A delicious romp through the heyday of rock and roll and a revealing portrait of the man at the helm of the iconic magazine that made it all possible, with candid look backs at the era from Mick Jagger, Keith Richards, Elton John, Bono, Bruce Springsteen, Paul McCartney, and others. The story of Jann Wenner, Rolling Stone's founder, editor, and publisher, and the pioneering era he helped curate, is told here for the first time in glittering, glorious detail. Joe Hagan provides readers with a backstage pass to storied concert venues and rock-star hotel rooms; he tells never before heard stories about the lives of rock stars and their handlers; he details the daring journalism (Tom Wolfe, Hunter S. Thompson, P.J. O'Rourke) and internecine office politics that accompanied the start-up; he animates the drug and sexual appetites of the era; and he reports on the politics of the last fifty years that were often chronicled in the pages of Rolling Stone magazine. Supplemented by a cache of extraordinary documents and letters from Wenner's personal archives, Sticky Fingers depicts an ambitious, mercurial, wide-eyed rock and roll fan of who exalts in youth and beauty and learns how to package it, marketing late sixties counterculture as a testament to the power of American youth. The result is a fascinating and complex portrait of man and era, and an irresistible biography of popular culture, celebrity, music, and politics in America.

The 52 Secrets to Making a Half Million Dollars a Year While Working a 20-Hour Work Week

The Definitive Blueprint for Real Estate Success

Sticky Fingers

Land the deals you want and develop your instincts with million-dollar negotiation techniques After selling over \$3 Billion in real estate, including the most expensive one-bedroom house in history, Josh Altman, co-star of the hit show Million-Dollar Listing Los Angeles, wants to teach you the real estate sales and negotiation tactics that have made him one of America's top agents. Buying or selling a house, whether for a client or yourself, is one of the most important (and most stressful) deals anyone can make, demanding emotional intelligence and a solid set of negotiating skills. But by mastering the same techniques that sell multi-million-dollar homes in Bel Air and Beverly Hills, you can attract buyers and close deals on any property. Josh breaks down the art of real estate into three simple parts. First, he'll help you get business in the door during the Opening. Then he takes you step-by-step through the Work: everything between the first handshake and the last. And finally, the Close, the last step that ensures all your hard work pays off as you seal the deal. Learn how to open with a prospect, work the deal, close, open, and repeat Build and market your reputation, creating more sales opportunities Develop the traits of a closer in you and your team Drive the deal forward and get the best price for your property by creating desire, scarcity, and demand Successful real estate sales are driven by the same principles, whether they happen in the Hollywood Hills or just down the street. Josh wants to put those principles, and the techniques for applying them, in your hands. Learn them and discover what you can achieve.

Part of the bestselling Surrounded by Idiots series! In Surrounded by Setbacks, internationally bestselling author Thomas Erikson turns his attention to a universal problem: what to do when things go wrong. Too often it seems like our dreams and ambitions—whether it's finally getting that corner office, lacing up your running shoes again, or building a flourishing relationship with your partner—are derailed by one roadblock or another. So how do we learn to take setbacks in stride and still achieve our goals? In Surrounded by Setbacks, Erikson answers that question. Using simple, actionable steps, Erikson helps readers identify the "why" behind their goal, create a concrete plan towards achieving it, and—most importantly—avoid many of the most common pitfalls that derail us when we attempt something new. The simple 4-color behavior system that made Surrounded by Idiots revolutionary now helps readers reflect on how they respond to adversity, giving them the self-awareness to negotiate the inevitable obstacles of life with confidence.

87% of real estate agents fail within the first five years. Don't become another casualty According to the National Association of REALTORS(R), real estate agents with less than two years' experience have a median gross income of \$9,300, while real estate agents with 16 years experience have a median gross income of \$71,000. What if there was a better, more efficient way to build your real estate business without waiting 15 years or more? Six-Figure Real Estate Agent gives both new and seasoned real estate agents a practical and proven guide to get more clients, generate more sales, and earn higher commissions. Bestselling author, investor, and top-producing real estate agent, David Greene, shares the exact systems and processes that he used to scale his own real estate agent business, from solo agent to a thriving funnel and referral system with repeat business. This book will teach you an easy-to-implement

system that will grow your real estate business quickly--without having to waste your time door knocking, calling FSBOs and expireds, or spending all your money chasing after paid-for internet leads. Book Description Meet Jamal Haddad, a sixteen-year-old super's son as he battles to find millions of dollars to buy his 186-unit apartment building in New York City. Cheer him on as he fights off corrupt financiers, terrorists, and gangland criminals. Follow his adventures as he navigates relationships with his drunken father, his childhood sweetheart, and his talented friends. And marvel at their ingenuity as they form The Enterprise Gang and work to change their world. Author Randy Herman writes young adult novels, novellas and short stories. In a former lifetime he was a sculptor who carved marble and a teacher who taught students how to create. He also holds a real estate license under the Keller Williams

Realty banner and sells houses in the state of Massachusetts. Review "The Real Estate Kid is a beautifully crafted story that reads like a mystery thriller. While the book is a novel meant for teenagers, as a business executive I found it to be highly compelling and grew to love and root for these young heroes as they worked to conquer seemingly impossible challenges. It's a multicultural book that shows what people of any age can accomplish." --Dave Jenks, co-author of The Millionaire Real Estate Agent, Business Coach & Executive

Brand New Third Edition! This book is for brand new Agents and experienced Agents looking to jump start their business. It's not a book for everyone. The book is for Honest Real Estate Agents who care about their customers, work hard and want to make a difference in helping other people. One of the drawbacks of most real estate schools is they teach you only how to pass the real estate exam. They don't teach you how to succeed as a Real Estate Agent once you get your license. This is the book for you because it will help you hit the ground running once you get your license. In the past five years thousands of new Agents have bought this book as they embark on their career in real estate.

The Jungle

In 2005, Mo assumed her current role as vice chairman of the board of Keller Williams Realty. After decades of success, which earned her innumerable professional accolades and awards, Mo is focused on the future. She continues to nurture the Keller Williams culture through training, coaching and consulting with Keller Williams associates and leaders. Her most recent and exciting endeavor has been writing this book: A Joy-filled Life, which she is currently touring North America and speaking about. In 2014, she also launched MoAnderson.com. Through this online mentorship platform, Mo shares life-changing principles to a rapidly growing community of members. In every way, Mo is committed to leaving a legacy: the higher purpose of business is to give, care and share.

A searing novel of social realism, Upton Sinclair's The Jungle follows the fortunes of Jurgis Rudkus, an immigrant who finds in the stockyards of turn-of-the-century Chicago a ruthless system that degrades and impoverishes him, and an industry whose filthy practices contaminate the meat it processes. From the stench of the killing-beds to the horrors of the fertilizer-works, the appalling conditions in which Jurgis works are described in intense detail by an author bent on social reform. So powerful was the book's message that it caught the eye of President Theodore Roosevelt and led to changes to the food hygiene laws. In his Introduction to this new edition, Russ Castronovo highlights the aesthetic concerns that were central to Sinclair's aspirations, examining the relationship between history and historical fiction, and between the documentary impulse and literary narrative. As he examines the book's disputed status as novel (it is propaganda or literature?), he reveals why Sinclair's message-driven fiction has relevance to literary and historical matters today, now more than a hundred years after the novel first appeared in print.
