

The Family Corleone Edward Falco

When 22-year-old Avery Walker, a senior at Penn State, meets Grant Danko, a 37-year-old performance artist from Brooklyn whose stage name is Saint John of the Five Boroughs, her life changes radically as she leaves college to live with Grant in Brooklyn and pursue a life as an artist. Worried about Avery, her mother, Kate, and her aunt, Lindsey, and Lindsey's husband, Hank, travel to Brooklyn, where they all face a crisis of their own and make life-altering choices. Grant is an angry guy with a curiously attractive personality and a coterie of bright, artistic friends. He's used his good looks and his accomplishments, and the accomplishments of those friends, to get by while he works hauling stolen goods for his gangster uncle. He carries dark secrets that have caused his life to go off the rails. Grant is about as lost as a man can get, adept at making wrong choices. But when he finally faces his explosive moment of truth, something extraordinary happens. Saint John of the Five Boroughs is beautifully turned—a stunning and layered novel about the effects of violence, both personal and cultural, on its characters' lives. It's about the way violence twists character, but also about the possibilities for redemption and change, for achieving a kind of personal grace. Edward Falco once again proves to

be a master of urgency and suspense, of events careening out of control, as he brilliantly explores why we make the choices we make—both the ones that threaten to destroy our lives, and those choices that might save us.

"[A] powerhouse of a novel....It reads as if Haruki Murakami rewrote The Day of the Jackal." - Locus Magazine "Editor's Choice" New York Times Book Review "The Most Anticipated Crime Books of 2019" CrimeReads "Most Anticipated Books of 2019" Lit Hub "This Winter's Best Thrillers"

Chicago Review of Books "Best Books of the Year"

Apple A fantastical crime novel set in an alternate Seoul where assassination guilds compete for market dominance. Behind every assassination, there is an anonymous mastermind--a

plotter--working in the shadows. Plotters quietly dictate the moves of the city's most dangerous criminals, but their existence is little more than

legend. Just who are the plotters? And more important, what do they want? Reseng is an assassin. Raised by a cantankerous killer named Old Raccoon in the crime headquarters "The Library," Reseng never questioned anything:

where to go, who to kill, or why his home was filled with books that no one ever read. But one day, Reseng steps out of line on a job, toppling a set of carefully calibrated plans. And when he uncovers an extraordinary scheme set into motion

by an eccentric trio of young women--a convenience store clerk, her wheelchair-bound sister, and a cross-eyed librarian--Reseng will have to decide if he will remain a pawn or finally take control of the plot. Crackling with action and filled with unforgettable characters, The Plotters is a deeply entertaining thriller that soars with the soul, wit, and lyricism of real literary craft. In 1948 Cleveland was America's sixth largest city; by 1969 it was the twelfth. For Easterners, Cleveland is where the Midwest begins; for Westerners, it is where the East begins. In the summer of 1948, fourteen-year-old David Zielinsky can look forward to a job at the docks. Anne O'Connor, at twelve, is the apple of her political boss father's eye. David and Anne will meet-and fall in love-four years later, and for the next twenty years this pair will be reluctant star-crossed lovers in a troubled and turbulent country. A natural-born storyteller, Mark Winegardner spins an epic tale of those twenty years, artfully weaving such real-life Clevelanders as Eliot Ness, Alan Freed, and Carl Stokes into the tapestry. His narrative gifts may bring the fiction of E. L. Doctorow to some readers' minds, but Winegardner is very much his own man, and his observations of Cleveland are laced with a loving skepticism. His masterful saga of this conflicted city is a novel that speaks a memorable truth.

Wolf Point

Omerta

Charlie and Paulie consider themselves "family" even though they are only fifth cousins. Neither of them is 100 percent legitimate but they are not heavy thieves either. They beat the system as best they can with the various inside hustles of New York City's bar and restaurant scene. Charlie, managing a Village restaurant at age thirty-five, needs one shot to realize his dream of owning his own place in rural New England. Meanwhile, he's just a jump ahead of two shylocks and into the worst streak of losing horses he has ever gone through. Paulie is only a five-foot-three-inch waiter but he thinks big. Very image conscious, he even tips toll booth attendants. And he went into hock to become part owner of a "turrow bed" racehorse. Now he has an idea for one foolproof burglary that will solve all his problems for good, and he enlists Charlie in his scheme. The third member of the team is Barney. A semi-retired locksmith and safecracker from the Bronx, Barney has a retarded son and is willing to take one last gamble to provide for his future. A clean break-in, a three-way split, and each of their dreams will come

true. Maybe. Before it's over, they find themselves relentlessly hunted by both the Mafia "wise guys" and the police. And each of them grasps for survival in a different way. Acutely realistic yet wondrously funny, The Pope of Greenwich Village captures the speech, the scams, the flavor, the dread, and the humor of ordinary people scrambling to make it big in a neighborhood that prides itself on creating and enforcing its own laws.

Set during the Great Depression and based in part on real characters and a series of historical events, Toughs follows the story of Loretto Jones as he finds his life intertwined with the fate of Vince Coll, a 23-year-old Irish gangster who for a brief moment rose to the level of a national celebrity during his war with Dutch Schultz, Owen Madden, and Lucky Luciano. Tagged "Mad Dog Coll" after killing five-year-old Michael Vengelli in a botched assassination attempt, Coll was the subject of a shoot-to-kill order issued by New York City Police Commissioner Edward P. Mulrooney, a \$50,000 bounty offered by Dutch Shultz and Owen Madden, and \$30,000 in reward money from by the Patrolmen's Benevolent Association and the city's newspapers. Loretto and Vince are bound to each other by years spent in an orphanage and on the streets, but in the summer of 1931, with Loretto in love with newly-divorced Gina Baronti, and Vince in thrall to the beautiful Lottie Kriesberger, their world of tough guys in tough times

is hurtling toward disaster, and Loretto finds himself faced with impossible choices.

Gathers thirteen stories of people caught between the normal and the lure of the forbidden, including "Radon," "Ax," and "Acid"

The insightful essays in this book shine a new light on the roles of women within criminal networks, roles that in reality are often less traditional than researchers used to think. The book seeks to answer questions from a wide range of academic disciplines and traces the portrait of women tied to organized crime in Italy and around the world. The book offers up accounts of mafia women, and also tales of severe abuse and violence against women.

Join the Bridgertons, and the rest of the ton, as they pore over (and gossip about) Lady Whistledown's latest musings. The elusive Regency-era gossip columnist -- popularized in # 1 New York Times bestselling author Julia Quinn's Bridgerton novels, now a series created by Shondaland for Netflix - reveals society's most recent secrets in this second glittering anthology, following the New York Times bestseller, The Further Observations of

Lady Whistledown. Who Stole Lady Neeley's Bracelet? Was it the fortune hunter, the gambler, the servant, or the rogue? All of London is abuzz with speculation, but it is clear that one of four couples is connected to the crime. —Lady Whistledown's Society Papers, May 1816

Julia Quinn enchants: A dashing fortune hunter is captivated by the Season's most desired debutante . . . and must prove he is out to steal the lady's heart, not her dowry. Suzanne Enoch tantalizes: An innocent miss who has spent her life scrupulously avoiding scandal is suddenly—and secretly—courted by London's most notorious rogue. Karen Hawkins seduces: A roving viscount comes home to rekindle the passionate fires of his marriage . . . only to discover that his beautiful, headstrong bride will not be so easily won. Mia Ryan delights: A lovely, free-spirited servant is dazzled by the romantic attentions of a charming earl . . . sparking a scandalous affair that could ruin them both. You'll hear it first from Lady Whistledown!

An explosive, non-stop thriller following one man's trail of violence across post-war Europe from the bestselling author of The Godfather. Michael Rogan was an intelligence officer behind enemy lines in World War II.

But he made the mistake of falling in love, which gave him something to lose—or to be taken from him. Captured by the Nazis, Michael was treated as an experiment. A piece of meat. A subject upon which his captors committed atrocity upon atrocity. But not before they did the same to his wife—and unborn son. He's lived with the horror of that experience for ten years. Now, Michael Rogan has returned to Europe to find the men who tortured him. And he's going to make sure that they never have to live with the horror as he did...They will die with it. First published under a pseudonym in 1967, Six Graves to Munich was Mario Puzo's literary predecessor to his legendary novel, The Godfather. In this unsung classic, Puzo's trademark unflinchingly stark writing style, vivid descriptive skill, and relentless pace are exemplified in the genre of the spy novel. In his hands, the classic tale of revenge becomes a haunting study of humanity at its most visceral, offering a glimpse into a damaged soul whose only remaining purpose for living is to kill.

Glamorous film star Ardennes Thrush is locked in a closet by a stalker and is left to contemplate her relationship with her husband and her new, heated attraction to

the police detective assigned to her stalker case.

New York, 1933. The city and the nation are in the depths of the Great Depression. The crime families of New York have prospered in this time, but with the coming end of Prohibition, a battle is looming that will determine which organisations will rise . . . and which will face a violent end. For Vito Corleone, nothing is more important than his family's future. His youngest children, Michael, Fredo, and Connie, are in school, unaware of their father's true occupation. His adopted son, Tom Hagen, is a college student; but he worries most about Sonny, his oldest child. Vito pushes Sonny to be a businessman, but Sonny - seventeen years old, impatient, and reckless - wants something else: to follow in his father's footsteps, and become a part of the real family business. An exhilarating and profound novel of tradition and violence, of loyalty and betrayal, THE FAMILY CORLEONE carries on the legacy of The Godfather for a new generation.

Women and the Mafia

The Godfather Returns Beyond the Hollywood Formula

*After Mario Puzo wrote his internationally acclaimed *The Godfather*, he has often been imitated but never equaled. Puzo's classic novel, *The Sicilian*, stands as a cornerstone of his work—a lushly romantic, unforgettable tale of bloodshed, justice, and treachery. . . . The year is 1950. Michael Corleone is nearing the end of his exile in Sicily. The Godfather has commanded Michael to bring a young Sicilian bandit named Salvatore Guiliano back with him to America. But Guiliano is a man entwined in a bloody web of violence and vendettas. In Sicily, Guiliano is a modern day Robin Hood who has defied corruption—and defied the Cosa Nostra. Now, in the land of mist-shrouded mountains and ancient ruins, Michael Corleone's fate is entwined with the dangerous legend of Salvatore Guiliano: warrior, lover, and the ultimate Siciliano. Praise for *The Sicilian* “Puzo is a master storyteller.”—USA Today “The Balzac of the mafia.”—Time “An accomplished and imaginative writer.”—Los Angeles Times*

The Family Corleone

The Last Don

Finn

Lady Whistledown Strikes Back

Winter in Florida

A masterful saga of the last great American Mafia family and its powerful reach into Hollywood and Las Vegas, from the author of The Godfather The Last Don is Domenico Clericuzio, a wise and ruthless old man who is determined to see his heirs established in legitimate society but whose vision is threatened when secrets from the family's past spark a vicious war between two blood

cousins. The Last Don is a mesmerizing tale that takes us inside the equally corrupt worlds of the mob, the movie industry, and the casinos where beautiful actresses and ruthless hitmen are ruled by lust and violence, where sleazy producers and greedy studio heads are drunk on power, where crooked cops and desperate gamblers play dangerous games of betrayal, and where one man controls them all. Praise for The Last Don "Puzo is in top form. . . . Head-long entertainment, bubbling over with corruption, betrayal, assassinations, Richter-scale romance, and, of course, family values."—Time "The most entertaining read since The Godfather."—The New York Times Book Review "Skillfully crafted . . . It gives us Hollywood, Las Vegas, and the mob in one sweet dish."—Los Angeles Times Book Review "Puzo returns after a quarter century to the terrain of his greatest success, The Godfather, to tell a second masterful tale of Mafia life."—Variety "A compelling tale peopled by memorable characters . . . Puzo is a master storyteller with an uncanny facility for details that force the reader to keep the pages turning."—USA Today

The central characters in these 11 stories are men who can't find peace, who find

themselves in conflict with their world and with themselves. Often, the conflict is rooted in the past, in a relationship with a family member, or in a loss of some kind—a loved one, ideals, dreams, ambitions. Remarkably, these men don't seem very different from the rest of us, man or woman, young or old, past or present. "A splendid book of stories that ravish and ennoble and hearten, even as the news remains bad. Falco has more talent than ought to be legal or mortal. I can't imagine a better book of stories will be published this year."—Lee K. Abbott, author of All Things, All at Once: New and Selected Stories "As much as I love some of Falco's earlier work—stories like 'Gifts,' for instance, or 'Silver Dollars,' which seem to be among the most powerful fiction of the last quarter-century—in this new book he's taken his work to even greater heights. The title story is a stunner, and so are several others. But frankly, there's no point in my directing readers to the highlights. The highlight is the collection itself."—Steve Yarbrough, author of Safe from the Neighbors "Burning Man is a lean, forthright, often devastating examination of our ineluctable longing for beauty and truth."—Susann Cokal, author of Mirabilis "Ed Falco is an enchanter who

casts his spell with what Ford Madox Ford called the 'fresh usual word,' with impeccable sentences, and with unerring and exquisite details. These unsettling explorations of men at a dangerous age, whose quiet lives are often haunted and shaped by loss, are savvy, fearless, and achingly beautiful. Burning Man represents Ed Falco at the height of his considerable narrative powers. What talent, what nerve, what a wondrous and spellbinding collection.”—John Dufresne, author of Requiem, Mass.

Continues the saga of the Corleone family during the Great Depression, as Vito hides the truth of his occupation from his children and engages in violent measures to secure his family's fortunes at the end of the Prohibition Era.

The European Union and the single currency have given Europe more stability than it has known in the past thousand years, yet Europe seems to be in perpetual crisis about its global role. The many European empires are now reduced to a multiplicity of ethnicities, traditions, and civilizations. Europe will never be One, but to survive as a union it will have to become a federation of “islands” both distinct and connected. Though drawing on philosophers of Europe’s past, Cacciari calls

not to resist Europe's sunset but to embrace it. Europe will have to open up to the possibility that in few generations new exiles and an unpredictable cultural hybridism will again change all we know about the European legacy. Though scarcely alive in today's politics, the political unity of Europe is still a necessity, however impossible it seems to achieve.

The Godfather's Revenge

Learn the rules of scriptwriting, and then how to successfully break them. Unlike other screenwriting books, this unique guide pushes you to challenge yourself and break free of tired, formulaic writing--bending or breaking the rules of storytelling as we know them. Like the best-selling previous editions, seasoned authors Dancyger and Rush explore alternative approaches to the traditional three-act story structure, going beyond teaching you "how to tell a story" by teaching you how to write against conventional formulas to produce original, exciting material. The pages are filled with an international range of contemporary and classic cinema examples to inspire and instruct. New to this edition. New chapter on the newly popular genres of feature documentary, long-form television serials,

non-linear stories, satire, fable, and docudrama. New chapter on multiple-threaded long form, serial television scripts. New chapter on genre and a new chapter on how genre's very form is flexible to a narrative. New chapter on character development. New case studies, including an in-depth case study of the dark side of the fable, focusing on *The Wizard of Oz* and *Pan's Labyrinth*.

For a long time now, Edward Falco has quietly established his place among the absolute best American storytellers. Those who haven't yet read him don't want to miss this chance. That's why we're so excited to offer the very best of his work, gathered together for the first time, to a wider readership. Falco's stories are unforgettable, dangerous as a high-wire act without a net, filled with dramatic action, and peopled with believable characters challenged by events into making risky moral choices, so emotionally true that readers will carry them around for a long time. His prose is tense, sharp, and beautifully, wonderfully rich. In story after story, Falco's characters find the comfortable order of their lives ambushed by an upswelling of dark forces beyond their control. In order to protect the lives of family—lovers, wives, and especially children—from a catastrophe, they often must summon up the personal courage to climb back from their own monsters, to set aside old, private scars. The decisions they make reveal their bonds,

the set of their hearts, and the harsh nature of the culture we all live in today. If someone out there could write the contemporary counterpart to Flannery O'Connor's classic "A Good Man is Hard to Find," it would be Falco. His are good, old-fashioned, hard-to-find stories set way out there on the edge.

The Mafia has maintained an enduring hold on the American cultural imagination--even as it continues to wrongly color our real-life perception of Italian Americans. Journalist and cultural critic De Stefano takes a look at the origins and prevalence of the Mafia mythos in America. Beginning with a consideration of Italian emigration in the early twentieth century and the fear and prejudice--among both Americans and Italians--that informed our earliest conception of what was the largest immigrant group to enter the United States, De Stefano explores how these impressions laid the groundwork for the images so familiar to us today and uses them to illuminate and explore the variety and allure of Mafia stories. At the same time, he addresses the lingering power of the goodfella cliché, which makes it all but impossible to green-light a project about the Italian American experience not set in gangland.--From publisher description.

HAVE YOU EVER WANTED TO BE SOMEONE ELSE? Vanessa has always found it easy to pretend to be somebody different, somebody better. When things get tough in her real life, all she has to do is

throw on some nicer clothes, adopt a new accent and she can escape. That's how it started: looking round houses she couldn't possibly afford. Harmless fun really. Until it wasn't. Because a man who lived in one of those houses is dead. And everyone thinks Vanessa killed him... _____

Praise for Nuala Ellwood 'A gripping, poignant novel ... I read it in one sitting' Rosamund Lupton 'A clever, twisty plot that takes psychological mind games to a new level. Nuala Ellwood has done it again!' Jane Corry 'This book will take all your expectations and upend them, making you question everything you thought you knew' Emma Kavanagh 'Brilliantly compulsive and with one hell of a twist! I was consumed until the final heartbreaking page' Claire Douglas 'Absolutely brilliant - exciting, clever, it deserves to be a bestseller' Priscilla Masters

Love. Violence. Destiny. These powerful themes ricochet through Lorenzo Carcaterra's new novel like bullets from a machine gun. In Gangster, he surpasses even his bestselling Sleepers to create a brutal and brilliant American saga of murder, forgiveness, and redemption. Born in the midst of tragedy and violence and raised in the shadow of a shocking secret, young Angelo Vestieri chooses to flee both his past and his father to seek a second family—the criminals who preside over early 20th century New York. In his

Get Free The Family Corleone Edward Falco

bloody rise from soldier to mob boss, he encounters ever more barbaric betrayals—in friendship, in his brutal business, in love—yet simultaneously comes to understand the meaning of loyalty, the virtue of relationships, and gains a perspective on the lonely, if powerful, life he has chosen. As the years pass, as enemies are made and defeated, as wars are fought and won, the old don meets an abandoned boy who needs a parent as much as protection. By taking Gabe under his wing and teaching him everything he knows, Angelo Vestieri will learn, in the winter of his life, which is greater: his love for the boy he cherishes, or his need to be a gangster and to live by the savage rules he helped create. A sweeping panoramic with riveting characters, a unique understanding of the underworld philosophy, and a relentless pace, Gangster travels through the time of godfathers and goodfellas to our own world of suburban Sopranos. But this is more than just an authentic chronicle of crime. Setting a new standard for this acclaimed author, Gangster is a compassionate portrait of one man's fight against his fate—and an unforgettable epic of a family, a city, a century.

*Recently, Grand Central Publishing announced plans for a prequel to Mario Puzo's *The Godfather*, to be written by our very own Ed Falco - of whom the New York Times Book Review noted, "There is in Mr. Falco's fiction a little of Raymond Carver's sensitivity to the menace of the everyday, and a lot of Andre Dubus's sturdy empathy with his characters' failings and regrets." *The Family Corleone* will hit bookstores everywhere in May - but you don't need to wait that long to read Falco and discover why he is such an obviously perfect choice for the Corleone family. You can read excerpts now from the "compelling," "vivid," "intense," and "brilliant" books of master storyteller, Ed Falco. This sampler includes excerpts from: *SAINT JOHN OF THE FIVE BORUOUGHES* - a beautifully turned, stunning and layered novel about the effects of violence, abandonment, and the nature of redemption. Edward Falco once again proves to be a master of urgency and suspense, of events careening out of control, as he brilliantly explores why we make the*

Get Free The Family Corleone Edward Falco

choices we make - both the ones that threaten to destroy our lives, and those choices that might save us. WOLF POINT - a taut, dramatic literary thriller that examines betrayal, trust and forgiveness. Driven as much by its sizzling story as by its razor-sharp prose, Wolf Point delivers the powerful tale of a man who realizes, perhaps too late, that he actually has something to live for. Edward Falco brings stunning emotional depth and tense action to unforgettable characters as they journey toward places where human illusions fail and they must face their hidden selves.

SABBATH NIGHT IN THE CHURCH OF THE PIRANHA - for some years now, Ed Falco has quietly established his place among the absolute best American storytellers. Falco's stories are dangerous as a high-wire act without a net, filled with dramatic action and peopled with believable characters challenged by events into making risky moral choices, so emotionally true that the readers will carry them around for a long time. The decisions Falco's characters make reveal their bonds, the set of their hearts, and the harsh nature of the world we all live in today.

A modern masterpiece, The Godfather is a searing portrayal of the 1940s criminal underworld. It is also the intimate story of the Corleone family, at once drawn together and ripped apart by its unique position at the core of the American Mafia.

This is the 10th-Anniversary Edition of Finn, with a new introduction by Jared Leto. In this masterful debut, Jon Clinch takes us on a journey into the history and heart of one of American literature's most brutal and mysterious figures: Huckleberry Finn's father. The result is a deeply original tour de force that springs from Twain's classic novel but takes on a fully realized life of its own. Finn sets a tragic figure loose in a landscape at once familiar and mythic. It begins and ends with a lifeless body-flayed and stripped of all identifying marks-drifting down the Mississippi. The circumstances of the murder, and the secret of the victim's identity, shape Finn's story as they will shape his life and his death. Along the way Clinch introduces a cast of unforgettable characters: Finn's

Get Free The Family Corleone Edward Falco

terrifying father, known only as the Jud? his sickly, sycophantic brother, Will; blind Bliss, a secretive moonshiner; the strong and quick-witted Mary, a stolen slave who becomes Finn's mistress; and of course young Huck himself. In daring to re-create Huck for a new generation, Clinch gives us a living boy in all his human complexity-not an icon, not a myth, but a real child facing vast possibilities in a world alternately dangerous and bright.Finn is a novel about race; about paternity in its many guises; about the shame of a nation recapitulated by the shame of one absolutely unforgettable family. Above all, Finn reaches back into the darkest waters of America's past to fashion something compelling, fearless, and new. Praise for Finn"A brutal, shocking and epic look in the mirror for all Americans."- Jared Leto, from the introduction"Ravishing...and a stand-alone marvel of a novel. Grade: A."- Entertainment Weekly"Clinch treads dangerous ground in making one of America's greatest novels his jumping-off point, but he brings it off magnificently."- Dallas Morning News"Clinch's riverbank Missouri feels postapocalyptic, and his Pap Finn is a crazed yet wily survivor in a polluted landscape."- Newsweek"Finn strikes its most original chords in its bold imagining of possibilities left unexplored by Huckleberry Finn."- Austin American-Statesman"An inspired riff on one of literature's all-time great villains."- New Orleans Times-Picayune"A jolting companion to the mischievous antics of Huckleberry Finn."- Christian Science Monitor"A triumph of successful plotting, convincing characterization and lyrical prose."- Rocky Mountain News"Shocking and charming, A folk-art masterpiece."- New York Post"Disturbing and darkly compelling."- Hartford Courant"Jon Clinch pulls off the near impossible in his new novel, which brings Huck's dad to life in all his terrible humanness."- Winston-Salem Journal"Every fan of Twain's masterpiece will want to read this inspired spin-off, which could become an unofficial companion volume."- Library Journal, starred review"Finn is as dark, as brutal, as ambivalent, and as insane as the history and legacy of

Get Free The Family Corleone Edward Falco

American racial slavery."- Mary Gaitskill, author of *Veronica*
"Clinch's tale is not only filled with echoes of the great American classic to which it is tied; it is destined to become one itself."- Sara Gruen, author of *Water for Elephants*

The 'Godfather' Papers, and Other Confessions

Ed Falco Sampler

The Mafia in the Mind of America

The Godfather

Detective and mystery stories. Played out in the worlds of gambling, publishing and the film industry, Merlyn and his brother Artie obey their own code of honour in the ferment of contemporary America, where law and organized crime are one and the same. Follow the action from New York to Las Vegas.

A domestic story told in numerous original and endearing voices. The story opens with Wesley, a tenth grader, and involves his two sets of parents (the mom and her second husband, a very thoughtful doctor; and the father who has become a major gay lawyer/activist and his fabulous "significant other" who owns a restaurant). Wesley is a fabulous kid, whose equally fabulous best friend Theo has just won a big school election and simultaneously

surprises everyone in his life by announcing that he is gay. No one is more surprised than Wesley, who actually lives temporarily with his gay father and partner, so that he can get to know his rather elusive dad. When a dramatic and unexpected trauma befalls the boys in school, all the parents converge noisily in love and well-meaning support. But through it all, each character ultimately is made to face certain challenges and assumptions within his/her own life, and the playing out of their respective life priorities and decisions is what makes this novel so endearing and so special.

The third and final installment in Mario Puzo's epic chronicle of the Corleone crime family—one of the most enduring lineages in American literature and cinema—achieves a stunning crescendo with a story that imagines the role of the Mafia in the assassination of a young, charismatic president. In *The Godfather's Revenge*—authorized by the Puzo Estate—Mark Winegardner moves the Corleone family onto the biggest stage of all: the intersection of organized crime and national politics. A subordinate to Michael Corleone, New Orleans underboss Carlo Tramonti is publicly humiliated when the US Attorney General—President Danny Shea's brother—has him arrested and deported to Colombia. Tramonti eventually returns, hell-bent on settling scores, and triggers a series of events destined to change the course of American history. Corleone, though haunted by the death of his brother Fredo, knows that this is no time for weakness—and so, with

fearless consigliere Tom Hagen leading the way, a new path for the future is forged. As the dramatic twists of *The Godfather's Revenge* take the reader from Las Vegas to Miami to New Orleans, from the power alleys of Washington, DC, to the remote jungles of Colombia, the puppet master behind the curtain remains Michael Corleone, the tortured prodigal son who is determined to redefine his family's legacy and make his father—the original Godfather—proud.

"A splendid piece of crime fiction . . . a fitting cap to a tremendous career . . . Through it all, Puzo keeps the heat on and keeps the reader enthralled with his characters and his story."—*The Denver Post*

To Don Raymonde Aprile's children, he was a loyal family member, their father's adopted "nephew." To the FBI he was a man who would rather ride his horses than do Mob business. No one knew why Aprile, the last great American don, had adopted Astorre Viola many years before in Sicily; no one suspected how he had carefully trained him . . . and how, while the don's children claimed respectable careers in America, Astorre Viola waited for his time to come. That time has arrived. The don is dead, his murder one bloody act in a drama of ambition and deceit—from the deadly compromises made by an FBI agent to the greed of two crooked NYPD detectives and the frightening plans of a South American Mob kingpin. In a collision of enemies and lovers, betrayers and loyal soldiers, Astorre Viola will claim his destiny. Because after all these years,

Get Free The Family Corleone Edward Falco

this moment is in his blood. . . . "In Omerta (the Sicilian code for silence), Puzo sements his reputation as a page-turning storyteller."—Detroit Free Press "More tasty twists than a plate of fusilli . . . Cunning entanglements with an FBI gangbuster, crooked cops and strong women sauce up this deft and passionate last novel by the Balzac of the Mafia."—Time

The new gripping thriller you won't be able to put down from the bestselling author of DAY OF THE ACCIDENT

Female Roles in Organized Crime Structures

Burning Man

These Things Happen

Tom "T" Walker, a 57-year-old businessman, knows better than to pick up a beautiful young woman hitchhiking with her dangerous-looking boyfriend, but he stops for them anyway. He's been living alone, his life ruinously off course, in such utter isolation from everyone he has ever loved that he welcomes the company and the excitement. But as T finds himself pulled into the chaos of their world in a way he will barely survive, he comes to see his personal history and experiences in an altered and troubling light. Edward Falco brings stunning emotional depth and tense action to unforgettable characters as they journey through the mundane world to places where illusions fail and they must face their hidden selves.

NEW YORK TIMES BESTSELLER An exhilarating and

profound novel of tradition and violence and of loyalty and betrayal, *The Family Corleone* will appeal to the legions of fans who can never get enough of *The Godfather*. New York, 1933: The city and the nation are in the depths of the Great Depression. The crime families of New York have prospered in this time, but with the coming end of Prohibition, a battle is looming that will determine which organizations will rise and which will face a violent end. For Vito Corleone, nothing is more important than his family's future. While his youngest children, Michael, Fredo, and Connie, are in school, unaware of their father's true occupation, and his adopted son Tom Hagen is a college student, he worries most about Sonny, his eldest child. Vito pushes Sonny to be a businessman, but Sonny-17 years-old, impatient and reckless-wants something else: To follow in his father's footsteps and become a part of the real family business.

A sanctioned sequel to Mario Puzo's blockbuster novel, *The Godfather*, continues the saga of the Corleone family, beginning in 1955 and recounting the events that occurred between the end of the original novel and the episodes chronicled in Coppola's movie sequels. Reprint.
