

The Fox And The Star

A story of hope and friendship, in which resilience trumps tragedy in the wake of a forest fire. After moving from the city, one boy discovers his new home in the woods isn't so bad—there is friendship in the midst of the forest. But when he spots a fire on the horizon that soon engulfs everything he's come to know—the bugs, the plants, the fox who keeps him company—he is forced to flee. When his newfound comfort goes up in smoke, how can he ever feel at home again? In a forest fire, so much can change in an instant. But both fox and boy learn that there are some things fire cannot burn. With time, the forest will regrow, the animals will return to their home, and so will the boy and his mom. As we all search for tools for understanding the destruction of forest fires, this touching story shows that hope, friendship, and resilience shine the brightest. **TIMELY:** As fires rage over a wider swath of the United States and internationally, and as fire season lengthens year after year, and sets new records year after year, these are themes communities are engaging with daily during fire season. **WRITTEN BY A FIREFIGHTER:** The author-illustrator was a volunteer firefighter, giving him a unique perspective on the topic of forest fires. **EMOTIONALLY RESONANT:** This moving story ends with rebuilding—both for humans and for nature—and with a truly uplifting message of resilience. **COMMUNITY-BUILDING:** A wonderful resource for families and communities experiencing the aftermath of a fire or other natural disasters, as well as anyone looking to empathize with, and better understand, those communities in need. **CLASSROOM RESOURCE:** Not only is this the perfect resource for talking about topics like the environment, natural disasters, forest management, and emergency preparedness, this book will also spark important conversations about coping with personal and community tragedies. The author-illustrator reflects on his own experiences with forest fires in the autho's note, and backmatter provides additional context. Perfect for: Parents, Educators, Nature lovers

The #1 *New York Times*-bestselling master of international intrigue takes readers into the bleeding-edge world of technological espionage in a propulsive thriller that feels chillingly real. Former chief of the British Secret Intelligence Service Adrian Weston is awoken in the middle of the night by a phone call from the Prime Minister. Her news is shocking: the Pentagon, the NSA, and the CIA have been hacked simultaneously, their seemingly impenetrable firewalls breached by an unknown enemy known only as "The Fox." Even more surprisingly, the culprit is revealed to be a young British teenager, Luke Jennings. He has no agenda, no secrets, just a blisteringly brilliant mind. Extradition to the U.S. seems likely—until Weston has another idea: If Luke can do this to us, what can he do to our enemies? After conferring with both the American President and the Prime Minister, Weston is determined to use "The Fox" and his talents to the advantage of the two nations. But doing so places the boy on a geopolitical minefield. Adrian must stay one step ahead of multiple invisible enemies, all while finding a way to utilize the most powerful—and most unpredictable—weapon of all. With his trademark research and deep knowledge of the rules and practices of international intrigue, Forsyth takes on tomorrow's threats in this race-against-the-clock thriller.

A *New York Times* Best Illustrated Book *Hélène* has been inexplicably ostracized by the girls who were once her friends. Her school life is full of whispers and lies - *Hélène* weighs 216; she smells like BO. Her loving mother is too tired to be any help. Fortunately, *Hélène* has one consolation, Charlotte Brontë's *Jane Eyre*. *Hélène* identifies strongly with Jane's tribulations, and when she is lost in the pages of this wonderful book, she is able to ignore her tormentors. But when *Hélène* is humiliated on a class trip in front of her entire grade, she needs more than a fictional character to see herself as a person deserving of laughter and friendship. Leaving the outcasts' tent one night, *Hélène* encounters a fox, a beautiful creature with whom she shares a moment of connection. But when Suzanne Lipsky frightens the fox away, insisting that it must be rabid, *Hélène*'s despair becomes even more pronounced: now she believes that only a diseased and dangerous creature would ever voluntarily approach her. But then a new girl joins the outcasts' circle, *Géraldine*, who does not even appear to notice that she is in danger of becoming an outcast herself. And before long *Hélène* realizes that the less time she spends worrying about what the other girls say is

wrong with her, the more able she is to believe that there is nothing wrong at all. This emotionally honest and visually stunning graphic novel reveals the casual brutality of which children are capable, but also assures readers that redemption can be found through connecting with another, whether the other is a friend, a fictional character or even, amazingly, a fox.

John Reynolds Gardiner's classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. Based on a Rocky Mountain legend, Stone Fox tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race—the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a New York Times Outstanding Children's Book.

#1 NEW YORK TIMES BESTSELLER · WALL STREET JOURNAL BESTSELLER · USA TODAY BESTSELLER “The Boy, the Mole, the Fox and the Horse is not only a thought-provoking, discussion-worthy story, the book itself is an object of art.”— Elizabeth Egan, The New York Times From British illustrator, artist, and author Charlie Mackesy comes a journey for all ages that explores life's universal lessons, featuring 100 color and black-and-white drawings. “What do you want to be when you grow up?” asked the mole. “Kind,” said the boy. "This stunning tale of betrayal, trickery, and friendship takes the reader on a wild ride." —School Library Journal Ocean's Eleven meets The False Prince in this thrilling heist story for young readers, in which five kids with unusual talents are brought together to commit an impossible crime. Failure is unacceptable ... but success could be deadly. From the bestselling author of the Blackthorn Key series, this magic-infused fantasy brings together a ragtag group of kids to pull off a crime so difficult, countless adults have already tried and failed. Lured by the promise of more money than they've ever dreamed of, five young criminals are hired to steal a heavily guarded treasure from the most powerful sorcerer in the city. There's Callan the con artist, Meriel the expert at acrobatics (and knives!), Gareth the researcher, Lachlan who can obtain anything, and Foxtail, whose mysterious eyeless mask doesn't hinder her ability to climb walls like a spider. Though their shadowy backgrounds mean that they've never trusted anyone but themselves, the five must learn to rely on each other in order to get the job done. But as Callan has been warned most of his life, it's best to stay away from magic. It can turn on you at any moment, and make you think you're the one running the con game, when in reality you're the one being fooled. Faced with these unsurmountable odds, can the friends pull off this legendary heist, or has their luck finally run out?

As a junior officer in Admiral Lord Howe's expeditionary fleet sailing against the rebellious American colonies, Patrick Dalton distinguished himself both as a seafarer and a leader -- until he returns to fleet headquarters to find himself a marked man. Accused of treason against the King in wartime, he was banished to die aboard a rotting prison hulk. Dalton's only chance for escape was the captured American schooner Faith, in command of a ragtag crew of British convicts and Colonial adventurers. With drumming sails spread full, Dalton steers a course for the Delaware coast to match wits and guns against the British frigate Courtesan commanded by the captain who has sworn to see Patrick Dalton die. It is the Faith's seven cannon against the

44-gun man-of-war on a swelling sea of iron-grey water that will soon foam red with blood...

A delicious mix of East and West, of wonder and irony, *The Fox and Dr. Shimamura* is a most curious novel. *The Fox and Dr. Shimamura* toothsome encompasses East and West, memory and reality, fox-possession myths, and psychiatric mythmaking. As an outstanding young Japanese medical student at the end of the nineteenth century, Dr. Shimamura is sent—to his dismay—to the provinces: he is asked to cure scores of young women afflicted by an epidemic of fox possession. Believing it's all a hoax, he considers the assignment an insulting joke, until he sees a fox moving under the skin of a young beauty... Next he travels to Europe and works with such luminaries as Charcot, Breuer and Freud—whose methods, Dr. Shimamura concludes, are incompatible with Japanese politeness. The ironic parallels between Charcot's theories of female hysteria and ancient Japanese fox myths—when it comes to beautiful, writhing young women—are handled with a lightly sardonic touch by Christine Wunnicke, whose flavor-packed, inventive language is a delight.

A New York Times Editors' Choice: "A mind-bending romp through a gender-fluid, eighteenth century London . . . a joyous mash-up of literary genres shot through with queer theory and awash in sex, crime, and revolution." NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker □ HuffPost □ Kirkus Reviews □ Finalist for the Lambda Literary Award □ Shortlisted for the Center for Fiction First Novel Prize □ "A dazzling tale of queer romance and resistance."—Time Jack Sheppard and Edgeworth Bess were the most notorious thieves, jailbreakers, and lovers of eighteenth-century London. Yet no one knows the true story; their confessions have never been found. Until now. Reeling from heartbreak, a scholar named Dr. Voth discovers a long-lost manuscript—a gender-defying exposé of Jack and Bess's adventures. Is Confessions of the Fox an authentic autobiography or a hoax? As Dr. Voth is drawn deeper into Jack and Bess's tale of underworld resistance and gender transformation, it becomes clear that their fates are intertwined—and only a miracle will save them all. Writing with the narrative mastery of Sarah Waters and the playful imagination of Nabokov, Jordy Rosenberg is an audacious storyteller of extraordinary talent. Praise for Confessions of the Fox "A cunning metafiction of vulpine versatility . . . an action-adventure tale with postmodern flourishes; an academic comedy spliced with period erotica; an intimate meditation on belonging."—Katy Waldman, The New Yorker "Confessions of the Fox is so goddamned good. Reading it was like an out-of-body experience. I want to run through the streets screaming about it. It should be in the personal canon of every queer and non-cis person. Read it."—Carmen Maria Machado, National Book Award finalist for Her Body and Other Parties "A hat tip to Moby-Dick . . . a running footnote hall of mirrors to rival Borges . . . one of the most trenchant calls for progressive action that I have read in a very long time."—The New York Times Book Review "An ambitious work of metafiction, a sexy queer love story . . . a bold first novel."—Entertainment Weekly
