

The Revelation Of The Written Scrolls And The Word Of God As Given To Neal Vincent Frisby

The writings of the Apostolic Fathers give a rich and diverse picture of Christian life and thought in the period immediately after New Testament times. Some of them were accorded almost Scriptural authority in the early Church. This new Loeb edition of these essential texts reflects current idiom and the latest scholarship. Here are the Letters of Ignatius, bishop of Antioch, among the most famous documents of early Christianity; these letters, addressing core theological questions, were written to a half dozen different congregations while Ignatius was en route to Rome as a prisoner, condemned to die in the wild-beast arena. Also in this collection is a letter to the Philipian church by Polycarp, bishop of Smyrna and friend of Ignatius, as well as an account of Polycarp's martyrdom. There are several kinds of texts in the Apostolic Fathers collection, representing different religious outlooks. The manual called the Didache sets forth precepts for religious instruction, worship, and ministry. The Epistle of Barnabas searches the Old Testament, the Jewish Bible, for testimony in support of Christianity and against Judaism. Probably the most widely read in the early Christian centuries was The Shepherd of Hermas, a book of revelations that develops a doctrine of repentance.

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible.

How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

A fun and fascinating way to learn about the book of Revelation. The Bible's final book, Revelation, can seem intimidating or downright impossible to comprehend, even for serious students of the Scriptures. Filled with complex imagery, vivid depictions of violence, and challenging spiritual references, Revelation is often set aside by readers in favor of more straightforward, easier-to-digest biblical material. Yet the capstone of the canon need not remain a mystery. In this refreshingly accessible book, Bible scholar and best-selling author Tim LaHaye (originator of the Left Behind series) and renowned puzzle master Timothy E.

Parker (editor of the USA Today Crossword, and founder of The Universal Crossword, King James Games, and Master Puzzles) demystify Revelation for your benefit. Absorb this book and discover afresh—or for the first time—the richness of Revelation and its God-breathed, life-changing power to deepen your walk of faith.

This is volume 5 of Charles Swindoll's walk through the Bible, entitled God's Masterworks. These lessons deal with the books of 2 Thessalonians through Revelation.

The Book of Revelation Is Not What It Claims to Be

Four Views on the Book of Revelation

The Doctrine of Salvation

The Last Days according to Jesus

You can understand the mysterious book of Revelation. The book of Revelation—the last book in the Bible—is, to many people, its most confusing. They find its strange symbols and images puzzling and mysterious. But you can understand it. The book's very name mean a revealing, a way to gain understanding. Its first verse tells us it was written to reveal "things which must shortly take place." If you are confused by the book of Revelation and would like to know what it all means—and how it's cast of mysterious characters all fit within Bible prophecy—then read the Bible Study Aid ebook The Book of Revelation Unveiled. This study aid will take you through the major themes of the book of Revelation helping you to understand what Jesus Christ revealed to the apostle John and how it all fits together. Discover the major trends and future prophetic events that will shape this world—and your life—in the days ahead. Chapters in this ebook: -- The Book of Revelation: Is It Relevant Today? -- Keys to Understanding Revelation -- The Story Flow of the Book of Revelation -- Chapter Outline of the Book of Revelation -- God's Church in Prophecy -- What Is the Church? -- Duality in Bible Prophecy -- The Book of Revelation's Divine Authority -- The Seals of the Prophetic Scroll -- The Day of the Lord Finally Arrives -- Satan's War Against the People of God -- The Mark and Number of the Beast -- The Two Women of Revelation -- The 'Time of Jacob's Trouble' -- The Destruction of Satan's Kingdom -- Satan: The Great Seducer -- The Everlasting Kingdom of God Inside this Bible Study Aid ebook: "The name of the book, Revelation, is a translation of the title in the original New Testament Greek. Apocalypsis—the origin of the other name by which the book is now known, the Apocalypse. The Greek term denotes an unveiling or uncovering—thus, a revelation." "Here is the key to understanding the book. Jesus alone can unlock the meaning of its symbols, visions and descriptions...Christ reveals its meaning. He unlocks its seals. But how does He do it?" "Most of Revelation—about two thirds of its content—is devoted to the seventh seal. The contents of the first six seals are found in chapter 6 alone." "How will the two witnesses and their message be received?" "The book of Revelation reveals, from more than one perspective, the emergence of this vast end-time empire governed from a great city God labels “Babylon the great”, the reference here being to Rome." "Jesus Christ will return to establish that Kingdom on earth (the Kingdom of God) at His second coming, at last bringing the peace mankind has always longed for but never achieved."

The author, a professor of theology and ordained minister, argues that Revelation does not predict a seven-year tribulation, nor a rapture of Christians. Rather, it offers a vision of God's healing love for the world.

Hank Hanegraaff reveals the code to Revelation. Breaking the code of the book of Revelation has become an international obsession. The result, according to Hank Hanegraaff, has been rampant misreading of Scripture, bad theology, and even bad politics and foreign policy. Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty-five books of the Bible — not current events or recent history and certainly not any complicated charts. The Apocalypse Code offers sane answers to some very controversial questions: What does it mean to take the book of Revelation (and the rest of the Bible) literally? Who are the “Antichrist” and the “Great Whore of Babylon,”and what is the real meaning of “666”? How does our view of the end times change the way we think about the crisis in the Middle East? Are two-thirds of all Jews really headed for an apocalyptic holocaust? The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world. "Provocative and passionate, this fascinating book is a must-read for everyone who's interested in end-times controversies." — Lee Strobel, Author, The Case for the RealJesus “This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts such as Tim LaHaye. Every fan of theLeft Behindseries should read this book. The fog will clear, and common sense will return to our reading of the Bible.” — Gary M. Burge, Professor of New Testament, Wheaton College and Graduate School

Have you ever struggled trying to discover God's purpose for your life? You know he has a plan. It sure would be nice if he'd let you in on it. Discovering God's will and purpose for your life does not have to be strange, spooky or overwhelming. It can be found and more importantly, God wants to reveal it to you. So, if you feel stuck, then you are in the right place. On this journey, we will unpack 11 different ways God leads you into his will. These sensible concepts will help you understand how God shows up in your everyday situations with the intention of revealing his plan and will for your life. If you are ready to get out of the dark and into the light of how God leads you into his will then join me on this journey. It's time for you to get unstuck and ultimately step into the purpose God has for you.

Authorized King James Version

A New History of Humanity

The Little Book of Revelation

Revelation

The Book of Revelation

One in a series of twelve New Testament verse-by-verse commentary books edited by Max Anders. Includes discussion starters, teaching plan, and more. Great for lay teachers and pastors alike.

INSTANT NEW YORK TIMES BESTSELLER A dramatically new understanding of human history, challenging our most fundamental assumptions about social evolution—from the development of agriculture and cities to the origins of the state, democracy, and inequality—and revealing new possibilities for human emancipation. For generations, our remote ancestors have been cast as primitive and childlike—either free and equal innocents, or thuggish and warlike. Civilization, we are told, could be achieved only by sacrificing those original freedoms or, alternatively, by taming our baser instincts. David Graeber and David Wengrow show how such theories first emerged in the eighteenth century as a conservative reaction to powerful critiques of European society posed by Indigenous observers and intellectuals. Revisiting this encounter has startling implications for how we make sense of human history today, including the origins of farming, property, cities, democracy, slavery, and civilization itself. Drawing on pathbreaking research in archaeology and anthropology, the authors show how history becomes a far more interesting place once we learn to throw off our conceptual shackles and perceive what's really there. If humans did not spend 95 percent of their evolutionary past in tiny bands of hunter-gatherers, what were they doing all that time? If agriculture, and cities, did not mean a plunge into hierarchy and domination, then what kinds of social and economic organization did they lead to? The answers are often unexpected, and suggest that the course of human history may be less set in stone, and more full of playful, hopeful possibilities, than we tend to assume. The Dawn of Everything fundamentally transforms our understanding of the human past and offers a path toward imagining new forms of freedom, new ways of organizing society. This is a monumental book of formidable intellectual range, animated by curiosity, moral vision, and a faith in the power of direct action. Includes Black-and-White Illustrations

RevelationCanongate Books

This commentary series is established on the presupposition that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical, linguistic, and textual context. Such thorough exegetical work lies at the heart of these volumes, which contain detailed verse-by-verse commentary preceded by general comments on each section and subsection of the text. An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs. In this connection the authors make their own scholarly contributions to the ongoing study of the biblical text. The text on which these commentaries are based is the UBS Greek New Testament, edited by Kurt Aland and others. While engaging the major questions of text and interpretation at a scholarly level, the authors keep in mind the needs of the beginning student of Greek as well as the pastor or layperson who may have studied the language at some time but does not now use it on a regular basis.

The Pursuit of Purpose

A Message of Hope in a Time of Crisis

Shows, with solid reasons, that the Book of Revelation has a literary form, similar to the short story.

This doctoral dissertation demonstrates that Revelation was written prior to the destruction of the Jewish Temple in AD 70, and that it was prophesying that event. It proves this early date for Revelation by providing both internal evidence from within Revelation and external evidence from Church history and tradition.

The Book of Revelation contains passages of great beauty and comfort, as well as passages that strike the casual reader as bizarre, bewildering, and sometimes frightening. How are readers today to discern God’s message in this peculiar part of the Bible? Breaking the Code provides a trustworthy guide to the rich symbolism of this important biblical book. Noted biblical scholar Bruce M. Metzger presents the fruits of solid scholarship in a non-academic style. Breaking the Code serves as a key for understanding this powerful and puzzling book from the first century of the Christian Era. Topics include: Introducing the Book of Revelation/John’s Vision of the Heavenly Christ (Revelation 1:1-20) Letters to Churches/More Letters to Churches (Revelation 2:1- 3:22) John’s Vision of God and the Lamb (Revelation 4:1-5:14) Opening the Seven Seals of God’s Scroll (Revelation 6:1-8:2) Sounding the Seven Trumpets (Revelation 8:3-11:19) The Satanic Trinity: The Dragon and the Two Beasts (Revelation 12:1-14:20) The Seven Bowls of God’s Wrath (Revelation 15:1-18:24) The Final Victory and the Last Judgment/John’s Vision of the Heavenly Jerusalem (Revelation 19:1-22:21)

THE INCREDIBLE DISCOVERY THAT THE BOOK OF REVELATION HAS BEEN A MONSTROUS DECEPTION WHICH HAS FOOLED CHRISTIANS FOR ALMOST 2000 YEARS
The Apocalypse, also known as the Book of Revelation is the last book of the New Testament. It begins with these words: "The Revelation of Jesus Christ, which God gave unto him, to show unto his servants things which must shortly come to pass; and he sent and signified it by his angel unto his servant John: Who bare record of the word of God, and of the testimony of Jesus Christ, and of all things that he saw." (Revelation. 1:1) Those words are not those of Jesus Christ, contrary to the claims of its author. Transmitted through an unnamed angel, they are part of a monstrous deception that has plagued Christianity ever since they were first penned. Furthermore, contrary to popular belief, the Apocalypse was not written by John the Apostle, the son of Zebedee nor is it. Who then wrote the Apocalypse? He is the same person that John the Elder confronted in the Roman Baths of Ephesus and called "the enemy of the Truth." If as I will show, that the Book of Revelation was written by this person, then clearly, he is an enemy of the Truth, the Apocalypse cannot be included the Christian Canon of the New Testament This book expands upon the scholarly work, "The Apocalypse" written by R.H. Charles in 1920, the famous scholar widely recognised as the greatest authority of his time in matters of Jewish eschatology and apocrypha. Now take heed of a prophecy that Jesus made about a future time after his crucifixion. "Watch out that you are not deceived. For many will come in my name, claiming, 'I am he, ' and, 'The time is near.' Do not follow them." (Luke 21:8) Do not follow anyone who says "the time is near" Jesus says. Do not be deceived he says. Yet this is exactly what the writer of the Apocalypse says. "Do not seal up the words of the prophecy of this scroll, because the time is near." (Revelation 22:10) As a Christian, as long as you adhere to the words of Jesus and the Apostles recorded in the Gospels and the other writings of the New Testament, then the council of John the Elder, the disciple that Jesus loved and the author of the Fourth Gospel, will serve you well. "So He said to the Jews who had believed Him, 'If you continue in My word, you are truly My disciples. Then you will know the truth, and the truth will set you free.'" (John 8:32) May this book set you free, but this it will not do unless you are willing look past your prejudices, seek the truth and read it. You will not regret it if you do.

Revelation Unveiled

Authorised King James Version

The Book of Revelation Made Clear

The First Coming of Jesus at the End of Days

The Rapture Exposed

Revealing Revelation

This book is a fascinating study in search of the real Jesus. The author concludes that scripture is essentially a collection of prophecies, not a record of past events. Jesus did not say, "Blessed is he who heeds the words of the history of this book," but rather "Blessed is he who heeds the words of the prophecy of this book." Thus, the current tenets of Christianity with regard to the origin and advent of Jesus are based on fundamental misconceptions. The books argument is that Christs visitation has not yet occurred in the world of time, since it is a future event, and that his origin will be derived from the Greeks, not the Jews, when he does appear.

There's no doubt the world is in trouble. We see tragedy in the streets and violence in the news—but what can we do about it? And how can we find peace amid the chaos? We hear increasingly divisive political debates that spotlight the deep and bitter divisions in our society. We feel the pain and confusion of a culture that seems to be coming apart at the seams. It can be difficult to find a way forward, trusting that God will protect and care for us amid the struggles of life. In this updated edition of Escape the Coming Night, Dr. Jeremiah walks through the perfect Scriptures for these uncertain times, exploring The Book of Revelation in a practical way. For those who have wanted to know more about Book of Revelation but didn’t know how to get started, the book answers key questions like: How do we explain so much continuous chaos? How do we live with such turmoil? Is there any hope for peace in our lifetime? As one of the world’s most beloved Bible teachers, Dr. David Jeremiah is the perfect voice to help answer these questions. This exploration of Revelation is shocking and eye-opening, but also consistently uplifting—and a vital message for our time.

A profound exploration of the Bible's most controversial book—from the author of Beyond Belief and The Gnostic Gospels The strangest book of the New Testament, filled with visions of the Rapture, the whore of Babylon, and apocalyptic writing of the end of times, the Book of Revelation has fascinated readers for more than two thousand years, but where did it come from? And what are the meanings of its surreal images of dragons, monsters, angels, and cosmic war? Elaine Pagels, New York Times bestselling author and "the preeminent voice of biblical scholarship to the American public" (The Philadelphia Inquirer), elucidates the true history of this controversial book, uncovering its origins and the roots of dissent, violence, and division in the world's religions. Brilliantly weaving scholarship with a deep understanding of the human needs to which religion speaks, Pagels has written what may be the masterwork of her unique career.

Lost in Translation The Book of Revelation Through Hebrew Eyes is a worthy follow-up to its predecessor, Rediscovering the Hebrew Roots of Our Faith. This is the second in a three-volume series that will cover the entire book of Revelation in awe-inspiring detail, expounding and expanding on familiar verses in God s Word that have been misunderstood and misconstrued for many years. Or, in some cases, linking together verses and concepts that have been repeatedly overlooked. In this volume the authors explore the first half of Revelation from the perspective they established so clearly in Volume 1 that of a Hebrew God speaking through a Hebrew believer to an audience that was intimately familiar with the Hebrew language, culture, customs, and concepts that form both the literal and the metaphorical foundation for vast portions of Revelation. *Who are the 144,000, anyway? What will be their true function in the End Times? *Who is the Bride of Messiah? Does that designation automatically include everyone who accepts salvation, no matter when or where? *What does the book of Revelation really tell us about two vastly different and completely separate sequences of events that transpire at one and the same time, in entirely different places yet all as integral parts of the same vast panorama of end-times happenings? How do the Wedding and the Judgments fit together if they even DO? These are just some of the questions to which you ll find plausible, sensible, biblically sound answers in this volume. Please join us, right now, for another voyage of discovery unlike anything you ve embarked on before, even if you've already read volume 1 "

The Book of Revelation Through Hebrew Eyes

How John Wrote the Book of Revelation: From Concept to Publication

Revelation and the Politics of Apocalyptic Interpretation

The Apocalypse Code

Narrative and Drama in the Book of Revelation

The Cross and Salvation (Hardcover)

Of all the books of the Bible, few are as fascinating or as bewildering as Revelation. Its images grip the imagination: four grim horsemen, the Antichrist, the ten-horned beast, the ultimate battle at Armageddon, and, of course, 666, the “mark of the beast,” variously interpreted to signify everything from Hitler and Krushchev to credit cards and the Internet. Is the book of Revelation a blueprint for the future that needs decoding if we want to understand current events? Is it a book of powerful imagery, with warnings and promises for

the church throughout the ages? Or is it essentially an imaginative depiction of historical events in the first century? Four Views on the Book of Revelation explores the four main views in which Revelation is understood: preterist, idealist, classical dispensationalist futurist, and progressive dispensationalist. The interactive Counterpoints forum allows each author not only to present his view, but also to offer brief commentary on other views presented. This evenhanded approach is ideal for comparing and contrasting stances in order to form a personal conclusion about the interpretation and meaning of Revelation. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.

With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers.

Demarest's unique approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a clear and carefully constructed doctrinal statement that you can defend, live out, and communicate to others. This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based answers about salvation and the cross—and about related theological issues such as grace and regeneration.

It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series.

To some, the concept of having faith in a higher power or a set of religious beliefs is nonsensical. Indeed, many view religion in general, and Christianity in particular, as unfounded and unreasonable. Norman Geisler and Frank Turek argue, however, that Christianity is not only more reasonable than all other belief systems, but is indeed more rational than unbelief itself. With conviction and clear thinking, Geisler and Turek guide readers through some of the traditional, tested arguments for the existence of a creator God. They move into an examination of the source of morality and the reliability of the New Testament accounts concerning Jesus. The final section of the book deals with a detailed investigation of the claims of Christ. This volume will be an interesting read for those skeptical about Christianity, as well as a helpful resource for Christians seeking to articulate a more sophisticated defense of their faith.

"Craig Koester provides commentary on each section of the book of Revelation, drawing on the best recent scholarship and contemporizing his discussion with references to events like the siege at Waco, the phenomenal sales of the Left Behind series, and the use of Revelation in hymnody and art. Based on two decades of teaching Revelation to seminary students, pastors, and lay groups, this discussion strikes a balance between taking the text s first-century context seriously and making Revelation relevant to twenty-first-century readers."—BOOK JACKET.

Understanding the Chronology of Revelation

Have you ever wondered if Revelation was written in Chronological order? Have you ever gotten lost in the narrative and wondered when certain events would happen? If so, this book will end the wondering. You will discover that Revelation is a simple book to understand. If you wish to

understand Revelation, this book is a must.

Tour the Final Book of the Bible Revelation was written because God wants us to know what the future holds. For Christians, the prophetic truths within provide wisdom, reassurance, and discernment—while for unbelievers, Revelation is a plea to receive God’s grace while there is still time.

Bestselling author Amir Tsarfati examines what Revelation makes known about the end times and beyond. Guided by accessible teaching that lets Scripture speak for itself, you’ll take a closer look at the timeline of what believers and nonbelievers will experience before, during, and after the

tribulation plan that the Lord has specifically prepared for the people of Israel in the end times encouragements, challenges, and warnings Jesus Himself gave to prepare us for His return Revealing Revelation provides an eye-opening look at what lies ahead for every person in the end

times—either in heaven or on earth. Are you prepared for what is to come?

To read the book of Revelation is to see a myriad of representations pass by our gaze, offering and kaleidoscope of bizarre and incongruent images. This world strikes us at first as fearfully and mysteriously strange and fantastic. But once these symbols are properly deciphered, they combine

to present crucial messages for those living in the last days. These messages were designed by God to lead all successfully through these troubled times if they will read, hear, and do his will. This commentary presents a comprehensive analysis of John's book aided by the lens of LDS doctrine

and Mormon experience. God delivered his messages in the form of images housed within discrete visions, with each symbol explaining, exposing, or emphasizing various aspects of the message conveyed. The challenge is getting beyond the symbols to the represented realities. Information is drawn

from all the Standard Works, the Joseph Smith Translation of the Bible, and from modern Prophets and Apostles.

A verse by verse commentary on the book of Revelation that is especially useful for group study and personal devotionals.

The Mystery of Christ in the Revelation

A Down-to-Earth Guide to Understanding the Most Mysterious Book of the Bible

The Reverend Clarence Larkin was one of the most widely influential thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity. This 1919 book serves as a study guide for the Book of Revelation, the Bible's prophetic final chapter. Larkin explains the concepts of the Beast and the

False Prophet, the Seven Seals and the Seven Trumpets, and the importance of the Book of Daniel in understanding the Rapture. Charts and illustrations depict the "Pale Horse Rider," "Daniel's Four Wild Beasts," "Egyptian Plagues Compared," and more. Also available from Cosimo Classics: Larkin's The Spirit World, Rightly Dividing the Word, and The Second Coming of Christ. American Baptist pastor

and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.
