Savage alien planet! Oppressed barbarian tribes! Corrupt emperor! Deadly woman warrior! Gladiators and slaves! Battle axes and hand blasters! Monsters and heroes... and the Incredible Hulk! Let the smashing commence! Collects Incredible Hulk (1999) #92-105.

On the Damned World--a planet once known as "Earth"--twelve different races of beings, including Vampires, Mermen, Cyclopes, and a nearly extinct humankind, have battled for control and survival for eons, until those sick of war, fear, and death band together to seek a legendary Orb of Light that they hope can bring peace to their world. 25,000 first printing.

"Goes into extensive detail about the individual characters starting from their origins and their transition and evolution through the decades...makes for fascinating reading"--Collector's Corner The Incredible Hulk is one of the earliest Marvel Comics superheroes. Through the decades, the character and his narrative elements--the causes of Bruce Banner's transformations, the Hulk's strength, intelligence and skin color, the stories' tone, theme and sources of conflict--have been continually reinvented to remain relevant. This collection of new essays explores Marvel's more than five decades of Hulk comics. The contributors analyze the Hulk and his supporting cast in their shifting historical contexts, offering insights into both our popular entertainment and our cultural history. Topics include the Cold War's influence on early Incredible Hulk issues, a feminist reading of She-Hulk and writer Peter David's focus on the AIDS crisis.

Dr. Bruce Banner has led a life of endless struggling against the rampaging beast within that was spawned in the heart of a gamma bomb explosion. Now, an experimental operation may hold the key to the cure he has long sought. But the risk carries with it an unexpectedly high price, especially when the horrific secret of his wife Betty's pregnancy is revealed.

Collects Savage She-Hulk (1980) #1-14. When criminal defense attorney Jennifer Walters is shot by a mob hitman, her cousin saves her life with a blood transfusion - but that cousin is Bruce Banner, and his gamma-irradiated blood turns her into the Savage She-Hulk! Suddenly she's a mean, green lawyering machine, and criminals the world over had better watch out. Now, experience She-Hulk's adventures from the very beginning! Her quest will take her from the halls of justice to other dimensions and pit her against Iron Man, mind-controlling cults, the Man-Thing, and even her own father. But despite her new power, can Jennifer Walters survive the beast within? Her own blood is killing her - and only Morbius the Living Vampire may have the cure!

From acclaimed filmmaker Ang Lee, a dark vision of the beast that lives inside the man . . . In a Berkeley lab, Bruce Banner, a young man haunted by his murky past and the parents he never knew, works intensely day and night. A bright scientist with repressed emotions and few social skills, Bruce and his colleague, the sharp and beautiful Betty Ross, experiment with the body's ability to repair itself and fight disease. But their research draws unwanted attention. For the power of regeneration catches the eye of the military, which sees its potential on the battlefields of the future. But when Bruce is exposed to radiation in an accident that should have killed him, a ferocious truth about his past begins to emerge—along with something else, something deep inside his own body that is triggered when he is provoked . . . when he is pushed beyond reason . . . when anger takes over and he transforms into . . . THE HULK From the Paperback edition.

Collecting three classic fan-favorite Wolverine novels together for the first time in a brand-new omnibus edition, including origin story Weapon X. WEAPON X by Mark Cerasini Before joining the X-Men, Wolverine was simply a directionless loner mutant named Logan. This is the cruel origin of Logan's transformation into Wolverine, as seen through the eyes of his tormentors. Their goal is to create the ultimate weapon, an indestructible man. As Logan manages to free himself from his captors, a brutal wave of violence affects all those involved. ROAD OF BONES by David Alan Mack Wolverine is tapped by a government agency to investigate rumors of a miracle cure developed by a sinister underworld organization, and used to gain leverage and control over desperate African nations. Wolverine must thwart the criminals' schemes and recover the panacea for benign use. But hope may turn to ashes as Logan learns that nothing is quite as it seems. LIFEBLOOD by Matthew Hughes Wolverine's memories of fighting in the Canadian army during World War II begin to resurface. Digging deeper, he discovers he was a prisoner of war, at the will of a ruthless Nazi scientist determined to unlock the secrets of Logan's mutant healing powers. What Logan doesn't know is that the scientist is still at large, and he'll stop at nothing to finish what he started sixty years earlier...
