Are you ready to turn Pro? Living Service tells the story of Melissa Ford's rise from struggling coach to thriving professional. Raw, honest and full of humor, Living Service details Melissa's insecurities and stumbles along the way, as well as the powerful insights and actions that transformed her practice-and her life. (Fully illustrated.)

Do you feel stuck in your professional life? Are you looking for a new path and need a guide to take you through the necessary steps? This book takes you through a personally shaped career coaching process. It offers practical exercises and many inspiring stories from my clients who, through coaching, have found a new meaningful career. INTERNATIONAL BESTSELLER "For anyone who wants to understand capitalism not as economists or politicians have pictured it but as it actually operates, this book will be invaluable."-Observer (UK) If you've

wondered how we did not see the economic collapse coming, Ha-Joon Chang knows the answer: We didn't ask what they didn't tell us about capitalism.

This is a lighthearted book with a serious purpose: to question the assumptions behind the dogma and sheer hype that the dominant school of neoliberal economists-the apostles of the freemarket-have spun since the Age of Reagan. Chang, the author of the international bestseller *Bad Samaritans*, is one of the world's most respected economists, a voice of sanity-

and wit-in the tradition of John Kenneth Galbraith and Joseph Stiglitz.

23 Things They Don't Tell You About Capitalism equips readers with an understanding of how global capitalism works-and doesn't. In his final chapter, "How to Rebuild the World," Chang offers a vision of how we can shape capitalism to humane ends, instead of becoming slaves of the market.

The ultimate guide to owning your power--and mastering how to use it. How can so many women feel "good and mad" yet still reluctant to speak up in a meeting or difficult conversation? Why do women often feel like they're too much--and, at the same time, not enough? What causes us, at the most critical moments in our lives, to freeze?

Kasia Urbaniak teaches power to women--and her answers to these questions may surprise you. Based on insights from her experiences as a dominatrix, her training to become a Taoist nun, and the countless women she has taught to expand their influence, this book offers precise, practical instruction in how to stand in your power, find your voice, and use it well. Learn how to:

- Embrace your desires as the pathway to your destiny.
- Ask for--and get--what you need in your life, work, and in the bedroom.

- Skillfully navigate hearing "no" and any resistance, even your own.
- Flip power dynamics when someone crosses your boundaries and puts you on the spot.
- Create new and expanded roles for the people in your life with precise, targeted asks. Whether you're getting crystal clear on exactly what you want, or turning the tables on a man who has shut you up and shut you down, Urbaniak's methods teach women to stand for themselves in every interaction. Part manual, part manifesto, part behind the scenes look, Unbound is a how-to guide to the impossible, the outrageous, the unimaginable--a field guide to living your wildest, best, and most satisfying life.

Million Dollar Coach is the must-have resource for coaches. Increase the income you earn, work when and how you want, watch your clients get incredible results..... and become empowered to live a life of massive personal freedom. Million Dollar Coach is designed to shift these issues you may be experiencing such as:

- * Too many coaches hit an income ceiling, and never make the kind of money (or the kind of impact) that they are capable of. They get stuck at one of the 3 plateaus: Survival, Stability or even Success
- * Most coaches blame themselves, and try to work on their MINDSET - But nothing changes because it's not your mindset that's the problem. It's the MODEL that needs to change.
- * The model that you bought into when you started your coaching business is completely unscalable (Manual prospecting to get a few leads, followed by one-to-one selling and dealing with objections, excuses and stalls... and time-for-money coaching so there's never any time for you).
- * For the last 5 years, the author has been working with a select group of

Master-certified life coaches with the Institute for Life Coach Training, founded by Williams, introduce life coaching as an "operating system" for helping people navigate life transitions. After reviewing the history of this new profession, they discuss the skills entailed; distinctions between coaching, consulting, mentoring, and therapy; defining/refining life purpose; and dealing with obstacles by developing "flexible optimism." Chapters drawing on eclectic sources (e.g., poets, psychologists, *The Purpose-Driven Life*) include frequently asked questions, exercises for both coaches and clients, and resources.

One-on-one coaching can transform both your career and personal life. Whether you want to be successful at work, deepen your relationships with the people who matter most, or break free from unproductive patterns, working with a coach can help you create the future you've always wanted. That being said, coaching isn't magic. All too often, people have the desire to improve but fail to achieve the exponential growth they deserve. It isn't because their goals are unattainable or that they aren't getting the right support from their coach; it's due to a lack of basic understanding in how to get the most out of coaching. Simple tips and tricks can make a world of difference. Over the past decade, highly sought coaches Karen Davis and Alex Mill have partnered with a wide range of clients, from successful entrepreneurs and Fortune 100 executives to individuals simply looking for more peace and balance in a hectic world. They've seen people surpass all of their goals and expectations while others took longer than they should have to make any real progress. In this book, Davis and Mill present a straightforward guide to ensure that you get the highest possible ROI from your one-on-one coaching relationship. You'll learn to drive the most value from

people to bring the best out of themselves is the key to driving productivity, growth, and engagement. A meaningful coaching culture has the potential to transform the relationship between organizations and employees and to put both on the path to long-term success. Written by Sir John Whitmore, the pioneer of coaching, and Performance Consultants, the global market leaders in performance coaching, this extensively revised and extended edition will revolutionize the traditional approach to organizational culture. Brand-new practical exercises, corporate examples, coaching dialogues, and a glossary strengthen the learning process, whilst a critical new chapter demonstrates how to measure the benefits of coaching as a return on investment, ensuring this landmark new edition will remain at the forefront of professional coaching and leadership development.

A non-linear approach for dealing with time. In this age of instant global connection to everyone and everything, your "war" is against interruption and distraction. The "violence" in the word "warrior" was intended. For although the work you do can be slow and easy, to master non-linear time you must pull out your sword ahead of time to carve out periods of space and silence. Time Warriors arrange the "chaos" around them by slowing down -- way, way down -- and then letting go of people-pleasing, approval-seeking and every shade of mood-based and future-based thinking.

"Once upon a time there were two friends who loved each other very much . . ." When Michelle Bauman and Carolyn Freyer-Jones became friends, everything changed: their personal, professional, and inner lives. First and foremost *What if This Is the Fun Part?* is the story of that profound, loving friendship, a story told with wit, honesty, insight and grace. It's also a story about professional coaching and personal transformation. About learning and living spiritual principles that deepen and enrich life. And ultimately it's a story about living, loving and dying fully, about embracing everything-the good, the bad, the joyful and the devastating-and using it for learning, growth and upliftment. Best of all, it can be your story too. *What if This Is the Fun Part?* invites you into the realization that your life is yours to create, and you need never stop growing, living, and loving. "A funny, vulnerable, courageous book that will take you on a journey that evokes the real feelings of being human."

From a founding member of the coaching movement comes a detailed guide to mastering one of a coach's toughest skills: thoughtfully reflecting clients' words and expressions back to them so they see themselves and their world through new eyes. "Coaches rely far too much on asking open-ended questions," says Marcia Reynolds. But questions only seek answers—inquiry provides insight. When, instead of just questions, clients hear their thoughts, opinions, and beliefs spoken by someone else, it prompts them to critically consider how their thinking affects their goals. Reynolds cites the latest brain science to show why reflective inquiry works and provides techniques, tips, and structures for creating breakthrough conversations. This book will free coaches from the cult of asking the magical question by offering five essential practices of reflective inquiry: focus on the person, not the problem; summarize what is heard and expressed; identify underlying beliefs and assumptions;

unwrap the desired outcome; and articulate insights and commitments. Using these practices, combined with a respectful and caring presence, helps create a space where clients feel safe, seen, and valued for who they are. Coaches become change agents who actively recharge the human spirit. And clients naturally dive deeper and develop personalized solutions that may surprise even the coach.
