The Desire of Ages

The Acts of the Apostles

Ellen G. White A

Psychobiography

The Spirit of Prophecy

The Sanctified Life

The fifth book of the New Testament has been known from ancient times as The Acts of the Apostles; but this title cannot be found in the book itself. One of the earliest manuscripts, the Codex Sinaiticus, gives as the title the simple word Acts, with no mention of the apostles. There is a reason for this. Acts was intended to be more than a brief history of the service rendered by the twelve disciples, much more than the principal events in the lifework of its four leading characters, Peter,

James, John, and Paul. The Acts of the Apostles was one of the last books written by Ellen G. White. It was published a few years before her death. It is one of the most illuminating volumes that came from her prolific pen. The average reader will find in it light for Christian witnessing. The message of the book is up to date, and its relevancy is reflected in the effort of the author to show that the twentieth century will witness a bestowal of spiritual power exceeding that of Pentecost. The work of the gospel is not to close with a lesser display of the Holy Spirit's power than marked its beginning.

Are you searching for life above the ordinary? Do you want true and lasting relationships, a genuine godly character, and a practical everyday faith that fills your life and the lives of

those you touch with blessings? Then this powerful booklet is exactly what you need. Each chapter is a veritable mine of rich gems, worthy of recounting again and again as you face the practical realities of getting along with yourself, with others, and with God. The author was a realistic Christian of rich experience with the Savior, and one ever alert to opportunities to render encouragement and help to those about her. Recognizing that true happiness is found only as we give, she viewed every Christian-layman, medical practitioner, and gospel laborer-as a "worker" interested in the welfare of others, and referred to such as "workers." Carry this booklet with you. Read a portion as you have a free moment, and memorize some of the gems. Ponder the words and put them

young adults. It also is the first book in which a variety of inspired counsels have been drawn exclusively from previously published Ellen White books. "A Call to Stand Apart" makes available from selected Ellen White writings the core ideas that deal with important issues faced by youth and young adults today. The 17 chapters of the book have been chosen to address issues faced by contemporary young adults in a twenty-first-century context. Taylor G. Petrey's trenchant history takes a landmark step forward in documenting and theorizing about Latter-day Saints (LDS) teachings on gender, sexual difference, and marriage. Drawing on deep archival research, Petrey situates LDS doctrines in gender theory and American religious history since World War II. His challenging conclusion is that Mormonism is conflicted between ontologies of gender essentialism and gender fluidity, illustrating a broader tension in the history of sexuality in modernity itself. As Petrey details, LDS leaders have embraced the idea of fixed identities representing a

natural and divine order, but their teachings also acknowledge that sexual difference is persistently contingent and unstable. While queer theorists have built an ethics and politics based on celebrating such sexual fluidity, LDS leaders view it as a source of anxiety and a tool for the shaping of a heterosexual social order. Through public preaching and teaching, the deployment of psychological approaches to "cure" homosexuality, and political activism against equal rights for women and same-sex marriage, Mormon leaders hoped to manage sexuality and faith for those who have strayed from

heteronormativity.

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the

Beginning with the destruction of Jerusalem and continuing through the persecutions of Christians in the Roman Empire, the apostasy of the Dark Ages, the shining light of the Reformation, and the worldwide religious awakening of the nineteenth century, this volume traces the conflict into the future, to the Second Coming of Jesus and the glories of the earth made new. In this concluding volume, the author powerfully points out the principles involved in the

impending conflict and how each person can stand firmly for God and His truth.

The Adventist Home by Ellen G. White, A NEW BIG Print Edition (A4) plus large size (15) letter. Perfect to those people that have problems with vision. The Adventist home is a home where Seventh-day Adventist standards and practices are lived and taught, a place to which Seventh-day Adventist fathers and mothers are commissioned by Christ to go and make Christians of the members of their own households. And in order to perform that task well, Seventh-day Adventist parents are looking for all the help they can possibly find. This book, The Adventist Home, is at once a sort of handbook or manual for busy parents, and a pattern or

A Sketch of the Christian

Experience and Views of Ellen G.
White

She is held in high esteem as a prophetess of God to millions of Seventh-day Adventists. According to their books and research, she passes every test of a Biblical prophet. However,

not all the information is being shared. This book will reveal 200 amazing and shocking things that Ellen G. White said that the SDA Church doesn't want you to know about. This book was written to expose sincere Bible loving Adventists to a side of Mrs. White that they have never seen before. It is my hope that this book will be the truth that sets them free and causes the powers that be in the SDA church to make the Bible, and only the Bible, their source of all authority.

The idea of "The Green

Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow

Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race. has the answers you need.

The Sanctified Life is a religious book by Ellen G. White, an American author, and co-founder of the Seventh-day Adventist Church. In this work, White teaches what it means to live a sanctified life by Grace through faith in Jesus Christ. The author calls people to establish a loving relationship with God through prayer and Bible study.

A Call to Stand Apart

A Compilation

This explosive work contains a great deal of highly documented material on the life and movement of Ellen G. White that Adventists in general, to say nothing of the public, will not know. The book is not a classic psychobiography, although history and psychology are the primary disciplines employed. It also contains a sprinkling of theology and personal reflection to make it a unique blend. The most striking evidence presented raises major questions about the prophet's mental and moral health. It is a must read for anyone who truly wants to understand Seventh-Day Adventism and its prophetic founder. A

devastating work. What Numbers and Rea started, your book will finish! —John Dart (1936-2019), longtime religion editor, Los Angeles Times I enjoyed the writing and the stories. The anecdotes you included enriched the content. Your writing was personal, and I think readers will feel that you are writing to them, and makes the book of increased value. There is the same question with Joseph Smith. Why do people stay in the face of such documentation? What are the forces that keep them tied to source documentation of fraud? —Dr. Robert Anderson, psychiatrist, author, Inside the Mind of Joseph Smith: Psychobiography and the

Book of Mormon I found the material fascinating, a powerful polemic! —Ronald Numbers, William Coleman professor of History, University of Wisconsin-Madison, author, Prophetess of Health

In 1852, after starting the Review and Herald magazine in 1849, James White began publishing The Youth's Instructor for the benefit of Christian youth. The editor wrote in the first issue, "We design that the Instructor shall be filled with sensible matter, not only for the benefit of small children, but for the instruction of the youth from 16 to 20 years of age." What started out as a monthly, in 1879 became a

weekly magazine and was published continuously until April, 1970.

Ellen White contributed an article to the very first issue of The Youth's Instructor and during her lifetime contributed nearly 500. The vast majority of them were especially written for the younger audience of the Instructor. They were designed by Inspiration to make a significant contribution in the preparation of God's youth for Christ's soon return. It is the desire of the present publisher that that purpose will indeed be achieved in those who read these messages in this late hour.

An Appeal to the Youth is a collection of letters written by Ellen White to her children, prior to the death of her eldest son, Henry, at the age of 16. These letters are an excerpt from the complete publication, which originally included Uriah Smith's address at Henry White's funeral.

Is God changeable? Does He have different gospels for different people? The story of redemption takes you behind the scenes in the struggle between God and Satan. It explains how the conflict began, what the issues are, and how the outcome is already assured. It traces the theme of God's relationship with
