The author of Book of Shadows digs deep into the practices and principles of Witchcraft to provide a comprehensive guidebook that anyone—novices and seasoned practitioners alike—can use to incorporate the beauty and power ofWicca into their own daily lives. Phyllis Curott ' s first book, Book of Shadows, was an inspirational, spiritual memoir that chronicled her journey from Ivy League-educated, New York City attorney to Wiccan High Priestess. By inviting readers of all faiths to share in her own personal transformation, Phyllis debunked many of the myths surrounding Wicca and revealed it for what it really is: a spiritual movement whose tenets of Goddess worship and reverence for Nature were a great deal more accessible and familiar than she ' d ever expected. Far from being just another mechanical spell book, Witch Crafting is the first book to offer readers not only the how-to of Witchcraft, but also the why-to, explaining the profound spiritual tenets behind Wiccan techniques. Filled with both traditional and innovative shamanic practices, Phyllis also provides an empowering new definition of magic and reexamines the ethics under which Witchcraft is practiced, offering a groundbreaking alternative to the Threefold Law. With enchanting stories from Curott ' s own experiences, Witch Crafting will also teach you how to: • Master the secret arts of effective spellcasting • Create sacred space and personal rituals • Perform divinations for spiritual insight and earthly success • Tap into the power of altered states, such as dreaming, meditation, prayer, and trance • Keep a magical journal and create your own Book of Shadows Rich with detailed advice for making magic, working with Nature, and finding the Divine within, as well as thought-provoking evaluations of this remarkable spirituality, Witch Crafting is the special volume that you ' ve been searching for. Whether you are a beginner or have been practicing Witchcraft for years, whether you worship in a coven or on your own, Witch Crafting is the ideal handbook for you, or anyone seeking to unlock the divine power that makes real magic happen and experience the ecstasy, energy, and gifts of the Universe more fully.

For centuries, Pagan seekers of love, fortune, health, healing, and protection have used candles as a vital part of their rituals. That's why Wiccan expert and practitioner Lady Rhea began creating enchanted candles over twenty years ago -- each of them hand-carved, encased in glass, and embellished with seals, oils, and other decorations. Now, to show you how to create your very own enchanted candles at home, Lady Rhea has written a book based on her underground classic of the same name -- designed to meet your specific needs and personalized by your own guiding spirit. Using the powers of fragrance, color, shape, exotic oils, and fire, these candles are the perfect vessels to send your spells and wishes out into the astral realm. Book jacket.
