

## The Lotus And Cross Jesus Talks With Buddha Ravi Zacharias

Buddhism is not a way of harmony and cosmic unity, as Westerners tend to think. Although Buddhism is a rapidly rising religion in the West, few Westerners know what Buddhism is like from the inside. Steve, who made the journey from Buddhism to Christ, explains the Buddhist mind-set and worldview, and makes useful points of comparison.

"An extraordinary novel . . . a triumph of insight and storytelling"—Associated Press. "A true masterpiece."—Glennon Doyle, author of Untamed An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of The Secret Life of Bees and The Invention of Wings In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a small town in the American South, Ana is a prodigy, a child prodigy, a prodigious scholar, a prodigious writer, a prodigious thinker. She is a prodigy in every way. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, The Book of Longings is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a work of art, a work of history, a work of faith. The Aquarian Gospel of Jesus the Christ is Levi's most famous work, published in 1907. In it, he fills in the missing years of Jesus' life with reports on his early education with Jewish rabbis, a trip to India where he learned about Hinduism and the Vedas, and his further travels to Tibet, Persia, Assyria, Greece, and Egypt. The historical accuracy of Levi's writing is questionable, and the work is considered apocryphal by all but the Church Universal and Triumphant, but his message bolsters the heroic image of Jesus as a savior of men everywhere. American preachers have used the book to strengthen his spiritual power and understanding. With this practice, he claimed to have gotten access to God's Book of Remembrance, which contains all knowledge of history, and wrote a number of histories based the revelations within that book.

In a world with so many religions, why Jesus? We are living in a time when you can believe anything, as long as you do not claim it to be true. In the name of "tolerance," our postmodern culture embraces everything from Eastern mysticism to New Age spirituality. But as Ravi Zacharias points out, such unquestioning acceptance of all things spiritual is absurd. All religions, plainly and simply, cannot be true. Jesus Among Other Gods provides the answers to the most fundamental claims about Christianity, such as: Aren't all religions fundamentally the same? Was Jesus the way, the truth, and the life? In each chapter, Zacharias considers a unique claim that Jesus made and then contrasts the truth of Jesus with the founders of Islam, Hinduism, and Buddhism with compelling insight and passionate conviction. In addition to an impressive breadth of reading and study, he shares his personal journey from despair and meaninglessness to his discovery that Jesus is who He said He is. "In Jesus Among Other Gods, Ravi Zacharias demonstrates that he is one of the most intellectually gifted as well as spiritually sensitive writers of our time. He is a man of letters, a man of faith, and a man of God." —David Akman, author of Great Souls Has Christianity Failed You?

Sense and Sensuality

Jesus The Son of Man

Jesus and Buddha

The Lamb and the Fuhrer

Walking from East to West

One of the greatest defenders of faith answers penetrating questions about the meaning of life and the existence of a God who is there for his children, inviting readers on a journey through his life—from East to West and then back again. 85,000 first printing. \$40,000 ad/promo.

Side-by-side examples that let you discover the teachings of Jesus and Buddha—and the striking similarities between them. This stunning collection is perfect for those curious about the influential teachers Jesus and Buddha, and their lessons of peace, love, patience, and kindness. Witness as two of the most holy beings meet in a thought-provoking encounter of the spirit. Compare the Bible verse: " Jesus knew all people and needed no one to testify about anyone; for he himself knew what was in everyone " (John 2:24-25) to the Buddhist scripture: " He was expert in knowing the thoughts and actions of living beings " (Vimalakirtinirdesha Sutra 2). Written by a renowned New Testament scholar and national bestselling author, and with an introduction by Jack Kornfield, Jesus and Buddha is a timeless testament to what makes us similar rather than different. With over 100 examples presented side by side, this is a perfect book for anyone interested in Christianity, Buddhism, mindfulness, meditation, and all ways of seeking enlightenment.

Popular scholar Ravi Zacharias sets a captivating scene between Jesus Christ and Gautama Buddha in the first book of the Conversations with Jesus series. Have you ever wondered what Jesus would say to Mohammed? Or Buddha? Or Oscar Wilde? Maybe you have a friend who practices another religion or admires a more contemporary figure. Drop in on a conversation between Jesus and some well-known individuals whose search for the meaning of life took them in many directions—and influenced millions. Through dialogue between Christ and Gautama Buddha, Zacharias reveals Jesus' warm, impassioned concern for all people and explores God's true nature.

In 2006, Ravi Zacharias International Ministries (RZIM) held an open forum at the Fox Theater in Atlanta to address the subject: "Has Christianity Failed You?" Tickets were sold for the event and—to the complete surprise of everyone—the event was sold out with a capacity crowd of over 5,000. People lined up offering to buy tickets from folks in line for higher prices. Before the event, an RZIM cameraman walked the streets and asked people if they had rejected the faith they held at one time. One answered that, because of a Christian's rejection of his gay lifestyle he had done just that. Another answered that she had left her faith because she had fallen into adultery and could never live it down in the church. Others had their own reasons. Some said it was just intellectually untenable in an age of reason. They chose to come to the event to judge if there were adequate answers. It is estimated that for every one person who writes a letter or attends an event, there are one thousand who agree. If the Atlanta crowd was any indication, the question is real and troubling. Why is it that many live with silent doubt, many leaving the "evangelical fold" for something else? Is there something wrong with the message, the communicator, the hearer . . . or is it all three? It's time to ask the hard questions of what it means to be a follower of Jesus Christ and why it seems as though God has made it so hard to continue believing. In fact, the son of a prominent US Senator phoned me with that very question. "Why has God made it so hard to believe in Him?" Such skepticism is not just representative of the hostile; it also represents many honest questioners. This book attempts to lay out the response to those within as well as those outside the Christian faith so as to understand what it is we believe and why it is so hard to do so. More to the point: Why it is actually so hard to deny God and still make sense out of life? In the end the answers should be both felt and real, with the added truth that God is nearer than you think. He desires that we sense Him very near to us and not distant. But closeness comes at a cost just as any relationship of love and commitment does.

Living Buddha, Living Christ

Catholicism and Buddhism

Ravi Zacharias and Vince Vitale defend the absolute claims of Christ against modern belief in the "secular gods" of atheism, scientism, relativism, and more. The rise of these secular gods presents the most serious challenge to the absolute claims of Christ since the founding of Christianity itself. The Christian worldview has not only been devalued and dismissed by modern culture, but its believers are openly ridiculed as irrelevant. In JESUS AMONG SECULAR GODS, Ravi Zacharias and Vince Vitale challenge the popular "isms" of the day, skillfully pointing out the fallacies in their claims and presenting compelling evidence for revealed absolute truth as found in Jesus. This book is fresh, insightful, and important, and faces head on today's most urgent challenges to Christian faith. It will help seekers to explore the claims of Christ and will provide Christians with the knowledge to articulate why they believe that Jesus stands tall above all other gods. Humans are created in the image of God, yet by choosing to rebel against God we become unfaithful bearers of his image. But Jesus, who is the image of God, restores the divine image in us. At the intersection of theology and culture, these essays offer a unified vision of what it means to be truly human and created in the divine image in the world today.

The Lotus and the CrossJesus Talks with BuddhaMiltonmah

The unique story of Jesus, Saint Thomas his Apostle, and how the Dharma of India became part of Original ChristianityThere is a strong connection between Jesus and India, both historically and philosophically. And his disciple, Saint Thomas, who was the apostle of India, built upon the foundation of that connection. The result is that unique form of Christianity known as Saint Thomas Christianity.In The Christ of India, Abbot George Burke presents the growing evidence that Jesus spent much of his "Lost Years" in India and Tibet, and reveals the philosophical unity of Jesus' teachings with the Eternal Way of Truth known in India as Santana Dharma. The history of Saint Thomas Christianity from the times of Jesus and Saint Thomas to the present day is also outlined. The Christ of India: The Story of Original Christianity includes the following:; The Christ of India, about the Essene roots of Jesus and the early Christians; the spiritual training of Jesus; The "lost years" of Jesus, with much information never before gathered together in one place; Jesus' return to the West, and how his teachings were misunderstood; Jesus' return to India after his resurrection; and much more.; The Apostle of India, about how Jesus' apostle Saint Thomas went to India, and how the Christianity which grew up in India had a totally unique character compared to elsewhere in the world; the history of Saint Thomas Christianity in India and the story of mission from the Church of India to America in the 1800's and what happened to it.; Basic Beliefs of Original Christianity.You will learn about the manuscripts which proved Jesus lived in the "East," and the efforts to suppress the news of their discovery.You will learn about the Indian Saint Thomas Christian bishop of the 18th century who taught karma and reincarnation, who later became a wonderworking saint revered by Christians, Hindus, and Muslims alike.Those who find themselves attracted to both Jesus and the Dharma of India will find this book fascinating and illuminating.

Recapture the Wonder

What does it all mean? Why does it often seem that the things that happen in the world are random? Is there a purpose for my life? This book is the perfect gift for those asking the tough questions about life and wondering how they fit into God's plan. Featuring 96 short, easy-to-read pages, and including topical Scripture verses, this book is sure to speak to those searching for meaning. Content is excerpted from The Grand Weaver by Ravi Zacharias.

This 50th-anniversary edition, with a new foreword by the distinguished historian Martin E. Marty, who regards this book as one of the most vital books of our time, as well as an introduction by the author never before included in the book, and a new preface by James Gustafson, the premier Christian ethicist who is considered Niebuhr's contemporary successor, poses the challenge of being true to Christ in a materialistic age to an entirely new generation of Christian readers.

Break free from the weariness and cynicism of life to enjoy God's amazing promise of childlike joy! It's time to reclaim that awesome sense of wonder--to experience God's amazing promise of childlike joy.

That is the mission of the Christian Church is one of the most important stories in the development of the world's history, but also one of the most enigmatic and little understood, shrouded in mystery and misunderstanding. Through a forensic, brilliant reexamination of all the key surviving texts of early Christianity, Geza Vermes illuminates the origins of a faith and traces the evolution of the figure of Jesus from the man he was a prophet recognizable as the successor to other Jewish holy men of the Old Testament to what he came to represent: a mysterious, otherworldly being at the heart of a major new religion. As Jesus's teachings spread across the eastern Mediterranean, hammered into place by Paul, John, and their successors, they were transformed in the space of three centuries into a centralized, state-backed creed worlds away from its humble origins. Christian Beginnings tells the captivating story of how a man came to be hailed as the Son consubstantial with God, and of how a revolutionary, anticonformist Jewish subject became the official state religion of the Roman Empire. /div

The Contrasting Lives and Teachings of Jesus and Buddha

New Birth or Rebirth?

The Story of Original Christianity

A primary resource for motivating all Christians to become thoughtful apologists of their faith Although apologetics is as crucial today as it has ever been, the classical model for defending the faith often seems irrelevant to the 21st century where people listen with their eyes and think with their emotions. Is Your Church Ready? Presents a team of highly qualified Christian thinkers—including Ravi Zacharias, John Guest, Jay Budziszewski, Judy Salisbury, Dean Halverson, and Peter Grant—who build a case for the place of apologetics in the local church, home, and school. Using personal examples and illustrations they address: • How to answer objections to Christianity • How to equip children in the home and prepare youth to remain committed to Christ after they leave for college • How to reach international students and the foreign-born Included are discussion questions and a “Church Leaders Resource Guide” to the best books, articles, organizations, and websites on the subject.

Ultimate truth. The destiny of souls. The individual heart. Can Krishna and Jesus agree on anything? This is what Subramaniam, a real-life Hindu of the twentieth century, wonders as he enters a fictitious conversation between two religious figures who have changed the lives of millions. As Jesus and Krishna respond to each other's view of life and the afterlife, they speak words straight from the texts of Christianity and Hinduism and straight into the soul. Subramaniam asks Jesus and Krishna hard questions about faith. Meanwhile, a fictional character, Richard, eavesdrops, asking himself the most important question of all: Does it really matter what I believe?

WHY versus WHY NOT? Why did God place us in a world full of pleasures if we aren't meant to pursue them all? In an imaginative dialogue, Oscar Wilde asks Jesus Christ to respond to this question about critical lifestyle choices. Their talk vividly illustrates the arguments for both sensual pleasure-seeking and moral moderation. Playwright, dramatist, poet, critic—Wilde openly defied the mores of Victorian society. His literary repartee fueled an “if it feels good, do it” humanistic philosophy that is still prevalent in the world today. SO WHAT DOES JESUS SAY?

**The Countercultural Claims of Christ**

Why would a loving and powerful God allow so much pain and suffering? In WHY SUFFERING? Ravi Zacharias and Vince Vitale carefully walk you through a variety of responses that considered together provide a clear, comprehensive, and convincing answer. Responses like: Where there is the possibility of love, there has to be the reality of freedom, and therefore the possibility of pain. Wishing God had made a different world is to wish yourself out of existence. The cross is the key to a compelling and rational explanation for trusting in God in the face of suffering. In comparison with other world religions, the Christian response is highly distinctive. The reality of evil only makes sense in light of the reality of divine goodness. Relational knowledge about God takes the argument beyond reason to the presence of God amidst suffering. God's decision to allow temporal suffering is understandable when viewed from an eternal perspective. Divine goodness shows how to conquer not in spite of, but even through suffering. Here is a book written with great respect for the complexity of the issue, recognizing that some who read it will be in the trenches of deep suffering themselves and others questioning the very existence of a loving God. WHY SUFFERING? provides an answer to the problem of pain and suffering with emotional sensitivity and intellectual integrity.

A "marvelous" (Economist) account of how the Christian Revolution forged the Western imagination. Crucifixion, the Romans believed, was the worst fate imaginable, a punishment reserved for slaves. How astonishing it was, then, that people should have come to believe that one particular victim of crucifixion-an obscure provincial by the name of Jesus-was to be worshipped as a god. Dominion explores the implications of this shocking conviction as they have reverberated throughout history. Today, the West remains utterly saturated by Christian assumptions. As Tom Holland demonstrates, our morals and ethics are not universal but are instead the fruits of a very distinctive civilization. Concepts such as secularism, liberalism, and homosexuality are deeply rooted in a Christian seedbed. From Babylon to the Beatles, Saint Michael to #MeToo, Dominion tells the story of how Christianity transformed the modern world.

The recent tide of books comparing Christianity and Buddhism has centered mostly on similarities. The Dalai Lama, for example, provided his opinions on Christianity in a popular book, The Good Heart: A Buddhist Perspective on the Teachings of Jesus (1996). Other writers have equally sought to describe these two traditions as "two paths to the same place." Finding these approaches overly simplified, Anthony Clark confronts the distinctions between Buddhism and Catholic Christianity, acknowledging areas of confluence, but also discerning areas of abiding difference. Clark provides here a Catholic view of Buddhism that avoids obfuscations, seeking clarity for the sake of more productive dialogue.

Song's volume explores the mystery of the Word that from the beginning of time now comes poignantly to us in the stories and testimonies of women, men, and children. Song eloquently fashions a people hermeneutic to sketch an account of Jesus' life, ministry, death, and resurrection for our world today.Drawing upon a vast storehouse of Asian wisdom, ancient and modern, Song helps us to recover the authentic tradition of Jerusalem....? The Truth about Jesus

The Absolute Claims of the Christian Message

*Who is Jesus Christ? You've never met Him in person, and you don't know anyone who has. But there is a way to know who he is. How? Jesus Christ - the divine Person revealed in the Bible - has a unique excellence and a spiritual beauty that speaks directly to our souls and says, "Yes, this is truth." It's like seeing the sun and knowing that it is light, or tasting honey and knowing that it is sweet. The depth and complexity of Jesus shatter our simple mental frameworks. He baffled proud scribes with his wisdom but was understood and loved by children. He calmed a raging storm with a word but would not get himself down from the cross. Look at the Jesus of the Bible. Keep your eyes open, and fill them with the portrait of Jesus in God's Word. Jesus said, "If anyone's will is to do God's will, He will know whether the teaching is from God or whether I am speaking on my own authority." Ask God for the grace to do His will, and you will see the truth of His Son. John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else.*

*A hypothetical conversation between Jesus Christ and Adolf Hitler - two men who are polar opposites in character of good and evil, respectively.*

*"A phenomenal resource that is both user-friendly and up-to-date, [and will] equip believers to defend this crucial issue." -Josh McDowell. Includes an interactive CD in a game-show format to test your memory of the key issues and concepts.*

*'Thich Nhat Hanh is a holy man, for he is humble and devout. He is a scholar of immense intellectual capacity. His ideas for peace if applied, would build a monument of ecumenism, to world brotherhood, to humanity.' Martin Luther King, Jr. Budda and Jesus Christ, perhaps the two most pivotal figures in the history of humankind, each left behind a legacy of teachings and practices that have shaped the lives of billions of people over the course of two millennia. If they were to meet on the road today, what would each think of the other's spiritual views and practices? Thich Nhat Hanh has been part of a decades-long dialogue between the two greatest living contemplative traditions, and brings to Christianity an appreciation of its beauty that could be conveyed only by an outsider. In a lucid, meditative prose, he explores the crossroads of compassion and holiness at which Buddhism and Christianity meet, and reawakens our understanding of both.*

*Motivating Leaders to Live an Apologetic Life*

*There Is a Plan*

The author believes that over the past forty years movements like New Age spirituality and society's obsession with human potential have combined like a "perfect storm" to redefine for popular culture what has been for centuries the classic biblical definition of the person, work, and teaching of Jesus Christ. In WHY JESUS?, Ravi Zacharias looks at the impact of this "storm" by discussing the 60s-70s "Age of Aquarius," actor Shirley MacLaine's book and TV series Out On A Limb, author James Redfield (The Celestine Prophecy), Rhonda Byrne (The Secret), Dan Brown (The Da Vinci Code), and other books by Eckart Tolle, Wayne Dyer, Deepak Chopra, the Dalí Lama, and Marianne Williamson. Special attention will be given to the influence of Oprah Winfrey's media platform in reshaping society by introducing and promoting certain books and authors. Major new age and human potential tenets will be discussed like: the belief that we are all gods and have to discover our divinity; Jesus was only a good teacher; Christianity is but one among many ways to eternal life; reincarnation is real; Jesus was married; truth is relative; there is no sin; and perfection is possible. The truth of and the arguments for the bodily resurrection of Jesus will be presented as the most important argument for the exclusive claims about Jesus and Christianity.

The incredible dramatic can't-put-it-down stories of people whose lives were changed by the gift of grace--true accounts of people whose transformation and renewal are so radical that they seem to be best explained as the work of a gracious God. Lee draws upon his own journey from atheism to Christianity to explore the depth and breadth of God's redeeming love for spiritually wayward people, traveling thousands of miles to capture the inspiring stories of everyday people whose values have been radically changed and who have discovered the "how" and "why" behind God's amazing grace. Each story that Strobel shares in The Case for Grace contributes a piece to the puzzle of grace, showing us: How grace goes beyond forgiveness to acceptance and even adoption by God How it restores hope when none is left; how it extends to the most heinous circumstances How it allows us to forgive those who caused our most intimate wounds--and even to forgive ourselves Through it all, you will be encouraged as you see how God's grace can revolutionize your life--starting today.

This analysis of atheism, drawn from a wide range of philosophy and history, exposes its flaws while defending the purpose and meaning that Christ brings to one's life.

Anand and his sister Asha agree to exchange their collections of marbles and candy, but Anand tries to keep some of his marbles and must then ask for forgiveness from both his sister and Jesus.

His Unknown Life Before And After The Crucifixion. Why Has Christianity Chosen To Ignore Its Connections With The Religions Of The East. And To Dismiss Repeatedly The Numerous Claims That Jesus Spent A Large Part Of His Life In India? This Compelling Book Presents Irrefutable Evidence That Jesus Did Indeed Live In India, Dying There In Old Age. The Result Of Many Years Of Investigative Research. Jesus Lived In India Takes The Reader To All The Historical Sites Connected With Jesus In Israel, The Middle East, Afghanistan And India. As Well As Revealing Age-Old Links Between The Israelites And The East. The Evidence Found By Theologian Holger Kersten Points To The Following Startling Conclusions: In His Youth Jesus Followed The Ancient Silk Road To India. While There He Studied Buddhism, Adopting Its Tenets And Becoming A Spiritual Master. Jesus Survived The Crucifixion. After The Resurrection Jesus Returned To India To Die In Old Age. Jesus Was Buried In Srinagar, The Capital Of Jammu And Kashmir, Where He Continues To Be Revered As A Saintly Man. The Tomb Of Jesus Still Exists In Kashmir. In this clear introduction to Buddhism, Keith Yandell and Harold Netland lay out the central metaphysical claims of this significant world religion and then offer a concluding chapter which offers an honest comparison with Christianity.

Thich Nhat Hanh has become known as a healer of the heart, a monk who shows us how the everyday world can both enrich and endanger our spiritual lives. In this book, Jesus and Buddha share a conversation about prayer and ritual and renewal, and about where such concepts as resurrection and the practice of mindfulness converge. In this unique way, Thich Nhat Hanh shows the brotherhood between Jesus and Buddha-- and in the process shows how we can take their wisdom into the world with us, to "practice in such a way that Buddha is born every moment of our daily life, that Jesus Christ is born every moment of our daily life."
