Time to Pause

What began as an underground 60s Mod scene in unlicensed, no-frills clubs in the North West of England became a youth craze that has long surpassed all others. The Northern Soul scene has confounded its critics by surviving and growing into an adult dance phenomenon whose followers share a passion for the music of Black America unrivalled anywhere else in the world. The Story of Northern Soul takes the first ever in-depth look at the culture, the music, the artists and the people frequenting the all-night venues which are synonymous with the British Soul Scene. Packed with memorabilia and anecdotes from the Twisted Wheel in Manchester to the mighty Wigan Casino, The Story of Northern Soul is the definitive history of a dance scene that refuses to die. Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

Lovable and charming little pets, these little wonderful cockatiels are some of the most popular pet birds in the world. These creatures are related to parrots and hail from the wilderness of Australia. In captivity, when allowed to interact with people early and often, cockatiels are affectionate and gentle. Thanks to their relatively compact size, cockatiels can be handled with ease. You won't need a big house to keep these birds happy. A cockatiel will be glad to see you return home from work, sit next to its cage for a bedtime story, or stay by your side simply treasuring your company. This bird's warm disposition can readily endear it to the right owner and household. While you don't have to be an experienced bird-handler to provide a suitable home for a cockatiel, taking one home does entail a good amount of responsibility and other certain cockatiel-only requirements. Prior to making the commitment, it's vital you know what you and your bird are in for. This book was written for the beginner cockatiel owner in mind, plus anyone considering one of these fascinating creatures as pets. You'll learn what to look for when selecting a bird, how to care for your cockatiel and form a nurturing relationship together, what to feed your cockatiel and more. With this book you'll quickly discover how to create a living area where your bird will thrive and live a long happy life. Need help deciding if a cockatiel is the pet for you and your family? This book will help you approach the decision-making process in a smart way. You'll also find out about basic training, breeding, grooming, cleaning, and bonding with cockatiels. A tamed cockatiel is a well-behaved bird that's a joy to have around. Included, too, among crucial topics are common diseases that harm cockatiels and how to bird-proof your home. The goal is to keep your little pal safe without dampening its curious and cheerful nature. Poems about animals we live around, nature and its affects on us, also other things to pause and think about. Contains color pictures. this is a paperback with thirty-six pages, twenty-eight poems.

Fortitude

The British National Bibliography

"Mental toughness is the natural or developed psychological edge that results from a collection of skills, attributes, values, emotions, and behaviors that allow people to overcome any obstacle, adversity, or pressure as well as deal with the general day-to-day demands (lifestyle, training, competition) placed upon them and still remain consistent, focused, confident, and motivated to achieve their goals."Fortitude is a guide for high performing athletes and business professionals on understanding mental toughness, how to build and sustain it over time. Kate Allgood built her business helping individuals like you learn what it takes to perform under pressure. In this book you'll discover:
- What you need to know to build real and long lasting confidence- How to improve the ability to focus and refocus
- The power of mindfulness- How to build motivation in yourself and others
- And much, much, more!
"Kate is a force in the sports business and with her new book she brings the best insight directly to your field of play."
Jeremy M. Evans, Founder of and Managing Attorney at California Sports Lawyer(R)
"If you want to step up your game, your business or just kill it in life, Fortitude is an easy to read guide to do it."- Majo Orellana - Pro Athlete, Coach and Entrepreneur
Originating from the 2nd Global Fashion Conference hosted by Inter-Disciplinary.Net in Oxford, UK 2010.

The Definitive Guide to R&B and Soul

Understanding God's Power for Spiritual Life, Liberty and Service

The Story of Northern Soul

Motown Encyclopedia

The Essential Guide to Building and Sustaining Mental Toughness

The story of Northern Soul is one of practically total immersion, dedication and devotion, where the plain concept of the ‘night out’ was elevated to sacramental dimensions. Where devotees pushed their bodies, their finances and sometimes their minds to brutal and unforgiving extremes. For those who went through that involvement every test of faith or endurance was worth bearing.
- From Northern Soul: An Illustrated History. ‘It was a drugs scene, it was a clothes scene. It was about dancing. It came out of this thing. It was about pills that made you go fast. To go fast to make the scene happen.’
- Chris Brick
In the late 1960s, a form of dance music took a feverish hold on the UK, finding its heart in the north of England. The music of 1960s-70s black American soul singers combined with distinctive dance styles and plenty of amphetamines to create what became known as Northern Soul – a scene based around all night, alcohol-free club nights, arranged by the fans themselves – setting the blueprint for future club culture. Northern Soul tapped into a yearning for individual expression in northern teenagers, and exploded into a cultural phenomenon that influenced a generation of DJs, songwriters and designers for decades to come. Acclaimed photographer and director Elaine Constantine has brought the movement to life in her film Northern Soul – and that film was the starting point for this book, Northern Soul: An Illustrated History. However, what started out as a project largely comprising of Constantine’s stunning on-set photography, featuring her young, talented cast and highly authentic production, has turned into a unique illustrated history of Northern Soul. In its final form, the beautiful new photography holds the book together thematically, but its real depth lies in the material from the 1960s, 1970s and 1980s that Elaine and Gareth have researched and pulled together. Of course, no book can claim to represent everything about a culture. But Northern Soul: An Illustrated History concentrates on individuals’ personal stories from that heady era, as well as being crammed full of truly atmospheric contemporaneous photography – not from press photographers, but from the kids themselves. Be it snaps of soul fans in car parks, hitching a lift or mucking around in photo booths, the combination of real people plus real (and often very dramatic) stories – not to mention the complete absence of label scans and DJ’s top tens – means that the book stands out as a very different proposition from anything yet published on Northern Soul. We would like to think that above all, this book attempts to give you a feel for what it was really like to be there at the time.

Essential guide for any fan of classic soul! The book is mainly a price guide -- and features rough UK pricing for over 25,000 hard to find singles. Music lists artists alphabetically, then running through important singles along with original label of release, catalog numbers, and genre -- telling you whether a record is Northern Soul, R&B, R&B, 70s, modern or mod. The book is essential when you're out digging for records, as it will help you figure out what's harder to find and what it might sound like!

The historical significance of music-makers, music scenes, and music genres has long been mediated through academic and popular press publications such as magazines, films, and television documentaries. Media Narratives in Popular Music examines these various publications and questions how and why they are constructed. It considers the typically linear narratives that are based on simplifications, exaggerations, and omissions and the histories they construct - an approach that leads to totalizing “official” histories that reduce otherwise messy narratives to one-dimensional interpretations of a heroic and celebratory nature. This book questions the basis on which these mediated histories are constructed, highlights other, hidden, histories that have otherwise been neglected, and explores a range of topics including consumerism, the production pressure behind documentaries, punk fanzines, Rolling Stones covers, and more. Jenny was left by her parents at a stanger's door. She goes from home to home hoping to find the home that will keep her and love her . But every home gets ripped from her fingers . The only stable thing in her unstable life is the social worker at the State Child Protection Office, Mary . Maybe with Mary, Jenny will find her way through the maze of life.

What is grace? The answer lies deeper than you might suppose. To understand grace in its fullness, we must explore the great mystery of our very existence. In search of that deep understanding, Essential Grace takes you on an eternal journey. It begins with the mind of God, all alone in eternity past. It consummates in the heights of heaven, where we see God surrounded by the glorious host of His redeemed people. In between, it explores the multi-faceted grace of God poured out on His creation. Powerful and vivid, Essential Grace will open your eyes to the liberating reality of God's grace.

"Phaedrus" by Plato (translated by Benjamin Jowett). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. This volume brings together critical review papers, many specially commissioned, on key themes and questions in the work of the political scientist, philosopher and religious thinker Eric Voegelin (1901-1985). Areas covered include: (1) Political science: 'Political Religions': manifestations in Nazi Germany and in contemporary European and North American nationalism; (2) International relations: the 'Cold War' in critical perspective; (3) Philosophy: Plato and Aristotle in the reading of Eric Voegelin: contemporary assessments; (4) Sociology: Correspondence of Voegelin and Alfred Schütz; (5) New Testament studies and Christology: questions and developments for Voegelin's interpretations; (6) Old Testament studies: questions and developments from Voegelin's Israel and Revelation; (7) Historical sociology: Revelation and order in axial-age societies; (8) Philosophy of history: Voegelin and Toynbee in contrast; (9) Literary studies: Voegelin in contrast with contemporary literary theory; critical readings of Milton, Greek tragedy.

Grace is Born, a beautifully illustrated poetic parable, is the perfect gift for "sages of all ages, wearing the face of every race, talking the tongue of every one." This spiritual guide to harmonious living awakens our gifts of divinity, inspiring us to InSparkle our world with Loving Acts of Compassion. Grace guides us to take each other's hands, promising that together we will "far surpass the stance of survival and become enraptured in the dance of revival." Grace is Born accompanies readers throughout their childhood into adulthood.

Lies That Kill the Soul

The Essential Guide to Ownership, Care, & Training for Your Pet

Motown means different things to different people. The mere mention of perhaps the most iconic record label in history is often enough to invoke memories and mental images of Marvin Gaye, Diana Ross, Stevie Wonder, The Temptations, The Jackson 5, The Supremes and numerous others. With each group recalled, there is an accompanying piece of music of the mind, from Baby Love, My Girl, Signed Sealed Delivered, I Heard It Through The Grapevine, ABC and Tears Of A Clown and countless more. Quite often, you can ask people what kind of music they like and they will simply answer 'Motown', and both they, and you, know exactly what is meant. Or rather, what is implied. The Motown they are invariably thinking of is the label that dominated the charts in the mid 1960s with a succession of radio friendly, dance orientated hits, most of which were written and produced by the trio of Brian Holland, Lamont Dozier and Eddie Holland. This period is referred to, naturally enough, as the Golden Era, when Motown was not only the dominant force in its home city of Detroit but carried The Sound of Young America all around the world. The kind of music that had them Dancing In The Street from Los Angeles to London, Miami to Munich and San Francisco to Sydney. It was the kind of music that attracted scores of imitators; some good, some not so good. The kind of music that appealed to the public and presidents alike, and still does. It was that Motown that this book was intended to be about. However, when you start digging deeper into the Motown story, you realise that throughout its life (which, for the purposes of this book, is its formation in 1959 through to its sale in 1988) it was constantly trying other musical genres, looking to grab hits out of jazz, country, pop, rock, middle of the road and whatever else might be happening at the time. Of course it wasn't particularly successful at some of the other genres, although those who claim Motown never did much in the rock market conveniently overlook the healthy sales figures achieved by Rare Earth, the group, and focus instead on the total sales achieved on Rare Earth, the label. This book, therefore, contains biographies of all 684 artists who had releases on Motown and their various imprints, as well as biographies of 16 musicians, 23 producers, 19 writers and 13 executives. There are also details of the 50 or so labels that Motown owned, licensed to or licensed from. All nine films and the 17 soundtracks are also featured. Every Motown single and album and EP that made the Top Ten of the pop charts in either the US or UK also have their own entries, with 222 singles, 84 albums and five EPs being featured. Finally, there are 36 other entries, covering such topics as the Hollywood Walk of Fame, the Motorown Revues, Grammy Awards and the most played Motown songs on radio. The 1,178 entries cover every aspect of Motown and more – of the link between Granny in The Beverly Hillbillies and Wonder Woman, of the artists from Abbey Tavern Singers to Zulema, and the hits from ABC to You Really Got A Hold On Me. The Motown Encyclopedia is the story of Motown Records; Yesterday, Today, Forever.

The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE!
Features:
* 4000 Words Defined
* Word Analysis section
* 200 Prefixes, Roots, and Suffixes
* Concise, practical definitions
When a suspicious gas leak blows up his favorite doughnut shop, a retired American expat bumbles into a mystery in Mexico. He follows money flowing down from the States, cocoa beans going north, and finds some tasty foodie hangouts to help him start his days on the prowl. OAXACA CHOCOLATE is a cross-border mystery, a travel guide, an expat's struggle with multinational takeovers in a corrupt state, a scammer's lament, and a taste of the comida and mezcal in Mexico's most beautiful colonial city located high in its scenic, southern mountains. the perfect book for a Mexico visit to meet its gracious people and to explore warm-sun living with a helping of crime on the side. Kirkus Reviews chose OAXACA CHOCOLATE to be featured as one of Kirkus' Indie Books of the Month. "The city of Oaxaca, lively, dark and under threat, plays a starring role in this satisfying mystery." -- Kirkus Reviews "Kerns' second Santo Gordo mystery is even tastier than the first. It's a cup that runs over with Oaxaca's unique local color--I don't know anyone who captures the sights, sounds, smells and tastes of Oaxaca more vividly or insightfully than Kerns. Santo Gordo, gourmand, local hero and reluctant detective, is a shrewd observer of this exotic locale and its cast of characters." Robert Adler, co-author of the best-selling Oaxaca guidebook, Viva Oaxaca. Don't forget the other Santo Gordo mysteries--Santo Gordo: a Killing in Oaxaca and Restaurante Oaxaca.

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

A Real Guide from Real Experts on Getting the Job You Want!

Essential Grace

Every Mile Matters

Thirty-year-old Bear considers his adoptive father, Reverend Clay, a hero until the older man falters. Clay is stabbed in a robbery and entrusts his son to assume his place on a high profile political junket. Bear is tricked out of his seat by a political hack; the jet explodes on takeoff with no survivors. Bear realizes that his father was behind the blast and uncovers the underbelly of the beast his father created: the New Century Zealots. No one yet realizes Bear is still alive until a domestic terrorism investigator turns up knowing that Bear is the missing man from the doomed jet. He blackmails Bear into teaming up to get evidence against his father. The elder Clay discovers his son is alive and conjures a plan for them to take over the unstable cult. Bear accuses Clay of stabbing himself to escape being a martyr. Clay realizes that Bear is now a liability. Michael English Bierwiler is a prolific Texas novelist. Lies that Kill the Soul (English), Mentiras que matan el alma (Spanish) and Mensonges qui tuent l'ame (French) mark the first time he has written a novel in three languages for simultaneous release."

Containing 27,000 entries and over 6,000 new entries, the online edition of the Encyclopedia of Popular Music includes 50% more material than the Third Edition. Featuring a broad musical scope covering popular music of all genres and periods from 1900 to the present day, including jazz, country, folk, rap, reggae, techno, musicals, and world music, the Encyclopedia also offers thousands of additional entries covering popular music genres, trends, styles, record labels, venues, and music festivals. Key dates, biographies, and further reading are provided for artists covered, along with complete discographies that include record labels, release dates, and a 5-star album rating system.

Where am I? I am lost. Suddenly I hear the Voice, I see the Light. In the deepest throes of confusion and heartache comes the Light that reunites one with the universe. From the death of a loved one emerges a newfound acceptance and the ultimate freedom of the soul. In a swirl of injustice and hypocrisy, the soul valiantly fights back. These healing lessons and many more are the topics of *The Battle and Victory of the Soul*, South African poet Nozipho Zubane's inspiring and mystical collection that draws from her own painful experiences and spiritual growth. Anyone who is seeking words of comfort and encouragement to turn their own lives around will find much solace and support in these thought-provoking, healing meditations. Written for seekers of all ages and walks of life, this stirring collection represents an authentic and true expression of the raw emotions Nozipho confronted when she found herself at a crucial crossroads in her own life. After resolving to remove herself from the toxic corporate environment in which she existed, the poet embarked on a course to search for greater purpose and meaning. After two years with no job and an empty savings account, she was driven to live as a recluse. It was then that she underwent the deep emotional cleansing that transformed her life. Initially longing for intellectual stimulation, human contact, and material comfort, she endured many dark nights of the soul, to ultimately be saved by the grace of God. Whether gently illustrating the redemptive power of the soul or reconsidering the complexity of love, each poem furthers the book's abiding goal to help other people heal their wounds in order to reach their full potential. With its fresh perspective and all-embracing approach, *The Battle and Victory of the Soul* is certain to offer individuals a lifeline to reconnect with their souls in new and restorative ways. It's a spiritual wealth of hope and healing that may just bring new light to the darkest days.

"As enjoyable as a day at the beach." That's how USA TODAY summed up this hilarious and big-hearted romp in the Florida sunshine. When Murray Zelman, a.k.a. The Bra King, pops another Prozac and heads to the Keys, he has nothing much in mind beyond a quixotic hope of winning back his first wife, Franny, whom he dumped years before. But when he forms an unlikely friendship with Tommy Tarpon, the last remaining member of an obscure Indian tribe, another plan also starts shaping up in his fevered brain. Why not open up Key West's first casino? Why not? Well, how about because the Mafia, in league with some of the nastiest politicians you will ever meet, is determined to kill anyone who tries? Somehow, Murray, Tommy, and Franny didn't think of that until they were in way too deep. Laugh along as they improvise a manic and ever more desperate campaign to keep their casino dreams--and themselves--alive.
