The Holy Koran in the Library of Congress

The Quran, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man's discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-life. The main themes of the Quran are enlightenment, closeness to God, peace and spirituality. The Quran uses several terms, tawassum, tadabbur, and tafakkur, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes. Koran, Qur'an, Coran, Kuran, Islam, Prophet Muhmmad

An immense understanding of the Qur'an is offered here, a vast treasure of knowledge and deep insight and a valuable exposition of some social, political, economic and legal teachings of the Qur'an. But what makes this work unique is that it presents the Qur'an as a book to be lived by. With thousands of notes, an introduction and comprehensive index.

The Holy Quran English Translation and Commentary · Detailed commentary with extensive references to standard authorities, both classical and modern · Comprehensive introduction deals with Islamic teachings and the collection and arrangement of the Holy Quran · Extensive Index Reviews "There is no other translation or commentary of the Holy Quran in the English Language to compete with Maulvi Muhammad Alis Masterpiece." Al-Haj Hafiz Ghulam Sarwar, translator of the Holy Quran

The Holy Quran () Arabic Edition Vol 1 Surah 001 Al-Fatihah and Surah 038 Saad Hardcover Version. The Holy Quran is a compilation of the verbal revelations given to the Holy Prophet Muhammad SAW over a period of twenty three years. The Holy Quran is the Holy Book or the Scriptures of the Muslims. It lays down for them the law and commandments, codes for their social and moral behaviour, and contains a comprehensive religious philosophy. The language of the Quran is Arabic. Besides its proper name, the Quran is also known by the following names: al Kitab (The Book); al Furqan (The Discrimination); al Dhikr (The Exposition); al Bayan (The Explanation); al Burhan (The Argument); al Haqq (The Truth); al Tanzil (The Revelation); al Hikmat (The Wisdom); al Huda (The Guide); al Hukm (The Judgment); al Mau'izah (The Admonition); al Rahmat (The Mercy); al-Noor (The Light); al-Rooh (The Word). The Holy Quran is divided into 114 Surahs or Chapters and each Chapter consists of individual Ayaat or verses. There are in total 6,348 verses in the Holy Quran. The Surahs are of varying lengths, some consisting of a few lines while others run for many pages. Surah al Baqarah (Ch.2) is the longest Chapter comprising 287 verses while Surah al Kauthar (Ch. 108) is the shortest with only four verses including the tasmia. The text of the Holy Quran has remained unchanged over the past 1400 years. The millions of copies of the Quran circulating in the world today are all identical down to a single letter. And this is not strange since Allah SWT (God) says in the Holy Quran that He Himself will guard this book: "Surely it is We Who have revealed the Exposition, and surely it is We Who are its

guardians" (Holy Quran 15:10)
