

## The Party

*In an era of skyrocketing tuition and concern over whether college is “worth it,” Paying for the Party is an indispensable contribution to the dialogue assessing the state of American higher education. A powerful exposé of unmet obligations and misplaced priorities, it explains in detail why so many leave college with so little to show for it.*

*Let the celebration begin! Whether you want to throw the best birthday bash ever or you’re dreaming up a just-for-fun sleepover extravaganza with your friends, Faithgirlz! has you covered. Packed full of creative and crazy-fun ideas, this book contains everything you need to know to plan fifteen great get-togethers from start to finish. From holiday parties to secret garden soirees, cookie bake-offs for a cause to “glamping” slumber parties, you and your BFFs will get detailed how-tos and plenty of tips for designing cute crafts, décor, munchies, and more. Plus, clever ideas throughout show you how to turn every day into a special occasion! Have a blast from invitation to gracious goodbye—all on a crafty girl’s budget.*

*A dazzling debut collection of raw and explosive poems about growing up in a sexist, sensationalized world, from a thrilling new feminist voice. i’m a good girl, bad girl, dream girl, sad girl girl next door*

*sunbathing in the driveway i wanna be them all at once, i wanna be all the girls I've ever loved –from "Girl" Lauded for the power of her writing and having attracted an online fan base of millions for her extraordinary spoken-word performances, Olivia Gatwood now weaves together her own coming-of-age with an investigation into our culture's romanticization of violence against women. At times blistering and riotous, at times soulful and exuberant, Life of the Party explores the boundary between what is real and what is imagined in a life saturated with fear. Gatwood asks, How does a girl grow into a woman in a world racked by violence? Where is the line between perpetrator and victim? In precise, searing language, she illustrates how what happens to our bodies can make us who we are. Praise for Life of the Party "Delicately devastating, this book will make us all 'feel less alone in the dark.'" –Miel Bredouw, writer and comedian, Punch Up the Jam "Gatwood writes about the women who were forgotten and the men who got off too easy with an effortlessness and empathy and anger that yanked every emotion on the spectrum out of me. Imagine, we get to live in the age of Olivia Gatwood. Goddamn." –Jamie Loftus, writer and comedian, Boss Whom Is Girl and The Bechdel Cast "I've read every poem in Life of the Party. I've read each of them more than once. In some parts of the book the spine is already breaking because I've spent so much time poring over it and losing*

*Throughout the contest for the 2008 Democratic presidential nomination, politicians and voters alike worried that the outcome might depend on the preferences of unelected superdelegates. This concern threw into relief the prevailing notion that—such unusually competitive cases notwithstanding—people, rather than parties, should and do control presidential nominations. But for the past several decades, The Party Decides shows, unelected insiders in both major parties have effectively selected candidates long before citizens reached the ballot box. Tracing the evolution of presidential nominations since the 1790s, this volume demonstrates how party insiders have sought since America’s founding to control nominations as a means of getting what they want from government. Contrary to the common view that the party reforms of the 1970s gave voters more power, the authors contend that the most consequential contests remain the candidates’ fights for prominent endorsements and the support of various interest groups and state party leaders. These*

*One of the Wall Street Journal's "Six Books to Read This Winter" The Italian Party by Christina Lynch is a delicious and sharply funny page-turner about "innocent" Americans abroad in 1950s Siena "Imagine Beautiful Ruins plus horses; Toujours Provence with spies, a mystery and sex. The Italian Party is a fizzy, page-turning delight that begs for a Campari and soda!" —Julia Claiborne Johnson, author of Be Frank With Me "Tremendous fun! Wives with big secrets, husbands with bigger ones, swirling around a 1950s Siena teeming with seduction and spycraft." —Chris Pavone, New York Times bestselling author of The Travelers and The Expats Newly married, Scottie and Michael are seduced by Tuscany's famous beauty. But the secrets they are keeping from each other force them beneath the splendid surface to a more complex view of Italy, America and each other. When Scottie's Italian teacher—a teenager with secrets of his own—disappears, her search for him leads her to discover other, darker truths about*

*herself, her husband and her country. Michael's dedication to saving the world from communism crumbles as he begins to see that he is a pawn in a much different game. Driven apart by lies, Michael and Scottie must find their way through a maze of history, memory, hate and love to a new kind of complicated truth. Half glamorous fun, half an examination of America's role in the world, and filled with sun-dappled pasta lunches, prosecco, charming spies and horse racing, The Italian Party is a smart pleasure.*

*The long-awaited revision of Larry Sabato's classic work on political parties in the U.S., The Party's Just Begun has been brought completely up-to-date and features a new co-author, Bruce Larson. Analysis of Election 2000 and the parties' roles; new analysis of the Reform Party and its candidates; new polling data from John McLaughlin and Associates; new discussion of campaign finance laws and reform efforts; and new discussion of the effects of debacles like the impeachment of President Clinton on the public's opinion of the parties. For those interested in American politics.*

*Caldecott Honor artist Mo Willems continues his charming Elephant & Piggie series of first readers with these two titles, in which Piggie is invited to her very first party, while Gerald discovers that there is something worse than a bird on his head. Full color.*

*The New York Times bestselling exposé of what passes for business as usual in Washington today There was a time, not so very long ago, when perfectly rational people ran the Republican Party. So how did the party of Lincoln become the party of lunatics? That is what this book aims to answer. Fear not, the Dems come in for their share of tough talk— they are zombies, a party of the living dead. Mike Lofgren came to Washington in the early eighties—those halcyon, post-Nixonian glory days—for what he*

***imagined would be a short stint on Capitol Hill. He has witnessed quite a few low points in his twenty-eight years on the Hill—but none quite so pitiful as the antics of the current crop of legislators whom we appear to have elected. Based on the explosive article Lofgren wrote when he resigned in disgust after the debt ceiling crisis, The Party Is Over is a funny and impassioned exposé of everything that is wrong with Washington. Obama and his tired cohorts are no angels but they have nothing on the Republicans, whose wily strategists are bankrupting the country one craven vote at a time. Be prepared for some fireworks.***

Jones & The Six A propulsive tale of ambition and romance, set in the publishing world of 1980's New York and the timeless beaches of Cape Cod. In the summer of 1987, 25-year-old Eve Rosen is an aspiring writer languishing in a low-level assistant job, unable to shake the shadow of growing up with her brilliant brother. With her professional ambitions floundering, Eve jumps at the chance to attend an early summer gathering at the Cape Cod home of famed New Yorker writer Henry Grey and his poet wife, Tillie. Dazzled by the guests and her burgeoning crush on the host's artistic son, Eve lands a new job as Henry Grey's research assistant and an invitation to Henry and Tillie's exclusive and famed "Book Party"—where attendees dress as literary characters. But by the night of the party, Eve discovers uncomfortable truths about her summer entanglements and understands that the literary world she so desperately wanted to be a part of is not at all what it seems. A page-turning, coming-of-age story, written with a lyrical sense of place and a profound appreciation for the sustaining power of books, Karen Dukess's *The Last Book Party* shows what happens when youth and experience collide and what it takes to find your own voice.

A captivating novel of manners that tells the story of a dark and disturbing period in British history, by a master storyteller. It is the summer of 1938 and Phyllis Forster has returned to England after years abroad. Moving into her sister's grand country house, she soon finds herself entangled in a new world of idealistic beliefs and

## Read Free The Party

seemingly innocent friendships. Fevered talk of another war infiltrates their small privileged circle, giving way to a thrilling solution: the appointment of a great and charismatic new leader who will restore England to its former glory. At a party hosted by her new friends, Phyllis lets down her guard for a single moment, with devastating consequences. Years later, Phyllis, alone and embittered, recounts the dramatic events which led to her imprisonment and changed the course of her life forever. Powerfully poignant, and exquisitely observed, *The Party* is an illuminating portrait of a period of British history which has yet to be fully acknowledged.

An inside story of the intrigues during the Progressive Conservative Party convention which toppled Diefenbaker.

A taut psychological tale of obsession and betrayal set over the course of a dinner party. "Day's shrewd eye and authorial tone provide a gleeful, edgy wit.... [a] small irresistible romp."-New York Times Book Review Ben, who hails from old money, and Martin, who grew up poor but is slowly carving out a successful career as an architect, have been inseparable since childhood. Ben's wife Serena likes to jokingly refer to Martin as Ben's dutiful Little Shadow. Lucy is a devoted wife to Martin, even as she knows she'll always be second best to his sacred friendship. When Ben throws a 40th birthday party at his new palatial country home, Martin and Lucy attend, not with the very upper echelons of London society. But why, the next morning, is M

across the world. Lindsey is not afraid to be herself. In fact, it's her confidence and individuality that have propelled her into the spotlight. But the road hasn't been easy. After being rejected by talent scouts, music reps, and eventually on national television, Lindsey forged her own path, step by step. Detailing every trial and triumph she has experienced until now, Lindsey shares stories of her humble yet charmed childhood, humorous adolescence, life as a struggling musician, personal struggles with anorexia, and finally, success as a world-class entertainer. Lindsey's magnetizing story—at once remarkable and universal—is a testimony that there is no singular recipe for success, and despite what people may say, sometimes it's okay to be The Only Pirate at the Party.

Georgie the cat loves throwing parties for his friends. All his parties have balloons, lights, delicious cake, and most importantly, everyone has an unforgettable time. One day, Georgie decides to throw the ultimate bash, so he puts on his party hat and races through the city to invite his best buds... who are all too busy to come. But Georgie soon learns that you can always count on your friends to be there for you... and sometimes they might even bring cake! the birthday cake) \* A Stegosaurus and Friends Party (dress is prehistoric -- dinosaurs welcome) \* An Under-the-Big-Top Party (no more waiting for the circus to come to town) \* A Chocolate Factory Party (complete with a life-size candy cottage)

The incredible story of Brownie Wise, the Southern single mother—and postwar #Girlboss—who built, and lost, a Tupperware home-party empire Before Mary Kay, Martha Stewart, and Joy Mangano, there was Brownie Wise, the charismatic Tupperware executive who converted postwar optimism into a record-breaking sales engine powered by American housewives. In *Life of the Party*, Bob Kealing offers the definitive portrait of Wise, a plucky businesswoman who divorced her alcoholic husband, started her own successful business, and eventually caught the eye of Tupperware inventor, Earl Tupper, whose plastic containers were collecting dust on store shelves. The Tupperware Party that Wise popularized, a master-class in the soft sell, drove Tupperware's sales to soaring heights. It also gave minimally educated and economically invisible postwar women, including some African-American women, an acceptable outlet for making their own money for their families—and for being rewarded for their efforts. With the people skills of Dale Carnegie, the looks of Doris Day, and the magnetism of Eva Peron, Wise was as popular among her many devoted followers as she was among the press, and she became the first woman to appear on

## Read Free The Party

the cover of BusinessWeek in 1954. Then, at the height of her success, Wise's ascent ended as quickly as it began. Earl Tupper fired her under mysterious circumstances, wrote her out of Tupperware's success story, and left her with a pittance. He walked away with a fortune and she disappeared—until now. Originally published as Tupperware Unsealed by the University Press of Florida in 2008—and optioned by Sony Pictures, with Sandra Bullock attached to star—this revised and updated edition is perfectly timed to take advantage of renewed interest in this long-overlooked American business icon.

since Effie's beloved parents got divorced, destroying the image of the happy, loving childhood she thought she had. Since then, she's become estranged from her father and embarked on a bitter feud with his hot (and much younger) girlfriend, Krista. And now, more earth-shattering news: They've sold Greenoaks, the rambling Victorian country house Effie has always called home. When Krista decides to throw a grand "house-cooling" party, Effie is originally left off the guest list—and then receives a last-minute "anti-invitation" (maybe it's because she called Krista a gold-digger, but Krista totally deserved it, and it was mostly a joke anyway). Effie declines the invitation, then remembers a beloved childhood treasure is still hidden in the house. Her only chance to retrieve it is to break into Greenoaks while everyone is busy celebrating. As Effie sneaks into the house, hiding under tables and peeping through trapdoors, she realizes the secrets Greenoaks holds aren't just in the dusty passageways and hidden attics she grew up exploring. Watching how her sister, brother, and dad behave when they think no one is looking, Effie overhears conversations, makes discoveries, and begins to see her family in a new light. But when she runs into Joe—the love of her life, who long ago broke her heart, and who's still as handsome and funny as ever—and even more truths emerge. But will Effie act on these revelations? Will she stay hidden or step out into the party and take her place with her family? And truthfully, what did she really come back to Greenoaks for? Over the course of one party, Effie realizes that she must be honest with herself and confront her past before she can be able to face her future.

Argues that the Democrats have an opportunity to return as the majority party if they

concentrate on their traditional focus--the ordinary worker and consumer

Is the Democratic Party the "Party of Death"? If you look at their agenda they are. IT'S JUST abortion-on-demand. It's euthanasia, embryo destruction, even infanticide—and a potentially deadly concern with "the quality of life" of disabled people. If you think these don't concern you—guess again. The Party of Death is roaring into the White House! In *The Party of Death*, Ponnuru details how left-wing radicals, using abortion as their lever, took over the Democratic Party—and how they have used their power to corrupt our law and politics, to abolish our fundamental right to life, and push the envelope in ever more dangerous directions. In *The Party of Death*, Ponnuru reveals: How Hillary Clinton could use the abortion issue (not in the way you think) Why the conventional wisdom about *Roe v. Wade* is a lie How the Party of Death—a coalition of special interests ranging from Planned Parenthood to Hollywood—has managed to own the Democratic Party How the mainstream media promotes the party of death How Bill Clinton, Jackson, Al Gore, and other leading liberals gave up being pro-life How liberals use animal rights to displace human rights The Democratic presidential candidate who said that infanticide is a mother's "choice" How doctors—and other health care professionals—are being coerced by law, into violating their consciences The ultrasound revolution: why there's hope to stop the party of death Ponnuru's shocking exposé shows just how extreme the Party of Death has become as they seek to destroy every inconvenient life, demand fealty to their radical agenda, and punish anyone who defies them.

Building Bridges to the Arts, Culture and Community

A New Vision For The Democrats

The Party Decides

After the Party

Where's the Party?

Why Americans Don't Join the Party

*Winner, 2019 ATHE Outstanding Book Award, given by the Association for Theatre in Higher Education Winner, 2018 Errol Hill Award in African American theater, drama, and/or performance studies, presented by the American Society for Theatre Research A new manifesto for performance studies on the art of queer of color worldmaking. After the Party tells the stories of minoritarian artists who mobilize performance to produce freedom and sustain life in the face of subordination, exploitation, and annihilation. Through the exemplary work of Nina Simone, Jorge Ignacio Cortiñas, Danh Võ, Felix Gonzalez-Torres, Eiko, and Tseng Kwong Chi, and with additional appearances by Nao Bustamante, Audre Lorde, Martin Wong, Assata Shakur, and Nona Faustine, After the Party considers performance as it is produced within and against overlapping histories of US colonialism, white supremacy,*

*and heteropatriarchy. Building upon the thought of José Esteban Muñoz alongside prominent scholarship in queer of color critique, black studies, and Marxist aesthetic criticism, Joshua Chambers-Letson maps a portrait of performance's capacity to produce what he calls a communism of incommensurability, a practice of being together in difference. Describing performance as a rehearsal for new ways of living together, After the Party moves between slavery, the Civil Rights Movement, the first wave of the AIDS crisis, the Vietnam War, and the catastrophe-riddled horizon of the early twenty-first century to consider this worldmaking practice as it is born of the tension between freedom and its negation. With urgency and pathos, Chambers-Letson argues that it is through minoritarian performance that we keep our dead alive and with us as we struggle to survive an increasingly precarious present.*

*What determines the interests, ideologies, and alliances that make up political parties? In its entire history, the United States has had only a handful of party transformations. First to the Party concludes that groups like unions and churches, not voters or politicians, are the most consistent influences on party transformation.*

*Eleven years ago, Jem and Ralph fell in love. They thought it would be for*

showers, and birthdays.

A leading activist-scholar on what's next in the Sanders revolution Bernie Sanders shocked the political establishment by winning 13 million votes and a majority of young voters in the 2016 Democratic primary. Since that upset, repeated polls have judged this democratic socialist to be the most popular politician in the United States. What lessons can be drawn from his surprising insurgent campaign? Longtime author and activist Heather Gautney was a Policy Fellow in Sanders's Washington, DC, office and a volunteer researcher and organizer on his presidential campaign. In reviewing what enabled Sanders to reach out to an unprecedented number with a socialist message—and what stalled his progress—she draws lessons on the prospects and peril of building a progressive movement in the United States. Gautney's poignant account of the role that race and class played in this election cycle, her anatomy of the conflicting dynamics of movement and electoral ambitions, and her clear-eyed analysis of the Democratic position following Trump's victory will serve as a useful starting point for many readers newly aware of the limitations of the Democratic Party and the immensity of the challenges ahead.

How Republicans Went Crazy, Democrats Became Useless, and the Middle Class Got Shafted

The Night of the Party

Life of the Party is a darkly humorous narrative set in Milan. The story swan dives into the underbelly of Milanese fashion and nightlife, through the eyes of Mia, a young expat. She came to Milan to escape her problems but only found new and more glamorous ones. Mia indulges in the highs and lows that drugs and men can offer, only to be left with herself in the end. Can you lose your innocence if you never had it in the first place? Tragic, fun, and artful-- Hacic-Vlahovic crafts a Beat novel for the Instagram generation. Life of the Party will leave you with a hangover and a "VIP" stamp on your heart.

Two trends are dramatically altering the American political landscape: growing immigration and the rising prominence of independent and nonpartisan voters. Examining partisan attachments across the four primary racial groups in the United States, this book offers the first sustained and systematic account of how race and immigration today influence the relationship that Americans have--or fail to have--with the Democratic and Republican parties. Zoltan Hajnal and Taeku Lee contend that partisanship is shaped by three factors--identity, ideology, and information--and they show that African

## Read Free The Party

Americans, Asian Americans, Latinos, and whites respond to these factors in distinct ways. The book explores why so many Americans--in particular, Latinos and Asians--fail to develop ties to either major party, why African Americans feel locked into a particular party, and why some white Americans are shut out by ideologically polarized party competition. Through extensive analysis, the authors demonstrate that when the Democratic and Republican parties fail to raise political awareness, to engage deeply held political convictions, or to affirm primary group attachments, nonpartisanship becomes a rationally adaptive response. By developing a model of partisanship that explicitly considers America's new racial diversity and evolving nonpartisanship, this book provides the Democratic and Republican parties and other political stakeholders with the means and motivation to more fully engage the diverse range of Americans who remain outside the partisan fray.

"Lisa Jewell's writing is like a big warm hug. After the Party is a touching, insightful, and gripping story which I simply couldn't put down." —Sophie Kinsella From the New York Times bestselling author of *Then She Was Gone* comes an irresistible novel about the power of starting over. Eleven years ago, Jem Catterick and Ralph McLeary fell deeply in love. They thought it would be forever, that they'd found their happy ending. As everyone agreed, they were

## Read Free The Party

the perfect couple. Then two became four, and an apartment became a house. Romantic nights out became sleepless nights in. And they soon found that life wasn't quite so simple anymore. But through it all, Jem and Ralph still loved each other. Of course they did. Now Jem is back at work part-time as a talent agent. Ralph, a successful painter, is struggling to come up with new, hopefully groundbreaking, work for his upcoming show. But the unimaginable has happened. Two people who were so right together are starting to drift apart. And in the chaos of family life, Jem feels like she's losing herself, while Ralph, stuck on the sidelines, feels like he's lost his muse altogether. Something has to change. As they try to find a way back to each other, back to what they once had, they both become momentarily distracted—but maybe it's not too late to recapture happily ever after...

Robyn Harding's domestic drama, hailed as "tense and riveting" by Megan Miranda, New York Times bestselling author of *All the Missing Girls*, explores the aftermath of a sweet sixteen birthday party that goes horribly awry, as the members of a wealthy family in San Francisco find their picture-perfect life unraveling, their darkest secrets revealed, and their friends turned to enemies. One invitation. A lifetime of regrets. Sweet sixteen. It's an exciting coming-of-age, a milestone, and a rite of passage. Jeff and Kim Sanders plan on throwing

a party for their daughter, Hannah—a sweet girl with good grades and nice friends. Rather than an extravagant, indulgent affair, they invite four girls over for pizza, cake, movies, and a sleepover. What could possibly go wrong? But things do go wrong, horrifically so, and Jeff and Kim’s flawless life in a wealthy San Francisco suburb suddenly begins to come apart. In the ugly aftermath, friends become enemies, dark secrets are revealed in the Sanders’ marriage, and the truth about their perfect daughter is exposed. Perfect for fans of Big Little Lies, this is a white-knuckled and “riveting tale that is impossible to put down” (Bill Clegg, New York Times bestselling author of *Did You Ever Have a Family*).

From the number one bestselling author of *The Family Upstairs*

Best Party Book Ever!

A Novel

Welcome to the Party

Waiting for the Party

Poems

Two Couples. Three Secrets. One Murder. In a beautiful house surrounded by woodland, the Drayton family and their dearest friends are enjoying dinner together. The wine is flowing, the meal has been lovingly prepared, and it ’ s going to be an evening none of them will ever

forget ... A doting mother with a manipulative daughter. A loving husband lying to his family. A close friend keeping a shocking secret. A beautiful girl who will be dead by the end of the night. A totally unputdownable and nail-bitingly tense psychological thriller with an explosive double twist that will leave you reeling. Fans of Lisa Jewell, Gillian McAllister and Lucy Foley will be hooked on *The Night of the Party*. Read what everyone is saying about Anna-Lou Weatherley: ‘ Wow!!... brilliant and it caught me on page one and I didn ’ t stop reading until I was finished!! I got lost in this book in the best way possible. ’ Goodreads Reviewer

‘ Oh, I loved this!!! This couldn ’ t have been more up my street if it was my next-door neighbour! I read this in one sitting – feeling resentful when actual real life such as food/family/laundry got in the way... I am literally chomping at the bit for the next one! Outstanding, faultless and well written – if it ’ s not on your shelf yet – sort that out! ’ NetGalley Reviewer

‘ A.....maz.....ing, what a fantastic book, loved every word on every page, a great psychological thriller that held my interest throughout and I didn't want it to end... ’ NetGalley Reviewer, ‘ I loved this book, it reminded me of *The Girl on the Train* and quickly became one of my new favorites! ’ Goodreads Reviewer, ‘ Ten stars for being able to keep me up until 4 a.m. I just HAD to finish this book! I cannot begin to describe how riveting this novel was. Great writing, characterizations, plot, timing, suspense--it has it all. Trust me, you will NOT be able to put it down until you finish reading it. So many mediocre thrillers out there that this one hit me like a ton of bricks. Absolutely SUPERB! ’ NetGalley Reviewer,

‘ What an explosive read...this is a loop the loop rollercoaster of a ride, you better strap in and get ready, your head will be spinning... this book has it all!!! ’

Goodreads Reviewer, ' Flipping heck! It's a while since I've raced through a book like this, so engrossed that I literally did nothing today except read. I was caught from the very first line and it wouldn't let me go...The story is so well written, the characters so fleshed out and real, it was like watching a movie in my mind. excellent stuff! ' Rona Halsall, ' Absolutely gripping from page one... full of twists, turns, shocks, chills, thrills and much more! Well written, original, and sure to blow your mind! ' Goodreads Reviewer ' Had me gripped from the start, lots of suspense, and a lot of plots and twists in the story to keep you page turning until the very end. I finished this within 24hrs. ' Goodreads Reviewer ' Had me reading all night... a gripping and compelling read. ' Goodreads Reviewer
