In The Business of the 21st Century, Robert Kiyosaki explains the revolutionary business of network marketing in the context of what makes any business a success in any economic situation. This book lends credibility to multilevel marketing business, and justifies why it is an ideal avenue through which to learn basic business and sales skills... and earn money.

HOW I RECRUITED HUNDREDS OF PROFESSIONALS IN MY NETWORK MARKETING BUSINESS AND HOW YOU CAN, TOO "Recruiting up" means recruiting professionals, business owners, sales people, real estate agents, insurance brokers, financial planners, and other people with the talent and resources to build a successful network marketing business. Author David M. Ward is an attorney who recruited hundreds of professionals in his network marketing business and built a six-figure passive income in just a few years. "When you recruit a lot of people who can recruit a lot of people," he says, "your business can grow very quickly." In "Recruiting Up," you'll learn how he did it, and how you can, too. In Part One, you'll learn how to identify, approach, and recruit professional prospects. You'll learn what to say, what to do, and what to avoid. In Part Two, you'll learn the best ways to find all of the professional prospects you will ever need. You'll learn: ** Which professionals make the best prospects, and how to choose your "specialty" ** How to recruit doctors, lawyers, and other "hard to reach" professionals ** The psychology of recruiting professionals (what to say, what to show them, what to avoid) ** Why it's EASIER to recruit professionals than "regular" prospects ** The best way to answer the question, "What do you do?" ** The RIGHT (and wrong) way for network marketers to use social media for recruiting ** Why "attraction marketing" is a dangerous trap for many distributors ** The most common objection you'll hear from professionals, and how to overcome it ** Simple lead generation strategies that anyone can use, starting immediately ** Stealth recruiting techniques-how to "fly under the radar" to find prospects nobody else is talking to ** And much more "Recruiting Up" comes with a step-by-step game plan for signing up at least one professional on your team within the next seven days. Ward was a successful attorney who started a network marketing business to escape his busy schedule and build retirement income. In his first six months in the business, he recruited 50 distributors, all professionals. Eventually, he recruited hundreds of professionals and found the time freedom and retirement income he

never had in more than twenty years of practicing law. Now, he wants to show you how you can do it. "I want you to know that you do not need to be a professional to recruit professionals. You don't have to be a great recruiter or have any special talent," he says. "You can do this even if you're brand new. If you know the basics of recruiting, this book shows you everything else you need to know." In his first book, "Recruit and Grow Rich," Ward describes the system he used to recruit a large number of distributors in a short period of time. "Recruit and Grow Rich" is about recruiting quantity. "Recruiting Up" is about recruiting quality. "Quantity will always be important," Ward says, "but WHO you recruit is more important than how many." He admits that building a successful business takes a lot of work and there are no shortcuts. "But. . . if you're going to recruit anyone," he says, "recruiting professionals is the closest thing to a shortcut I've ever seen." Once you've recruited a few professionals and seen what they can do, you may never want to recruit anyone else. Most people fail in their MLM after attending a presentation full of hype and then pressurized to join else will miss out on a position in the matrix/ compensation plan. Sounds familiar? This book will teach and empower you to evaluate the right network marketing opportunity suited to your passion, taste and knowledge.

Instant bonding, instant communication, and how to get your network marketing prospects to fully understand and act on your message = fun! This is the most fun of the 25 skills of network marketing. Our prospects have a different point-of-view than we do. So how do we give them our message in a way they 'get it' and enjoy it? By quickly identifying their color personality. This isn't a boring research textbook on the four different personalities. This book is a fun, easy way to know how your prospects think, and the precise magic words to say to each of the four personalities. The results are stunning. Shy distributors become confident when they understand how their prospects think. Experienced distributors have short conversations that get prospects to join immediately. You will enjoy observing and analyzing your friends, co-workers and relatives, and you'll see the way they see the world. It feels like you have 3-D glasses in your network marketing career. It gets instant results. What could be better than that? You won't have to look for great prospects when you know the four color personalities. You will have the ability to turn ordinary people into hot prospects by knowing their color personality and by saying the right words. By using humorous, slightly exaggerated examples of the four personality traits, you will remember and use this skill immediately. Life is more fun when you are the only one with the 3-D glasses. This is the one skill that you'll use every day for the rest of your life! Get ready to smile and achieve quicker rapport and results.
