

## The Pagan Book Of Days

Are you thinking something is off kilter, about the way Christians celebrate holidays? Wondering why the church by at large meets on Sunday rather than on the Sabbath? Want to get off the treadmill of nonstop work and stress? Would you like to have, instead, a weekly day of rest and refreshment and prolonged times of refreshment nicely spaced throughout every year? Discover how the Heavenly Father provided a full day of rejuvenating rest and worship for all people, and how that was lost in history. Read scriptural and historical evidence for a much-needed and forgotten weekly gift, and for days symmetrically placed throughout each year that are packed with life and meaning. Nowhere did God command us to celebrate Halloween, Christmas, Easter, or other such days--but He did lay out seven annual festivals and the seventh weekly day for observance by all who love Him, through all generations. Here is a short introduction to all of them, with convincing logic and beautiful benefits. Try celebrating these for a year--and see if you don't wind up closer to the Lord you love. The information in this 107-page softcover book includes what the divinely ordered holidays are, when to observe them, and simple suggestions for how to celebrate them.

Llewellyn's Complete Book of Correspondences is a clear, straightforward companion for Pagan and Wiccan ritual and spellwork. Entries are cross-referenced, indexed, and organized by categories and subcategories, making it easy to find what you need. This comprehensive reference provides a fascinating look at why correspondences are more than just lists of objects to focus intent on--they are fundamental to how we think. When we use correspondences, we weave together our ideas, beliefs, and energy, creating deeper meaning in our rituals and spellwork as we unite our individuality with a larger purpose. The use of correspondences embodies both physical and symbolic energy and provides the means for uniting the seen and unseen worlds. Packed with content yet easy to use, Llewellyn's Complete Book of Correspondences covers traditional correspondences and also provides instruction for forging new ones that hold special meaning for you. The Pagan Book of Days A Guide to the Festivals, Traditions, and Sacred Days of the Year Destiny Books

Cunningham's classic introduction to Wicca is about how to live life magically, spiritually, and wholly attuned with nature. It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to achieve the much needed and wholesome relationship with our Earth. Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. Wicca also includes Scott Cunningham's own Book of Shadows and updated appendices of periodicals and occult suppliers.

RITUALS AND RESOURCES FOR HONOURING DEATH IN THE CIRCLE OF LIFE Birth, growth, death, and rebirth are a cycle that forms the underlying order of the universe. This is the core of Pagan belief - and the heart of this unique resource guide to de

A Year of Holidays in the Pagan Tradition

Not so very long ago, Yuletide was as much a chilling season of ghosts and witches as it was a festival of goodwill. In *The Old Magic of Christmas* you'll find a Christmas bestiary and a White Witch's herbal, as well as tips for delving more deeply into your relationship with the unseen. Bring the festivities into your home with cookie recipes and ornament making while brushing elbows with veiled spirits and discovering the true perils of elves. Rife with the more frightful characters from folklore and the season's most petulant ghosts, this book takes you on a spooky sleigh ride from the silvered firs of a winter forest to the mirrored halls of the Snow Queen. This book examines traditional religious holidays in the light of the Scriptural Appointed Times, often erroneously referred to as Jewish Holidays. This book reveals that many popular religious holidays actually derive from Babylonian sun worship. The reader is encouraged to understand and recognize how the Appointed Times are relevant and critical to anyone desirous of entering into a Covenant relationship with the Creator. It also examines the proper calendar in which those Appointed Times occur. This book is a part of the Walk in the Light series and an invaluable companion to *The Appointed Times*. This book, and the entire series, is intended for those seeking Scriptural truth amidst Christian and Jewish tradition.

This guide is full proverbial spells, daily conjurings, and mystical insights designed to help those in search of a little more magic in their day to day life, no complicated spells, expensive accessories, or experience required. That's the thing about everyday magic: it's always within reach, within the self, and in the world. Only not in the way readers might normally think. It's a less mumbling 'double double toil and trouble' over a cauldron and trouble and a more cooking a delicious soup in a beloved cast iron pot. It's simple. It's mundane. It's magic! This book offers grounded mystical practices, including how to turn routines into healing rituals, to teach readers how to connect to themselves, the Universe, and the magic of everyday life. Journey into the realm of pleasure magic, radical self-care, synchronicity, and the profound joy of living a life beyond the expected with this alternative guide to daily mystic practices. After all, true magic is in the everyday.

Inspiration and Ideas for a Holistic Pagan Lifestyle Live fully as a Pagan every day of the year, not only on full moons and holidays. With practical tips for integrating earth-centered spirituality into every aspect of life, *To Walk a Pagan Path* shows you how to: Cultivate a meaningful Pagan practice by following seven simple steps. Develop a sacred calendar customized for your beliefs, lifestyle, and environment. Make daily activities sacred with quick and easy rituals. Reclaim your place in the food cycle by producing a portion of your own food—even if you live in an apartment! Express Pagan spirituality through a variety of craft projects: candles, scrying mirrors, solar wreaths, recipes, and more. Create sacred relationships with animal familiars.

• A daybook containing information about rituals and celebrations that have for centuries been associated with the changing seasons of the year. • Includes charts of equinoxes and solstices, movable holy days, and monthly lunar phases through 2033 • First edition sold more than 30,000 copies Pagan rites and festivals are at the root of many traditional holidays in the Western world. Embracing a sensitivity we have lost, the Pagan traditions emphasize mystical spirituality, reverence for the feminine principle, and the links between people and the earth. This unique daybook contains a treasury of information about rituals and celebrations that have for centuries been associated with the changing seasons of the year. Included are the observances of the ancient Greek, Roman, Celtic, Anglo-Saxon, and Norse traditions, as well as Wiccan traditions and the worship of the Goddess. In *The Pagan Book of Days* the author provides details on auspicious and inauspicious days, holy days of ancient gods and goddesses, and the eight stations of the year (the solstices, equinoxes, and cross-quarter days). He also includes lunar and solar charts indicating dates of major Pagan celebrations from the year 2011 through 2033. Illustrations throughout depict images from the classical and northern European traditions. *The Pagan Book of Days* is an enlightening way to incorporate these ancient cultural and spiritual practices and awarenesses into your daily life.

Pagan Holidays

A Book of Pagan Prayer

Dewdrops in the Moonlight

Wicca: A Year and a Day

A Sourcebook of Poems, Hymns, and Invocations from Four Thousand Years of Pagan History

A Year of Pagan Prayer

The Christian Destruction of the Classical World

Runic Book of Days

This treasury of more than 350 poems, prayers, hymns, blessings, and dramatic readings provides beautiful, powerful pieces that you can use to mark holidays, milestones, and the passing of the seasons. Discover prayers to Janus from Horace and Ovid, a traditional Scottish blessing for Imbolc, an invocation to Pan by poet Helen Bantock, a salutation to the sun by Aleister Crowley, a pharaoh's hymn to Isis, a song for Lammass by Gwydion Pendderwen, and many, many more. In addition to readings and blessings for Pagan holidays and other special days throughout the year, you will also discover prayers for weddings and funerals and to coincide with phases of the moon. Author Barbara Nolan includes brief historical or biographical details to contextualize each piece as well as descriptions of various holidays and festivals to help you integrate these readings into your practice. *A Year of Pagan Prayer* demonstrates that the literary worship of Pagan deities was never fully lost in the West. This bounteous collection draws from the creative and spiritual legacy of Italian Renaissance poets, ancient Sumerian priestesses, twentieth-century Pagans, French Romantics, Greek playwrights, nineteenth-century British occultists, and Egyptian hymnists, making it a must-have sourcebook for anyone who yearns to embody the eloquent expressions of our Pagan past.

A step-by-step guide to working with the runes throughout the year • Explains how the 24 runes of the Elder Futhark each rule the calendar for a half-month • Details the runes most powerful during each runic half-month, what they portend for personal and spiritual wellbeing, and techniques for creating relationships with them • Includes structured devotionals for each half-month and runic initiation rituals for the 8 pagan Sabbats, or holy days, such as the Summer Solstice (Litha) and Lughnassadh (the first harvest holy day) The Old Norse runes, known as the Elder Futhark, have long joined forces with the cycles of the seasons to offer powerful initiations, guidance, and wisdom. Aligning the sacred festivals, plantings, and harvests of ancient runic calendars with our modern 12-month calendar, Kelley Harrell reveals how the runes can once again offer initiations as well as instruct us on the holy days and creative rhythms of today. Drawing on her more than 25 years of shamanic practice and runic study, Harrell offers a step-by-step primer to work with the runes throughout the year. She explains how the 24 runes of the Elder Futhark follow a seasonal progression in which each stave rules the calendar for a half-month. She explores the meaning of each rune in detail and presents structured runic devotionals for each half-month, interwoven with guidance on how to make the best use of the life force available during each season, as well as runic initiation rituals for the 8 pagan Sabbats, or holy days, such as the Summer Solstice (Litha) and Beltane (May Day). She details the runes most powerful during each half-month, what they portend for personal and spiritual wellbeing, techniques for creating relationships with them, and how to work with them as an oracle. The author also explains how the runes leading up to each Sabbat help create the space for properly greeting each calendrical transition and completing its initiation. By moving through Nature's cycle with the runes, each year becomes a reliable and trackable process of personalized growth and spiritual connection. Progressing through the teachings of each stave while honoring the seasons, Harrell's year with the runes becomes an initiation into a direct relationship with powers of Nature.

\*\*Winner of the 2016 Pulitzer Prize for Autobiography\*\* Included in President Obama's 2016 Summer Reading List "Without a doubt, the finest surf book I've ever read . . ." —The New York Times Magazine *Barbarian Days* is William Finnegan's memoir of an obsession, a complex enchantment. Surfing only looks like a sport. To initiate, it is something else: a beautiful addiction, a demanding course of study, a morally dangerous pastime, a way of life. Raised in California and Hawaii, Finnegan started surfing as a child. He has chased waves all over the world, wandering for years through the South Pacific, Australia, Asia, Africa. A bookish boy, and then an excessively adventurous young man, he went on to become a distinguished writer and war reporter. *Barbarian Days* takes us deep into unfamiliar worlds, some of them right under our noses—off the coasts of New York and San Francisco. It immerses the reader in

the edgy camaraderie of close male friendships forged in challenging waves. Finnegan shares stories of life in a whites-only gang in a tough school in Honolulu. He shows us a world turned upside down for kids and adults alike by the social upheavals of the 1960s. He details the intricacies of famous waves and his own apprenticeships to them. Youthful folly—he drops LSD while riding huge Honolua Bay, on Maui—is served up with rueful humor. As Finnegan's travels take him ever farther afield, he discovers the picturesque simplicity of a Samoan fishing village, dissects the sexual politics of Tongan interactions with Americans and Japanese, and navigates the Indonesian black market while nearly succumbing to malaria. Throughout, he surfs, carrying readers with him on rides of harrowing, unprecedented lucidity. *Barbarian Days* is an old-school adventure story, an intellectual autobiography, a social history, a literary road movie, and an extraordinary exploration of the gradual mastering of an exacting, little-understood art.

A New York Times Notable Book, winner of the Jerwood Award from the Royal Society of Literature, a New York Times Book Review Editors' Choice, and named a Book of the Year by the Telegraph, Spectator, Observer, and BBC History Magazine, this bold new history of the rise of Christianity shows how its radical followers helped to annihilate Greek and Roman civilizations. *The Darkening Age* is the largely unknown story of how a militant religion deliberately attacked and suppressed the teachings of the Classical world, ushering in centuries of unquestioning adherence to "one true faith." Despite the long-held notion that the early Christians were meek and mild, going to their martyrs' deaths singing hymns of love and praise, the truth, as Catherine Nixey reveals, is very different. Far from being meek and mild, they were violent, ruthless, and fundamentally intolerant. Unlike the polytheistic world, in which the addition of one new religion made no fundamental difference to the old ones, this new ideology stated not only that it was the way, the truth, and the light but that, by extension, every single other way was wrong and had to be destroyed. From the first century to the sixth, those who didn't fall into step with its beliefs were pursued in every possible way: social, legal, financial, and physical. Their altars were upturned and their temples demolished, their statues hacked to pieces, and their priests killed. It was an annihilation. Authoritative, vividly written, and utterly compelling, this is a remarkable debut from a brilliant young historian.

A book of Pagan chants, prayers, mantras, litanies, and other words of praise and celebration.

366 Magical Ways To Observe The Cycle Of The Year

The Pirate and the Pagan

Finding the Extraordinary in Our Ordinary Lives

A Guide for the Solitary Practitioner

My Many Colored Days

Pagan Every Day

The Pagan Book of the Dead

There are no short-cuts to becoming a Witch. Traditionally, students take a year and a day to prepare for their initiation into the Craft. Based on this age-old custom, *Wicca: A Year and a Day* is a one-of-a-kind daily guide that introduces Witchcraft over a 366-day cycle. Ideal for solitary students, this intensive study course teaches the core content of Wiccan practice: the tides of time, the wonders of the seasons, the ways of herbs and magic, the mysticism of the Old Ones, and the inner disciplines of seers and sages. Daily lessons include exercises, Wiccan theology and lore, and discussions relating to circle work, magical correspondences, holidays, deities, tools, healing, and divination.

"A comprehensive collection of prayers and rituals for contemporary pagans, from a variety of traditions; includes a list of offerings and a glossary of deities"--

The simple Sabbat is a compilation of simple and very eclectic Sabbat rituals, recipes, crafting ideas and factoids that anyone can use to celebrate the eight Pagan holidays. These are rituals and ideas that any family can use yearly and are a great way to connect the seasons in nature and the turning of the Wheel. This book can be a great teaching tool for parents to use to help teach their children these special days.

Let your stress fade away as you unwind and get lost in coloring these beautiful hand drawn images. An expert in filigree, the artist has taken great care in creating unique images of pentagrams and zodiac signs to entice you to express yourself in color and shading. An extensive look at the cartography and folklore of the afterlife worlds as seen by our ancestors • Examines how ancient European cultures viewed the beyond, including the Blessed Isles of early Greek and Celtic faith, the Hebrew Sheol, Hades from Homer's *Odyssey*, Hel and Valhalla of the Norse, and the Aralu of Babylon • Shows how medieval accounts of journeys into the Other World represent the first recorded near-death experiences • Connects medieval afterlife beliefs and NDE narratives with shamanism, looking in particular at psychopomps, power animals, the double, the fetch, and what people bring back from their journeys to the spirit realms Charting the evolution of afterlife beliefs in both pagan and medieval Christian times, Claude Lecouteux offers an extensive look at the cartography and folklore of the afterlife worlds as seen by our ancestors. Exploring the locations and topographies of the various forms taken by Hell, Purgatory, and Heaven, he examines how ancient European cultures viewed the beyond, including the Blessed Isles of early Greek and Celtic faith, the Hebrew Sheol, the pale world of Hades from Homer's *Odyssey*, Hel and Valhalla of the Norse, and the Aralu of Babylon, the land where nothing can be seen. The author also explores beliefs in Other Worlds, lands different from our own that are not the afterlife but places where time flows differently and which are inhabited by fantastic or supernatural beings such as fairies or dwarfs. Sharing medieval tales of journeys into the beyond, Lecouteux shows how these accounts represent the first recorded near-death experiences (NDEs) and examines how they compare with modern NDE narratives as well as the work of NDE researchers like Raymond Moody. In addition, he also explores tales of out-of-body experiences, dream journeys, and travels made by a double or fetch and connects these narratives with shamanism, looking in particular at psychopomps, power animals, and what people bring back from their journeys to the spirit realms. Analyzing the afterlife beliefs of the Middle Ages as a whole, Lecouteux concludes with a collection of medieval afterlife-related traditions, such as placing polished stones in the coffin so the departed soul can find its way back to friends and family at those times of the year when the veil between the worlds grows thin.

Celebrate the Earth

Every Day Magic - A Pagan Book of Days

A Beginner's Guide to Celebrating the Traditional Pagan Festivals of the Seasons

Practical Spirituality for Every Day

The Old Magic of Christmas

**Offers everything needed to mark the changing of the seasons and celebrate the ancient and powerful magic held within the Wheel of the Year, including suggestions for activities, spells, guided meditations and lists of correspondences for each of the eight sacred festivals. Aimed at those new to the Craft and Solitary Practitioners.**

**A guide to the festivals, traditions, and sacred days of the year.**

**This title provides a detailed description of the eight major Pagan festivals as they fall chronologically throughout the year.**

**Celebrate significant milestones in pagan and ancient history each turn of the Wiccan Wheel of Days—from January 1st through December 31st. Researched and compiled by contemporary Wiccan expert and practicing witch Gerina Dunwich, this day-by-day calendar commemorates the pagan festivals and feasts, birthdays, and major events in Wiccan history, legend, and lore. Entries include the Roman festival of Carmentalia on January 11th, Whitsunday on June 4th, and the Chinese Festival of the Hungry Ghosts on August 18th. Highlighting Eastern, Western, and Native American holidays, feasts, and celebrations, The Wicca Book of Days is essential both as a Witch's calendar and as a highly browsable history of pagan culture and folklore from ancient times to the present.**

**What are the origins of some of our holidays? Why are eggs decorated on Easter? Why are there wreaths on doors during Christmas? What is the real reason for decorated trees in living rooms around the world? Through a Christian prospective this book will examine popular holidays that have a significant religious meaning. Digging through layers of history, this book will uncover the pagan origins that make up many of our holiday traditions.**

**Yuletide Traditions for the Darkest Days of the Year**

**A Novel**

**The Simple Sabbat**

**A Guide to Living the Annual Cycle of Rune Magick**

*This book is about the Old Norse god Odin. It includes references to all occurrences of Odin in the Old Norse/Icelandic texts, including Saxo's Gesta Danorum, the eddic poems, Snorri's Edda, and Ynglinga saga and analyses the high medieval reception and literary representations of Odin rather than the religious character of the god. This is the only existing study of Odin in all the Old Norse/Icelandic texts and applies a contextual method: the different guises of Odin are studied on the basis of the various textual contexts and on their background in the literary and Christian intellectual milieu of the time. Contrary to existing studies, this method is non-reductive in that it does not aim at providing a synthesis about Odin's original nature on the basis of the differing textual uses of Odin in the Middle Ages. The book argues that the perceived complexity of Odin, often highlighted in research, is first and foremost a function of the complex textual material spanning a wide variety of genres each with its particular literary conventions and of the reception of Odin in early modern and modern mythological studies.*

*Published to coincide with the Pagan holiday Samhain on October 31st, this new title by a renowned author and Witch will appeal to spiritualists and environmentalists alike as it celebrates the eight holidays in the Pagan tradition. The Pagan origins of many of our everyday traditions, including the Winter Solstice and Spring Equinox, are celebrated here as holidays that spring from the seasons of the earth. With its practical suggestions for enjoying seasonal renewal, Celebrate The Earth blends all the richness and ancient lore of Witchcraft with how-to advice to create a modern-day celebration of nature. For each holiday, it offers instructions on: Earth magic--sample rituals, preparation, garb, herbcraft, spellcraft, and magical stones, for promoting love, romance, and healing. Holiday fare--recipes and menus to prepare. Ancient activities--crafts and games passed down through generations. Also included is a list of sources--an extensive bibliography, plus lists of specialty shops and mail order catalogs.*

*Humorous and witty entries for every day of the year provoke new ideas and new ways of exploring paganism as a spiritual practice, revealing how contemporary spiritual experiences show up in the most unexpected places. Original.*

*This book is designed for Neo-Pagans who are drawn to monasticism and want a liturgy of spiritual discipline in their lives, but can also be used for any Pagan group that wants a regular daily liturgy, or any Pagan who needs a quick ritual for a given day or deity. The Book of Hours contains a full-year calendar of twice-daily rituals, based on the lore of many different ancient cultures, as well as a daily regimen of Hours to follow.*

*A hands-on resource for pagan parents and pagan families with hundreds of rituals, prayers, blessings, and meditations for every occasion along with suggestions for creating a sacred home. A Book of Pagan Family Prayers and Rituals provides a reference guide for pagans who wish to celebrate their religion as living, family tradition steeped in pagan ritual and pagan prayer. The book contains: Ritual guidelines for weddings, births, birthdays, seasonal celebrations, lunar phases, coming of age, divorce and death. Suggestions for the creation of the sacred home (including blessings and household shrines). Children's activities including meditations, mask and rattle making, drumming, and storytelling. Prayers for throughout the day. Tips for teaching children about paganism. References and resources for further information in the appendices. This book was first published in 1995 under the title The Pagan Family: Handing the Old Ways Down. This*

*new edition is substantially revised and includes new, previously unpublished material.*

Wild as a pagan goddess, Lady Summer galloped her stallion along the Cornish coast. She had dabbled in the smuggler's game to save her family estate, but a wealthy marriage would better serve her purpose now. Lord Ruark Helford seemed the answer to her reckless prayers. But as his hot, hungry kisses drew her toward deception and irresistible acts of love, she had to hesitate. Would this arrogant, handsome lord be her ticket to heaven--or hell?

Buckland's Complete Book of Witchcraft has influenced and guided countless students, coven initiates, and solitaries around the world. One of modern Wicca's most recommended books, this comprehensive text features a step-by-step course in Witchcraft, with photographs and illustrations, rituals, beliefs, history, and lore, as well as instruction in spellwork, divination, herbalism, healing, channeling, dreamwork, sabbats, esbats, covens, and solitary practice. The workbook format includes exam questions at the end of each lesson, so you can build a permanent record of your spiritual and magical training. This complete self-study course in modern Wicca is a treasured classic—an essential and trusted guide that belongs in every Witch's library. Praise: "A masterwork by one of the great Elders of the Craft. Raymond Buckland has presented a treasure trove of Wiccan lore. It is a legacy that will provide magic, beauty, and wisdom to future generations of those who seek the ancient paths of the Old Religion."—Ed Fitch, author of *Magical Rites from the Crystal Well* "I read Buckland's Complete Book of Witchcraft with much pleasure. This book contains enough information and know-how for all approaches: the historical, the philosophical, and the pragmatic . . . quite entertaining, as much for the armchair enthusiast as for the practicing occultist."—Marion Zimmer Bradley, author of *The Mists of Avalon* "Never in the history of the Craft has a single book educated as many people, spurred as many spiritual paths, or conjured as much personal possibility as Buckland's Complete Book of Witchcraft."—Dorothy Morrison, author of *The Craft*

Recipes, Spells, and Wisdom from the Hedgerow Once upon a time the witch held a place of esteem in the village; her knowledge of local plants and wayside herbs were used to heal; her wisdom and empathy made her the village matchmaker and marriage counselor; and her ability to commune with nature and animals gave her a place of revelry and wisdom. She was the Hedgewitch. Aimed at the busy witch, who is both breadmaker and breadwinner, this book revives the spirit of the Hedgewitch and teaches you how to make every day one full of wisdom, healing, and magic. For the practicing or would-be witch whose life is more jeans, chaos, and the never-ending question of what's for dinner than it is black robes, cauldrons, and incantations, Mandy Mitchell has a recipe for you! "I want to demonstrate how daily chores can become magical rituals with the potential to enrich and transform your life—everything from the way we form relationships with our families and friends to cooking, cleaning, and healing."—from the introduction *Journey through the wheel of the year with one eye on the kettle and the other on the magical!*

Every Day Magic - A Pagan Book of Days contains 366 spells, rituals, meditations, Pagan prayers, divinatory techniques, poems to read and recipes and craft projects to try out, along with the details of festivals that take place throughout the year. All the activities are intended to be easy to follow so you can pick up the book, open it to a day and find something you can do. There are festivals from the ancient world and modern Pagan celebrations as well.

A board book version of Seuss's popular rhyming story describes each day in terms of a particular color which in turn is associated with specific emotions.

**From the Fall Equinox and Beltane to celebrations of peace and justice, A Pagan Ritual Prayer Book offers more than 700 prayers for the rituals of life from the sacred to the mundane. A companion to the popular A Book of Pagan Prayer, this handbook of rituals and prayers is organized thematically, making it convenient to use if one is seeking prayers for specific occasions, seasons, times of day, meals, or milestones. Included is an extensive section on the requisites of ritual and how to use ritual and prayer to create lasting change in your life and in the world. A Pagan Ritual Prayer Book is suitable for all pagans: Druids, Wiccans, solitaries, Greek & Norse Reconstructionists, Mystery Cult Reconstructionists, and more, offering perfect petitions or invocations to invoke, embrace, and honor the major events that make up our lives.**

**"Join Brina on an exploration of magical paths like green witchery, kitchen witchcraft, Wicca, and more as she considers the question: Which witch will I be? Brina is a picture book that uses catchy rhymes and engaging illustrations to explore magic and modern witchcraft. This enchanting story will leave children and parents with the magical reminder that finding your path can be a bewitching journey -- even if you aren't sure where you'll end up."--Amazon.com.**

**The first comprehensive study of its kind, this fully illustrated book establishes Paganism as a persistent force in European history with a profound influence on modern thinking. From the serpent goddesses of ancient Crete to modern nature-worship and the restoration**

of the indigenous religions of eastern Europe, this wide-ranging book offers a rewarding new perspective of European history. In this definitive study, Prudence Jones and Nigel Pennick draw together the fragmented sources of Europe's native religions and establish the coherence and continuity of the Pagan world vision. Exploring Paganism as it developed from the ancient world through the Celtic and Germanic periods, the authors finally appraise modern Paganism and its apparent causes as well as addressing feminist spirituality, the heritage movement, nature-worship and 'deep' ecology. This innovative and comprehensive history of European Paganism will provide a stimulating, reliable guide to this popular dimension of religious culture for the academic and the general reader alike.

This collection of rituals, practices, and exercises has been drawn from ancient sources, some have been preserved and some rituals have been updated by scholars from various pagan groups. This deluxe one-volume edition is specially designed to be read by candlelight.

**Imagining the Pagan Past** explores stories of Britain's pagan history. These tales have been characterised by gods and fairies, folklore and magic. They have had an uncomfortable relationship with the scholarly world; often being seen as historically dubious, self-indulgent romance and, worse, encouraging tribal and nationalistic feelings or challenging church and state. This book shows how important these stories are to the history of British culture, taking the reader on a lively tour from prehistory to the present. From the Middle Ages to the twenty-first century, Marion Gibson explores the ways in which British pagan gods and goddesses have been represented in poetry, novels, plays, chronicles, scientific and scholarly writing. From Geoffrey of Monmouth to Edmund Spenser, William Shakespeare to Seamus Heaney and H.G. Wells to Naomi Mitchison it explores Romano-British, Celtic and Anglo-Saxon deities and fictions. The result is a comprehensive picture of the ways in which writers have peopled the British pagan pantheons throughout history. **Imagining the Pagan Past** will be essential reading for all those interested in the history of paganism.

**A Guide to the Festivals, Traditions, and Sacred Days of the Year**

A comprehensive guide to a growing religious movement. If you want to study Paganism in more detail, this book is the place to start. Based on a course in Paganism that the authors have taught for more than a decade, it is full of exercises, meditations, and discussion questions for group or individual study.

This book presents the basic fundamentals of Paganism. It explores what Pagans are like; how the Pagan sacred year is arranged; what Pagans do in ritual; what magick is; and what Pagans believe about God, worship, human nature, and ethics. For those who are exploring their own spirituality, or who want a good book to give to non-Pagan family and friends. A hands-on learning tool with magickal workings, meditations, discussion questions, and journal exercises. Offers in-depth discussion of ethics and magick.
