The Hidden Ways Scotland's Forgotten Roads Canongate Books

In *The Hidden Ways*, Alistair Moffat traverses the lost paths of Scotland - its Roman roads tramped by armies, its warpaths and pilgrim routes, drove roads and rail roads, turnpikes and sea-roads - in a bid to understand how our history has left its mark upon our landscape. As he retraces the forgotten paths that shaped and were shaped by the lives of the now forgotten people who trod them, Moffat charts a powerful, surprising and moving history of Scotland.

In *To the Island of Tides*, Alistair Moffat travels to - and through the history of - the fated island of Lindisfarne. Known by the Romans as *Insula Medicata* and famous for its monastery, it even survived Viking raids. Today the isle maintains its position as a space for retreat and spiritual renewal. Walking from his home in the Borders, through the historical landscape of Scotland and northern England, Moffat takes us on a pilgrimage in the footsteps of saints and scholars, before arriving for a secular retreat on the Holy Isle. *To the Island of Tides* is a walk through history, a meditation on the power of place, but also a more personal journey; and a reflection on where life leads us.

For ages 3 to 5 years. With the city blanketed in a deep snow, Ryan's dad is worried about how he will get to work. However, four year old, Ryan, knows just what to do. With the help of his snow blower, snowplow, dump truck, front loader, and a train, he clears the streets so that his dad can safely get to work.

A Tale of Love Rekindled, A Can't Miss Read Sure To Fill Your Heart With Laughter, Mystery and Adventure "I contribute plenty! Is it my fault you never listen to me?" Katie and John Duncan are enjoying, well - attempting to enjoy a quiet, long week in Edinburgh, Scotland together. During a day tour to Glasgow, they visit a medieval museum on a whim - something Katie is not so excited about. As John falls in love with the medieval displays, Katie can't help but notice a strange, squirmy little man seemingly following her. "Can I help you?" The squirmish man - startled, looks up at Katie. "I am Dr. Oscar Wellesley." He introduces himself and invites both Katie and John into a vault in the basement, to pick out a love story which describes two ancient Picts - a startling resemblance in looks to both Katie and John. They were involved in fighting off the Romans and, according to the story, were key to the withdrawal of the Romans from Southern Scotland. "What the hell." As the two are shocked by what they read in the book, they find themselves losing grip on reality. As they come back to consciousness, there is no museum, no vault - just mud, grass and an ancient battlefield. During this time and era, Katie and John discover their true past and begin to realize who they are and what they have become. What happens to Katie and John as they make their way through time? Will they ever make it back to present day? Do they find the love which had once bonded the two together? Find out in this heartwarming Scottish Historical Time Travel Romance.

SCOTLANDS FORGOTTEN PAST

Snow Buster

A new compendium of adventures, from the best-selling Wild Guide series (winner of travel guidebook of the year 2015). This guide to Scotland and the Scottish highlands and islands, one of Europe's fastest growing adventure holiday destinations, explores the hidden parts of its better known tourist areas, as well many more remote regions, rarely visited by tourists. Guiding you to over 800 wild swims, ancient forests, lost ruins and hidden beaches. Including inns, wild camping, local crafts, artisan whisky distilleries and wild places to stay.

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a

time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

The Secret History of Here is the story of a single place in the Scottish Borders. The site on which Alistair Moffat's farm now stands has been occupied since prehistoric times. Walking this landscape you can feel the presence and see the marks of those who lived here before. But it is also the story of everywhere. In uncovering the history of one piece of land, Moffat shows how history is all around us, if only we have the eyes to see it. Taking the form of a journal of a year, this is a walk through the centuries as much as the seasons, offering a glimpse into the lives of those who came before, as well as those who live here now. Grace is Born, a beautifully illustrated poetic parable, is the perfect gift for "sages of all ages, wearing the face of every race, talking the tongue of every one." This spiritual guide to harmonious living awakens our gifts of divinity, inspiring us to InSparkle our world with Loving Acts of Compassion. Grace guides us to take each other's hands, promising that together we will "far surpass the stance of survival and become enraptured in the dance of revival." Grace is Born accompanies readers throughout their childhood into adulthood.

As 8,000 Scottish soldiers, most of them spearmen, faced 18,000 English infantrymen, archers and mounted knights in June 1314 near the Bannock Burn, many would have thought that the result a foregone conclusion.

'Alistair Moffat's Bannockburn is a pacy account of the days leading up to the battle' - Saturday Herald 'A carefully considered account of a well-trodden historical event, Moffat enlightens and educates with an up-to-date interpretation of a battle firmly cemented in Scottish history' - Scottish Field 'Mr Moffat's account of the duel between Bruce and de Bohun is totally gripping and he is particularly enthralling about the councils of war on the eve of the second day's battle' - Country Life From the Ice Age to the recent Scottish Referendum, historian and author Alistair Moffat explores the history of the Scottish nation. As well as focusing on key moments in the nation's history such as the Battle of Bannockburn and the Jacobite Risings, Moffat also features other episodes in history that are perhaps less well documented. From prehistoric timber halls to inventions and literature, Moffat's tale explores the drama of battle, change, loss and invention interspersed with the lives of ordinary Scottish folk, the men and women who defined a nation.

Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-

tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttylea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

The Complete Guide to Scotland's Bothies and How to Reach

Love of Country

This book examines how contemporary Scottish writers and artists revisit and reclaim nature in the political and aesthetic context of devolved Scotland. Camille Manfredi investigates the interaction of landscape aesthetics and strategies of spatial representation in Scotland's twenty-first-century literature and arts, focusing on the apparatuses designed by nature writers, poets, performers, walking artists and visual artists to physically and intellectually engage with the land and re-present it to themselves and to the world. Through a comprehensive analysis of a variety of site-specific artistic practices, artworks and publications, this book investigates the works of Scotland-based artists including Linda Cracknell, Kathleen Jamie, Thomas A. Clark, Gerry Loose, John Burnside, Alec Finlay, Hamish Fulton, Hanna Tuulikki and Roseanne Watt, with a view to exploring the ongoing re-invention of a territory-bound identity that dwells on an inclusive sense of place, as well as on a complex renegotiation with the time and space of Scotland.

Jake is a mountain man in 1838 Colorado who finds he is dying from Cancer. He isn't given much time to live, and doc says it is going to be painful. He sends him off with some medicine to help cope with the pain. Instead of going home to die, Jake decides to set out on a last adventure to find the perfect secluded valley for his final resting place. His best friend, Joe Barnes, won't let him go alone, and he brings along a deaf mute girl named Beth. Along the way they save some children from hostile Indians, guide a wagon train to safety,

spend time with old friends, and settle an old score with a past friend.

One mistake can shatter dreams and shape the future. Alexis knows this first hand. Even though her memory of that day is hazy, she has spent the last ten years trying to put it behind her. Armed with the knowledge that her career will be her only legacy, Alexis works night and day to prove that she is more than just her last name. It's not only that she doesn't have time for love. She doesn't have the heart for it. After all, there's no point in starting something you can't finish. When she meets Adam, she's drawn to him in a way even she can't deny. The film student is dark and brooding and strangely charming. He's the perfect distraction from her mundane life. And, as if fate is pushing them together, he seems to be around every corner. It's enough to almost make her entirely forget about her past and take a chance. But Adam can recall every detail that she's forgotten. What she doesn't remember, he can't forget.

Alli-Kar, a white-hole portal from another universe, rains meteoroids onto the surface of the planet Kelanni. But the so-called "lodestones" behave according to different physical laws, transforming Kelanni's society. With the aid of the fearsome Keltar in their flying cloaks, the Kelanni are being put to forced labor to mine the lodestones. Shann, an orphan with a fiery disposition, witnesses a battle between a Keltar and a stranger bearing a similar flying cloak. She tracks down the stranger, learning of the technology behind the Keltars' power and joining him on a mission to free the slaves and cut off their supply of lodestones. Meanwhile Keris, a Keltar, is sent on a mission to track down the rebels. She is attacked by a flying creature and saved by the enigmatic Chandara. At their Great Tree, she learns that a mysterious "Prophet" is out to destroy the Kelanni people. Their only hope is a powerful instrument hidden in the distant past. Pursued by Keltar, the party will encounter bizarre creatures, ancient technologies and terrifying dangers. Finally, they must seek to cross a massive storm barrier in order to reach the other side of their world, where a world-shaking revelation awaits.

A small town is haunted by a crime from 15 years ago. Not one suspect was ever brought to justice. But now, 15 years later, when likely suspects seem to be disappearing from tragic events, the town's down-and-out fire chief may know more than he's letting on. David, the alcoholic fire chief, has had too many things go wrong in his life and has nothing left to live for. Brian Grace lost his daughter 15 years ago and has looked for her ever since. His bodyguard, Jason, is a tough character that likes to control his surroundings and protect his employer. Kelly, the detective, is an attractive woman and finds herself getting more involved with the case than anyone could have predicted. And, there is Chad and his three friends; a tough and nasty group of old school mates that cause trouble wherever they turn up. What could possibly be happening in this small town, and is it even connected to a girl's disappearance 15 long years ago?

*Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation—and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay—which is sometimes zany and sometimes frightening—he meets his hero, Michelangelo, who teaches him the true meaning of art.*

*Shortlisted for the Edward Stanford Travel Writing Awards In *The Hidden Ways*, Alistair Moffat traverses the lost paths of Scotland. Down Roman roads tramped by armies, warpaths and pilgrim routes, drove roads and rail roads, turnpikes and sea roads, he traces the arteries through which our nation's lifeblood has flowed in a bid to understand how our history has left its mark upon our landscape. Moffat's travels along the hidden ways reveal not only the searing beauty and magic of the Scottish landscape, but open up a different sort of history, a new way of understanding our past by walking in the footsteps of our ancestors. In retracing the forgotten paths, he charts a powerful, surprising and moving history of Scotland through the unremembered lives who have moved through it.*

*This unique "fusion of science and the physical history" traces the story of the Scots through their DNA (Sunday Herald). An almost limitless archive of our history lies hidden inside our bodies, and this book traces the ancient story of Scotland from that scientific viewpoint. The mushrooming of genetic studies, of DNA analysis, is rewriting history in spectacular fashion. In *Scotland: A Genetic Journey*, Alistair Moffat explores the history that is printed on our genes, and in a remarkable new approach, uncovers the detail of where Scots are from, where they have journeyed, and who they are—and in so doing, vividly colors in a DNA map of Scotland. "[Moffat] is wonderfully able to communicate the epic elements of the story." —Scotsman*

Our lives are spent watching the clock. We go to sleep by it. Wake up to it. Rely on it. Race it. It's easy to forget that we're only given so much. We ignore it because we're convinced we'll always have more. I am proof

that we aren't promised anything. The clock owes us nothing. I know this because not only was Time my name, I wasn't given enough of it. Sure I had challenges but I vowed to make the most of it, of my young life. My limitations wouldn't hold me back. Time was on my side. Then I was told otherwise. Now the clock was working against me. I would face this disease alone. Then he walked in and changed everything. He gave me a reason to fight. He helped me prepare. Like others before me, when time slowed I wasn't ready. I begged for more. But the clock, it stopped for no one. On the day my world went black, I refused to take him with me. Only he didn't listen. I was a doctor. A bringer of bad news. I read the chart. She was fucked. My hands, they were tied. I was a doctor who could not heal what was beyond that door. I had no hope to offer her. But I wanted this over with. The sooner the better. I walked in, looked up and saw color. Not one. All of them. They surrounded her. She was a patient. You did not cross that line. I would not cross that line. I should have kept my eyes closed. Life was easier when you didn't see. But they were open now. They saw her. They saw everything. Suddenly invisible lines ceased to matter. For me, Time mattered. How far would you go to make sure the one you loved had enough of it? Would you challenge the clock? Help them prepare? Could you watch them suffer? Could you accept a life without them in it? Or, would you follow them into the darkness? I did. This is our story. Two stolen Pakistani nuclear bombs, a conspiracy to manipulate the global market in rare earths and a plot to assassinate the President of the United States. It's going to be a busy week for Ali Monpour, special investigator for the National Security Advisor. Rare Earths is a fast-paced political thriller ripped from today's headlines! Action and intrigue intertwine from the deserts of Balochistan to the halls of power in Washington, D.C.

"A brisk and accessible guide to a thousand years of reiving and rivalry in the Highlands." —The Scotsman
A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide in the dark and dangerous streets of Adderlass. A seed of evil was planted under Adderlass, a city where monsters hide behind masks of humanity and ordinary people shuffle anesthetized and addicted by the sickly supernatural power wafting up from below. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Adderlass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy.

Our choices seal our fate. Hannah Reed is about to learn just how important one little decision can be. Hannah's plans for a nice, quiet senior year of high school are rapidly disintegrating. It all starts when she innocently bursts in on Ethan Flynn in the change room of the clothing store where she works. Ethan's presence in Hannah's world is subtle but constant, and when he saves her life, they become linked by the workings of an ancient society and Ethan's sworn duty to protect Hannah. Working together to figure out what destiny wants with Hannah, the two of them stumble on a baffling mystery that leaves even Ethan questioning what is in store for her future. With Ethan's help, Hannah learns there is far more to this life, to her life, than she ever realized. As they attempt to untangle Hannah's unique past and emerging abilities, an unknown danger from Ethan's past looms ever closer. While racing to put together the pieces of the puzzle before it's too late, Hannah wrestles with the idea that she is anything but average, and that perhaps she is also more to Ethan than just a job. WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN
When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.

"Over six years, Bunting traveled the Hebrides, exploring their landscapes, histories, and magnetic pull. She delves into the meanings of home and belonging, which in these islands have been fraught with tragedy as well as tenacious resistance. Bunting considers the extent of the islands' influence beyond their shores, finding that their history of dispossession and migration has been central to the British imperial past."--Provided by publisher.

The Unremembered Places is a poignant and enthralling take on some of Scotland's most fascinating, yet overlooked, places of interest. Shortlisted for the The Great Outdoors Awards - Outdoor Book of the Year 2020 and the Boardman Tasker Award for Mountain Literature 2020.

This is the story of Galicia, once a crown land of the Austrian Empire, located in the center of Europe. Although largely forgotten today, Galicia was a vibrant, multicultural place where the lives of numerous ethnic and religious groups were intertwined for generations. Galician Trails explores every facet of this long-gone land, from tiny farming villages tucked into mountain passes, to towns filled with a variety of small industries and craftspeople, to modern cities with the conveniences of the late nineteenth and early twentieth centuries. The political struggles and wise compromises that kept Galicia's citizens together for centuries, and the tragic forces that ultimately tore Galicia apart, unfold here before our eyes. When Andrew Zaleski set out to learn a bit more about his grandmother, little did he know that he was embarking on the journey of a lifetime-one that would take him back to faraway Galicia. Along the way, he encountered many of his ancestors, from simple sheep farmers to nobles, from men who helped establish railroads-the exciting new technology of the late nineteenth century-to pioneering professional women of the early twentieth. One of the latter was the author's grandmother, Helena Regiec Sobolewska, a talented educator and a determined, independent woman. She raised a daughter single-handedly through the turmoil of the Great War and the little-known conflicts that followed it. Although the real Galicia disappeared from maps long ago, it will live on in the memory of anyone who travels there through the richly illustrated pages of Galician Trails. This book is for you if you are interested to Discover the rich lives of those who lived in Galicia in the nineteenth and twentieth centuries Find out something about your Austrian, Jewish, Polish, or Ukrainian ancestors who once lived in the land that is divided today between Poland and Ukraine See how new mixed with old to change people's lives Learn little-known details of how World War I and the events that followed forever changed the lives of the people of Galicia
