• New York Times bestseller • The 100 most substantive solutions to reverse global warming, based on meticulous research by leading scientists and policymakers around the world “ At this point in time, the Drawdown book is exactly what is needed; a credible, conservative solution-by-solution narrative that we can do it. Reading it is an effective inoculation against the widespread perception of doom that humanity cannot and will not solve the climate crisis. Reported by-effects include increased determination and a sense of grounded hope. ” —Per Espen Stoknes, Author, What We Think About When We Try Not To Think About Global Warming “ There ’ s been no real way for ordinary people to get an understanding of what they can do and what impact it can have. There remains no single, comprehensive, reliable compendium of carbon-reduction solutions across sectors. At least until now. . . . The public is hungry for this kind of practical wisdom. ” —David Roberts, Vox “ This is the ideal environmental sciences textbook—only it is too interesting and inspiring to be called a textbook. ” —Peter Kareiva, Director of the Institute of the Environment and Sustainability, UCLA In the face of widespread fear and apathy, an international coalition of researchers, professionals, and scientists have come together to offer a set of realistic and bold solutions to climate change. One hundred techniques and practices are described here—some are well known; some you may have never heard of. They range from clean energy to educating girls in lower-income countries to land use practices that pull carbon out of the air. The solutions exist, are economically viable, and communities throughout the world are currently enacting them with skill and determination. If deployed collectively on a global scale over the next thirty years, they represent a credible path forward, not just to slow the earth ’ s warming but to reach drawdown, that point in time when greenhouse gases in the atmosphere peak and begin to decline. These measures promise cascading benefits to human health, security, prosperity, and well-being—giving us every reason to see this planetary crisis as an opportunity to create a just and livable world.

The Quest For Mary Magdalene

***The seventh book in the bestselling Chronicles of St Mary's series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. Rules are meant to be broken, aren't they? 'I've done some stupid things in my time. I've been reckless. I've broken a few rules. But never before have I ruined so many lives or left such a trail of destruction behind me.'** Max has never been one for rules. They tend to happen to other people. But this time she's gone too far. And everyone at St Mary's is paying the price. With the History Department disintegrating around her and grounded until the end of time, how can she ever put things right? Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonista Madeleine "Max" Maxwell have seduced me' 'A great mix of British proper-ness and humour with a large dollop of historical fun' 'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force'*

The first three extraordinary adventures in the Chronicles of St Mary's series, now available together in ebook. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. 'The Chronicles of St Mary's are the stories of a bunch of time travelling historians who investigate major historical events in contemporary time. Do NOT call it time travel. They are frequently described as "a bunch of tea-sodden disaster magnets", bouncing from crisis to catastrophe and back again. For is it not written, where historians go disaster is sure to follow?' - Jodi Taylor In these first three novels, meet the disaster magnets of St Mary's as they hurtle their way around History. JUST ONE DAMNED THING AFTER ANOTHER When Madeleine Maxwell is recruited by the St Mary's Institute of Historical Research, she discovers the historians there don't just study the past - they revisit it. But one wrong move and History will fight back - to the death. And she soon discovers it's not just History she's fighting... A SYMPHONY OF ECHOES Dispatched to Victorian London to seek out Jack the Ripper, things go badly wrong when he finds the St Mary's historians first. Stalked through the fog-shrouded streets of Whitechapel, Max is soon running for her life. Again. A SECOND CHANCE It began well. A successful assignment to 17th century Cambridge to meet Isaac Newton, and another to witness the historic events at The Gates of Grief. So far so good. But then came the long-awaited jump to the Trojan War that changed everything. And for Max, nothing will ever be the same again. Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonista Madeleine "Max" Maxwell have seduced me' 'A great mix of British proper-ness and humour with a large dollop of historical fun' 'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force'

In print for the very first time, The Long and Short of It collects eight unmissable short stories from the international bestselling Chronicles of St Mary's series. The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic -- a debate that continues in the twenty-first century. +++++ The below data was compiled from various identification fields in the bibliographic record of this title. A brilliant yomp through history' - Reader Review You can't change History. History doesn't like it. There are always consequences. Max is no stranger to taking matters into her own hands. Especially when she's had A Brilliant Idea. Yes, it will mean breaking a few rules, but - as Max always says - they're not her rules. Seconded to the Time Police to join in the hunt for the renegade Clive Ronan, Max is a long way from St Mary's. But life in the future does have its plus points - although not for long. A problem with the Time Map reveals chaos in the 16th century and the wrong Tudor queen on the throne. History has gone rogue, there's a St Mary's team right in the firing line and Max must step up. You know what they say. Hope for the best. But plan for the worst. Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... A Chronicles of St Mary's short story that is sure to entertain. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. Like a smaller and much scruffier Greta Garbo - finally - Markham speaks! It's Christmas and time for the first (and almost certainly last) St Mary's Annual Children's Christmas Party - attendance compulsory, by order of Dr Bairstow. Discovered practising his illegal reindeer dance and poo-dropping routine, our hero, along with fellow disaster-magnets Peterson and Maxwell, is despatched to Anglo-Saxon England to discover the truth about Alfred and the cakes. In his own words, our hero reveals Major Guthrie's six-point guide to a successful assignment and the Security Section's true opinion of the History Department. And of historians in general. And of one historian in particular. And, just to be clear, it is time travel, for God's sake. Forget all that pretentious 'investigating major historical events in contemporary time' rubbish. This is history without the capital 'H'. Because this is the way the Security Section rolls! Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... The Church of Mary Tudor

And the Rest is History

Reprint of the original, first published in 1864.

This volume explores the theology, pastoral practice, and ecclesiastical administration of the Church in England during Queen Mary's reign. Focusing on the neglected Catholic renaissance which she ushered in, the book traces its influences and emphases, its methods and its rationales, the role of Philip's Spanish clergy and native English Catholics, in relation to the wider influence of the continental Counter Reformation and Mary's humanist learning. Measuring these issues against the reintroduction of papal authority into England, and the balance between persuasion and coercion used by the authorities to restore Catholic worship, the volume offers a more nuanced and balanced view of Mary's religious policies. Addressing such intriguing and under-researched matters from a variety of literary, political and theological perspectives, the essays in this volume cast new light, not only on Marian Catholicism, but also on the wider European religious picture.

Vols. 1-26 include a supplement: The University pulpit, vols. [1]-26, no. 1-661, which has separate pagination but is indexed in the main vol.

An Argumentation of Historians

The ninth book in the bestselling Chronicles of St Mary's series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. They say you shouldn't push your luck. Max gives her own luck a massive shove every day - and it's only a matter of time until luck pushes back... January 1536 - the day of Henry VIII's infamous jousting accident. Historians from St Mary's are there in force, recording and documenting. And, arguing - obviously. A chance meeting between Max and the Time Police leads to a plan of action. And, it's one that will have very serious consequences - especially for Max. Her private life is already more than a little rocky. But with Leon recovering and Matthew safe in the future there will never be a better opportunity to bring down Clive Ronan, once and for all. From Tudor England to the burning city of Persepolis - and from a medieval siege to a very nasty case of 19th century incarceration - Max is determined that this time, he will not escape. Readers love Jodi Taylor:

This is the traditional method devised by St. Louis de Montfort himself. And now, we've made it available in a single, deluxe vinyl volume, perfect for preparation for the Total Consecration and for yearly renewal. Inside you will... Gain a deeper understanding of what it means to Consecrate yourself to Jesus through Mary Begin to realize the profound joy and peace that comes with giving your will over to Jesus through His Mother Discover the deep connection between Mary and Her Son, and how that bond can improve our own spiritual life and intercessory prayer Have access to all the tools, prayers, and Scripture needed to consecrate your household to Jesus through Mary Beautiful and durable, you'll come back the wisdom of Saint Louis de Montfort again and again as you live out your consecration. This classic and revered devotional is an essential for every Catholic home.

Mary Magdalene is a larger figure than any text, larger than the Bible or the Church; she has taken on a life of her own. She has been portrayed as a penitent whore, a wealthy woman, Christ's wife, an adulteress, a symbol of the frailty of women and an object of veneration. And, to this day, she remains a potent and mysterious figure. In the manner of a quest, this book follows Mary Magdalene through the centuries, explores how she has been reinterpreted for every age, and examines what she herself reveals about woman and man and the divine. It seeks the real Mary Magdalene in the New Testament and in the Gnostic gospels where she is extolled as the chief disciple of Christ. It investigates how and why the Church recast her as a fallen woman, it traces her story through the Renaissance when she became a goddess of beauty and love, and it looks at Mary Magdalene as the feminist icon she has become today.

'A great mix of British properness and humour with a large dollop of historical fun' ***** BOOK 11 IN THE INTERNATIONALLY BESTSELLING CHRONICLES OF ST MARY'S SERIES For fans of Richard Osman's Thursday Murder Club, Jasper Fforde and Doctor Who. I would have trusted this man with my life. Until a couple of days ago, anyway. You know what they say - hope for the best, but plan for the worst. Max is quite accustomed to everything going wrong. She's St Mary's, after all. Disaster is her default state. But with her family reunited and a jump to Bronze Age Crete in the works, life is getting back to normal. Well, normal for St Mary's. And then, following one fateful night at the Tower of London, everything Max thought she knew comes crashing down around her. Too late for plans. The worst has happened. And who can Max trust now? Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonista Madeleine "Max" Maxwell have seduced me' 'A great mix of British proper-ness and humour with a large dollop of historical fun' 'Addictive. 'Jodi Taylor is quite simply the Queen of Time. Her books are a swashbuckling joyride through History' C. K. MCDONNELL 'A great mix of British properness and humour with a large dollop of historical fun' ***** BOOK 12 IN THE INTERNATIONALLY BESTSELLING CHRONICLES OF ST MARY'S SERIES For fans of Jasper Fforde, Doctor Who, Genevieve Cogman and Richard Osman's Thursday Murder Club --- 'It's time, Max.' And so, a whole new chapter opens up... It's long been known that if a thing can go wrong, it will. With knobs on, usually. Disasters start to pile up. A new colleague with no respect for the past and a great deal to prove. Historians lost in time. And - worst of all - Rosie Lee on her very first jump. Then there's the small matter of Max's dishonourable discharge. From Tudor England to the Tower of Babel - it's all going horribly wrong. Jobless and homeless, Max receives an offer she can't refuse. Another time, another place. A refuge, perhaps. She's got that wrong, too. Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonista Madeleine "Max" Maxwell have seduced me' 'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force'

This work is an extended Eucharistic meditation inspired by the traditional biblical texts associated with the life of St. Mary Magdalene, known as the "Apostle of the Apostles" because the Risen Christ appeared first to her, and she announced his Resurrection to the apostles. It is designed to help readers learn from the inspiring example of Magdalene to enter more deeply into adoration and love of Jesus Christ truly present in the Blessed Sacrament. In telling the story of her profound conversion after a life so steeped in sin that the Lord had to expel seven demons from her soul, this book shows how Magdalene is a shining witness to the transforming power of an encounter with Jesus Christ, an encounter for her which blossomed into a life of adoration, meditation and prayer. Thus she is seen as the perfect biblical model for those who have encountered

Christ, and who seek to deepen their life of adoration at the feet of the Eucharistic Lord. Adoration is essentially about love, and in the gospels there are few people who understood love as well as Mary Magdalene. Throughout the book the author draws out her profound secrets of love, through which the adorer can learn how to become ever more pleasing to the Heart of Christ. These pages will help many people find nourishment for their souls and discover anew the timeless figure of the "Apostle of the Apostles."

A Year with Mary

The Life and Letters of the Reverend Adam Sedgwick

A Chronicles of St Mary's short story that is sure to entertain. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. Astonishingly, Dr Bairstow has declared a holiday. Even more astonishingly - he's paying for it. Needless to say, there are strings attached. They have to record the 1601 performance of Hamlet, with Shakespeare himself in the role of the Ghost. It doesn't go well, of course. With Dr Bairstow and Mrs Mack turning a simple visit to a street market into a public brawl, Professor Rapson inadvertently stowing away on a vessel bound for the New World, and Shakespeare himself going up in flames, it would seem that Max, of all people, is the only one actually completing the assignment. Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force' **The fifth book in the bestselling Chronicles of St Mary's series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. A Fete Worse Than Death... The St Mary's Institute of Historical Research has finally recovered from its wounds and it's business as usual for those rascals in the History Department. From being trapped in the Great Fire of London to an unfortunately timed comfort break at Thermopylae, which leaves the fate of the western world hanging in the balance, Max must struggle to get History back on track. But first, they must get through the St Mary's Fete - which is sure to end badly for everyone. Only one thing is certain, life at St Mary's is never dull! Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... “Of Mary, there is never enough!” Books about the Blessed Virgin abound, yet the words of St. Bernard of Clairvaux still ring true: “Of Mary, there is never enough!” She is a mystery that faithful Christians seek to understand more fully, an ocean “full of grace” still awaiting deeper exploration. In A Year with Mary: Daily Meditations on the Mother of God, best-selling Catholic author Paul Thigpen sets sail on that ocean, using as his map the profound insights of saints and other spiritual writers. These 365 reflections, drawn from their writings, reveal Mary’s role in God’s plan, the virtues she so perfectly models, and the rich benefits of Marian devotion. The eighth book in the bestselling Chronicles of St Mary's series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. Because, my dear Max, you dance on the edge of darkness ... and I don't think it would take very much for you to dance my way. When an old enemy appears out of nowhere with an astonishing proposition for Max - a proposition that could change everything Max is tempted. Very tempted. With an end to an old conflict finally in sight, it looks as if St Mary's problems are over with. Can they all now live happily ever after? As everything hangs in the balance, Max and St Mary's find themselves engulfed in tragedies worse than they could ever imagine. Is this the end? The sixth book in the bestselling Chronicles of St Mary's series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. What if the course of history was on your shoulders? 'To do what I do - go where I go - see what I see - it's a wonderful, unique, never-to-be-taken-for-granted privilege.' With great privilege comes great responsibility, something Max knows only too well, and as newly appointed Chief Training Officer at the St Mary's Institute of Historical Research, it's up to her to drum this guiding principle into her five new recruits. With a training programme that includes Joan of Arc, an illegal mammoth, a duplicitous Father of History, a bombed rat, Stone Age hunters and Dick the Turd, the question everyone is asking themselves is - what could possibly go wrong? A Chronicles of St Mary's short story that is sure to entertain. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. Ever wondered how it all began? It's two years since the final victory at the Battersea Barricades. The fighting might be finished, but for Dr Bairstow, just now setting up St Mary's, the struggle is only beginning. How will he assemble his team? From where will his funding come? How can he overcome the massed ranks of the Society for the Protection of Historical Buildings? How do stolen furniture, a practical demonstration at the Stirrup Charge at Waterloo, students' alcohol-ridden urine, a widowed urban guerrilla, a young man wearing exciting knitwear, and four naked security guards all combine to become the St Mary's of the future?
