

The stories in this collection tell of the brave but ungrateful hero Theseus, the love between Orpheus and Eurydice, and the revenge of Cupid in "Apollo and Daphne" . '

Charm is a witch, and she is alone. The last of a line of conquered necromantic workers, now confined within the yard of regrown bone trees at Orchard House, and the secrets of their marrow. But now, Charm is also the only person who can keep an empire together, as the Emperor summons her to his deathbed, and charges her with choosing which of his awful, faithless sons will carry on the empire - by discovering which one is responsible for his own murder. Charm must choose. Her dead Emperor's will or the whispers of her own ghosts. Print run 75,000.

Persephone is carried off to the underworld by Hades, but her mother, Demeter, places a curse of winter on the earth until Zeus allows Persephone to return, which causes spring to come, stipulating that Persephone must return to Hades for three months every year.

"I doubt I would have grown up to be the writer and artist I became had I not fallen in love with D'Aulaire's Book of Greek Myths at the age of seven."—R. J. Palacio, author of Wonder Kids can lose themselves in a world of myth and magic while learning important cultural history in this beloved classic collection of Greek mythology. Now updated with a new cover and an afterword featuring never-before-published drawings from the sketchbook of Ingrid and Edgar D'Aulaire, plus an essay about their life and work and photos from the family archive. In print for over fifty years, D'Aulaires Book of Greek Myths has introduced generations to Greek mythology—and continues to enthrall young readers. Here are the greats of ancient Greece—gods and goddesses, heroes and monsters—as freshly described in words and pictures as if they were alive today. No other volume of Greek mythology has inspired as many young readers as this timeless classic. Both adults and children alike will find this book a treasure for years to come.

Mark of the Cyclops: An Ancient Greek Mystery

Pandora's Box

How Orchards Have Transformed the Land, Offered Sanctuary and Inspired Creativity

The Wooden Horse

Athena and the Olive Tree ; Who is the Fairest One of All? ; The Woman No One Believed

*On the eve of the Great Depression, Verna Krone, the child of Irish immigrants, must leave the eighth grade and begin working as a maid to help support her family. Her employer takes inappropriate liberties, and as Verna matures, it seems as if each man she meets is worse than the last. Through sheer force of will and a few chance encounters, she manages to teach herself to read and becomes a nurse. But Verna's new life falls to pieces when she is arrested for assisting a black doctor with "illegal surgeries." As the media firestorm rages, Verna reflects on her life while awaiting trial. Based on the life of the author's own grandmother and written after almost three hundred interviews with those involved in the real-life scandal, The Blue Orchard is as elegant and moving as it is exact and convincing. It is a dazzling portrayal of the changes America underwent in the first fifty years of the twentieth century. Readers will be swept into a time period that in many ways mirrors our own. Verna Krone's story is ultimately a story of the indomitable nature of the human spirit—and a reminder that determination and self-education can defy the deforming pressures that keep women and other disenfranchised groups down.*
