AN INSTANT NEW YORK TIMES

BESTSELLER *"Pitch-perfect... Dean tells this story with such nuance and humanity, you're desperate to step into its pages." —The New York Times* *"Heart-stopping psychological drama... A modern-day classic." —Jeffery Deaver, New York Times bestselling author* *"A gripping story about family dynamics and the nature of human psychology." —Good Housekeeping* *She thought she had escaped her past. But there are some things you can't outrun. Lex Gracie doesn't want to think about her family. She doesn't want to think about growing up in her parents' House of Horrors. And she doesn't want to think about her identity as Girl A: the girl who escaped, the eldest sister who freed her older brother and four younger siblings. It's been easy enough to avoid her parents--her father never made it out of the House of Horrors he created, and her mother spent the rest of her life behind bars. But when her mother dies in prison and leaves Lex and her siblings the family home, she can't run from her past any*

longer. Together with her sister, Evie, Lex intends to turn the home into a force for good. But first she must come to terms with her siblings--and with the childhood they shared. What begins as a propulsive tale of escape and survival becomes a gripping psychological family story about the shifting alliances and betrayals of sibling relationships--about the secrets our siblings keep, from themselves and each other. Who have each of these siblings become? How do their memories defy or galvanize Lex's own? As Lex pins each sibling down to agree to her family's final act, she discovers how potent the spell of their shared family mythology is, and who among them remains in its thrall and who has truly broken free. For readers of Room and Sharp Objects, an absorbing and psychologically immersive novel about a young girl who escapes captivity-but not the secrets that shadow the rest of her life. A deadly plague has devastated Earth, killing all the adults. Lisa and her younger brother Todd are struggling to stay alive in a world where no one is safe. Other children along Grand Avenue need help as well. They band together to find food, shelter, and protection from dangerous gangs invading their neighborhood. When Tom Logan and his army

start making threats, Lisa comes up with a plan and leads her group to a safer place. But how far is she willing to go to protect what's hers?

Corduroy was first introduced to readers in 1968, and in the fifty years since, his adventures have never stopped. Corduroy has been on the department store shelf for a long time. Yet as soon as Lisa sees him, she knows that he's the bear for her. Her mother, though, thinks he's a little shopworn—he's even missing a button! Still, Corduroy knows that with a bit of work he can tidy himself up and be just the bear for Lisa. And where better to start than with a nighttime adventure through the department store, searching for a new button! Celebrate 50 years of this irresistible childhood classic, a heartwarming story about a little bear and a little girl finding the friend they have always wanted in each other.

In this story about the perils of popularity, the courage of nonconformity, and the thrill of first love, an eccentric student named Stargirl changes Mica High School forever.

The Heartbreaking True Story of a Girl Nobody Loved and the Woman Who Saved Her The Girl Nobody Loved

Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. *Publisher's Weekly* acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

PULITZER PRIZE WINNER • A “vivid and devastating” (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths.”—Ayad Akhtar, author of *Homeland Elegies*

ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal

In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani’s childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City’s homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “to protect those who I love.” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott’s *Invisible*

In this timely, insightful, and darkly funny investigation, the acclaimed author of *Against Love* asks: what does living in dystopic times do to our ability to love each other and the world? COVID-19 has produced new taxonomies of love, intimacy, and vulnerability. Will its cultural afterlife be as lasting as that of HIV, which reshaped consciousness about sex and love even after AIDS itself had

*been beaten back by medical science? Will COVID end up making us more relationally conservative, as some think HIV did within gay culture? Will it send us fleeing into emotional silos or coupled cocoons, despite the fact that, pre-COVID, domestic coupledness had been steadily losing fans? Just as COVID revealed our nation to itself, so did it hold a mirror up to our relationships. In *Love in the Time of Contagion*, Laura Kipnis weaves (often hilariously) her own (ambivalent) coupled lockdown experiences together with those of others and sets them against a larger backdrop: the politics of the virus, economic disparities, changing gender relations, and the ongoing institutional crack-ups prompted by #MeToo and Black Lives Matter, mapping their effects on the everyday routines and occasional solaces of love and sex.*

In this middle grade graphic novel from the acclaimed animator/cartoonist, Greta and her friend (and pet tortoise!) have to solve the mystery of Friendlytown. Greta is a handful, until her pet turtle, Nobody, teaches her to soften her ways. The two team up with her new friend, Gabby, to discover why the kind-hearted people of Friendlytown have turned so mean. Equal parts high-flying adventure and deeply felt inquiry into essential goodness of human nature, Greta Grump features tech-whiz cats, ornery gopher librarians, and gangs of squirrels in matching sweater vests. The warmhearted allegory of this graphic novel makes it perfectly calibrated to the present moment, when the need for us to look after one another is stronger than ever.

What do you do when you realize your mother doesn't want you...and you're only five years old? Find out in this graphic narrative as Dr. Annie Hurley shares her personal story of childhood abandonment, a life that entailed years of poverty, fear, hunger, loneliness- and unimaginable physical and sexual abuse. Annie's journey led her through over thirty different home living situations, including several years of residing with her mother, whose love and attention Annie craved above all else. Yet instead of living secure in her mother's love and protection, Annie lived in fear and emotional torment on a daily basis. Though she always believed God was real, and even caught supernatural glimpses of

Him along the way, Annie could never seem to find the relationship with Him she longed for. Finally, when a high school teacher invited Annie to hear a Christian speaker, Annie prayed to receive Jesus. This life-altering event set her on a path toward healing, deliverance, and restoration, where she learned....How to renew her mind to the Word of God. How to find her true identity in Christ. How to break free from torment through the power of forgiveness. How to overcome rejection through receiving Jesus' love. How to exchange Satan's lies for God's truth. How to keep her children free from the issues of her past. How to know God as a Father to the fatherless Evil is real and it exists in this world; Annie's story proves it. More importantly, it proves that no matter how deep the enemy assaults, Jesus' love is deeper still. Nothing can separate us from that love, or the faithfulness of a heavenly Father who offers hope and healing to all who will reach out to Him and ask for His guidance to peace and freedom.

romances are the subject of endless gossip at school. You don't want to get involved with a girl like that, they say. So how is it that eighteen-year-old Porus Dumasias has only ever had eyes for her? And how did Zarin and Porus end up dead in a car together, crashed on the side of a highway in Jeddah, Saudi Arabia? When the religious police arrive on the scene, everything everyone thought they knew about Zarin is questioned. And as her story is pieced together, told through multiple perspectives, it becomes clear that she was far more than just a girl like that. This beautifully written debut novel from Tanaz Bhathena reveals a rich and wonderful new world to readers; tackles complicated issues of race, identity, class, and religion; and paints a portrait of teenage ambition, angst, and alienation that feels both inventive and universal.

Does he just follow the crowd? Are you concerned about his friends? Does she complain that she's unpopular or that nobody likes her? The resource you need to solve these problems and boost your child's social competence is in your hands. Based on a survey of five thousand teachers and parents, *Nobody Likes Me* shows how to teach your child the 25 most essential

But the most important thing about the Messiah was he would drive Caesar and his armies out of the country. Caesar! How they hated his very name! For Caesar was the emperor of the Romans. Some years before, the Romans had occupied the country and begun to rule it. Herod was still king of the Jews, but now he took his orders from Caesar. Everybody had to take orders from Caesar. The Jews were not a free people any more. -It used to be so different,- the older people sighed, -before the Romans came.

Presented by legendary comic book author Jim Shooter, this book is a fast-paced science fiction novel with all the flair and fun of a comic book.

Doss's charming, touching, and at times hilarious chronicle tells how each of the children, representing white, Chinese, Japanese, Filipino, Korean, Mexican, and Native American backgrounds, came to her and husband Carl, a Methodist minister. She writes of the way the "unwanted" feeling was erased with devoted love and understanding and how the children united into one happy family. Her account reads like a novel, with scenes of hard times and triumphs described in vivid prose. The Family Nobody Wanted, which inspired two films, opened doors for other adoptive families and was a popular favorite among parents, young adults, and children for more than thirty years. Now this edition will introduce the classic to a new generation of readers. An epilogue by Helen Doss that updates the family's progress since 1954 will delight the book's loyal legion of fans around the world.

From Tina Turner, Joni Mitchell, Stevie Nicks, Donna Summer, Bette Midler, Alanis Morissette and Linda Ronstadt to Mary J. Complete with reflections from Robinson's own career as a pioneering female music writer, Nobody Ever Asked Me about the Girls offers an overdue consideration of how hopes, dreams, and the drive for recognition have propelled our most beloved female musicians to take the stage and leave an undeniable, lasting musical mark on the world.
