Hubbard's creative introduction to the social and historical setting for the letters of the Apostle Paul to churches in Asia Minor and Europe. Hubbard begins each major section with a brief narrative featuring a fictional character in one of

the great cities of that era. Then he elaborates on various aspects of the cultural setting related to each particular vignette, discussing the implications of those venues for understanding Paul's letters and applying their message to our

Addressing a wide array of cultural and traditional issues, Hubbard discusses:

- religion and superstition
- education, philosophy, and oratory
- urban society
- households and

The Scriptures say,
"In the beginning was
the Word, and the
word was with God.
And the Word was
God. He was with
God in the
beginning" (John
1:1). John's gospel

calls Jesus the Word of God. He presents Him as the personal Word of God, which indicates that in these last days God has spoken to us through His Son. The Scripture also revealed that Jesus Christ is the manifold wisdom of God and

the perfect revelation of the nature and person of God. Just as a person's words reveal his or her heart and mind, with Christ, it is the same, as the Word reveals the heart and mind of God. All those who know Jesus Christ, earnestly desire to

This book is a
comprehensive and
concise treatment of
the philosophical,
theological and

biblical issues related to the doctrine of God. Within its pages the nature, existence, and tri-unity of God are presented in an understandable and clear manner. The author ' s objective was to hold in highest regard the text of Holy Scripture while

reflecting the biblical position of the historic orthodox faith. The book 's tone is polemic and passionate, sincere and scholarly with a commitment to communicate the truth of God 's Word with simplicity and profundity. Also,

Access Free The One Who Is To Come

between its covers, you will find a wealth of information with numerous references and explanatory notes for clarification and further personal study. The book is arranged around the concept of the term “logos” which suffixes many other

words and turns them into fields of study, as in the phrase

“ theology ” (Theos-logos). The term

“ Logos ” refers to the concepts of epistemology, ontology, and hermeneutics.

Applied to the doctrine of God, its

organization deals with “ Knowing God, ” “ the Being of God, ” and “ Communicating God. ” This corresponds to Thomas Aquinas ’ s approach to understanding God, in the questions: what is God (we define

God by negation, what He is not); how do we know God (we know him by His effects); how do you communicate or explain God (God is communicated to us by His names, that is, His attributes). The book, furthermore, presents a classic and

argument for the
existence of God
called “ the

Allah (SW)
wanted the
Quran to be a
miracle and
proof. It was
sent as a
challenge for
the non-
believers. And,
if you want to

you must

You cannot

You have to

So, when the
Quran came and
challenged the
Arabs in their
own language
and prevailed,
it did not mean
that the Arabs
at that time

Access Free The One Who Is To Come

were weak in language arts. To the contrary, it is a testimony that they excelled in their language and mastered it at a high -Shakespearean-level. So, when the Quran

Access Free The One Who Is To Come

them

linguistically,
it became a
real triumph.

The purpose of
the revelation
of the Quran
was not to
reveal

scientific

to explain the

matters remain
hidden in its
verses and are

time. It is
when the
scientific
minds are
active in the

as it is

for it. The
Prophet left
the

wealth. His nephew, filled with greed, conspired against and killed him. When night fell, he threw the body at the doorstep of another village in order to frame them for

his uncle's murder. The next morning, as people saw the body, they naturally accused the village of his murder. And despite their denial, the relatives of the victim

Access Free The One Who Is To Come

insisted on

After the
matters
escalated, and
the two
villages
clashed, they
decided to
resort to
Prophet Moses
so that he may
ask Allah (SW)

to resolve the issue and identify the murderer. The second event, Allah (SW) was helping a pious man on his straight path. This man from among st the Children of Israel kept

Allah (SW) in mind in all his business and social dealings. As death approached him, all he had was a baby cow and his only heir at the time was his little boy. He was unsure

Allah (SW). I didn't find anyone more trustworthy than Him". She asked: "So where is it now?" He replied "I left it to roam free in the fields." Shortly after, he died. When

the son grew older, his mother told him the story. He asked: "Where can I find that cow after all these years?" His mother replied: "your father entrusted the cow to the

Thus, when they found, they set out to purchase it at any price. The young man agreed to sell it in exchange for its weight in gold. When the villagers slaughtered this cow and
