

The Redeemer The Reluctant Demon Diaries

DIVThis sequel to Lucifer's Flood finds ancient language expert Samantha Yale translating a new batch of ancient scrolls written by the same fallen angel we met in Lucifer's Flood. This volume of writings covers the demon's eyewitness accounts of biblical evdils

Examines myths and folk tales from around the world in an attempt to understand the symbolism of the hero as it appears in the mythologies and religions of mankind.

Islam features widely in the news, often in its most militant forms, but few people in the non-Muslim world really understand its nature. Malise Ruthven's Very Short Introduction, offers essential insights into the big issues, provides fresh perspectives on contemporary questions, and guides us through the complex debates.

John Piper pleads with fellow pastors to abandon the professionalization of the pastorate and pursue the prophetic call of the Bible for radical ministry.

The Dictionary of Deities and Demons in the Bible (DDD) is the single major reference work on the gods, angels, demons, spirits, and semidivine heroes whose names occur in the biblical books. Book jacket.

Your Words Echo in Hearts and Minds Long After They Are Spoken Have you listened to yourself lately? Did you know that your words are shaping other people ' s lives? That they are the mirrors in which others see themselves? Every day you can speak life into their souls or suck the life right out of them. The choice is yours. In The Power of a Woman ' s Words, bestselling author Sharon Jaynes will show you how to exchange careless words that hurt for intentional words that help others succeed recognize words that tear down confidence and replace them with words that build others up overcome the negativity that pushes people away and become a well of positivity that draws others in

Ulysses James Joyce's novel Ulysses is said to be one of the most important works in Modernist literature. It details Leopold Bloom's passage through Dublin on an ordinary day, June 16, 1904. Causing controversy, obscenly trials and heated debates, Ulysses is a pioneering work that brims with puns, parodies, allusions, stream-of-consciousness writing and clever structuring. Modern Library ranked it as number one on its list of the twentieth century's 100 greatest English-language novels and Martin Amis called it one of the greatest novels ever written. ULYSSES Ulysses is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called "a demonstration and summation of the entire movement". Ulysses chronics the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. Ulysses is the Latinised name of Odysseus, the hero of Homer's epic poem Odyssey, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided Ulysses into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant", which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for Ulysses, the short-story collection Dubliners, and the novels A Portrait of the Artist as a Young Man and Finnegans Wake. ULYSSES As the day begins, Stephen Dedalus is displeased with his friend and remains aloof. A little later, he teaches history at Garrett Deasy ' s boys ' school. ULYSSES Leopold Bloom begins his day by preparing breakfast for his wife, Molly Bloom. He serves it to her in bed along with the mail. ULYSSES As their day unfolds, Joyce paints for us a picture of not only what ' s happening outside but also what ' s happening inside their minds. ULYSSES Drawing on the characters, motifs and symbols of Homer ' s Odyssey, James Joyce ' s Ulysses is a remarkable modernist novel. It has lived through various criticisms and controversies and has undergone several theatre, film and television adaptations. It continues to remain a literary masterpiece. ULYSSES Its scriptural statement and principles, popular objections, practical directions, a multitude of witnesses, the author's personal experience.

Jesus the Christ

The Deliverer

A Plea to Pastors for Radical Ministry

"The Eastern shepherd does not drive his sheep. He depends upon force or fear; but going vefore, he calls them. They know his voice, and obey the call. So does the Saviour-Shepherd with His sheep... It is not the fear of punishment, or the hope of everlasting reward, that leads the disciples of Christ to follow Him. They behold the Saviour's matchless love, revealed throughout His pilgrimage on earth, from the manger of Bethlehem to Calvary's cross, and the sight of Him attracts , it softens and subdues the soul. Love awakens in the heart of the beholders. They hear His voice, and they follow Him." --The Desire of Ages, p. 480This lovely new devotional book compiled from the writings of E. G. White is a wonderful overview of key points in the New Testament – full of challenge and encouragement to aspire to higher ground in your walk to Jesus.

FORGOTTEN IN THE BIBLE: Two nuclear wars. Three asteroids. Demonic madness. Into this, a savior will rise, cloned from Christ. It's not fiction. It's prophecy. The Messiah of the New Age. His coming is prophesied by more than a dozen major religions. Cloned from live cells of Jesus Christ found on the Shroud of Turin, Christopher Goodman was born into the most turbulent time in human history. Mentored by former UN Assistant Secretary-General Robert Milner, Christopher rises in position and power, and displays remarkable wisdom and compassion. But through disjointed bits of dreams that sometimes haunt him, Christopher reveals significant troubling errors in the biblical record of Jesus' life. Soon the reason for Robert Milner's interest in Christopher becomes clear: the world is about to undergo a time of destruction and chaos darker than any in history, with impending nuclear war merely a faint precursor. Milner explains that without Christopher, humanity will not long survive. Under Christopher's leadership, however, mankind stands on the threshold of a final great evolutionary leap that will bestow on the human race god-like powers. This is the reason, Milner says, that Christopher was born. In Israel, an unexpected threat to Christopher's ascension is growing: two men, possessed of incredible supernatural powers, one claiming to be the 2000-year-old Apostle John, the other an apostate Hasidic rabbi named Saul Cohen. Together, the men lead an outlawed cult of 144,000 followers, each branded with the names Yahweh and Yeshua on their foreheads. ----- PRAISE FOR THE CHRIST CLONE TRILOGY "BeauSeigneur knows how to write, deploying a tough, driving style in perfect cadence." Booklist (Starred Review) "Astoundingly intelligent...inventive...dizzilyngly well-described." Kirkus Reviews (Starred Review) "Undeniably riveting... daring...wonderfully creepy...Readers will be enthralled by the author's science-fortified vision of the Apocalypse." Publishers Weekly

----- PUBLICATION HISTORY IN HIS IMAGE is Book One of a revised, expanded, and re-edited release of THE CHRIST CLONE TRILOGY, originally published in 1997 by SelectiveHouse and in 2003 by Warner Books. This new edition includes a Study Guide and an extensive Prophecy Cross Reference. THE CHRIST CLONE TRILOGY has been translated and published in 12 languages. Book Two is

BIRTH OF AN AGE. Book Three is ACTS OF GOD.

In the final installment, the demise describes the life and ministry of Jesus, a secret about Samantha is revealed, and Mr. Wong's identity becomes known.

This rich and exciting sci-fi trilogy follows the search of one man--raised to be the ultimate general, the penultimate killing machine--for his own humanity and for the son he's never known. The final conflict is about to begin... The Forbidden Borders form a seemingly unassailable gravity-powered barrier, cutting humankind off from the wider universe, confining rival empires to a few star systems, and leaving them to strive endlessly against one another for total control. But now the weakest have fallen, only two mighty empires remain, and each must once again turn to the man both fear more than they fear one another. The man each is determined to hire--or, failing that, to assassinate--Staffa kar Therna, Lord Commander of the Companions. Trained to be the ultimate killing machine, the penultimate general, Staffa has led his crack Companion mercenary troops to victory time and again. Throughout the human worlds, the Lord Commander is cursed as the Star Butcher, bringer of death and destruction. And never before has he turned his back from undertaking a new contract. But along with his most recent victory has come a discovery that will have repercussions throughout all the star systems within the Forbidden Borders. For Staffa has learned that the son stolen from him in infancy may still be alive, and nothing will stand between Staffa and the search for his son--even though his quest may well lead to his own destruction....

This book ventures to describe Augustine of Hippo's understanding of demons, including the theology, angelology, and anthropology that contextualize it. Demons are, for Augustine as for the Psalmist (95:5 LXX) and the Apostle (1 Cor 10:20), the "gods of the nations." This means that Augustine's demons are best understood neither when they are "spiritualized" as personifications of psychological struggles, nor in terms of materialist contagions that undergird a superstitious moralism. Rather, because the gods of the nations are the paradigm of demonic power and influence over humanity, Augustine sees the Christian's moral struggle against them within broader questions of social bonds, cultural form, popular opinion, philosophical investigation, liturgical movement, and so forth. In a word, Augustine's demons have a religious significance, particularly in its Augustinian sense of bonds and duties between persons, and between persons and that which is divine. Demons are a highly integrated component of his broader theology, rooted in his conception of angels as the ministers of all creation under God, and informed by the doctrine of evil as privation and his understanding of the fall, his thoughts on human embodiment, desire, visions, and the limits of human knowledge, as well as his theology of religious incorporation and sacraments. As false mediators, demons are mediated by false religion, the body of the devil, which Augustine opposes with an appeal to the true mediator, Christ, and the true religion of his body, the church.

Eric Thompson's wolf howl can ruin electronics and send aircraft tumbling from the sky. Considered dangerous even by his fellow Sazi, Eric has become a lone wolf, living in self-imposed isolation. Yet when the very foundations of Sazi life come under attack, Eric knows he must defend his fellow shapshifters at any cost. Attacked by a band of vicious Sazi, Holly Sanchez should have died. Instead, she survives, emerging as a powerful Sazi healer. Sent to return Eric to the Sazi world he rejected, Holly finds herself by his side as the lone wolf tracks the monster that is killing the Sazi. Holly soon realizes she must make a choice--between a Sazi life with Eric, and life as a "normal" human being. But first, she must survive long enough to make that choice--and she must save her people, and the world, from evil. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Explores Jung's psychological concepts regarding the nature, function and importance of man's symbols as they appear on both the conscious and subconscious level.
Aura Nilssen ' s life hasn ' t gone at all according to plan. She ' s the unwitting heir to a tainted throne, the recipient of not one but two unwanted legacies, and she ' s on the hit list of every dark realm in the cosmos. But with weeks to go before her graduation from Alfheim Academy and official coronation as Queen, the reluctant royal thinks she can finally take a breath. She should have known better. When her allies ' borders are breached, Aura knows it ' s only a matter of time before Alfheim is attacked. And when dark powers move against her home, Aura and her friends set out to determine exactly who might be strong enough to overpower the light realms. With more than just Alfheim ' s future on the line, Aura must decide how much she ' s willing to sacrifice for the home she ' s grown to love... and the warrior who ' s claimed her heart.

Daughter of Gods and Shadows

A Novel

DIVDIVBetween Genesis 1:1 and 1:2 lies an untold story of war in the heavens. Hear a chronicle of cosmic rebellion and its devastating aftermath from the perspective of a fallen angel! Dreading his coming judgment, one former servant of heaven recounts his wavering conviction---and how he realized too late his mistake in siding with Lucifer. 304 pages, softcover from Realms./div/div

The mysterious Wok Genia has disappeared. Fearing the remaining scrolls may be lost forever, Samantha Yale is determined to find him.

Aura Nilssen has spent most of her sixteen years in hiding. As crown princess of Alfheim, her life depends on avoiding the assassins who killed her parents and want to destroy her realm. When hunters corner Aura on Midgard (Earth), she's immediately evacuated and enrolled at Alfheim Academy—a training ground where telepathic teenagers, daily combat lessons, and communication from beyond is the norm. She attends classes that enhance her energetic abilities, labs that fine tune her mental acuity, and workouts with a supernaturally good looking—and suspiciously evasive—training partner. But it's what she learns outside the classroom that proves most difficult: as Queen of Alfheim, Aura's grandmother played a heartbreaking role in the death of Aura's parents . . . and her iron fisted monarchy is pushing the realm to the brink of extinction. If Aura doesn't take her grandmother's crown, the home she's only just begun to love may be lost forever. When an unprecedented attack threatens the very heart of Alfheim, Aura has to decide what she's willing to sacrifice to protect her new home. Her choice may mean the difference between survival and annihilation—not only for Aura, but for the world she's always been destined to rule.

A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like Recovering Biblical Manhood and Womanhood help remind Christians of what the Bible has to say. In this edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resourse will help readers learn to orient their beliefs with God's changing word in an ever-changing culture.

Since her treaty marriage at a young age, Tia has lived an opulent yet oppressive life in the palace. But her husband has since died and she relishes her newfound independence. As the queen plans to wed Tia to yet another prince, the powerful mage Shadir plots to expose the family's secret and set his own man on the throne. Tia enlists the help of a reluctant Jewish captive, who challenges her notions of the gods even as he opens her heart to both truth and love.

An ambitious and mesmerizing novel from the bestselling author of Rules of Magic. The Dovekeepers is 'istriking! Hoffman grounds her expansive, and deepest new novel in biblical history, with a devotion and seriousness of purpose! (Entertainment Weekly). Nearly two thousand years ago, nine hundred Jews held out for months against armies of Romans on Masada, a mountain in the Judean desert. According to the ancient historian Josephus, two women and five children survived. Based on this tragic and iconic event, Hoffman's novel is a spellbinding tale of four extraordinarily bold, resourceful, and sensuous women, each of whom has come to Masada by a different path. Yael's mother died in childbirth, and her father, an expert assassin, never forgave her for that death. Revka, a village baker's wife, watched the murder of her daughter by Roman soldiers; she brings to Masada her young grandsons, rendered mute by what they have witnessed. Aziza is a warrior's daughter, raised as a boy, a fearless rider and expert marksman who finds passion with a fellow soldier. Shirah, born in Alexandria, is wise in the ways of ancient magic and medicine, a woman with uncanny insight and power. The lives of these four complex and fiercely independent women intersect in the desperate days of the siege. All are also keeping secrets/about who they are, where they come from, who fathered them, and whom they love.

Bridget also known as Birgitta of Sweden received revelations from Almighty God and these are recounted in several books. 1.The Prophecies and Revelations of Saint Bridget (Birgitta) of Sweden volume 1 (books 1-3) 2.The Prophecies and Revelations of Saint Bridget (Birgitta) of Sweden volume 2 (Book 4) 3.The Book of Questions of Saint Bridget (Book 5) 4.The Prophecies and Revelations of Saint Bridget (Birgitta) of Sweden volume 4 (Books 6' , 7, 8' , 9') 5.The Book of the Angel (Book 11) 6.The Life and Prayers of Saint Bridget * indicates part of the book is missing.

Recovering Biblical Manhood and Womanhood (Revised Edition)

About 16 centuries ago, an unknown Indian author or authors gathered together the diverse threads of already ancient traditions and wove them into a verbal tapestry that today is still the central text for worshippers of the Hindu Devi, the Divine Mother. This spiritual classic, the Devimahatmya, addresses the perennial questions of the nature of the universe, humankind, and divinity. How are they related, how do we live in a world torn between good and evil, and how do we find lasting satisfaction and inner peace? These questions and their answers form the substance of the Devimahatmya. Its narrative of a dispossessed king, a merchant betrayed by the family he loves, and a seer whose teaching leads beyond existential suffering sets the stage for a trilogy of myths concerning the all-powerful Divine Mother, Durga, and the fierce battles she wages against throngs of demonic foes. In these allegories, her adversaries represent our all-too-human impulses toward power, possessions, and pleasure. The battlefields symbolize the field of human consciousness on which our lives' dramas play out in joy and sorrow, in wisdom and folly. The Devimahatmya speaks to us across the ages of the experiences and beliefs of our ancient ancestors. We sense their enchantment at nature's bounty and their terror before its destructive fury, their recognition of the good and evil in the human heart, and their understanding that everything in our experience is the expression of a greater reality, personified as the Divine Mother.

As the final installment in the series that began with Lucifer's Flood, Linda Rios Brook's The Redeemer finds ancient language expert Samantha Yale translating a final batch of ancient scrolls written by a fallen angel.

Alex Rider is now an IMDb TV/Amazon Original Series! From internationally bestselling author Anthony Horowitz comes the twelfth thrilling installment of the Alex Rider series! Follow the world's greatest teen spy as he sets off to Gibraltar after the death of Scorpio, and enters into a battle against a new criminal organization: Nightshade. Following the shocking events of Never Say Die, Alex Rider's world has changed: his biggest enemy, the evil organization Scorpio, has been destroyed. Alex is hoping his life can finally go back to normal, that he can go to school and spend time with his friends—but very quickly everything changes. A new and dangerous criminal organization—Nightshade—is rising. When Alex discovers they've planned a mysterious attack on London, he will stop at nothing to take them down. But protecting his home city means facing off a ruthless new enemy and putting his life at stake, again. And this time, there's no one to save him if he makes a mistake. The #1 New York Times and internationally bestselling Alex Rider series is back with a vengeance in this edge-of-your-seat adventure. Perfect for fans of James Bond and Jason Bourne! Eden Reid is not interested in prophesy. The problem is that a doozy of a prophesy is bearing down on her. Such is the case when you're a twenty-four-year-old from Brooklyn, New York who is about to discover she is an ancient god. A truly powerful one. And with power comes problems. A truly formidable demon is gunning for her; a zombie-like pandemic is spreading across the country, creating creatures who are hungry for flesh, fast on their feet and clever; and there is the mysterious, handsome stranger with powers of his own who claims to have been her lover from a time and a life that Eden cannot remember. He promises to help awaken her powers for the upcoming war: A war where there is only one prize: survival...in Daughter of Gods and Shadows from debut author Jayde Brooks.

The RedeemerCharisma Media

Something Has Gone Terribly Wrong in Our World Two thousand years after the cross, evil continues to brutalize and pillage in every nation and no one appears able to do very much about it. Why has the church made so little progress? While Satan lost his authority to rule on the earth, he did not lose his power. Failure to recognize this crucial difference has caused us to miss the point as to what the war over the planet is about and therefore, what we must do to win it. Lucifer's War offers a detailed, historical examination of Satan, the demon gods who are aligned with him, and their ancient struggle with God over humanity. While the church is the only agency on earth authorized by Jesus to deal with evil at its root cause, believers must acknowledge what has not worked and pursue a different strategy that will. This book will change the way you pray, equip you to understand the times we are living in, and prepare you for what may happen next and what you can do about it.
