Made from distilled wine, brandy has a long, noble tradition of

refined consumption, but it has also recently experienced a surge in popularity thanks to new cocktail trends. Brandy chronicles the history of this very popular spirit, traveling from medieval alchemists to present-day drink mixologists and exploring brandy's production and consumption from the Middle Ages to today. Delving into brandy's fascinating story, Becky Sue Epstein reveals that many cultures have contributed to the history of the beverage, from the Dutch calling the drink "burnt wine" to the Spanish colonials in Peru and California who produced the first brandies in the New World. She also explores the distillation and aging processes, and she discusses the spirit's many varieties, including the elegant, amber Cognac and the more overlooked Armagnac. In addition, Epstein offers advice on buying, storing, and serving brandy, while also providing recipes for both classic and new

If your interest is in distilling alcohol then this book is for you. It will show you how to build a six gallon electric alcohol still, and use it to turn corn, sugar, or almost anything you can ferment into high proof alcohol. The still heats the wash with a water jacket in which is immersed a 120 volt water heater element. Temperature is controlled with a thermostat. Eventually vapors boil through the rectifying column to the condenser. If you carefully maintain the precise temperature you will get almost pure alcohol.

The compelling story of how one man took a 150-year-old family recipe and disrupted the entire liquor industry one sip, one bottle, one handshake at a time Tom Bulleit stood on a stage before a thousand people inside a tent the size of a big-top. It was both his thirtieth wedding anniversary and his birthday. But there was another thing to celebrate: the

dedication of the new Bulleit Distillery in Shelbyville, Kentucky. His great-great-grandfather, Augustus, created his first batch of Bulleit Bourbon around 1830. A century and a half later, Tom fulfilled his lifelong dream, revived the old family bourbon recipe, and started Bulleit Distilling Company. Eventually, Tom was named a member of the Honorable Order of Kentucky Colonels, and elected to the Kentucky Bourbon Hall of Fame. Thinking back on all his achievements, Tom was overcome by a wave of emotion. He looked into the sea of faces and said, “ I don't believe our lives are told in years. . . or months. . . or weeks. I believe we live our lives in moments.” Tom ’ s book Bulleit Proof is just that—a life told in moments. Moments of joy, triumph, hardship, persistence, and success. His is a story of survival:
