

The Pirate King Series 8 Balisk The Water Snake Beast Quest

"The pirates put my hands in ropes." Was it merely bad luck that returned this man to confinement so soon after his escape? Or was he fated to meet this pirate ship, these sailors? This Captain. "He was only a man." But a man cannot stand against the sea. A man cannot hold the whole of the sky, endless and brilliant, in only the curls of his hair. A man should not have the ability to make someone feel so wonderfully powerless. "He commanded me." Across the deck. Against his better judgement. To his knees. All without a word, leaving the Captain standing at the helm, the Sailor kneeling at his feet, and them both wondering..."What had I done?" So begins SON OF THE SEA, the first book in a romance series so great it moves the very ocean. Two men are cast together by fate and find that their souls are wonderfully, unmistakably known to one another. But will they take the chance that they have been given? Or will they allow their pride to keep them apart? THE PIRATE KING ROMANCE SERIES is an erotic adventure through love, joy, and above all else, fate. We all have pasts; it's up to us what we do with our futures.

With surprising tales of vicious mutineers, imperial riches, and high-seas intrigue, Black Flags, Blue Waters is “rumbustious enough for the adventure-hungry” (Peter Lewis, San Francisco Chronicle). Set against the backdrop of the Age of Exploration, Black Flags, Blue Waters reveals the surprising history of American piracy’s “Golden Age” - spanning the late 1600s through the early 1700s - when lawless pirates plied the coastal waters of North America and beyond. “Deftly blending scholarship and drama” (Richard Zacks), best-selling author Eric Jay Dolin illustrates how American colonists at first supported these outrageous pirates in an early display of solidarity against the Crown, and then violently opposed them. Through engrossing episodes of roguish glamour and extreme brutality, Dolin depicts the star pirates of this period, among them the towering Blackbeard, the ill-fated Captain Kidd, and sadistic Edward Low, who delighted in torturing his prey. Upending popular misconceptions and cartoonish stereotypes, Black Flags, Blue Waters is a “tour de force history” (Michael Pierce, Midwestern Rewind) of the seafaring outlaws whose raids reflect the precarious nature of American colonial life.

Nicole Castroman brings the dangerous pirate ports of the Caribbean to life in this vibrant sequel to *Blackhearts*—the reimagined origin story of history's most infamous pirate, Blackbeard. Edward “Teach” Drummond is setting sail to the Caribbean as first mate on the most celebrated merchant ship in the British fleet—until he rebels against his captain. Mutiny is a capital offense and Teach knows it could cost him his life, but he believes it worth the risk in order to save his crew from the attacking Spanish ships. Sailing on the same blue waters, Anne barely avoids the Spanish attack, making it safely to Nassau. But lawless criminals, corrupt politics, and dangerous intentions fill the crowded streets of this Caribbean port. Soon, Anne discovers that the man entrusted to keep the peace is quite possibly the most treacherous of them all—and he just happens to hold Teach's fate in his terrifying hands. Life and death hang in the balance when Teach and Anne are given a dangerous mission. It's a mission that will test their love, loyalty, and devotion, forcing them down a path neither one could have ever imagined.

NEW YORK TIMES BESTSELLER • “An engaging romp guaranteed to please . . . perfectly written in the style of Sir Arthur Conan Doyle.” —USA Today In England's young silent-film industry, the megalomaniacal Randolph Fflytte is king. But rumors of criminal activities swirl around his popular movie studio. At the request of Scotland Yard, Mary Russell travels undercover to the set of Fflytte's latest cinematic extravaganza, *Pirate King*. Based on Gilbert and Sullivan's *The Pirates of Penzance*, the project will either set the standard for moviemaking for a generation . . . or sink a boatload of careers. As the company starts rehearsals in Lisbon, the thirteen blond-haired, blue-eyed actresses whom Mary is chaperoning meet the swarm of real buccaneers Fflytte has recruited to provide authenticity. But when the crew embarks for Morocco and the actual filming, Russell senses ominous currents of trouble: a derelict boat, a film crew with many secrets, decks awash with budding romance—and now the pirates are ignoring Fflytte and answering only to their outlaw leader. Where can Sherlock Holmes be? As movie make-believe becomes true terror, Russell and Holmes themselves may experience a final fadeout. Features
