

The Messiah Conspiracy A Gripping Page Turning Medical Thriller Omnibus Edition Containing Book 1 Book 2

All Yakov wanted was to save Jesus's legacy. All Paul wanted was to create a dynamic religion with himself as the master priest. Haunted by the brutal execution of Jesus, his brother Yakov dwells in constant fear of persecution in lakeside Galilee where the Romans rule with bloodstained hands. When the other disciples elect him as their new leader, he decides to form a secret society in the shadows of the Jerusalem Temple. One day, an affluent tentmaker from Tarsus named Paul approaches Yakov with a wild tale of Jesus having risen from the dead as the long-awaited Messiah. But to the disciples, their beloved Jesus was just a humble teacher, not a god. And they saw him die, they even entombed his body. Saul scoffs at their objections and insists that only his version of Jesus as the Savior is true, and a bitter battle of faith ensues. Now the disciples must fight to keep Jesus's message of oneness with God alive. Can they succeed in a world where the rich and powerful always prevail? Spanning three decades, against a backdrop of increasingly violent Roman rule, **THE HOLY CONSPIRACY** is a tour de force of love and faith, arrogance and humility from one of our most inspirational new authors.

Shortlisted for the Man Booker Prize, this big, brilliant, profoundly observed novel by National Book Award Finalist Joshua Ferris explores the absurdities of modern life and one man's search for meaning. Paul O'Rourke is a man made of contradictions: he loves the world, but doesn't know how to live in it. He's a Luddite addicted to his iPhone, a dentist with a nicotine habit, a rabid Red Sox fan devastated by their victories, and an atheist not quite willing to let go of God. Then someone begins to impersonate Paul online, and he watches in horror as a website, a Facebook page, and a Twitter account are created in his name. What begins as an outrageous violation of his privacy soon becomes something more soul-frightening: the possibility that the online "Paul" might be a better version of the real thing. As Paul's quest to learn why his identity has been stolen deepens, he is forced to confront his troubled past and his uncertain future in a life disturbingly split between the real and the virtual. At once laugh-out-loud funny about the absurdities of the modern world, and indelibly profound about the eternal questions of the meaning of life, love and truth, **TO RISE AGAIN AT A DECENT HOUR** is a deeply moving and constantly surprising tour de force.

With his novel *City of Fire*, Robert Ellis debuted a dynamic new character in Los Angeles detective Lena Gamble, but also captured a vivid picture of the city of Los Angeles. Readers and critics made *City of Fire* an instant phenomenon, as the book became a Los Angeles Times bestseller and was named a top summer read by People magazine, USA Today, and The New York Times. Now Lena Gamble is a cop held in disgrace by department higher-ups for the explosive way the Romeo case played out, though she's still hailed as a hero by her colleagues for catching the killer. For her punishment, she hasn't handled a real murder investigation in eight months. When the chief finally tosses her a case, she's thrilled until she gets a look at the scene and realizes he's probably setting her up to be exiled once and for all: The victim is unidentified, and there are no witnesses, and no leads. Just the body, chopped into pieces and

dropped in a Dumpster—gruesome enough to ensure that once again the media will be following Lena's every move. Robert Ellis delivers another high-speed, commercial, powerful read, featuring one of the most engaging and vibrant police characters on the shelf today.

To save the world, first they have to save themselves... When an unconscious British businessman arrives at New York City's Bellevue Hospital, Dr. Mei Ling unwittingly finds herself in the midst of an infectious outbreak. Meanwhile, Professor Tony Simmons, her ex-lover, and a world-renowned geneticist at Georgetown University receives an enigmatic telephone call that hints at a genetic threat, unlike anything the world has ever seen. As the pandemic spreads, governments close their borders and quarantine cities. Simmons is taken to a secret military laboratory to search for a cure. But it's the truth he finds instead, and now he, Ling, and an odd group of survivors are on the run as civilization collapses around them. A superb action-packed thriller based on frighteningly realistic science. Perfect for fans of Michael Crichton, Robin Cook or William R. Forstchen. Get a copy today and immerse yourself in an apocalyptic future you'll hope won't ever happen. The Altered Genes Trilogy consists of: Altered Genes : Genesis Altered Genes : Revelations

Altered Genes - Omnibus (Books 1,2,3)

Echo of the Reich

The Dead Sea Scrolls were found in caves 20 miles east of Jerusalem in 1947 and 1956. Now Michael Baigent and Richard Leigh, co-authors of The Holy Blood and the Holy Grail, have succeeded in uncovering what has been described as 'the academic scandal par excellence of the twentieth century': the story of how and why up to 75 per cent of the eight hundred ancient Hebrew and Aramaic manuscripts, hidden for some nineteen centuries, have, until very recently, remained concealed from the rest of the world. Through interviews, historical analysis and a close study of both published and unpublished scroll material, the authors are able to reveal the true cause of the bitter struggle between scholars, for these documents disclose nothing less than a new account of the origins of Christianity and an alternative and highly significant version of the New Testament.

Sienna Rivers's aspirations for a normal childhood came crashing down the night they discovered her father was a serial killer. Once her mother's illusion of a perfect family is destroyed, Sienna is sent to live with the only other "family" she knows. After a lifetime of living with her mother's perfection and rules, Sienna (now going by "Rowan") struggles to find a new kind of normal in the tranquil seaside town of Blue Bay. Nightmares, paranoia, guilt, and a mistrust in men weigh her down as she navigates her way into adulthood, forging important friendships that will shape who she becomes. Once she takes the first leap toward her dream career, she'll unknowingly seal a fate that will circle back to her father's transgressions.

When she finally allows herself to form the most important relationship of her life with a man who earns her trust, however, a new level of terror will arise...

Dead Secret

LITTLE GIRL LOST CRIME THRILLE

A Religion of Rome

Altered Genes : Genesis

As Jesus continues to assert His deity and a Jewish remnant accept Him as their prophesied Messiah, the political-religious leaders of Israel plot His murder. In spite of unprecedented, attesting miracles their only concern was holding the reigns of judicial power. Jesus antagonized unbelievers, encouraged believers, and fulfilled one prophecy after another. Spectacular events unfold on a daily basis during these dangerous times. He restores sight to the blind, raises the dead, and claims to be The Door and The Light. Plans to arrest Him using trumped-up charges are set in motion, but He continues undeterred to teach publicly the doctrines of election, reprobation, and eternal security. He enters Jerusalem on a donkey with great fanfare, knowing it will lead to His arrest and crucifixion. He exhibited grace under extreme pressure, but did not cower before those who sought to destroy His reputation and eventually kill Him. Aware of everything transpiring about Him, He nevertheless submits to the Father's plan.

The Black Book is Orhan Pamuk's tour de force, a stunning tapestry of Middle Eastern and Islamic culture which confirmed his reputation as a writer of international stature. Richly atmospheric and Rabelaisian in scope, it is a labyrinthine novel suffused with the sights, sounds and scents of Istanbul, an unforgettable evocation of the city where East meets West, and a boldly unconventional mystery that plumbs the elusive nature of identity, fiction, interpretation and reality.

Shocking family secrets come to light when a young woman is murdered "If you read one detective thriller this year make it "Dead Secret." I really couldn't put this mystery down. Great pace, well-developed characters with some very dark pasts." Ann Abrams "A brilliant new detective writer who will have you reading all night. I loved it." Chris Child Who killed Amy Hill? Amy Hill, a nineteen-year-old student, is strangled and her body dumped on open ground in the city. New police partners, D.I. Jim Neal and D.S. Ava Merry are called in to investigate this brutal crime. The last person to see Amy alive was Simon, the son of a family friend, but before he can be properly questioned he disappears. Detectives Neal and Merry are led on a trail of shocking family secrets and crimes. Can this duo track down the murderer before anyone else dies? Stopping this tragic cycle of violence will put D.S. Merry's life at risk in a thrilling and heart-stopping finale. If you like Angela Marsons, Rachel Abbott, Ruth Rendell, or Mark Billingham you will be gripped by this exciting new crime fiction writer. DEAD SECRET is the first in a new series of detective thrillers featuring D.S. Ava Merry and D.I. Jim Neal.

Ava Merry is a young policewoman, recently promoted to detective sergeant. She is a fitness fanatic with a taste for dangerous relationships. Jim Neal is a single dad who juggles his devotion to his job with caring for his son. Set in the fictional Northern city of Stromford, this detective mystery will have you gripped from start to shocking conclusion. Did the early Church of Rome conspire with the pagan Emperor Constantine to create a new religion for the West, superseding Judaism and displacing the Children of Israel as God's First Born Son (Exodus 4:22)? Catholic scholar, Bernard Lee observed: "Most Christological interpretation has been 'supersessionist', that is, it has interpreted Jesus as initiating a new Covenant that supersedes Judaism. Historically, it is quite improbable that Jesus had any such thing in mind." Similarly, "There is little likelihood that Jesus had any conscious intention of founding a new religious institution, either superseding Judaism or alongside it." The obvious question is: If that was not in the mind of Jesus, on whose life and teachings Christianity is said to be based, in whose mind was it? This study examines the wealth of evidence that has convinced the author that in truth, Christianity is a centuries-old conspiracy with significant anti-Jewish undercurrents.

A Thriller

Dune Messiah

A murderer is at large on the streets of Lincolnshire. But why? When the body of a well-known local thug is discovered carrying a personal message for Detective Sergeant Catherine Bishop neither she, nor her team, can figure out why. Soon, a second victim is found and it is clear that Catherine and her enigmatic new boss, DI Jonathan Knight, are in a race against the clock to stop a merciless killer. Whoever it is, they are determined to put Catherine herself under scrutiny. Will the murderer be caught before they take more lives? And meanwhile will they reveal a sinister secret that threatens those at the heart of the investigation? An atmospheric and heart-stopping crime thriller, perfect for fans of L. J. Ross, David Hodges and J. M. Dalgliesh.

"A shorter version of this book appeared in Galaxy magazine for July-September 1969"--Copyright page. One Reporter. Three Dead. Five Knives. FIVE KNIVES welds the intensity of Jack Bauer's "24" to the scorching heat of THE GIRL WHO KICKED THE HORNET'S NEST. "The author is a great talent." - Aaron C. Brown, Amazon Top 1000 Reviewer When a man plummets to his death from an apartment tower, Will Finch's shock soon becomes a nightmare. As he studies the open windows above the corpse, Finch notices a lamp blinking erratically behind a drawn curtain on the eleventh floor. As he investigates the distress

signal, Finch discovers a woman handcuffed to a bedpost. Over the following week, he uncovers a conspiracy that ties the murder to a series of bombshells. The victim's bankruptcy. A global stock fraud. A murder spree that began in Baghdad and is now haunting the citizens of San Francisco. Is this the work of a serial killer - or a copycat? But before he can file his report for The Post, Finch's leads evaporate. Within days, three victims are dead. Does a pattern of five knife wounds provide a clue? Only Finch sees the threads that tie the deaths together. Can he unravel the mystery before he - and his fiancée - are caught up in the web of murder? Five Knives is the prequel thriller in the Will Finch crime series - a novel that opens on the first day of Will Finch's journalism career. Everything that Finch learns about crime reporting begins with Five Knives. *** Dear Reader, If you're like me, then you love reading novels by Michael Connelly, David Baldacci, Nora Roberts, Jeffery Deaver, John Sandford, Philip Kerr, Martin Cruz Smith, Patricia Highsmith, Stieg Larsson, Elmore Leonard and Jo Nesbo. Among many others. And if you like those writers, then I invite you to have a look at my crime series. You can buy them all on Amazon, or pick up a free / discounted novel at my website, dfbailey.com. Writing crime fiction isn't always easy, but it's always a thrill. When you read my novels I hope you'll share the buzz, the excitement and the adrenaline rush with me. Like all writers, I love readers who enjoy my books, especially those who are kind enough to leave a review. Hopefully, you will, too. Happy reading, D. F. (Don) Bailey

Assessing the contents of a lavish English estate, museum conservator Angela Lewis discovers a crate full of sealed pottery jars-one of which holds a parchment which describes the life and times of Jesus of Nazareth. For Angela, the find is a miracle-a written reference to Jesus outside of the New Testament. But her discovery draws her and her husband, Chris, into a centuries-old race for the truth that they may not win...or survive.

Abby Kane FBI Thriller #1

Conspiracy with Malicious Intent

A Gripping Detective Thriller Full of Suspense

Unravelling the genealogies and permutations of conspiracist worldviews, this work shows how this web of urban legends has spread among sub-cultures on the Internet and through mass media, and how this phenomenon relates to larger changes in American culture. On her first assignment since her promotion to SSA status in the Serial Crimes Unit of the FBI, Jade Monroe and her new partner, Lorenzo DeLeon, are tasked to southern Louisiana, where disturbing discoveries have been made. Human bones have been found in numerous sites deep in bayou country, and the locals aren't too excited about having outsiders poking around in their business. When Jade has a chance meeting with a local hunter, she finds his assistance exactly what she needs to break through that unwelcoming

Read Free The Messiah Conspiracy A Gripping Page Turning Medical Thriller Omnibus Edition Containing Book 1 Book 2

barrier. She brings him on board as their go-between. The hunter inserts himself into their investigation and gains Jade's trust, but is he authentic, or does he have his own agenda? A bone-chilling blindside and a dangerous chase through the Louisiana swamps is just the beginning, but the question remains—is Jade the hunter, or is she the one being hunted? FBI Agent Jade Monroe Live or Die Series books are listed in chronological order below #1 Blood in the Bayou Editorial Review "Recently promoted to a new role within the FBI, Senior Special Agent Jade Monroe and her partner, SSA Lorenzo DeLeon, are sent to Louisiana to find out why fresh piles of human bones are showing up near the swamps. With plenty of suspicious locals, including a good old boy determined to help, this adventure lands Jade in her murkiest waters yet. A delicious start to a promising new series." Angela M., Line Editor, Red Adept Editing

An Englishwoman is found dead in a house near Rome, her neck broken. Her distraught husband enlists the help of his closest friend, policeman Chris Bronson, who discovers an ancient inscription on a slab of stone above their fireplace. It translates as 'Here Lie the Liars.' Pursued across Europe, Bronson and his ex-wife uncover a trail of clues that lead them back to the shadowy beginnings of Christianity; to an ancient code inscribed upon a stone; to a chalice decorated with mysterious symbols. And to a deadly conspiracy which will rock the foundations of our modern world if revealed.

A deadly weapon uncovered... A decades-old conspiracy... A race to save a city... Berlin, 1936: When African-American Jesse Owens wins four gold medals in the Olympic Games, Hitler refuses to place the medals around Owens's neck and vows to develop a means of wiping "inferior" races from the earth.... London, 2012: Chris Bronson is ordered to infiltrate a group of anarchists who plan to disrupt the Olympic Games with destruction and violence. When Bronson's cover is blown, the police call off the operation. But Bronson is convinced that there's something more sinister at play. On the run from both the police and the militant anarchists, Bronson soon finds himself immersed in a long-buried secret surrounding a Nazi weapon, and a deadly revenge plot that he must stop before it's too late....

The Second Messiah

The Conspiracy against the Human Race

The Dead Sea Scrolls Deception

The Romanov Conspiracy

A Bone-Chilling FBI Thriller

A Nobel geneticist confronts a ruthless messianic cult in this suspenseful story of one man's dangerous, determined, global odyssey to save his daughter's life, using the power of modern technology as well as the ancient miracle of healing. A first novel. Tour.

America is a police state, and it is about to be threatened by the most hellish enemy in the world: insects. When the Agency discovered that Dr. Hellstrom's Project 40 was a cover for a secret laboratory, a special team of agents was immediately dispatched to discover its true purpose and its weaknesses—it could not be allowed to continue. What they discovered was a nightmare more horrific and hideous than even their paranoid government minds could devise. First published in Galaxy magazine in 1973 as "Project 40," Frank Herbert's vivid imagination and brilliant view of nature and ecology have never been more evident than in this classic of science fiction. At the Publisher's request, this title

is being sold without Digital Rights Management Software (DRM) applied.

A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide in the dark and dangerous streets of Adderlass. A seed of evil was planted under Adderlass, a city where monsters hide behind masks of humanity and ordinary people shuffle anesthetized and addicted by the sickly supernatural power wafting up from below. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Adderlass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy.

A family is found dead in their home. The only survivor is the teenage daughter who managed to escape the burning house. Detective Kaitlyn Carr has to bring their killer to justice. A year before her disappearance, Violet, Kaitlyn's sister, comes to stay with her after a bad fight with their mom. She can't stand living at home as much as Kaitlyn once did and wants to move in with her. But Kaitlyn was just promoted to detective and her hours are erratic and long. She's never home and she can't take care of a teenager. Or maybe she can? As she gets closer and closer to finding out who killed the Hendrel family, her own family reaches a breaking point. What happens when her sister asks her to do the impossible? What happens when she can't say no? What happens when the dysfunction of her own family threatens to blow up her face and let the killer off for good? Girl Hidden is a suspenseful thriller novella set in the same world as the Girl Missing series. It is perfect for fans of Lisa Regan, James Patterson, DK Hood, Lisa Jewell and Karin Slaughter. It has mystery, angst, a bit of romance and family drama.

(Book One)

The Complete Dossier

The Messiah Secret

A Ghost Story Romance & Mystery

The Young Messiah (Movie Tie-In) (originally Published As Christ the Lord: Out of Egypt)

They locked him up seven years ago. He's still killing. Executives from Detroit's automakers are being mutilated, and all signs point to a serial killer known as the Doctor. But there's a problem with that.

Detroit Police put him away a long time ago. Fiery FBI agent Abby Kane is tasked with figuring out how this madman can kill again. When she visits the Doctor behind bars, he swears he's innocent and not the psychopath everyone thinks he is. Oddly enough, Abby believes him. To prove the Doctor's innocence, Abby investigates the case that put him behind bars and discovers evidence of a cover-up. She soon finds herself marked as enemy number one by the city's power players. Even the executives who are being targeted by the killer want her silenced. The pressure only intensifies when Abby believes the real killer is connected to the automakers. Can Abby untangle the web of lies before she's silenced for good? If you like Patterson, Cornwell, and Baldacci, you'll love the equally thrilling and highly addictive Abby Kane series. Free for a limited time. Meet Abby Kane She spent her early career putting sickos, psychopaths, and ruthless killers behind bars. After her husband's mysterious death, Abby moved her family to San Francisco, hoping for a fresh start and healing. What she got instead was a job with the FBI and a directive to solve their most baffling cases. What readers are saying: **★★★★ Corktown is a great start to a captivating series of Abby Kane thrillers. **★★★★** Hutchinson is a runner up to Patterson for fast-paced and smooth running plots. **★★★★** Great storyline. Memorable cast. And a few curveballs. **★★★★** The best book I have read in a long time. I look forward to reading the rest of the series. **★★★★** The city of Detroit, the FBI, and Abby make for a powerful triad of a novel. Corktown is book one in the Abby Kane series from USA Today bestselling author Ty Hutchinson. A page-turning thriller that dives headfirst into the grit of Detroit.**

SOON TO BE A MAJOR MOTION PICTURE With the Holy Land in turmoil, seven-year-old Jesus and his family leave Egypt for the dangerous road home to Jerusalem. As they travel, the boy ponders the mysteries surrounding his birth. Anne Rice's dazzling, kaleidoscopic novel, based on the gospels and the most respected New Testament scholarship, summons up the voice, the presence, and the words of Jesus, allowing him to tell his own story as he struggles to grasp the holy purpose of his life. Praise for The Young Messiah "[An] intensely literal, historical, reverent treatment of a year in the life of Jesus, Son of God."--Time "Brilliant and tangible . . . Rice retains our rapt attention."--Los Angeles Times "Emotionally engaging and often moving; Ms. Rice succeeds in creating a Jesus who is recognizably human."--National Catholic Reporter "An inestimably valuable contribution to the discussion of Christian history as well as a tender look at the young Jesus."--The Denver Post Previously published as Christ the Lord: Out of Egypt In Thomas Ligotti's first nonfiction outing, an examination of the meaning (or meaninglessness) of life

through an insightful, unsparing argument that proves the greatest horrors are not the products of our imagination but instead are found in reality. "There is a signature motif discernible in both works of philosophical pessimism and supernatural horror. It may be stated thus: Behind the scenes of life lurks something pernicious that makes a nightmare of our world." His fiction is known to be some of the most terrifying in the genre of supernatural horror, but Thomas Ligotti's first nonfiction book may be even scarier. Drawing on philosophy, literature, neuroscience, and other fields of study, Ligotti takes the penetrating lens of his imagination and turns it on his audience, causing them to grapple with the brutal reality that they are living a meaningless nightmare, and anyone who feels otherwise is simply acting out an optimistic fallacy. At once a guidebook to pessimistic thought and a relentless critique of humanity's employment of self-deception to cope with the pervasive suffering of their existence, The Conspiracy against the Human Race may just convince readers that there is more than a measure of truth in the despairing yet unexpectedly liberating negativity that is widely considered a hallmark of Ligotti's work. Startling allegations. Suppressed evidence. Missing witnesses. Assassinations. Cover-ups and threats. Documented connections to even deeper intrigue. Allusions to the New World Order. Coincidences? Too many to be mere coincidence? American history is replete with warnings of hidden plots by the Illuminati, the Freemasons, the Zionists, the Roman Catholics, the Communists, World Bankers, the Secret Government, and Extra-Terrestrial Invaders, to name a few. Separating fact from fiction, this compelling work provides gripping details and presents the information without bias, including hundreds of individuals, organizations, and events where official claims and standard explanations of actions and events remain shrouded in mystery. Conspiracies and Secret Societies: The Complete Dossier examines the most common subjects among conspiracy theorists, from historical topics such as the true relationship between Jesus and Mary Magdalene, the Roswell UFO crash, and the assassinations of John F. Kennedy and Martin Luther King Jr. to more current issues such as the death of Princess Diana, FEMA's response following hurricane Katrina, and the recent earthquake and tsunami in Japan.

Slow Bleed

A missing son. A kidnapper who's dead. Nobody believes her. Nothing will stop her.

For fans of crime, mystery and detective, and police-procedurals, this is a must read! A startling, gripping crime thriller from one of the UK's top new authors. A real page turner that will keep you on the edge of your seat until the very, last, line! Two teachers are murdered, with the first killing publicly played out before hundreds of horrified spectators, and the other victim found dead only hours later. Having just returned to duty from his recent suspension, DCI McKenzie (*Say You're Sorry & The Assassin's Gift*) quickly discovers he's dealing with a sick but highly intelligent serial killer. With a school reunion planned for that same night, in a race against time, McKenzie and his small team of investigators must use all their skills to track down the killer before more depraved murders take place, and more teachers from the school die. But as the hours roll by and the death toll mounts, McKenzie finds himself facing a genius mystery criminal who is always one step ahead of the police and somehow anticipating their every move. In the days that follow, the school campus becomes a maze of rooms and tunnels where new murders are discovered, and the death toll mounts. With surprising twists and turns at every stage, this is a 'classic whodunnit' that will keep you guessing to the very end. Can you spot who the killer is, or will they get away with the perfect murders? Remember me? You'll never forget it!

After a controversial American priest is elected pope, archaeologist Jack Cane and an Israeli agent must find a mysterious Dead Sea Scroll which references two messiahs, a prophecy which is causing a political and religious crisis and placing their lives in danger.

Her breath rose and fell in fearful gasps but it was too late. She could already see what she dreaded most. The back seat was empty. Bye, bye, Mummy. When a devoted teacher goes missing under suspicious circumstances and an actor is murdered at a local reservoir there's no obvious link between the cases. But as DI Robyn Carter starts to delve deeper, her investigations lead her to Abigail, perfect wife and mother to beautiful little Izzy. What was Abigail's connection to the victims? And why is she receiving threatening messages from an anonymous number? Robyn's instincts tell her there's a connection between these

Read Free The Messiah Conspiracy A Gripping Page Turning Medical Thriller Omnibus Edition Containing Book 1 Book 2

deaths, that it's personal, but the last time she acted on impulse her fiancé was killed. To break this case and earn her place back on the force, she must learn to trust herself again - and fast. As she inches closer to the truth, Izzy is abducted. Unless she can get to the killer in time, a little girl will die. Gripping, fast paced and nailbitingly tense, this serial killer thriller will chill you to the bone. Perfect for fans of Angela Marsons, Rachel Abbott and Karin Slaughter.

SOMETIMES MYSTERIES ARE NEVER SOLVED. SOMETIMES THERE ARE NO ANSWERS. DR. LAURA PAVLOV, an American forensic archaeologist, is about to unravel a mystery that promises to shed light on one of the twentieth century's greatest enigmas. Digging on the outskirts of the present-day Russian city of Ekaterinburg, where the Romanov royal family was executed in July 1918, Pavlov discovers a body perfectly preserved in the permafrost of a disused mine shaft. The remains offer dramatic new clues to the disappearance of the Romanovs, and in particular their famous daughter, Princess Anastasia, whose
