Your Road to Wealth Starts Here

Growing Up in Tough Times in the Ozark Foothills

The Book of Knowledge and Wonder

Award-winning author and journalist David Giffels explores the meaning of identity and place, hamburgers, hard work, and basketball in this collection of wry, irreverent essays reflecting on the many aspects of Midwestern culture and life from an insider's perspective. In The Hard Way on Purpose, David Giffels takes us on an insider's journey through the wreckage and resurgence of America's Rust Belt. A native who never knew the good times, yet never abandoned his hometown of Akron, Giffels plumbs the touchstones and idiosyncrasies of a region where industry has fallen, bowling is a legitimate profession, bizarre weather is the norm, rock 'n' roll is desperate, thrift store culture thrives, and sports is heartbreak. Intelligent, humorous, and warm, Giffels's linked essays are about coming of age in the Midwest and about the stubborn, optimistic, and resourceful people who prevail there.

In high school, everyone's talking about college. What to do. Where to go. Why it's important. Classes are given on it. Books are written about it. But details get left out. Every year, college graduates learn this the hard way as they step into adulthood. I was one of them. After earning a four-year degree, I went through two of the worst years of my life. Not that my situation is unique. I am a part of a generation that was told to go to college first and sort out the details later. Most of us did. We chased the promise of a big shiny future, and we ended up being chased by the mistakes of our past. That's not to say we completely regretted going. This book isn't a list of privileged millennial complaints. It's a collection of wisdom gained in less than pleasant ways. It's a story of hardship, failure, victory, and perseverance. It's all of the things we wish someone had told us. And it takes place before college, in college, after college, and without college. This is the wild, painful, awkward, hilarious, depressing, & beautiful journey from youth to maturity. This is the college book that no one ever gave us.

A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In I'm Glad My Mom Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I'm Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

THE #1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES THAT INSPIRED TWO MAJOR MOTION PICTURES AND THE UPCOMING STREAMING SERIES REACHER "The truth about Reacher gets better and better. . . . This series [is] utterly addictive."—Janet Maslin, The New York Times Jack Reacher was alone, the way he liked it, soaking up the hot, electric New York City night, watching a man cross the street to a parked Mercedes and drive it away. The car contained one million dollars in ransom money because Edward Lane, the man who paid it, would do anything to get his family back. Lane runs a highly illegal soldiers-for-hire operation. He will use any tool to find his beautiful wife and child. And Jack Reacher is the best manhunter in the world. On the trail of vicious kidnapers, Reacher learns the chilling secrets of his employer's past . . . and of a horrific drama in the heart of a nasty little war. He knows that Edward Lane is hiding something. Something dirty. Something big. But Reacher also knows this: He's already in way too deep to stop now. And if he has to do it the hard way, he will. This edition contains an excerpt from Lee Child's Bad Luck and Trouble.

The Hard Way Home

Remembering Joy

The Hard Way Out

Half-Shell Prophecies

Benevolent

A troubled young mother yearns for a shot at redemption in this heartbreaking yet hopeful story from #1 New York Times bestselling author Colleen Hoover. After serving five years in prison for a tragic mistake, Kenna Rowan returns to the town where it all went wrong, hoping to reunite with her four-year-old daughter. But the bridges Kenna burned are proving impossible to rebuild. Everyone in her daughter's life is determined to shut Kenna out, no matter how hard she works to prove herself. The only person who hasn't closed the door on her completely is Ledger Ward, a local bar owner and one of the few remaining links to Kenna's daughter. But if anyone were to discover how Ledger is slowly becoming an important part of Kenna's life, both would risk losing the trust of everyone important to them. The two form a connection despite the pressure surrounding them, but as their romance grows, so does the risk. Kenna must find a way to absolve the mistakes of her past in order to build a future out of hope and healing.

The spiritual godfather of Canadian bikers tells the story of his fascinating life. You could call Bernie Guindon the Sonny Barger of Canadian bikers (but not to his face). The founder of Satan's Choice, Guindon led what was in the 1960s the second-largest biker club in the world (after the Hells Angels, which Bernie would join briefly in the early 2000s) to national prominence and international infamy. His life wasn't all bikes and crime. He was also a medalist in boxing for Canada at the Pan Am Games. That tension between the very rough life he was born into and the possibility for success in the straight world (and how aspirations in each fed his success in the other) layer Guindon's story, one of the great untold stories in biker history. Friends from the biker world and Guindon's family have given extensive interviews for Hard Road, including his son, Harley, a convict and outlaw biker himself.

You Will Learn Python! Zed Shaw has perfected the world's best system for learning Python. Follow it and you will succeed-just like the hundreds of thousands of beginners Zed has taught to date! You bring the discipline, commitment, and persistence; the author supplies everything else. In Learn Python the Hard Way, Third Edition, you'll learn Python by working through 52 brilliantly crafted exercises. Read them. Type their code precisely. (No copying and pasting!) Fix your mistakes. Watch the programs run. Most importantly, you'll learn the following, which you need to start writing excellent Python software of your own: Installing a complete Python environment Organizing and writing code Basic mathematics Variables Strings and text Interacting with users Working with files Looping and logic Data structures using lists and dictionaries Program design Object-oriented programming Inheritance and composition Modules, classes, and objects Python packaging Debugging Automated testing Basic game development Basic web development It'll be hard at first. But soon, you'll just get it-and that will feel great! This tutorial will reward you for every minute you put into it. Soon, you'll know one of the world's most powerful, popular programming languages. You'll be a Python programmer. Watch Zed, too! The accompanying DVD contains 5+ hours of passionate, powerful teaching: a complete Python video course!

I Am Restored

Easy and Hard Ways Out

The Unlikely Rise of Walter Stadnick and the Canadian Hells Angels

The Book

The Hard Way

Hard Road

In 1913, on the fiftieth anniversary of the Lawrence, Kansas, Massacre, former bushwhacker Cole Younger stands before a preacher at a tent revival. "I was, I remain, and I will always be a wicked man," Younger states, taking a step toward salvation. And for a man like Cole Younger, there is much to confess.

When the challenges you've faced threaten to destroy your life, how do you find your way back to the truths you thought you believed? I Am Restored tells the untold story of how Lecrae's past nearly ruined his future--until he learned that the wounds we carry can have the potential to be unlikely guides to healing and freedom for ourselves and others. Throughout I Am Restored, Lecrae documents the shattering yet hopeful story of how he faced the scars of his past--sexual abuse, physical trauma, addiction, and depression--and emerged more fully human than ever before. With remarkable transparency and vulnerability, Lecrae reveals that at the height of his professional success, his life was spinning out of control, driven by a past that he had never confronted and a religious perspective that was incapable of meeting the challenge. I Am Restored takes an unflinching look at the personal and public spaces that are too often at the societal core of our pain and heartache--culture, politics, family, church, and more--and teaches us that forgiveness can be the birthplace of the life that God has created for us. Throughout this powerful, deeply personal account, Lecrae shares the life lessons he's learned about: Confronting the pain and trauma that has shaped your story Breaking the cycle of sin and shame and embracing joy and authenticity Finding hope and healing in the midst of chaos The simple practices that can change your mental, emotional, and spiritual health Leading a life that's bursting with creativity and true freedom I Am Restored is a hopeful, inspiring charge to start your journey to lasting healing today. No matter what your past has held, God is near you, he hears you, and he's not done writing your story.

FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran from the magical world years ago. She never planned on being dragged back in by a prophesying clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow King believes she can save him from his cannibalistic grandfather. Katie believes they're all nuts. One thing is for certain: she's not waiting around for help. Operation Katie Saves her Own Damn Self is officially on.

This book is an introduction to the world according to Jonny. It is not for the weak at heart, but is intended to share a small part of my life with you, which includes the Early Years, Destiny Florida, A touch of High School, Golf, Navy, Skiing, just to name a few.. As you read this book, you may think to yourself that at times I am enhancing the truth, but in fact you will find as time goes on that it is not only the truth, but it goes way deeper! So Sit back, and transform yourself to my words, and you will see for yourself that these words are nothing less than wholesome! I want you to know you will find my antics amusing, and other times appalling, but everything in this book really did happen. Nobody has that good of an imagination, including me! So sit back and enjoy the rollercoaster of emotions youre about to go on!

Roll of Thunder, Hear My Cry

Everything Nobody Told Us about Life After High School

My Life with the Hells Angels and Why I Turned Against Them

"Three Can Keep a Secret If Two Are Dead"

Writing Your Way Out Of It

The Hard Way on Purpose

Star high-school quarterback Romeo has everything on the right track until his older brother Kwamêe gets out of jail, their absentee mother returns to their lives, and Romeo's girlfriend Ngiai wants a serious relationship.

Everything you need to know to look after yourself to bring about and maintain perfect health, prosperity, wealth, happiness, quality of life and longevity. It reveals that we are, without realising, not doing enough or the right things to protect our health and prosperity which is equally extremely damaging to nature, wildlife, oceans, sea-life, fresh springs, waterways and air, and us. The Book by Linde utilises new and ancient knowledge from around the world, over the millennia identifying what changes we need to make to enhance every aspect of our lives with simple solutions for almost every situation. It is your most powerful contribution to protecting, nurturing and saving our planet. In summary, 'THE BOOK' Consists of Six Chapters which incorporates a summary within each one: Lifestyle; Food & Nutrition; Medical Care; Mind; Water; and Now Live the final chapter which you can cast your eye over first as it is a synopsis of the complete works. It is highly recommend to read from cover to cover but, it is packed with valuable information to just use as a Reference Manual on a day to day basis. Teaches you how to look after your body and mind to ultimately prevent illness, but also to help regain and maintain perfect health; Provides countless number of practical, realistic & simple tips to easily adopt into your day to day lifestyle improving quality of life, saving time & money and gaining longevity; Fuses together specialised areas in health & mind, lifestyle & environment under one cover; Identifies our day to day toxic exposures that we are unaware of and provides successful resolutions; Gives you complete fundamental knowledge and awareness, to use your courage to take responsibility for your life enhancing your health, prosperity and happiness; Provides you with ancient knowledge and practices to new, from science including quantum physics, to philosophy, psychology, and important detail on nutrition, exercise, energies and medicine; Is very current, answering all the conflicting hype about diets, the next super food or the bad effects of conventional drugs or sugar that are in the media weekly, even daily; For more information please visit www.thebookbook.co.uk

Destiny Allen, a Web designer for software giant Scenaria Security Systems, finds herself involved in a deadly puzzle that blurs the boundaries between the virtual and the real. At stake: the infrastructure of modern America. Her resources: Dina Gustafson, a college friend, and Karl Lustig, an Israeli technology journalist with friends in dark places. The challenge: sort the good guys from the bad before the lights go out. A fast-paced technology thriller, Web Games is about real risks and virtual worlds, about Internet threats as close as tomorrow's nightly news, and about the ever-escalating warfare between black-hat hackers and modern society.
