

The Probability Of Miracles Wendy Wunder

Having spent several years in and out of hospitals for a life-threatening illness, pragmatic 16-year-old Cam is relocated by her miracle-seeking mother to a town in Maine known for its mystical healing qualities, a place Cam dismisses until she witnesses unusual phenomena and befriends a boy who encourages her to achieve various milestones before she dies. A first novel.

Managing Risk in Organizations offers a proven framework for handling risks across all types of organizations. In this comprehensive resource, David Frame—a leading expert in risk management—examines the risks routinely encountered in business, offers prescriptions to assess the effects of various risks, and shows how to develop effective strategies to cope with risks. In addition, the book is filled with practical tools and techniques used by professional risk practitioners that can be readily applied by project managers, financial managers, and any manager or consultant who deals with risk within an organization. Managing Risk in Organizations is filled with illustrative case studies and outlines the various types of risk—pure, operational, project, technical, business, and political. Reveals what risk management can and cannot accomplish. Shows how to organize risk management efforts to conduct risk assessments, manage crises, and recover from disasters. Includes a systematic risk management process: risk management planning, risk identification, qualitative impact analysis, quantitative impact analysis, risk response planning, and monitoring control. Provides quantitative and qualitative tools to identify and handle risks. This much-needed book will enable organizations to take risk seriously and act proactively.

Eighteen-year-old Bria wants to be a Global Vagabond. In a quest for independence, her neglected art, and no-strings-attached hookups, she signs up for a tour of Central America—the wrong one. Middle-aged tourists are hardly the key to self-redemption. So when Bria meets Rowan, devoted backpacker and dive instructor, and his outspoken sister, Starling, she seizes the chance to ditch her group and join them off the beaten path. Bria's a good girl trying to go bad. Rowan's a bad boy trying to stay good. As they travel through Mayan villages and remote Belizean islands, they discover they're both seeking to leave behind the old versions of themselves. The secret to escaping the past, Rowan's found, is to keep moving forward. But Bria realizes she can't run forever. At some point, you have to look back.

A dying teen learns to live in this heart wrenching debut the New York Times Book Review calls, "Funny and entertaining." Campbell Cooper has never been in love. And if the doctors are right about her cancer, she'll never have the chance. So when she's told she needs a miracle, her family moves 1,500 miles north to Promise, Maine—a place where amazing, unexplainable events are said to occur—like it or not. And when a mysterious envelope arrives, containing a list of things for Cam to do before she dies, she finally learns to believe—in love, in herself . . . and maybe even in miracles, as improbable as they may seem. "Wonderfully bittersweet, with just as much humor as sadness."--Seventeen.com

In a story set on the Hawaiian islands, young Maile finds a buddy in Brooke after her mother departs for the mainland, but she is afraid Brooke's cancer will resurface and seeks a cure for her friend in the mountains. Reprint.

National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. "Don't be put off by the academic title of Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor."—The New York Times "When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis."—John Updike, *The New Yorker* "He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior."—American Journal of Psychiatry

A USA TODAY BESTSELLER! A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing and the power of our own stories. The smallest items can hold centuries of secrets... Inara Erickson is exploring her deceased aunt's island estate when she finds an elaborately stitched piece of fabric hidden in the house. As she peels back layer upon layer of the secrets it holds, Inara's life becomes interwoven with that of Mei Lein, a young Chinese girl mysteriously driven from her home a century before. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson.

For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a

relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's Dairy Queen and Miranda Kenneally's Catching Jordan."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like."—Booklist "Tessa's ferocious competitiveness is appealing."—Kirkus Reviews "[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. From #1 New York Times bestselling author of TRAVEL TEAM, HEAT, and MILLION-DOLLAR THROW comes a cheer-worthy, family-friendly football novel set amid the Friday Night Lights world of Texas high school football Jake Cullen is a freshman quarterback playing high school football in Texas, the high-pressure land of Friday Night Lights. He is also the brother of Wyatt Cullen, who quarterbacked his team to the Texas State Championship last season--not to mention the son of former NFL quarterback and local legend, Troy Cullen. To be a Cullen in Texas is to be football royalty . . . which leaves 14-year-old Jake in a Texas-sized shadow. Being a good teammate comes naturally to Jake; being a winner and a celebrity does not. Jake may be a Cullen, and he may play quarterback, but he is not his brother or his father. He's just like every other kid: fighting for every ounce of respect, awkward around a pretty girl, in awe of his famous family, and desperate to simultaneously blend in and cast his own shadow. Inspired by the real-life Manning family of quarterbacks and set amid the football-crazy culture of Texas, QB 1 is a coming-of-age story perfect for the fan of MILLION-DOLLAR THROW and HEAT.

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Do you ever get hungry? Too hungry to eat? Holly's older sister, Giselle, is self-destructing. Haunted by her love-deprived relationship with her late father, this once strong role model and medical student, is gripped by anorexia. Holly, a track star, struggles to keep her own life in balance while coping with the mental and physical deterioration of her beloved sister.

Together, they can feel themselves slipping and are holding on for dear life. This honest look

at the special bond between sisters is told from the perspective of both girls, as they alternate narrating each chapter. Gritty and often wryly funny, Skinny explores family relationships, love, pain, and the hunger for acceptance that drives all of us.

Hannah and Zoe haven't had much in their lives, but they've always had each other. So when Zoe tells Hannah she needs to get out of their down-and-out New Jersey town, they pile into Hannah's beat-up old Le Mans and head west, putting everything—their deadbeat parents, their disappointing love lives, their inevitable enrollment at community college—behind them. As they chase storms and make new friends, Zoe tells Hannah she wants more for her. She wants her to live bigger, dream grander, aim higher. And so Zoe begins teaching Hannah all about life's intangible things, concepts sadly missing from her existence—things like audacity, insouciance, karma, and even happiness. An unforgettable read from the acclaimed author of *The Probability of Miracles*, *The Museum of Intangible Things* sparkles with the humor and heartbreak of true friendship and first love.

Something mysterious and terrible is happening throughout Victorian London: Ghosts are disappearing. When this reaches the attention of the Ghost Bureau, the diligent but clueless Mr. Lapsewood, a paranormal paper-pusher, is sent to investigate, and what he discovers is grave. The Black Rot has arrived—a voracious spiritual infestation whereby empty haunted houses suck in unsuspecting ghosts and imprison them. Lapsewood's investigation weaves through the plotlines of several other memorable characters—both living and dead—including an undertaker's son who can see ghosts, a serial throat-slasher reminiscent of Jack the Ripper, an evangelical exorcist, and many more. The living and dead must work together if they hope to destroy the Black Rot—before it destroys both the ghost and human worlds. This highly atmospheric and bitingly funny ghost story by successful British author Gareth P. Jones will delight fans of Eva Ibbotson and Neil Gaiman.

The Love That Split the World

"A truly profound debut."—Buzzfeed *"A time-bending suspense that's contemplative and fresh, evocative and gripping."*—USA Today *"Henry's story captivates, both as a romance and as an imaginative rethinking of time and space."*—Publishers Weekly *"This time-traveling, magical, and beautifully written love story definitely deserves a spot on your bookshelf."*—Bustle *Emily Henry's stunning debut novel is Friday Night Lights meets The Time Traveler's Wife and perfectly captures those bittersweet months after high school, when we dream not only of the future, but of all the roads and paths we've left untaken. Natalie's last summer in her small Kentucky hometown is off to a magical start . . . until she starts seeing the "wrong things." They're just momentary glimpses at first—her front door is red instead of its usual green, there's a preschool where the garden store should be. But then her whole town disappears for hours, fading away into rolling hills and grazing buffalo, and Nat knows something isn't right. Then there are the visits from the kind but mysterious apparition she calls "Grandmother," who tells her, "You have three months to save him." The next night, under the stadium lights of the high school football field, she meets a beautiful boy named Beau, and it's as if time just stops and nothing exists. Nothing, except Natalie and Beau.*

The Bluebeard fairy tale retold. . . . When seventeen-year-old Sophia Petheram's beloved father dies, she receives an unexpected letter. An invitation—on fine ivory paper, in bold black handwriting—from the mysterious Monsieur Bernard de Cressac, her godfather. With no money and fewer options, Sophie accepts, leaving her humble childhood home for the astonishingly lavish Wyndriven Abbey, in the heart of Mississippi. Sophie has always longed for a comfortable life, and she finds herself both attracted to and shocked by the charm and easy manners of her overgenerous guardian. But as she begins to piece together the mystery of his past, it's as if, thread by thread, a silken net is tightening around her. And as she gathers stories and catches whispers of his former wives—all with hair as red as her own—in the forgotten corners of the abbey, Sophie knows she's trapped in the passion and danger of de Cressac's intoxicating world. Glowing strands of romance, mystery, and suspense are woven into this breathtaking debut—a thrilling retelling of the "Bluebeard" fairy tale.

But over the course of nine days and nine nights, her whole life will be turned upside down once more. . . . Molly Barlow isn't that girl anymore. A business major at her college in Boston, she's reinvented herself after everything that went down a year ago... After all the people she hurt and the family she tore apart. Slowly, life is getting back to normal. Molly has just said I love you to her new boyfriend, Ian, and they are off on a romantic European vacation together, starting with scenic London. But there on a tube platform, the past catches up to her in the form of Gabe, her ex, traveling on his own parallel vacation with new girlfriend Sadie. After comparing itineraries, Ian ends up extending an invite for Gabe and Sadie to join them on the next leg of their trip, to Ireland. And Molly and Gabe can't bring themselves to tell the truth about who they once were to each other to their new significant others. Now Molly has to spend 9 days and 9 nights with the boy she once loved, the boy whose heart she shredded, without Ian knowing. Will she make it through as new

and improved Molly, or will everything that happened between her and Gabe come rushing back? "A beautiful, lyrical, and achingly brilliant story about love, grief, and family. Henry's writing will leave you breathless." —BuzzFeed
Romeo and Juliet meets One Hundred Years of Solitude in Emily Henry's brilliant follow-up to The Love That Split the World, about the daughter and son of two long-feuding families who fall in love while trying to uncover the truth about the strange magic and harrowing curse that has plagued their bloodlines for generations. In their hometown of Five Fingers, Michigan, the O'Donnells and the Angerts have mythic legacies. But for all the tall tales they weave, both founding families are tight-lipped about what caused the century-old rift between them, except to say it began with a cherry tree. Eighteen-year-old Jack "June" O'Donnell doesn't need a better reason than that. She's an O'Donnell to her core, just like her late father was, and O'Donnells stay away from Angerts. Period. But when Saul Angert, the son of June's father's mortal enemy, returns to town after three mysterious years away, June can't seem to avoid him. Soon the unthinkable happens: She finds she doesn't exactly hate the gruff, sarcastic boy she was born to loathe. Saul's arrival sparks a chain reaction, and as the magic, ghosts, and coywolves of Five Fingers conspire to reveal the truth about the dark moment that started the feud, June must question everything she knows about her family and the father she adored. And she must decide whether it's finally time for her—and all of the O'Donnells before her—to let go.

'We've got at least seven hours to get what we want before the sun comes up.' School is over, and Lucy has the perfect way to celebrate: tonight she's going to find Shadow, the mysterious graffiti artist whose work appears all over the city. Somewhere in the glassy darkness, he's out there, spraying colour, birds and blue sky on the night. And Lucy knows that a guy who paints like Shadow is someone she could fall for - really fall for. The last person Lucy wants to spend this night with is Ed, the guy she's managed to avoid since punching him in the nose on the most awkward date of her life. But when Ed tells Lucy he knows where to find Shadow, the two of them are suddenly on an all-night search to places where Shadow's pieces of heartbreak and escape echo off the city walls. And what Lucy can't see is the one thing that's right before her eyes.

How to rewire your brain to improve virtually every aspect of your life-based on the latest research in neuroscience and psychology on neuroplasticity and evidence-based practices Not long ago, it was thought that the brain you were born with was the brain you would die with, and that the brain cells you had at birth were the most you would ever possess. Your brain was thought to be

“hardwired” to function in predetermined ways. It turns out that's not true. Your brain is not hardwired, it's "softwired" by experience. This book shows you how you can rewire parts of the brain to feel more positive about your life, remain calm during stressful times, and improve your social relationships. Written by a leader in the field of Brain-Based Therapy, it teaches you how to activate the parts of your brain that have been underactivated and calm down those areas that have been hyperactivated so that you feel positive about your life and remain calm during stressful times. You will also learn to improve your memory, boost your mood, have better relationships, and get a good night sleep. Reveals how cutting-edge developments in neuroscience, and evidence-based practices can be used to improve your everyday life Other titles by Dr. Arden include: Brain-Based Therapy-Adult, Brain-Based Therapy-Child, Improving Your Memory For Dummies and Heal Your Anxiety Workbook Dr. Arden is a leader in integrating the new developments in neuroscience with psychotherapy and Director of Training in Mental Health for Kaiser Permanente for the Northern California Region Explaining exciting new developments in neuroscience and their applications to daily living, Rewire Your Brain will guide you through the process of changing your brain so you can change your life and be free of self-imposed limitations.

Meet the Flyy Girls. The group of girls who seem like they can get away with anything. Veteran author Ashley Woodfolk pens a gorgeous and dynamic series of four Harlem high-schoolers, each facing a crossroads of friendship, family, and love. Tobyn Wolfe knows she's destined to be a rock star. She sings, she dances, and she's got that "It" factor. Her dreams are even closer within her reach when she meets Maybe Someday--an incredible all-female band--during a night out with her older sister, Devyn. Joining their band would be the perfect way to show off her amazing vocals. It's too bad her mom can't see this. She wants Tobyn to go to college and become a serious musician, not follow in Devyn's footsteps and wind up a struggling artist. Can Tobyn prove to her mom that she knows what's best, or will her dreams end up becoming a horrible nightmare? With simply stated text and compelling characters, Flyy Girls is a series that's perfect for readers of any level.

"Kate Axelrod's atmospheric, intense book captures perfectly the heady feeling of being on the edge of adulthood, when the abstract concept of 'love' starts to have real and sometimes terrifying meaning and consequences." - Emily Gould, author of Friendship "THE LAW OF LOVING OTHERS . . . Emma returns home from boarding school anticipating a quiet winter break hanging out with friends and taking trips into the city to visit her new boyfriend, Daniel. But when she arrives, she discovers that her mother has been hospitalized after suffering a schizophrenic break--and it's not the first time. Emma's life is immediately thrown into chaos as an ill-equipped Daniel starts to become emotionally distant, and Emma begins to question her own mental health. COULD NOT BE DISCOVERED BY REASON, Then, Emma meets Phil, whose brother is in the same rehabilitation center as Emma's mother, and who understands what Emma is going through better than anyone else. As their connection deepens, Emma finds comfort in Phil, but she also worries that their shared sadness is only making her spiral further. BECAUSE IT IS UNREASONABLE." A profound and classic coming-of-age novel, THE LAW OF LOVING OTHERS follows Emma's heart-wrenching journey as she discovers what it means to love others--and herself--unconditionally.

A love-seeking mechanic, a dramatic petty thief, a disappointed planner, and a broken-hearted teen all find their lives transformed as each shares whirlwind adventures with a girl in an insanely red car.

A heartbreaking urban romance from award-winning author Paul Griffin Fifteen-year-olds Cece and Mack didn't expect to fall in love. She's a sensitive A student; he's a high school dropout. But soon they're spending every moment together, bonding over a rescued dog, telling their secrets, making plans for the future. Everything is perfect. Until Mack makes a horrible mistake, and suddenly the future they'd planned becomes impossible. In this stark new reality, both of them must find hope in the memories of what they had, to survive when the person they love can't stay.
