the Life of Grace 10. The Hope of Glory- The Christian Hope; Hebrew and Greek Symbolism; the Second Advent; the Millennial Kingdom; Human Destiny

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

'The Word of God' is a multi-faceted concept. God speaks but Word is one of Jesus's names. God's personal communications take other forms, through prophets, apostles, and the written Word. Frame investigates them all. --from publisher description

The Doctrine of Scripture

The Doctrine of God in the Process Theology of John B. Cobb, Jr.: a Review and Critique, Based Primarily on

**Cobb's Position in
A History of Western Philosophy and Theology
A Systematic Summary of Bible Truth**

In recent years, the doctrine of God has once again become a central focus of theological discussion and debate. In this ecumenical, international, and contextual introduction, internationally respected scholar Veli-Matti Kärkkäinen offers a global survey of understandings of God in Scripture, Christian history, and contemporary theology. This new edition incorporates developments in theological research over the past decade and has been substantially updated throughout.

A History of Western Philosophy and Theology is the fruit of John Frame's forty-five years of teaching philosophical subjects. No other survey of the history of Western thought offers the same invigorating blend of expository clarity, critical insight, and biblical wisdom. The supplemental study questions, bibliographies, links to audio lectures, quotes from influential thinkers, twenty appendices, and indexed glossary make this an excellent main textbook choice for seminary- and college-level courses and for personal study. Book jacket.

Classical Calvinist, Modified Calvinist, Classical Armenian, and Open Theist views are evenly and productively discussed in Perspectives on the Doctrine of God.

This work examines the problem of how to connect the historic doctrine of the Trinity to Christian devotional practice. Two criteria for a successful Trinitarian spirituality are proposed: that of drawing significantly from nuances of the classic formulations of the doctrine, and dealing with the mode of original Trinitarian self-disclosure, that is, the unfolding biblical doctrine of the *historia salutis*. Various historical attempts at articulating a method are examined, with special emphasis given to the Puritan John Owen.

An Introduction to Systematic Theology

Long-Awaited Systematic Theology by Well-Known Pastor, Author, and President of the Master's Seminary Doctrine isn't just for theologians—it's important for every Christian because it shows us who God is and how we should live. Systematizing the robust

theology that has undergirded John MacArthur's well-known preaching ministry for decades, this overview of basic Christian doctrine covers topics such as God the Father, Jesus Christ, the Holy Spirit, the Bible, salvation, and more. Comprehensive in scope yet written to be accessible to the average reader—with non-technical vocabulary, minimal footnotes, and a helpful bibliography—this volume offers Christians a solid foundation for what they believe and why.

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this study of John's Gospel, pastor and author Justin Buzzard helps readers understand the most theologically and philosophically profound account of Jesus's life, death, and resurrection in the New Testament. From revealing his cosmic identity as being with the Father "in the beginning," to recounting the many miraculous signs attesting to his divinity, Buzzard illuminates John's unmatched portrait of Jesus Christ, the unique Son of God, sent from heaven to save all who would turn to him. This insightful guide encourages Christians to worship Christ as Lord and follow him on mission to the world.

This book offers a clear and constructive account of the nature and attributes of God. It addresses the doctrine of God from exegetical, historical, and constructive-theological perspectives, bringing the biblical portrayal of God in relationship to the world into dialogue with prominent philosophical and theological questions. The book engages questions such as: Does God change? Does God have emotions? Does God know the future? Is God entirely good and loving? How can God be one and three? Chapters correspond to the major metaphysical and moral attributes of God.

This book sets the Scottish theologian John Oman (1860-1939) in his historical and cultural context.

The Exalted God of Scripture and the Christian Faith

The Doctrine of Sin

A Peculiar Glory

Humanity in the Image of God

John

Divine Attributes

Without a proper understanding of sin, there can never be a proper understanding of the gospel. Sin is opposed both to God's will and to nature, leaving us in need of God's grace and redemption. This comprehensive exploration of the doctrine of sin looks at what the Bible teaches about sin's origin, nature, and consequences, engaging with historical and

contemporary movements. Dealing with difficult issues such as original sin, angelic sin, corporate sin, greater and lesser sins, and more, this book ends with a discussion on divine grace, which is the only hope for the problem of sin. Change your life by changing the messages that enter your mind! Learn to see yourself through God's eyes by spending thirty-one days feeding your heart a new, biblical message of encouragement. Every day, our hearts and minds fill with messages—about ourselves, the world, and God—that we replay again and again. Some of these messages are accurate and helpful. Others run counter to truths that God wants us to understand and embrace. In *Dwell on These Things*, author John Stange shows how—instead of living at the mercy of whatever thought pops into your mind—you can choose to • replace feelings of discouragement with a sense of God's goodness • practice seeing yourself in the loving way God sees you • exchange negative self-talk for positive biblical messages • learn to face the day with hope in your heart There's no need to remain stuck thinking unhelpful thoughts. Learn how you can fill your mind with encouraging, life-enriching truths through a gospel-saturated, thirty-one-day challenge that can help you replace a destructive mindset with a positive, empowering, and godly one.

Many contemporary theologians claim that the classical picture of God painted by Augustine and Aquinas is both outmoded and unbiblical. But rather than abandoning the traditional view completely, John Feinberg seeks a reconstructed model—one that reflects the ongoing advances in human understanding of God's revelation while recognizing the unchanging nature of God and His Word. Feinberg begins by exploring the contemporary concepts of God, particularly the openness and process views, and then studies God's being, nature, and acts—all to articulate a mediating understanding of God not just as the King, but the King who cares! Part of the *Foundations of Evangelical Theology* series.

New from Best-Selling Author John Piper From *Genesis to Revelation*, the providence of God directs the entire course of redemptive history. Providence is "God's purposeful sovereignty." Its extent reaches down to the flight of electrons, up to the movements of galaxies, and into the heart of man. Its nature is wise and just and good. And its goal is the Christ-exalting glorification of God through the gladness of a redeemed people in a new world. Drawing on a lifetime of theological reflection, biblical study, and practical ministry, pastor and author John Piper leads us on a stunning tour of the sightings of God's providence—from *Genesis to Revelation*—to discover the all-encompassing reality of God's purposeful sovereignty over all of creation and all of history. Piper invites us to experience the profound effects of knowing the God of all-pervasive providence: the intensifying of true worship, the solidifying of wavering conviction, the strengthening of embattled faith, the toughening of joyful courage, and the advance of God's mission in this world.

Introducing the Big Questions

A biblical, clear, cogent, accessible, comprehensive, and practical summary of Christian belief by one of the most important and original American theologians of the last hundred years. The third volume of Frame's Theology of Lordship series, this book focuses on biblical ethics. In an age of ethical relativism and suspicion of authority, how can we know what is good, virtuous, or just? Frame surveys non-Christian ethical traditions before setting forth a solidly Christian ethical method. By clarifying biblical norms, life situations, and personal dimensions, he presents a model for decision making that honors God in all aspects of life. Discussions range from natural law and conflict of duties to detailed explorations of the Ten Commandments in connection with questions surrounding worship, the Sabbath, church and state, respect for life and truth, sexuality, and the relation of Christ to culture.

John C. Peckham introduces and engages with major questions about God's nature and how God relates to the world. Does God change? Does God have emotions? Can God do anything? Does God know the future? Does God always attain what God desires? And is God entirely good? This textbook provides a clear and concise overview of the issues involved in these and other questions, exploring prominent contemporary approaches to the main issues relative to how to conceive of the God-world relationship within Christian theology. In so doing, Peckham surveys a range of live options regarding each of the primary questions, briefly considering where each falls within the spectrum of the Christian tradition and providing clear and readily understandable explanations of the technical issues involved. The result is a stimulating survey of the most prominent options in Christian theology relative to divine attributes and the God-world relationship, offered in an accessible format for students. Designed for classroom use this volume includes the following features: - study questions for each chapter - suggestions for further reading for each chapter - glossary

Beginning students of theology and church leaders looking for a theological refresher or teaching tool will welcome this remarkably clear introduction to the doctrines of Scripture. In an almost conversational style, Salvation Belongs to the Lord explores all the major biblical truths, explains key terms of systematic theology, and reflects on their implications and connections under the lordship of Christ.

An Introduction to Christian Belief

A History of the Bible

The Doctrine of the Word of God

A Global Introduction

John Owen and the Doctrine of God in Western Devotion

Readers familiar with Frame's analysis of historic doctrines and current questions will welcome this long-awaited second installment in the Theology of Lordship series. Here he examines the attributes, acts, and names of God in connection with a spectrum of relevant theological, ethical, and spiritual issues.

In Western culture, the Bible is monolithic. John Barton argues that the Bible is not a prescription to a complete, fixed religious system, but rather a product of a long and intriguing process, which has inspired Judaism and Christianity, but still does not describe the whole of either religion. He further argues that a thorough understanding of the history and context of its writing encourages religious communities to move away from the Bible's literal wording - which is impossible to determine - and focus instead on the broader meanings of scripture.

Jonathan Edwards is one of the outstanding figures in the history of the Christian church--he was, quite simply, a man of towering intellect and towering spirituality. But it has been noted, even by his friends and admirers, that his thought is also marked at times by certain idiosyncrasies which inevitably introduce certain complexities into his philosophical-theological system. This study contends that the theme of divine immediacy is the controlling theme and the correlating principle within Edwards's thought and analyzes the theme of divine immediacy in the thought of Jonathan Edwards under four major heads: creation, the will, ecclesiology, and spiritual experience. Indeed, Dr. Carrick claims that the theme of the immediacy of God is the Ariadne's thread which runs with consistency through the multiple aspects of Edwards's philosophical, theological, ecclesiological, experiential, and homiletical interests. But sometimes a man's strength is also his weakness, and it would appear that Edwards's profound commitment to the concept and the reality of the immediacy of God entails significant problems for his entire philosophical-theological system. Edwards's concept of divine immediacy finds its supreme expression, surely, in his doctrine of continuous creation; but is it not the case that this doctrine of continuous creation is in conflict with his determinism, that its tendency is to destroy the moral responsibility of man, and that it makes God both the author and the actor of sin? In short, is it not the case that Edwards's Ariadne's thread is, in fact, also his Achilles' heel?

Misunderstandings about what it means for humans to be created in God's image have wreaked devastation throughout history. For example, slavery in the U. S., genocide in Nazi Germany, and the demeaning of women everywhere. In *Dignity and Destiny* John Kilner explores what the Bible itself teaches about humanity being in God's image. He discusses in detail all of the biblical references to the image of God, interacts extensively with other work on the topic, and documents how misunderstandings about the image of God have been so problematic. People made according to God's image, Kilner says, have a special connection with God and are intended to be a meaningful reflection of him. Because of sin, they don't actually reflect him very well, but Kilner shows why the popular idea that sin has damaged the image of God is mistaken. He also clarifies the biblical difference between being God's

image (which Christ is) and being in God's image (which humans are). He explains how humanity's creation and renewal in God's image are central, respectively, to human dignity and destiny. Locating Christ at the center of what God's image means, Kilne charts a constructive way forward and reflects on the tremendously liberating impact that a sound understanding of the image of God can have in the world today.

While the Christian tradition has subordinated John the Baptist to Jesus of Nazareth, John himself would likely have disagreed with that ranking. In this eye-opening new book, *John the Baptist in History and Theology*, Joel Marcus makes a powerful case that John saw himself, not Jesus, as the proclaimer and initiator of the kingdom of God and his own ministry as the center of God's saving action in history. Although the Fourth Gospel has the Baptist saying, "He must increase, but I must decrease," Marcus contends that this and other biblical and extrabiblical evidence reveal a continuing competition between the two men that early Christians sought to muffle. Like Jesus, John was an apocalyptic prophet who looked forward to the imminent end of the world and the establishment of God's rule on earth. Originally a member of the Dead Sea Sect, an apocalyptic community within Judaism, John broke with the group over his growing conviction that he himself was Elijah, the end-time prophet who would inaugurate God's kingdom on earth. Through his ministry of baptism, he ushered all who came to him—Jews and non-Jews alike—into this dawning new age. Jesus began his career as a follower of the Baptist, but, like other successor figures in religious history, he parted ways from his predecessor as he became convinced of his own centrality in God's purposes. Meanwhile John's mass following and apocalyptic message became political threats to Herod Antipas, who had John executed to abort any revolutionary movement. Based on close critical-historical readings of early texts—including the accounts of John in the Gospels and in Josephus's *Antiquities*—as well as parallels from later religious movements, *John the Baptist in History and Theology* situates the Baptist within Second Temple Judaism and compares him to other apocalyptic thinkers from ancient and modern times. It concludes with thoughtful reflections on how its revisionist interpretations might be incorporated into the Christian faith.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing many of these classic works in affordable, high quality, modern editions,

using the original text and artwork.

Frame explores our relationship with God as a knowing relationship. He writes, "We tend to forget how often in Scripture God performs His mighty acts so that men will 'know' that He is Lord." He thus examines our knowledge of God as it relates to our knowledge of ourselves and of the world in which we live. Reflecting his conviction that theology is the application of Scripture to life in all situations, Frame combines trenchant analysis of theological, apologetical, and epistemological issues with refreshingly practical insights for living in the knowledge of God. -- Publisher's description.
