

## The One Minute Manager Increase Productivity Profits And Your Own Prosperity

With his phenomenal bestsellers *The One Minute Manager* and *Raving Fans*, Ken Blanchard changed the way we approach management, leadership, and customer service. Now Blanchard, along with coauthor Margret McBride, presents a concept that, when implemented properly, is one of the most powerful actions for improving company and employee morale. This is also a book that can extend well beyond the business realm and can repair relationships that we thought were broken forever. Using Blanchard's signature breezy style, *The One Minute Apology* tells the story of a Young Man who wants to help his mentor, a company president, face and deal with some crucial mistakes he has made. For advice, the Young Man turns to a family friend, the One Minute Manager. What begins as a beautiful country weekend turns into an enlightening few days when he discovers what it truly means to apologize effectively when we have done something wrong. Through this engaging parable, Blanchard and McBride teach readers step-by-step how to accept responsibility for their errors and deal with the cause of the damage while maintaining a genuine sense of integrity. Destined to join Ken Blanchard's other groundbreaking classics, *The One Minute Apology* offers businesspeople -- and just about anyone -- a cogent and clear-headed way of approaching one of life's most perplexing dilemmas: how to accept that we have made a wrong decision and how to correct it by making a meaningful apology. The techniques described in this simple but profound story will have significant results at work and at home.

Twenty Years After Creating The Phenomenal Bestselling Classic *The One Minute Manager*, Ken Blanchard Returns To Its Roots With *The Most Powerful And Essential Title In The Series As He Explores The Skills Needed To Empower Yourself To Success*. In *This Captivating Business Parable*, Bestselling Author Ken Blanchard Tells The Story Of Steve, A Young Advertising Executive Who Is About To Lose His Job. During A Series Of Talks With A Gifted Magician Named Cayla, Steve Comes To Realize The Power Of Taking Responsibility For His Situation And Not Playing The Victim. Passing Along The Knowledge She Has Learned From *The One Minute Manager*, Cayla Teaches Steve The Three Tricks Of Self Leadership. These Three Techniques Not Only Empower Him To Keep His Job, But Give Him The Skills He Needs To Keep Growing, Learning, And Achieving. The Primary Message Of Self-Leadership And The One Minute Manager Is That Power, Freedom, And Autonomy Come From Having The Right Mindset And The Skills Needed To Take Personal Responsibility For Success.

This updated edition of management guru Ken Blanchard's classic work *Leadership and the One Minute Manager* teaches leaders the world renowned method of developing self-reliance in those they manage: *Situational Leadership® II*. From *Leadership and the One Minute Manager®* you'll learn why tailoring management styles to individual employees is so important; why knowing when to delegate, support, or direct is critical; and how to identify the leadership style suited to a particular person. **BUSINESS STRATEGY. "The 4 Disciplines of Execution "offers the what but also how effective execution is achieved. They share numerous examples of companies that have done just that, not once, but over and over again. This is a book that every leader should read! (Clayton Christensen, Professor, Harvard Business School, and author of "The Innovator s Dilemma)." Do you remember the last major initiative you watched die in your organization? Did it go down with a loud crash? Or was it slowly and quietly suffocated by other competing priorities? By the time it finally disappeared, it s likely no one even noticed. What happened? The whirlwind of urgent activity required to keep things running day-to-day devoured all the time and energy you needed to invest in executing your strategy for tomorrow. "The 4 Disciplines of Execution" can change all that forever. From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations--featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does--and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you--then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged--or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."--Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."--Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces--and to do so with grace, confidence, and a sense of humor."--Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."--Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together**

Teaches the reader how to become a flexible and successful leader, fitting one's style to the needs of the individual and to the situation at hand, and using the "one-minute" techniques to enhance the management and motivation of others

How to Turn the 3 Secrets into Skills

A Leadership Fable

The Heart of a Leader

The bestselling co-author of the legendary *The One Minute Manager*® and a former Twitter executive join forces to create the ultimate guide to creating powerful mentoring relationships While most people agree that having a mentor is a good thing, they don't know how to find one or use one. And despite widespread approval for the idea of being a mentor, most people don't think they have the time or skills to do so. Positive mentoring relationships can change the way we lead and help us succeed. In *One Minute Mentoring*, legendary management guru Ken Blanchard and Claire Diaz-Ortiz, a former Twitter executive and early employee, combine their knowledge to provide a systematic approach to intergenerational mentoring, giving readers great insight into the power and influence of mentoring and encouraging them to pursue their own mentoring relationships. Using his classic parable format, Blanchard explains why developing effective communication and relationships across generations can be a tremendous opportunity for companies and individuals alike. *One Minute Mentoring* is the go-to source for learning why mentoring is the secret ingredient to professional and personal success.

This is the story of a *One Minute Manager* who was so successful in every way that he forgot one important thing: He forgot to stay physically fit. He was so much in demand that he ate on the run, didn't take time to exercise, and all the while saw his weight balloon and his breath grow shorter. He soon discovered success in business was endangering his health. His life was out of balance.For all those busy, achieving people with overcrowded schedules, here is a useful blueprint that shows how to manage stress and make a lifetime commitment to fitness and well-being. By following four important strategies for balancing a complicated life, everyone can get their bodies back into shape and their lives into proper perspective. *The One Minute Manager Balances Work and Life* offers a way to achieve not only a new, healthier style of living but increased productivity as well. For the millions of readers of Ken Blanchard's bestselling books--including *Raving Fans* and *Gung Ho!*--here's invaluable advice for getting the most out of life.

Mega-bestselling author Ken Blanchard and celebrated business leaders Don Hutson and Ethan Willis present an inspiring story that reveals the secrets to becoming a successful entrepreneur. In *THE ONE MINUTE ENTREPRENEUR*, Ken Blanchard (coauthor of the #1 bestselling business classic *The One Minute Manager*), Don Hutson, CEO of U.S. Learning, and Ethan Willis, CEO of Prosper Learning, tell the inspiring story of one man's challenges in creating his own business. Through a powerful and engaging narrative, we confront many of the typical problems all entrepreneurs face in starting up their business, from finding new sources of revenue to securing the commitment of their people and the loyalty of their customers. More important, we learn the secrets to becoming a successful entrepreneur, including how to build a firm foundation, how to ensure a steady cash flow, and how to create legendary service. In addition, the book offers invaluable advice, delivered through *One Minute Insights*, from such entrepreneurs and thinkers as Sheldon Bowles, Peter Drucker, Michael Gerber, and Charlie [Tremendous] Jones. Today, in the midst of the largest entrepreneurial surge in U.S. history, four out of five small businesses continue to fail. *THE ONE MINUTE ENTREPRENEUR* offers businesspeople and would-be entrepreneurs a treasure trove of wisdom on how to think, act, and succeed in creating and sustaining a business, no matter what their industry.

Forget the 10,000 hour rule! what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills/time you don't have and effort you can't spare? Research suggests it takes 10,000 hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing something new are always the most frustrating. That's why it's difficult to learn how to speak a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web. . . . In *The First 20 Hours*, Josh Kaufman offers a systematic approach to rapid skill acquisition! how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably well. Kaufman personally field-tested the methods in this book. You'll have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he teaches: Define your target performance level: Figure out what your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done. The more specific, the better. Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice. Create fast feedback loops: Getting accurate, real-time information about how well you're performing during practice makes it much easier to improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, *The First 20 Hours* will help you pick up the basics of any skill in record time. . . . and have more fun along the way.

The One Minute Manager

Colleen Barrett began her career as an executive secretary, yet Southwest Airlines' founder chose her to succeed him as president. When asked why, he said, "Because she knows how to love people to success." --

Teaches how to apply the secrets of *One Minute Manager* to have customers falling over themselves to buy your product.

Ken Blanchard is one of America's best-known leadership and business experts. And now he helps you understand and experience the art of influence by revealing the greatest life and leadership lessons he's learned in his rich career as an educator and business leader. *The Heart of a Leader* offers Blanchard's insight and wisdom on: Choosing values Aiming for excellence Maintaining integrity Finding the courage to change Helping others reach their potential And much more Arranged with your busy schedule in mind, this book offers you Blanchard's most important concepts in an accessible format. You can reach for instant motivation and insight on a daily basis or soak it up in one reading. Powerfully challenging and deeply inspiring, *The Heart of a Leader* will enable you to develop the courageous heart of a true leader. master key attitudes and actions to impact lives around you. and enjoy the profound wisdom that only Ken Blanchard can deliver.

A gripping tale that reveals what occupies the minds of the world's best business leaders As CEO, most everything that Rich O'Connor did had something to do with at least one of the four disciplines on his famed "yellow sheet." Some of the firm's executives joked that he was obsessed with it. Interestingly, only a handful of people knew what was on that sheet, and so it remained something of a mystery. Which was okay with Rich, because no one really needed to understand it, other than him. He certainly never suspected that it would become the blueprint of an employee's plan to destroy the firm. In this stunning follow-up to his best-selling book, *The Five Temptations of a CEO*, Patrick Lencioni offers up another leadership fable that's every bit as compelling and illuminating as its predecessor. This time, Lencioni's focus is on a leader's crucial role in building a healthy organization - an often overlooked but essential element of business life that is the linchpin of sustained success. Readers are treated to a story of corporate intrigue as Rich O'Connor, fictional CEO of technology consulting company *Telegraph Partners*, faces a leadership challenge so great that it threatens to topple his company, his career and everything he holds true about what makes a leader truly exceptional. In the story's telling, Lencioni deftly helps his readers understand the disarming simplicity and power of creating a healthy organization and reveals four key disciplines that they can follow to achieve it. In *The Four Obsessions of an Extraordinary Executive*, Lencioni delivers an utterly gripping tale with a powerful and memorable message for all who strive to be remarkable leaders.

The 4th Secret of the One Minute Manager

A Business Philosophy Called "Don't Mark My Paper, Help Me Get an A

**"A ... new philosophy and ... guide to getting the most out of your money--and out of life--for those who value memorable experiences as much as their earnings"--**

**By the coauthor of the #1 Wall Street Journal and New York Times bestseller *The One Minute Entrepreneur* Offers a simple, straightforward, and proven approach to negotiating anything Written in the popular and accessible "business fable" format Negotiation impacts every aspect of our lives, from the deals we strike on the job to our relationships with family members and neighbors, to the transactions we make as customers. Yet most people do anything they can to avoid negotiation -- it makes them uncomfortable, nervous, even frightened. This plague of "negotiaphobia" is that *The One Minute Negotiator* will remedy. Don Hutson and George Lucas use an engaging business parable to tell the story of a high-level sales professional who learns to master a simple yet profound approach to negotiations. Jay Baxter sells more than anyone else in his company, but his profit margins are slim. Instead of negotiating the best deal for the company, he's giving too much away to get the sale. On a company-sponsored cruise he meets the *One Minute Negotiator*, who teaches him a three-step negotiating process that can be applied to any situation: closing a deal to get your product in a big-box retail store, getting the best loaner car while your car is in the shop, seeking a fair solution after a hotel messes up your reservation, settling on the price for your new home -- in short, any transaction. The key is flexibility. Most books on negotiation preach one of two gospels: thou shalt collaborate or thou shalt compete. Either everybody works together toward a common goal or the process is basically adversarial. The problem is no two negotiations are alike -- one strategy cannot fit all. *The One Minute Negotiator* teaches you four potential strategies and shows how to choose the one best suited to the situation, your own inclinations, and the strategy being used by the other side. Besides the obvious benefits, conquering negotiaphobia will reduce your stress level. You'll never walk away thinking about what you should have asked for or might have gotten. Instead, with tools Hutson and Lucas provide you can confidently and consistently guide any negotiation to the best possible conclusion.**

**Ken Blanchard's Leadership at a Higher Level techniques are inspiring thousands of leaders to build high-performing organizations that make life better for everyone. Now, in *Helping People Win at Work*, Blanchard and WD-40 Company leader Garry Ridge reveal how WD-40 has used Blanchard's techniques of Partnering for Performance with every employee--achieving levels of engagement and commitment that have fortified the bottom line. Ridge introduces WD-40 Company's year-round performance review system, explaining its goals, features, and the cultural changes it requires. Next, he shares his leadership point of view: what he expects of people, what they can expect of him, and where his beliefs about leadership and motivation come from. Finally, Blanchard explains why WD-40 Company's Partnering for Performance system works so well--and how to leverage its high-value techniques in your organization. In this book, you'll learn how to: · Stop building failure into your mentoring of employees · Set goals using the SMART approach: specific, motivational, attainable, relevant and trackable · Help people move through all four stages of mastery · Create a culture that shares knowledge and encourages nonstop learning "I'm thrilled that the first book in our Leadership at a Higher Level series is with Garry Ridge, president of WD-40 Company. For years I've been concerned about how people's performance is evaluated. People are often forced into a normal distribution curve, or even worse, rank ordered. Not only does this not build trust, it also does not hold managers responsible for coaching people and helping them win. The manager's responsibility is focused on sorting people out. When I was a college professor, I always gave my students the final exam at the beginning of the course and spent the rest of the semester helping them answer the questions so that they could get an A. Life is all about getting As, not some stupid normal distribution curve. Garry Ridge got this, and wow! What a difference it has made in**

**WD-40 Company’s performance.” --Ken Blanchard “When I first heard Ken talk about giving his final exam at the beginning of the course and then teaching students the answers so they could get an A, it blew me away. Why don’t we do that in business? So that’s exactly what I did at WD-40 Company when we set up our ‘Don’t Mark My Paper, Help Me Get an A’ performance management system. Has it made a difference? You’d better believe it. Ever since we began the system, our company’s annual sales have more than tripled, from \$100 million to more than \$339 million. And we’ve accomplished this feat while making the company a great place to work.” --Garry Ridge**  
**The author of the phenomenal New York Times bestselling classic The One-Minute® Manager explores one of the most common and insidious problems plaguing the workplace—procrastination. In every workplace, in every industry, in every industry, lurks a diabolical career killer. Procrastination. In this latest addition to his bestselling series, Ken Blanchard tackles this problem head on, offering practical strategies any professional can immediately put into practice to improve his or her performance. In The On-Time Manager, he tells the story of Bob, a typical middle manager who tends to puts things off until the last minute. As a result, he misses deadlines because his lack of focus causes him to accomplish all the meaningless tasks before he can get to the important things. Like many professionals, Bob rationalizes, justifies, and tries to explain. With his trademark clarity and vision, Blanchard shows how Bob learns to overcome his problem transforming himself from a Last-Minute manager into a productive On-Time manager.**

**Putting the One Minute Manager to Work**  
**The Four Obsessions of an Extraordinary Executive**  
**Working on a Song**

With The One Minute Manager Ken Blanchard and coauthor Spencer Johnson forever changed the way we approach management by introducing their Three Secrets: One Minute Goals, One Minute Praisings and One Minute Reprimands. The book became an international bestseller and remains a timeless classic. Blanchard, along with coauthor Margret McBride, presents the 4th Secret, a concept that, when implemented properly, is one of the most powerful actions for improving company and employee morale. This is a book that can extend well beyond the business realm and repair relationships that we thought were broken forever. Using Blanchard’s signature breezy style, The 4th Secret of the One Minute Manager tells the story of a bright young man, Matt Hawkins, who wants to help his mentor, the company president, face and deal with some crucial mistakes. For advice, Matt turns to family friend Jack Peterson, known by everyone as the One Minute Manager. What begins as a beautiful country weekend turns into an enlightening few days when Matt discovers how to take action effectively when we have done something wrong. Through this engaging parable, Blanchard and McBride teach readers step-by-step how to accept responsibility for their errors and deal with the cause of the damage while maintaining a genuine sense of integrity. Destined to join Ken Blanchard’s other groundbreaking classics, The 4th Secret of the One Minute Manager offers businesspeople—and just about anyone else—a cogent and clearheaded way of approaching one of life’s most perplexing dilemmas: how to accept that we have made a wrong decision and how to correct it by making a meaningful apology. The techniques described in this simple but profound story will have significant results at work and at home.

**#1 New York Times Bestseller “Significant...The book is both instructive and surprisingly moving.” —The New York Times** Ray Dalio, one of the world’s most successful investors and entrepreneurs, shares the unconventional principles that he’s developed, refined, and used over the past forty years to create unique results in both life and business—and which any person or organization can adopt to help achieve their goals. In 1975, Ray Dalio founded an investment firm, Bridgewater Associates, out of his two-bedroom apartment in New York City. Forty years later, Bridgewater has made more money for its clients than any other hedge fund in history and grown into the fifth most important private company in the United States, according to Fortune magazine. Dalio himself has been named to Time magazine’s list of the 100 most influential people in the world. Along the way, Dalio discovered a set of unique principles that have led to Bridgewater’s exceptionally effective culture, which he describes as “an idea meritocracy that strives to achieve meaningful work and meaningful relationships through radical transparency.” It is these principles, and not anything special about Dalio—who grew up an ordinary kid in a middle-class Long Island neighborhood—that he believes are the reason behind his success. In Principles, Dalio shares what he’s learned over the course of his remarkable career. He argues that life, management, economics, and investing can all be systemized into rules and understood like machines. The book’s hundreds of practical lessons, which are built around his cornerstones of “radical truth” and “radical transparency,” include Dalio laying out the most effective ways for individuals and organizations to make decisions, approach challenges, and build strong teams. He also describes the innovative tools the firm uses to bring an idea meritocracy to life, such as creating “baseball cards” for all employees that distill their strengths and weaknesses, and employing computerized decision-making systems to make believability-weighted decisions. While the book brims with novel ideas for organizations and institutions, Principles also offers a clear, straightforward approach to decision-making that Dalio believes anyone can apply, no matter what they’re seeking to achieve. Here, from a man who has been called both “the Steve Jobs of investing” and “the philosopher king of the financial universe” (CIO magazine), is a rare opportunity to gain proven advice unlike anything you’ll find in the conventional business press.

How can you become a more successful manager, a stronger team leader and a motivator who gets the best results from a group? Ken Blanchard’s inspiring new book provides the answer. In a beguiling, sometimes humorous fashion, THE LEADERSHIP PILL conjures up a tantalizing possibility: What if there was a pill that could stimulate the natural powers of the mind and body to provide leadership? In the story, an amazing new pill heightens one leader’s powers, but contains the wrong ingredients, stimulating him in a short-sighted direction. He is coercive, obsessed with immediate results and drives his team relentlessly until, after a brief spike in performance, they suffer early burnout. In contrast, the ‘Effective Leader’, working without a pill, inspires and supports his team. He supplies the right ingredients, earning the respect and trust of his team with a blend of integrity, partnership and affirmation. Ultimately it is recognised that there is more to effective leadership than a wonder ‘pill’. Destined to be a transforming experience for thousands of readers, THE LEADERSHIP PILL shows how to apply the right techniques, no matter how pressured a business situation.

Impact the lives of those around you by becoming a person of influence. Let one of the most revered leadership and management experts in the world show you how!

Told in the parable format of The One Minute Manager, this work draws on the model and messages of Jesus as a source of practical lessons in effective leadership. Recounting the story of a teacher, a minister and a marketplace leader who support one another in their leadership challenges, this book offers unexpected and exceptional answers to tough leadership issues. The authors offer simple strategies for bringing vision - and values - to the workplace by examining messages and examples from the Bible.

Provides a guide to effective business leadership through important concepts and techniques of leadership, including flexibility, diagnosis, contracts, building skill, confidence, and autonomy in others.

In this newly released edition of one of his classic books, The One Minute Manager, Spencer Johnson, the author of the number one New York Times bestseller Who Moved My Cheese?, shows you how to sell your ideas, products, or services successfully! This is the book that has proved to be a must-have for the millions of people who were looking for the quickest way to improve their selling skills. In these changing times, Spencer Johnson, coauthor of The One Minute Manager®, shows you how the phenomenal One Minute® methods can bring real and lasting sales success with the least amount of time and effort. You will learn how to enjoy your job and your life more as you discover the effective secrets of "self-management," the integrity of "selling on purpose," and the liberating "wonderful paradox" of helping others get what they want so you can get what you need. The One Minute Sales Person is a clear, easy and invaluable guide that works for both you and the people you sell to, for your financial prosperity and personal well-being. In short, it is a classic Spencer Johnson bestseller that can help you enjoy more success with less stress.

A new edition based on the timeless business classic—updated to help today’s readers succeed more quickly in a rapidly changing world. For decades, The One Minute Manager® has helped millions achieve more successful professional and personal lives. While the principles it lays out are timeless, our world has changed drastically since the book’s publication. The exponential rise of technology, global flattening of markets, instant communication, and pressures on corporate workforces to do more with less—including resources, funding, and staff—have all revolutionized the world in which we live and work. Now, Ken Blanchard and Spencer Johnson have written The New One Minute Manager to introduce the book’s powerful, important lessons to a new generation. In their concise, easy-to-read story, they teach readers three very practical secrets about leading others—and explain why these techniques continue to work so well. As compelling today as the original was thirty years ago, this classic parable of a young man looking for an effective manager is more relevant and useful than ever.

***Ken Blanchard and Sheldon Bowles, co-authors of the New York Times business bestseller Raving Fans, are back with Gung Ho! Here is an invaluable management tool that outlines foolproof ways to increase productivity by fostering excellent morale in the workplace. It is a must-read for everyone who wants to stay on top in today's ultra-competitive business world. Raving Fans taught managers how to turn customers into full-fledged fans. Now, Gung Ho! brings the same magic to employees. Through the inspirational story of business leaders Peggy Sinclair and Andy Longclaw, Blanchard and Bowles reveal the secret of Gung Ho--a revolutionary technique to boost enthusiasm and performance and usher in astonishing results for any organization. The three principles of Gung Ho are: The Spirit of the Squirrel The Way of the Beaver The Gift of the Goose These three cornerstones of Gung Ho are surprisingly simple and yet amazingly powerful. Whether your organization consists of one or is listed in the Fortune 500, this book ensures Gung Ho employees committed to success. Gung Ho! also includes a clear game plan with a step-by-step outline for instituting these groundbreaking ideas. Destined to become a classic, Gung Ho! is a rare and wonderful business book that is packed with invaluable information as well as a compelling, page-turning story. Management legend Ken Blanchard and master entrepreneur Sheldon Bowles are back with Gung Ho!, revealing a surefire way to boost employee enthusiasm, productivity, and performance and usher in astonishing results for any organization. Raving Fans brilliantly schooled managers on how to turn customers into raving fans. Gung Ho! now brings the same magic to employees. Here is the story of how two managers saved a failing company and turned in record profits with record productivity. The three core ideas of Gung Ho! are surprisingly simple: worthwhile work guided by goals and values; putting workers in control of their production; and cheering one another on. Their principles are so powerful that business leaders, reviewing the manuscript for Ken and Sheldon, have written to say, "Sorry. Ignored instructions. Have photocopied for everyone. I promise to buy books, but can't wait. We need now!" Like Raving Fans, Gung Ho! delivers.***

***#1 New York Times Bestseller “THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In Think Again, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know.” —Brené Brown, Ph.D., #1 New York Times bestselling author of Dare to Lead The bestselling author of Give and Take and Originals examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of Originals and Give and Take, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. Think Again reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.***

***A compendium of straightforward techniques on how to accentuate the positive and redirect the negative, increasing productivity at work and at home. What do your people at work and your spouse and kids at home have in common with a five-ton killer whale? Probably a whole lot more than you think, according to top business consultant and mega-bestselling author Ken Blanchard and his coauthors from SeaWorld. In this moving and inspirational new book, Blanchard explains that both whales and people perform better when you accentuate the positive. He shows how using the techniques of animal trainers -- specifically those responsible for the killer whales of SeaWorld -- can supercharge your effectiveness at work and at home. When gruff business manager and family man Wes Kingsley visited SeaWorld, he marveled at the ability of the trainers to get these huge killer whales, among the most feared predators in the ocean, to perform amazing acrobatic leaps and dives. Later, talking to the chief trainer, he learned their techniques of building trust, accentuating the positive, and redirecting negative behavior -- all which make these extraordinary performances possible. Kingsley took a hard look at his own often accusatory management style and recognized how some of his shortcomings as a manager, spouse, and father actually diminish trust and damage relationships. He began to see the difference between “GOTCha” (catching people doing things wrong) and “Whale Done!” (catching people doing things right). In Whale Done!, Ken Blanchard shows how to make accentuating the positive and redirecting the negative the best tools to increase productivity, instead of creating situations that demoralize people. These techniques are remarkably easy to master and can be applied equally well at home, allowing readers to become better parents and more committed spouses in their happier and more successful personal lives.***

***“Working On A Song is one of the best books about lyric writing for the theater I've read.”—Lin-Manuel Miranda*** Anais Mitchell named to TIME's List of the 100 Most Influential People in the World of 2020 An illuminating book of lyrics and stories from Hadestown—the winner of eight Tony Awards, including Best Musical—from its author, songwriter Anais Mitchell with a foreword by Steve Earle On Broadway, this fresh take on the Greek myth of Orpheus and Eurydice has become a modern classic. Heralded as “The best new musical of the season,” by The Wall Street Journal, and “Sumptuous. Gorgeous. As good as it gets,” by The New York Times, the show was a breakout hit, with its poignant social commentary, and spellbinding music and lyrics. In this book, Anais Mitchell takes readers inside her more than decade’s-long process of building the musical from the ground up—detailing her inspiration, breaking down the lyrics, and opening up the process of creation that gave birth to Hadestown. Fans and newcomers alike will love this deeply thoughtful, revealing look at how the songs from “the underground” evolved, and became the songs we sing again and again.

**Inspiration and Wisdom from the Heart of a Leader**

The co-author of the phenomenal New York Times bestselling classic The One Minute Manager® explores the skills needed to become an effective self leader in this essential work, now updated throughout. Just as Ken Blanchard’s phenomenal bestselling classic The One Minute Manager gives leaders the three secrets to managing others, so this follow-up book gives people the three secrets to managing themselves. In Self Leadership and the One Minute Manager, readers will learn that accepting personal responsibility for their own success leads to power, freedom, and autonomy. Through a captivating business parable, Ken Blanchard and coauthors Susan Fowler and Laurence Hawkins show readers how to apply the world-renowned Situational Leadership® II method to their own development. The story centers on Steve, a young advertising executive who is about to lose his job. Through a series of talks with a One Minute Manager protégé named Cayla, Steve learns the three secrets of self leadership. His newfound skills not only empower Steve to keep his job, but also show him how to ditch his victim mentality to continue growing, learning, and achieving. For decades, millions of managers in Fortune 500 companies and small businesses around the world have followed Ken Blanchard’s management methods to increase productivity, job satisfaction, and personal prosperity. Now, this newly revised edition of Self Leadership and the One Minute Manager empowers people at every level of the organization to achieve success.

In this story, number one bestselling author Dr. Spencer Johnson reveals a simple, easy way to bring out the best in yourself. Using his proven world-famous One Minute program, you can: Take better care of yourself and encourage others to do the same Reduce stress at work and at home Enjoy a sense of peace and balance Have more business and personal success Life is lived minute by minute. With the practical wisdom that characterizes all of his One Minute books, Dr. Johnson shows how stopping and taking a minute out of the day can make life more meaningful and enjoyable—for you and for those near you. More than eleven million copies of Dr. Johnson’s books are in use in twenty-four languages.

The One Minute Manager, published in 1982, took the world by storm. More than 13 million copies have been sold in this country and it has been translated into more than 25 languages, making it one of the most influential books about business management ever written. The second book in this record-breaking series, Putting the One Minute Manager to Work, turns the three secrets of One Minute Management into day-to-day skills and shows how they work in real-life situations. By going straight to boardrooms and assembly lines for their examples, the authors put the One Minute concepts into working systems that directly affect a company’s bottom line. Here is the next step in the revolutionary, simple, and uniquely effective system that is changing how the world runs business.

One of the most popular and bestselling works ever on management.

*Newly updated and backed by decades of research, this classic guide will equip leaders and team members alike to unleash the power of teamwork. Never before in the history of the workplace has the concept of teamwork been more important to the functioning of successful organizations. Ken Blanchard, bestselling coauthor of Raving Fans, The One Minute Manager® and Gung Ho!, teams up with Donald Carew and Eunice Parisi-Carew to explain how all groups move through four stages of development on their way to becoming high performing teams—orientation, dissatisfaction, integration and production. The authors then show how a manager can help any group become effective quickly and with a minimum of stress.*

*The One Minute Father is the seminal One Minute book. A man who sees that he has been a better provider than parent learns by trial and error how to be more nurturing. He first learns a more effective way to discipline -- applying One Minute Reprimands. Then his children help him discover two even more important parenting methods -- One Minute Praisings and One Minute Goals. Using these practical methods, a father develops more confidence in himself as a parent, as he and his children enjoy a happier family life. The One Minute Father begins where most fathers are and takes them to where they want to be.*

*When a person goes to the boss with a problem and the boss agrees to do something about it, the monkey is off his back and onto the boss's. How can managers avoid these leaping monkeys? Here is priceless advice from three famous experts: how managers can meet their own priorities, give back other people's monkeys, and let them solve their own problems.*
