The Royal Diary Catherine The Great Journey Russia 1743

Experience the sumptuous wealth and the unforgettable drama within the Moghul Dynasty of seventeenth-century India through Newbery Honor-author Kathryn Lasky's diary of Princess Jahanara. In the 1600s, the Moghul emperors of India were among the greatest and most superb rulers of the East. Jahanara is the daughter of one of these powerful figures, Shah Jahan, The Magnificent. A lover of refinement, his courts are of the finest architecture, priceless painting, unbelievable gardens, and ultra-fabulous wealth. Jahanara, the oldest and favorite of his children, is

showered with emeralds and diamonds and rubies. She is attended by numerous servants and learned tutors. But her world is not one of complete

Austria-France, 1769. Marie Antonia of Vienna has her whole life mapped out ahead of her. She is to marry Dauphin Louis Auguste, eldest grandson of King Louis XV. As his wife, she will be called Marie Antoinette and will be the highest princess of France. Upon the death of the King, she will become Queen Marie Antoinette. But she dreads both new roles.

The story of the Romanov jewels and of Englishman Albert Stopford who risked his life to smuggle millions of pounds worth of of the precious gems from Russia to London in 1917.

Empress Catherine II brought Europe to Russia, and Russia to Europe,

Download Ebook The Royal Diary Catherine The Great Journey Russia 1743

during her long and eventful reign (1762–96). She fostered the culture of the Enlightenment and greatly expanded the immense empire created by Czar Ivan the Terrible, shifting the balance of power in Europe eastward. Famous for her will to power and for her dozen lovers, Catherine was also a prolific and gifted writer. Fluent in French, Russian, and German, Catherine published political theory, journalism, comedies, operas, and history, while writing thousands of letters as she corresponded with Voltaire and other public figures. The *Memoirs of Catherine the Great* provides an unparalleled window into eighteenth-century Russia and the mind of an absolute ruler. With insight, humor, and candor, Catherine presents her eyewitness account of history, from her whirlwind entry into

Download Ebook The Royal Diary Catherine The Great Journey Russia 1743

the Russian court in 1744 at age fourteen as the intended bride of Empress Elizabeth I ' s nephew, the eccentric drunkard and future Peter III, to her unhappy marriage; from her two children, several miscarriages, and her and Peter ' s numerous affairs to the political maneuvering that enabled Catherine to seize the throne from him in 1762. Catherine ' s eye for telling details makes for compelling reading as she describes the dramatic fall and rise of her political fortunes. This definitive new translation from the French is scrupulously faithful to her words and is the first for which translators have consulted original manuscripts written in Catherine ' s own hand. It is an indispensable work for anyone interested in Catherine the Great, Russian history, or the eighteenth century.

A Novel of Henry VIII and Catherine of
Aragon

Beware, Princess Elizabeth

The Last Wife of Henry VIII

The Life of Catherine the Great of
Russia

Twin Crowns

Elisabeth

The fictional diary of Princess Sophie, later named Catherine, from 1743 until 1745, when at age fifteen she is married to her second cousin Peter, Grand Duke of Russia, who will one day be Emperor. Includes historical notes on her later life. Originally published in The Royal Diaries series for Scholastic.

In the first publication to examine the relationship between Britain and Russia through the lens of art in the Royal

Collection, Russia : Art, Royalty and the Romanovs interweaves the familial, political, diplomatic and artistic stories of the two countries and their royal families over more than 400 years. From initial contacts in the mid-sixteenth century, through alliances, marriages and two World Wars, to the current reign, this richly illustrated book gives readers a glimpse into the public and personal dealings of these two fascinating dynasties. With new research on previously unpublished works, including porcelain, arms, costume, insignia and photographs, together with paintings by both Russian artists and British artists working in Russia, this is the first full-scale publication to present

the uniquely interlinked narrative of the art connecting the two royal families.

A high-stakes fantasy rom-com about twin princesses separated at birth—one raised as the crown princess, and the other taken as an infant and raised to kidnap her sister, steal the crown, and avenge the parents' murders—the first novel in a new YA duology from bestselling UK authors Catherine Doyle and Katherine Webber. Perfect for fans of The Selection, My Lady Jane, and Caraval. Wren Greenrock has always known that one day she'd steal her sister's place on the throne. Trained from birth to return to the palace and avenge her parents' murder, she'll do anything to become queen and

protect the community of witches who raised her. Or she would, if only a certain guard wasn't quite so distractingly attractive, and if her reckless magic would stop causing trouble. . . . Princess Rose Valhart knows that with power comes responsibility—and she won't let a small matter like waking up in the desert with an extremely impertinent (and very handsome) kidnapper get in the way of her duty. But life outside the palace is wilder and more beautiful than she ever imagined, and the witches she has long feared might turn out to be the family she never had. But as coronation day looms and each sister strives to claim her birthright, an old enemy becomes increasingly determined that

neither will succeed. Who will ultimately rise to power and wear the crown?

By the #1 New York Times bestselling author, a novel of passion and power at the court of a medieval killer, a riveting new Tudor tale featuring King Henry VIII's sixth wife Kateryn Parr. Kateryn Parr, a thirty-year-old widow in a secret affair with a new lover, has no choice when a man old enough to be her father who has buried four wives—King Henry VIII—commands her to marry him. Kateryn has no doubt about the danger she faces: the previous queen lasted sixteen months, the one before barely half a year. But Henry adores his new bride and Kateryn's trust in him grows as she unites the royal

family, creates a radical study circle at the heart of the court, and rules the kingdom as Regent. But is this enough to keep her safe? A leader of religious reform and the first woman to publish in English, Kateryn stands out as an independent woman with a mind of her own. But she cannot save the Protestants, under threat for their faith, and Henry's dangerous gaze turns on her. The traditional churchmen and rivals for power accuse her of heresy—the punishment is death by fire and the king's name is on the warrant... From the bestselling author who has illuminated all of Henry's queens comes a deeply intimate portrayal of the last: a woman who longed for passion, power, and education

Edwidge Danticat, the award-winning, best-selling author of THE FARMING OF BONES and KRIK? KRAK! offers a powerful addition to The Royal Diaries series with the story of Haiti's heroic queen Anacaona. With her signature narrative grace, Edwidge Danticat brings Haiti's beautiful queen Anacaona to life. Queen Anacaona was the wife of one of her island's rulers, and a composer of

songs and poems, making her popular among her people. Haiti was relatively quiet until the Spanish conquistadors discovered the island and began to settle there in 1492. The Spaniards treated the natives very cruelly, and when the natives revolted, the Spanish governor of Haiti ordered the arrests of several native nobles, including Anacaona, who was eventually captured and executed, to the horror of her people. A novel in diary form

Post). As maid of honor to the Princess of Wales, Elizabeth Chudleigh enjoyed a luxurious life in the inner circle of the Hanoverian court. With her extraordinary style and engaging wit, she both delighted and scandalized the press and public. She would later even inspire William Thackeray when he was writing his classic Vanity Fair, providing the inspiration for the alluring social climber Becky Sharp. But Elizabeth's real story is

more complex and surprising than anything out of fiction. A clandestine, candlelit wedding to the young heir to an earldom, a second marriage to a duke, a lust for diamonds, and an electrifying appearance at a masquerade ball in a gossamer dress—it's no wonder that Elizabeth's eventual trial was a sensation. Charged with bigamy, an accusation she vehemently fought against, Elizabeth refused to submit to
