One dream symbol can reveal the meaning of an entire life-transforming dream. This dream dictionary unlocks the power of dream symbols with tips, tools, and 1500 symbols defined for personal growth by the author of The Curious Dreamer's Practical Guide to Dream Interpretation. Decode Life-Changing Answers: Dream symbols divulge insights about yourself and your life: your hopes, fears, opportunities, clues to life direction and what's holding you back. This book teaches you to master the art of dream symbol translation and discover hidden pointers to a better life. You'll learn: Why dream symbol meaning is personal and standard meanings don't apply. How to understand what a dream symbol says about you and your life. How to spot the most common types of dream symbolism. Which dream symbols to analyze (and which to ignore). How to recognize an important or urgent dream symbol. How to retrieve symbol meanings buried in your subconscious mind. The key role of intuition in dream symbol analysis. A Complete Course in Dream Symbol Interpretation: This comprehensive dictionary of dreams includes specific steps, analysis techniques, tips for recognizing symbol meanings, and 1500 illuminating symbol descriptions that prompt you to explore both traditional and personal meanings (rather than the one-size-fits-all approach of most dream dictionaries). Discover What You've Been Missing in Your Dreams: The interpretation of dreams opens the door to a new world of empowering self-knowledge in your dreams each night. This book puts that power of dream symbol meaning directly into your hands. The symbol in the dream...does not conceal, it teaches. - Carl Jung  
The average person will dream over 150,000 dreams in a lifetime--each one a complex web of imagery and deeper meaning. The Complete Dream Book uses the interpretation of 28,000 actual dreams from contemporary dreamers, just like you, to help you access the substance and meaning of your own dreams. Discover: --Who's who in your dreams --Which dreams recur during certain life stages --The true meaning behind your nightmares --Why you have certain dreams again and again --How to tell if a dream is worth interpreting--and if you've done it correctly --The phenomenon of precognitive dreams The Complete Dream Book is the only dream interpretation book based on concrete data about real people's dreams and how the real events in their lives relate to their nighttime visions.

This volume identifies the meaning of objects, animals, people, and events observed in dreams.

Many Christians believe we are living in both the most exciting and also the most precarious worldwide state of affairs in all of history as God is moving to bring the ages to a close. Therefore it is imperative and even critical for God's people to place themselves in a position to hear what He is speaking and directing us to do in these times. From the beginning of time, dreams have been a major way that God speaks to His people, therefore it is important for us to understand the messages in the dreams that He gives us. Because dreams and visions are filled with symbolic language it is essential to properly interpret what the symbols mean, if we are to understand the message God is communicating to us through our dreams. There are many excellent Christian teachings on dream interpretation, and rather than bring forth material that is already available, my desire instead is to place in your hands over 2400 symbols, with most of them having a multitude of meanings; to assist and train you in unlocking the mysteries of not only your dreams, but also the dreams of others. Since it is God's voice alone we want to hear and understand, we have no interest in knowing how the world that is out of touch with God interprets dream symbols. Every interpretation must be God derived; otherwise we will not be receiving the truth of what He desires us to know. For that reason, the overwhelming majority of the symbol meanings found in this book are derived from the Bible; with the remainder sourced from tested Christian dream courses, teachers, and from interpreting the dreams of Christians. God desires you to know what He is speaking to you, so be encouraged that with the help of this book, you will be able to unlock the meanings and messages of your dreams.
