

The Enemy Called Average

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. **THEY CALLED US ENEMY is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in**

democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

There are lots of things in life that might make us want to give up, stop short, or not finish the race. But God is there to help us overcome anything that holds us back from achieving our best. In his signature style, bestselling author John Mason offers readers 52 nuggets of truth that will break down the barriers to excellence in their lives. Leaders, entrepreneurs, students, and anyone ready to launch an all-out attack on mediocrity will love this upbeat and energizing book.

Thought provoking questions you may have already asked yourself or others about the Christian life, but up to now have not had clear, directive answers to, answers you must have for your Christian growth. Good questions deserve good answers and this book gives answers that point you in the right direction, cause you to apply Gods Word to your life, and grow spiritually as God works in you to complete the work He started.

A former FBI Special Agent and leading cyber-security expert offers a devastating and essential look at the misinformation campaigns, fake news, and electronic espionage operations that have become the cutting edge of modern warfare—and how we can protect ourselves and our country against them. Clint Watts electrified the nation when he testified in front of the House Intelligence Committee regarding Russian interference in the 2016 election. In *Messing with the Enemy*, the cyber and homeland security expert introduces us to a frightening world in which terrorists and cyber criminals don't hack your computer, they hack your mind. Watts reveals how these malefactors use your information and that of your friends and family to work for them through social media, which they use to map your social networks, scour your world affiliations, and master your fears and preferences. Thanks to the schemes engineered by social media manipulators using you and your information, business executives have coughed up millions in fraudulent wire transfers, seemingly good kids have joined the Islamic State, and staunch anti-communist Reagan Republicans have cheered the Russian government's hacking of a Democratic presidential candidate's e-mails. Watts knows how

they do it because he's mirrored their methods to understand their intentions, combat their actions, and coopt their efforts. Watts examines a particular social media platform—from Twitter to internet Forums to Facebook to LinkedIn—and a specific bad actor—from al Qaeda to the Islamic State to the Russian and Syrian governments—to illuminate exactly how social media tracking is used for nefarious purposes. He explains how he's learned, through his successes and his failures, to engage with hackers, terrorists, and even the Russians—and how these interactions have generated methods of fighting back. Shocking, funny, and eye-opening, *Messing with the Enemy* is a deeply urgent guide for living safe and smart in a super-connected world.

An Enemy Called Average (Portable)

Sometimes, life isn't going the way we want it to because we're simply not asking the right questions. Our focus is on our circumstances or our

problems. We're asking why me? when we should be asking what next? With his signature infectious positive energy, John Mason offers readers looking for direction this simple yet powerful message of encouragement and hope--you can seize today and uncover a brighter tomorrow. For anyone who feels stuck, who yearns for a change but isn't sure just how to pursue it, Mason shows that the most powerful tool we have is asking ourselves the right questions to get the right answers. These bite-sized readings are perfect for busy professionals, overworked moms, entrepreneurs, and anyone looking for an uplifting boost.

In the wake of a devastating disease, everyone sixteen and older is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food. The group of kids living a Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight is far from over--the threat from within the palace is as real as the one outside it. Full of unexpected twists and quick-thinking heroes, *The Enemy* is a fast-paced, white-knuckle tale of survival in the face of

unimaginable horror.

You can live worry-free! Written by a former 'worrior'-turned-warrior, *The Enemy Called Worry* gives you every weapon you need to conquer the sin of worry. Rather than enduring worry as a personality trait or a characteristic to bear, you will learn how the enemy uses worry to keep you from fulfilling your God-given destiny. Self-condemnation is the bed on which worry finds its resting place. -Dr. Fred Addo Worry is a sin that gives birth to many other sins. It affects your spiritual development and your physical health--and keeps you so preoccupied with your problems that your relationships with others and God are severely and negatively affected. Each chapter is filled with thought-provoking and truth-exposing insights about how to conquer worry including: * What Worry Really Is * The Choice Called Worry * Ten Worry Indicators * Warriors and Worriors * Seven Things You Must Know * The Master Key Chapters conclude with Wisdom for Worriors--important points to consider as you destroy *The Enemy Called Worry!*

Conquering an Enemy Called Average

How Asking the Right Questions Will Change Your Life

An Enemy Called Average (Updated and Expanded)

Synopsis Rest Stop is a 250 page realistic novel based on real characters I knew while I served my time in prison. It is about the convicts I lived with on a daily basis. The book starts off in prison and gives insight of the living conditions. It tells of the games that were needed in order to survive. It explains the brotherhood that forms between cell mates and the cliques you become part of, not by choice but out of necessity. Following a fight and a stabbing, the four inmates who are held responsible are being transported from a minimum security location to the main prison when they escape. The escape convicts come up with a plan to take over a rest-area on Interstate 15. It was just a few miles from Las Vegas. They figured that the people going to Vegas would have lots of cash on them. Their plan was to rob them and use the money to get out of the country. It is a long way from Oregon State Penitentiary to Las Vegas. A big part of the story takes place on the trip to get to the rest stop, with robbery, murder and rape along the way. The driving force behind the story is the dialog and vivid thought process, not only from the convicts but from the victims. Each chapter gives insight to the mind set and words of the escaped convicts, along with the Warden, the State Police and the Federal agent who is always just one step behind the inmates. The novel begins with a thrilling, fast paced opening. It holds the excited pace up to an unforgettably tense conclusion. Each

Online Library The Enemy Called Average

chapter ends in a poem I wrote while in prison and coincides with the story. The epilogue leaves room for a sequel for a second book. Ron Lemco PO Box 63 Sumner, WA. 98390 253-2284544 rlemco@aol.com

With his signature infectious positive energy, John Mason offers you a simple yet powerful message of encouragement and hope--you can seize today and uncover a brighter tomorrow. For anyone who feels stuck, who yearns for a change but isn't sure just how to pursue it, John shows that the most powerful tool we have is asking ourselves the right questions to get the right answers. These bite-sized readings are perfect for busy professionals, overworked moms, entrepreneurs, and anyone looking for an uplifting boost.

The gripping first installment in New York Times bestselling author Tahereh Mafi's Shatter Me series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss Defy Me, the shocking fifth book in the Shatter Me series!

The instant Wall Street Journal, USA Today, and international bestseller "While the

history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I've found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition." —from the prologue

Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and so future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. *Ego Is the Enemy* draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes "you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you've set out to achieve."

Believe You Can--The Power of a Positive Attitude

The Seeds of New Earth (the Silent Earth, Book 2)

The Lost Platoon Book One

The story of "The Ancient" continues... Joseph Miller and Mike Samson are closing in on one of the Fallen on the busy streets of New York City, with the help of a young woman who just happens to grow fur and fangs. Little do they know someone from Miller's past is hunting them to settle a grudge over a thousand years old. Meanwhile Lizzie Namgung is desperately searching for her missing friend Ann. Much to her surprise, so is the FBI. As a new evil spreads across the city of Newark, Lizzie finds herself caught in a web of murder, mayhem, and monsters. Ancient Awakening is a Horror/Action novel with just the right touch of comedy. Ancient Enemies is the second book in the series that follows the adventures of eccentric demon hunter Joseph Miller. His job is to defend the human race against seven mythical demons and their offspring. Unfortunately for us, he has been dead for the last hundred years. The series begins with Ancient Awakening, continues here with Ancient Enemies, and is followed by Ancient Revelations. The all-new second edition of Ancient Enemies is professionally edited and 55,700 words.

People have not lost the dream, or desire, for family reconciliation-they've lost the hope for it. Turn the Heart will rekindle one's hope, build one's faith, and bring hope

into reality.

Everything worth doing is going to have some obstacles. Some people look at setbacks as evidence that whatever it is they've been striving for just wasn't meant to be. According to bestselling author and master motivator John Mason, the moment most people give up is the moment of their greatest opportunity. In this inspiring book, Mason gives readers fifty-two keys to never giving up on their dreams. He shows how to ask the right questions when they are on the verge of quitting, how to avoid unnecessary trouble, and how to keep their energy level up in the face of setbacks. Whether readers are building a business, a family, a portfolio, or relationships, they can find the strength and motivation to go on, break through, and claim the prize. The winner is the one who refuses to lose. *Fall Seven Times, Stand Up Eight* presents 52 key principles, actions, and encouragements that equip readers to develop the perseverance and determination that lead to real success.

Fall Seven Times, Stand Up Eight

The Keys for Unlocking Your Dreams

Rest Stop

Best-selling author John Mason again launches an all-out attack on mediocrity with this

to his phenomenally popular book *An Enemy Called Average*. Divided into 52 "nuggets" of truth, *Conquering An Enemy Called Average* is a source of godly wisdom, scriptural motivation and practical principles. The words of this book will break down the barriers to excellence in your life and release you to be all that God created you to be. Think about it... Imitation is not limitation. Procrastination is the fertilizer that makes difficulties grow. Living a double life will get you nowhere twice as fast. If you chase two rabbits, both will escape. Adversity has many advantages. Know your limits, then ignore them. The only place to start is where you are. There is no future in the past. Do what people say cannot be done. "Take the lid off" of an average lifestyle and live a life of excellence today!

Have you been battling with THE ENEMY CALLED TIMIDITY? Enough is enough; you cannot continue to tolerate timidity. Get set, because it is time to drive it out! You find it difficult to exude confidence and unleash your potential. You have missed a lot of opportunities because you cannot express yourself. Your ideas are not heard, your dreams are not realized, although they are valid. You feel caged, the real "YOU" is trapped. Timidity is deeply rooted in fear, whether it manifests as shyness or self-doubt. In this book, you will get powerful insights that will make timidity history in your life, never to be seen. Life-transforming declarations based on the powerful scriptures are included to help you build unbeatable confidence and break free from the torment and tyranny of Timidity. Timidity negatively affects personal productivity, career, health, relationships, business and life generally. Have you been asking yourself questions like "Why am I so shy?", "How do I overcome timidity?", "Why do I get over this?"

Online Library The Enemy Called Average

called timidity?" As a parent, are you asking "How can I help my son or daughter overcome shyness?", "How do I help my child build confidence?" Get ready for answers in this book. You will be assured of a new lease of life.

This is the new, updated and expanded version of the national best-selling book, *An Enemy Called Average* originally published in 1990. Stand Out - Don't Blend In! Within every person is a desire to be fully who they were created to be. No one really wants to "just get by." No matter where you are in life, how much you have or have not accomplished, God is not finished with you yet! Divided into 52 "nuggets" of truth, *An Enemy Called Average* is a source of good ideas, wisdom, scriptural motivation, and practical principles. The words of this book will stir your gifts and dreams within you. Instead of digging through ten pages to find one good idea, you will find ten good ideas on every page. Think about it... Your problem is your promotion. Work without interest paid in advance on something you may never own. The faith to move mountains. People carry a pickaxe. People are born originals, but most die copies. Ideas go away, but directions remain. Stop every day and look at the size of God. "John Mason wrote a very good book that I highly recommend you read: *An Enemy Called Average*. I learned from this book: 'Know your limitations and then ignore them. The most unprofitable item ever manufactured is an excuse. Don't sit around and take what comes. Go after what you want' " (excerpt from her book, *A Leader in the Marketplace*) Joyce Meyer, Minister and Best-selling Author "The originality and practicality of John Mason's words and wisdom are a proven commodity which makes every new book of his a celebrated event...Read and prosper!" - Jack Hayford, Founding Pastor of Church on the Way and A

The Enemy Called Worry

An Enemy Called Average

Know Your Limits - Then Ignore Them

The author of the bestselling *An Enemy Called Average* shows readers who aren't satisfied with the status quo that believing in yourself is the first step to success.

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the

Online Library The Enemy Called Average

reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: The Book of the Mind covers such subjects as faith, reason, morality, and the subconscious. Part Two: The Book of the Body develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures .

In the steamy jungles of West Africa, a Marine Reconnaissance platoon races against time to save the lives of American citizens caught in a bloody civil war. One recon team arrives at a mission only to find they are too late. The missionaries had been burned to death while strung up crucifix style. Realizing that the rebels intend to kill all of the missionaries in the region, the Marines race through the jungle in an attempt to beat the rebels to another nearby mission before they can kill the missionaries there. The Marines arrive just in time to see the guerrillas enter the mission compound and begin killing mission workers. The recon team opens fire and the situation escalates. They successfully push the rebels back into the jungle. Gathering the mission workers, including the mission's doctor, Ellen McKenzie, they flee into the jungle. While on the

Online Library The Enemy Called Average

run, the hospital corpsman, Sean Austin, finds himself struggling with his feelings for the young missionary doctor. Traveling day and night they arrive at the platoon's harbor site. While waiting for helicopters to evacuate the Americans to a waiting ship, the group stumbles onto a large underground crypt left by an ancient civilization. A tropical hurricane forces the Americans to take shelter within the crypt; they discover it is actually a portal to another world. Transported to the middle of a lopsided battle, the group is forced to choose sides and fight against a huge medieval army. Once the great battle is over, the reality of this new world leaves the sojourners from earth conflicted and searching for answers about reality, God, and eternity. Sean is particularly conflicted about his life as a prodigal and his attraction to Dr. McKenzie. Into the Breach is a war of ideals, a war between living a good life and living an obedient life. Liam Morgan takes the reader through adventure after adventure while unraveling our calling, not to be right, but to be obedient. The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the

Online Library The Enemy Called Average

image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. 70 Questions That Lead to Life's Most Important Answers

With One More Look at You

Written to teach people to take the lid off of average lifestyles and live lives of excellence.

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS

TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in

charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together. Brief inspirational readings encourage readers to be the unique individual that God created them to be.

Destiny's Call brings to life scenes, stories and characters from the Book of Genesis. In captivating fictional short stories, Destiny's Call gives a glimpse of the struggles of the Patriarchs and Matriarchs, the birth and conflicts of the Tribes of Israel, and a deeper exploration of some of the colorful characters depicted in the Bible. Destiny's Call relies heavily on biblical and archeological sources. The book includes questions for discussion, detailed hand-drawn maps of the ancient world, recreated genealogical records and timeline, an index of biblical references, and a glossary of biblical terms. Ben-Tzion Spitz is

the author of the Torah Shorts blog (at ben-tzion.com), where he has published dozens of biblical fiction stories and biblical analysis based on ancient, medieval and contemporary sources. Spitz has been exploring and researching biblical stories and archeological findings for over two decades. He is also the creator and lecturer of the Biblical Fiction series in Jerusalem, Israel.
